

THE ANOINTED, THE ELECT, AND THE DAMNED!
THUS SAITH THE MOST HIGH!

1147 ""Of all the Promised Children of Abraham, which have become the most vile? The Levites unto whom was delivered perpetual direct communication with me and defiled it for a farthing? The Judeans unto whom was delivered the Septre of the Promised Birthright of the Children of Abraham and made it an abomination in My Sight and in the sight of all men? The Ishmaelites unto whom was delivered great wealth to prosper all the tribes, peoples and nations of the world and squandered it bringing death upon the innocent by violence and blaspheme?

1148 ""In That Day I will separate those vile from the rest and their burning shall be as furious and long lasting as My Eternal Wrath.""

CHAPTER ELEVEN

THE FIDDLER'S PAYDAY!

1149 The Planes of Heaven nearest the earth are, in order from the earth up: Etheric, the First Heaven; Lower Astral, the Second Heaven; Higher Astral, the Third Heaven; Mental Plane, where one can see the true thoughts of anyone, the Fourth Heaven; and the Causal Plane, where the effects of one's thinking begins to formulate physical circumstance, the Fifth Heaven. Above these are the Abstracts and High Realms, so many they do not have earthly names or titles.

1150 It was on the Causal Plane that Bobby was greeted upon his return.

1151 Seven High Priests of the Knights of Columbus, together with their vast entourage of lesser priests who continuously chanted invocations, were standing in order when Bobby again entered the second floor of the sleeping quarters, descending through the roof to the floor. They were in full dress, flowing robes and caps similar to those of the Pontiff, and exactly like those Bobby had seen as religious artworks in Rome and Mesopotamia.

1152 Bobby thought to himself: 'politicians and paper-shufflers can get straight through to Satan himself when it's their own ass about to pay the bill!'

1153 He knew that Warden Buck had done his whining in the right places, or this over-ritualized clan of pagans wouldn't be here! Even so, sooner or later they would have to appear before him, for it was promised to him by The Most High! Even demons, pagans and all other evil entities still obey when The Most High gives an order. Or else!

1154 Taking note of their numbers, Bobby calmly reached for his sword.

1155 The highest of them drew near as Bobby's grip tightened on the hilt of his sword. The pagan stopped. These are the masters of deceit and evil and are extremely wise. At least this one was wise enough to keep out of reach!

They had made the mistake of angering the Avenger of The Lord of Spirits, and that is one hundred percent (100%) fatal.

1156 The six attending Priests stationed themselves in order of rank behind the leader, and with incense burners swinging, began to chant their continuous rituals, using Latin rather than the more ancient Akkadian. A nod of recognition, and the leader spoke, "Son of The Living God, why do you persecute us who have not offended you?"

1157 Bobby's fury instantly reached death point, "You lying bastard! You are the very foundation of offense! I will not be a goody-goody little namby-pamby and let this thing pass just so you thieving, lying, murdering sons-of-bitches can have another victory!

1158 "Now, I warn you; and you'd damned well better listen with both ears because I'm only going to tell you once: the very next time I hear so much as one solitary word about your god-damned so-called innocence, I'm going to kill an even dozen of you slimy sons-of-bitches for each and every word, and I'm going to start with you!

1159 "I don't give a damn who it is, in ignorance or otherwise, any denials of your absolute involvement and responsibility for these atrocities will cost you a dozen beings in hell for every word that comes out of their mouth, and fifty more for every word of thought!"

1160 The Priest was shaken, but he pressed his case, "Son of The Living God, our time is not yet full; for we were given a dominion to deceive for 2,520 years (beginning at the time the second Temple was dedicated in the Sixth Year of the reign of King Darius, 515 B.C.E. and ending in 2005 GCAD. The beginning of the end of that 2,520 years started on June 27th, 1962 at the Anointing), and it is not yet accomplished!

1161 "The accounting has been falsified, that our deceit might yet accomplish the boast of our master, Son of the Morning; therefore, we have nothing to do with you in this thing; and will not invoke against you in our Lodges nor use any of our sorceries, symbols, talismans, radionics, psionics, or secret rituals against you.

1162 "Let us, then, be free of your wrath. And we pray of you that you will not continue the slaughter of our

servants in the earth. For it is the Masons who have perpetrated this evil against you in the earth. Their time is not yet full either.

1163 "Will you release us from our bondage and your wrath? Agony is not becoming to us, and we perish before the promised time."

