

THUS SAITH THE MOST HIGH!

2789 ""I have created you to be a Spirit of Great Freedom before Me. That you be a Spirit of Great Freedom before Me, I have given unto you My Holy Law.

2790 ""That My Holy Law be your guide, and your wisdom, and the strength of your generations after you, I have given you exemption to slay the Demons of Socialism as I shall require of you to bring extermination upon their heads.

2791 ""For the Demons of Socialism are exceedingly devious, and merciless unto the death upon all who will slay them not. For My Truth is not in them, thus they spare not to prohibit My Truth from all men.""

CHAPTER TWENTY-TWO

THE PENALTIES

ADMONITIONS TO PREVENT HOLOCAUST AND ENSLAVEMENT

2792 [INSERT: The language in this section must be read in the context that although The Most High is referring to you, the individual or the nations, he is talking to The Anointed! Thus the seeming inconsistencies of you and them. It's a simple matter to know to whom The Most High intends, even in such a limiting language as English.

2793 It should also be clearly understood that the penalty upon the nations is not intended for collection, but is a Testimony against them for their nondelivery! Now, understand that. Neither The Anointed nor The Most High actually expect the nations to deliver these penalties, and in Final Judgment they are going to burn to a citizen if they don't!]

THE PENALTY UPON INDIVIDUALS

ADMONITIONS TO PREVENT HOLOCAUST AND ENSLAVEMENT

2794 ""And now:

2795 ""For the preparations of The Elect – and know that all I give here is a Testimony against all those who are not of Mine Own Elect!

2796 ""First, upon the individual: let them first test the testing I have given them (Proof of the Anointing, Chapter 42)! Let each count the worth of their possessions and give a tenth of its whole value unto you that there should be meat in my house against the Days of Holocaust and Years of Tribulation! Let whosoever will tithe directly to you that you shall have substance for the preparations!

2797 ""Holy Citizens! There is no provision in My Holy Law for any citizen to be disarmed or defenseless; therefore, arm yourselves – legally if possible, illegally if necessary – for you violate only the laws of vile and evil men! But arm yourselves and your families that you resist the criminal in the streets, the criminal in your schools, the criminals in your government and the criminals in all your public offices! Yea! For the criminal abounds where there is no instant resistance, and the corrupt abound where there is no instant retaliation! Therefore, arm yourselves! For I will not hold you guiltless should you come before me branded with The Mark of Damnation inflicted upon you because you did not resist your own Legislated Enslavement!

2798 ""Holy Citizens! There is no provision in My Holy Law for any citizen to be disarmed or defenseless; therefore, arm yourselves – legally if possible, illegally if necessary – for you violate only the laws of vile and evil men! But arm yourselves and your families that you resist the socialists and the communists and the fascists empowered by your statutes and enforced by your taxes, for when they come for you and your children, even into your very home, slay them! And slay them without mercy! For they are a vile abomination and a pollution in My Sight! For they should not come for your children except your children are the result of their previous Legislations of Damnation! Behold, and know their vileness by the fruit thereof: for they shall prevent your disciplines and your good decisions on behalf of your children, and when the children are morally destroyed because of their Legislations of Damnation, it is the same socialists and communists and fascists that shall come to remove your children from you and cast you into prison, even if you resist not, under provisions of other paragraphs of those same Legislations of Damnation! For I will not hold you guiltless should you come before me branded with The Mark of Damnation inflicted upon you because you did not resist your own Legislated Enslavement!

2799 ""Holy Citizens! There is no provision in My Holy Law for any citizen to be disarmed or defenseless; therefore, arm yourselves – legally if possible, illegally if necessary – for you violate only the laws of vile and evil men! But arm yourselves and your families that you resist the socialist and the communist and the fascist armed with

powers and authorities and enforced against you with your own money, for these things are not of natural progression, but of deliberate design! Yea! All these things are of direct command of That Great Harlot of Babylon at Rome, all