1164 He was a sweet-talker all right, but Bobby's anger had already passed the point beyond which death must be accomplished. For this Satanic bastard to be here pleading innocence under the guise that there existed a promised duration for them to finish their deceptions was beneath contempt!

1165 If anyone wants to see the colors of perfect fury, this time and place is a masterpiece for such a view. Bobby's normal florescent green, indicating the actual scarlet color of his armor, turned a fearful, awesome purple-black. It is a credit to his control that he did not slaughter the lot of them then and there!

1166 Bobby all but hissed in reply, indicating death in high places, "This is deceit of the first magnitude!"

1167 "Let me tell you something, just so there won't be any misunderstanding, and no justifiable cause for further question. It is true that this thing was brought about by members of the Masonic Lodge, but they could not continue to perpetrate these damnable abominations they call justice in the eyes and ears of the people without you grafting paganistic bastards standing idly by!

1168 "Therefore, you are co-conspirators!"

1169 "This isn't done in your ignorance! If you called them into public notice and account, just once, this entire situation could not exist at all! But you let it exist for your own ends! You assist it to exist to satisfy your own graft and corruption!"

1170 "But now I'm going to tear both your god-damned playhouses down!"

1171 "Now hear this – and make damned sure you get it straight: on the Satan Sabbath next I will slaughter the high assholes of the Masons without mercy, unless they have met all my demands to the letter!"

1172 "But because they are a full phase of the moon ahead of you in warning, I will give you this: if on my wedding anniversary I am not at home a free and exonerated man, with all – repeat – all the perpetrators of this atrocity being in jail, both Catholic and Mason alike, then the most powerful Catholic will die: then and there!"

1173 "I will set the forces in motion, and once started they will not be stopped!"

1174 "In the passing of the hour that I can no longer arrive home in accordance with safety of travel and within your concocted laws of the earth, the bastard will die!"

1175 "Not one second longer shall his life be taken for granted. He shall die!"

1176 "Regardless of where he is at the moment, he shall die!"

1177 "And after his death: I will visit My Own Curse of The Anointed upon all your bastardly brethren and upon all their blood relations whatsoever, and upon all their whores and all their whoremongers and all their generations after them forever! And nothing or nobody can take them out of my hand; not even The Most High Lord God of All Creation will be able to rescue them!"

1178 "The Mighty One has given them to me, and he will not make Himself a liar by their rescue!"

1179 "I will make all their wives to be whores in the eyes of the world; their concubines shall be known for their sluttiness!"

1180 "And My Curse shall never depart from their children forever!"

1181 "They shall Die the Death of Agony without exception! The wombs born unto them shall be Cursed from conception! The wombs that receive of them shall be Cursed at penetration and the received semen therein shall be an everlasting desecration!"

1182 "My unalterable Curse shall be upon both all the men and all the women!"

1183 "And My Curse shall never depart from their generations forever!"

1184 "And those who come not before me: bowing with their faces in the dirt, delivering to me all that I require in restitution from them and serving me in My Holy Commission unto death shall burn without mercy as long as hell shall remain! And I don't give a damn if that's ten million generations down the line and hell outlasts God Himself!"

1185 The Priest knew he was in great personal danger, equal to, or possibly more than that just pronounced upon the personages in whom the Satanic spirits had made a considerable investment. He recanted somewhat, "We will do what we can, but give us more time?"

1186 It was the age-old excuse again, 'more time'! If you are ever in such a situation, remember: any time you concede is time that will be used against you!

1187 Bobby exploded, "Every minute I give you is a minute I spend in prison! And, a minute used to reinforce your position!"

1188 "Exoneration or death!"

1189 "There are no other terms! The choice is yours, but the delivery is mine! Now, get the hell out of my face before I forget that I just gave you something you've never conceded to anybody: 'time to deliver!'"

1190 The Priest started to say something else. Bobby again tightened his grip on his sword, and they left without formality or further adieu, drifting backward and vanishing into the darkness.

1191 Bobby knew for a fact that this would accomplish nothing toward obtaining justice. The bastards had ignored all his previous letters, denied these powers at all costs, and made no concessions whatsoever toward their own corrupt management.

1192 That left Bobby with only one alternative: he'd have to kill a lot of people, and maybe a lot of innocents in their presence. The best targets are at the top of the heap, and when the top rat is executed, there would be little, if any delay by their replacement to make the changes necessary to keep their own equally worthless ass alive!

1193 And that is exactly what happened!

1194 It was Thursday, the 31st of October, the weekend of Halloween, Satan's Sabbath. Bobby went to bed early, seething with anger towards police forces, courts and the entire corrupt law enforcement and judicial departments, and all government in general (which isn't any improvement!). One supported the other in a grand conspiracy to turn a hefty profit from the multi-billion-dollar graft machine they palmed off as 'justice' and/or 'corrections'. Every penny squeezed out of the blood of their millions of victims went to the politicians and occult practitioners of the Masonic and Knights of Columbus Lodges and Temple Israel, and/or their relative organizations.

1195 Where do you think the money comes from for those grand palaces they own, and all the provisions for their intercontinental 'tours' and 'excursions'?

1196 If you are a 'working' person, and you can't afford such, how in the hell can they? Unless there is a 'pleasure fund' for their cooperation!

1197 The problem was boiling in Bobby's mind as he walked into the darkness of the sleeping quarters. He was determined that there wasn't going to be anybody left to kill in the Holocaust if something wasn't done about this damnable, vile and corrupt situation of his! He didn't care how many, or who, had to die to get things put back in order, either!

1198 Bobby's bunk was an 'upper', which was warmer in winter and cooler in the summer. One of his friends from Richmond, Wayne Collins, had the upper bunk opposite. Wayne had been imprisoned for stealing food to keep from starving to death, while his partner, a relative of the Wayne County Sheriff Edward 'Corky' Cordell, had been set free for the same incident. Then to add salt to the injury, Wayne was denied parole, just for the hell of it, even though he had not one mark against him and had never even been 'stood on the line' (a punishment that could be inflicted by any officer or official immediately and without recourse to the inmate). Government spares no effort to belittle those they damned well intend to control.

1199 Often inmates would come in the void between the bunks and question Bobby on virtually every subject under the sun. Tonight there were no inquisitors! Wayne and Bobby talked for a while, mostly about the absence of questioners and music. Wayne wanted to be a musician, and with some instruction and practice he should make a good one. They decided to call it a night.

1200 Conversation pushes hatred into the background for the time being, but silence brings it forward again in all its fury. The only things a person really gets to be expert on in prison are: total contempt for this corrupt system, those that support it in their gutless ignorance, and how to hate. The hypocrisy and corruption of governments and their overpriced paper shufflers is justifiable cause for all the hatred one can muster. Tonight Bobby's fury was overflowing.

1201 It was Halloween, once the Holiest Day of the Year (All Hollows Evening, as days began at sundown) and now polluted by supremacists, socialists, communists, fascists, marxists, liberals, false prophets, phony psychics, preachers and other liars into a full-blown Satan's Sabbath. The time was come for the first of his revenge to be accomplished. He knew there would be many 'supposed innocents' in the vicinity of those he was destined to educate in violence, but that was the price of their tolerating and supporting the corrupt and merciless bastards who ran government, especially the police, courts and prison system.

1202 He went to sleep with enough anger to destroy even the very essence of the whole of creation, directed toward the Masonic Red Lodge and Knights of Columbus within a billion light years of this moral cesspool called Indiana.

1203 Some few hours after sundown, about 11:30 PM local mean time, Bobby awoke. He felt a great sense of relief, a calmness and peace he was unable to account for, yet he knew it was the sweetness of a great victory!

1204 He had pulled down hell itself on somebody. Actually it was a lot of somebodys! He didn't yet know where, or how many, but at that very moment there were limp and broken bodies lying and dying in agony!

1205 He began to project, but reaching down with his left hand and touching the hilt of his sword, determined, 'to hell with it', and stopped the projection.

1206 He lay in the darkness reveling in the sweetness of his victory, the terms he set forth coming back through his mind as a passing in review.

1207 "Total exoneration: justice or death!

1208 "Immediate exoneration of all railroaded victims: justice or death!

1209 "All perpetrators including the Judges in prison: justice or death!

1210 "To all the leadership of the Grand Masonic Lodge: justice or death!

1211 "To all the leadership of the Grand Council Catholic Masonic Knights of Mesopotamia: justice or death!

1212 "Full public exposure of all the perpetrators (including Temple Israel): justice or death!

1213 "Full public exposure of the entire corrupt system: justice or death!

1214 "No more cover-ups: justice or death!

1215 "No more delays: justice or death!

1216 "No more pussywashing: justice or death!

1217 "Immediate action: justice or death!

1218 "No mercy whatsoever: justice or death!

1219 "Total and immediate reimbursement for this atrocity: justice or death!"

1220 Some of those he had just slaughtered, their death escorts (who take them to First Judgment!) and the death escort entities of those who were dying, came before him. Among them the long-dead son of the owners of the bar who would not testify for him when they had the chance. He had died in an automobile accident sometime before, and was remained to attempt to secure reduction of his own punishment. The son bowing in a solemn sadness; for he had tried to be a friend but would not take the full and honorable stand required of him. He had warned Bobby, and because of that warning Bobby had struck down guards and officials with equal abandon.

1221 Their plot had failed. He would not be murdered in prison. The inmates were too afraid of him to approach, fearing greater powers than he actually had at his personal disposal at the time! The prisoners just could not be bought or intimidated to such a degree by prison officials, who did their best!

1222 Bobby had slaughtered and afflicted many guards and officials, their wives, whores and children with impunity during his incarceration; but now the ultimate had poured out in all its fury! The top brass, their wives, whores, children, and uncounted public in their company were now among the dead and the dying! The soon to be eternally condemned passed by in humble salute to the victor, most not understanding their plight or the reason for their agonizing and horrendous death. The high brass and their close ones would be taken to the Inescapable Judgment to be tried before the Four Great Horsemen: to be burned until That Great Final Judgment after which they will burn forever! Now, that is true justice!

1223 As for the innocents: he found no pleasure in their deaths or the horror of their dying. For the most part, many were but pawns in a much bigger game. This night Bobby knew he had struck down some of those who sat with Kings of Power in their disreputable and corrupt conspiracies.

1224 Their punishment was just beginning. They had proven themselves unworthy of mercy, for they had shown no mercy. They had offended The Anointed Witness of The Most High Lord of Spirits, the Second of The Great Horsemen of The Most High Lord God of All Creation. They had permitted their past success at playing god to get the better of their judgment. They had always won, and now in their act of supreme, self-righteous superiority they had offended the Mighty Avenger of The First I Am: He That is Called by The Name of God, El Aku ALIHA ASUR HIGH!

1225 At a distance Bobby could hear the scene of the carnage. There was a great deal of jabbering, which proved to be Masonic and Catholic ritual for the slain and dying. Some of the noise was that of those who had been hurt, but most was from those with smashed and missing limbs, ruptured intestines causing the pain and agony of peritonitis, and those who were trapped under tons of debris and would die before they could be rescued.

1226 Their rituals were useless. So were the 'christian' prayers of the injured and the bystanders.

1227 Nothing can remove a soul from the punishment invoked by an Anointed of The Most High Lord God of All Creation. It is one power they have had from the Very Beginning, and it is irrevocable on Direct Orders of The Most High, Himself! Had the citizens of Indiana (and all the rest of these United States) not permitted the atrocities of government for years on end (they continue to this day) there would not have been this, the subsequent and future disasters!

1228 About one o'clock in the morning, following the parade in review of the damned, Bobby went back to sleep.

1229 [INSERT: The Anointed are ordained with Divine Power and Divine Authority to slay both the body and the soul! Or if they choose, to sentence the soul to as much punishment and severity of torture as they deem justified.

Noah's Curse on Accursed Canaan not only tore down Ham's 'big-deal' playhouse, both he and Accursed Canaan, and now Accursed Cush, must suffer each and every penalty, in full, for all the errors, sins, crimes and damages perpetrated by each and every one of their descendants as a result of that Curse. Each person, except the soulless mixed-breeds, must also pay the penalty for their deeds: having the instant effect of doubling the suffering of Ham, Accursed Canaan and Accursed Cush!

1230 Did you get that? Ham, Accursed Canaan and Accursed Cush each must pay the full penalty of both the victim and the perpetrator! That's twice! They can't share the suffering; they each must suffer the whole penalty.

Make sure you understand: a Curse of an Anointed can kill the physical body, then that Anointed can burn that body and that soul in hell for as much suffering as he damned well wants! And then, after all that suffering The Anointed can have that soul put to a permanent death of burning!

1231 Get that! After a sentence of suffering has been fulfilled, The Anointed can sentence that soul to a permanent death: a never-ending burning! And that's just as an Anointed! Bobby being the Second of the Four Horsemen and thus also one of the Four First Judgment Judges, can pile uncountable hot coals of hell itself on top of that! He can and he does! Some of the more notable criminals being: all the United States Presidents in his Reign, each and every United States Vice President, each and every United States Senator and House Representative, each and every Catholic Priest and Sister (Nun), each and every Court Judge, each and every socialist, 'christian' preacher and other liars who have appealed the sentence of Righteous Abel and came before The Great Four!

1232 Immanuel gave two references to such powers of office, Matthew 10:28 and Luke 12:4-5.

1233 Reading the entire section from the first (and original!) Paragraph Marker (¶) previous will set the proper context. However, this awesome power is not restricted to The Anointed alone: The Most High always had and still retains these powers too! The admonition not to fear those who can only kill the body and then have no more power to inflict the soul is accurate. But the admonition to fear those who can kill the body and then burn or kill (or both!) the soul afterward is damned good advice that Masons, Knights of Columbus and Temple Israel refuse to heed! After The 175th (and last) Anointed has passed the Mantle, all TRUE Proven Knowers will have the Knowledge, the Power, and the Authority to kill both the body and soul of any offender! That will not set well with the socialist bastards, preachers and other liars who need killing, but that will not diminish the abilities of the Proven Knowers one iota!

1234 The problem, which all Masons, Knights and One World Government Temple Israel Jews refuse to acknowledge in public is: their abilities of controlled reincarnation – returning time and time again within the same families or power structures – has been ended at Bobby's order and direction! They can't start a war, lend the money that will take generations to pay back, and then reincarnate to enjoy it! The fact of controlled reincarnation – and thus ensured reincarnation – was and still is the 'big' secret of the Druids. At least those Druids who aren't followers, but are the Gnostics of their so-called 'religion'.

1235 In addition: Bobby's sentence upon the perpetrators of the atrocity against him and all those who tolerate such situations regardless, grows with every passing second. No computer, even the combined global communications units that will eventually account the enslavement of mankind, can keep up with the interest!

1236 Just the monetary portion was, and still is \$300,000,000.00 dollars each: from the Masonic Lodge, the Knights of Columbus, Temple Israel, the State of Indiana, the County of Wayne, the City of Richmond, the Federal Government of the United States, each and every Bar Association, the Bureau of Prisons, each and every level of the many Departments of Justice including the Supreme Court, each and every federal law enforcement agency beginning with the Secret Service and Federal Bureau of Investigation and including the Internal Revenue Service, who commits as many legal atrocities as all the others combined – and all of it tax free – compounded at 500 percent interest per second until total and complete exoneration, multiplied by each and every second until all the perpetrators are imprisoned in solitary confinement and Bobby is paid in full! Then he'll refuse to accept until all the other victims have been exonerated and reimbursed.

1237 However, that's just the beginning!

1238 It also applies to each and every citizen that refuses to make these damnable bureaucrats come forth and pay it out of their own pockets!

1239 The alternative is that each and every soul will spend a total of 300,000,000 eons in punishment for each and every penny that remains unpaid times each and every second it remains unpaid! In this instance, one eon is the time it takes for Clarion (KLA-RI-ON in Angelic) to revolve around Klakchloas, (pronounced CLACK-CLOS, Center of the Great Unending Circle in Angelic)! It takes one year for Earth to revolve around the sun, between 2,148 to 2,156.6 years for the Solar System to move through each Zodiac Sign – depending on the precession in effect at the time – totaling 25,776 to 25,868 earth years for our Solar System to revolve around its center star Clarion moving backwards through the Zodiac, and 11,627,906 years for Clarion to revolve around Klakchloas. Try that on for 300,000,000 times!

The fact it takes about 200,000,000 earth years for the sun to circumnavigate our galaxy (galactic year) has nothing to do with it.

1240 Just trying to catch up with the interest would cause a computer to blow fuses halfway across the hemisphere!

1241 Can he actually punish souls for this long, and with an equal multiplication in severity?

1242 You're damned right he can!

1243 And afterwards, when they have suffered the agonies, to the very last penny and second, all of them will be executed immediately! They are totally unfit for continued existence under any conditions!

1244 How's that for justice?

1245 You might consider it extreme, but The Most High thought it an act of mercy compared to what these bastards really deserve! As for the citizens, The Most High has resigned himself to the fact the vast majority will destroy themselves, and therefore the great penalty of Lord El Aku is but deserving icing on the cake!

1246 Whether you agree, or are appalled, or not, is of no consequence! The Most High, Himself, ordained it, and saw fit to deliver it into the hand of this Holy Man.]
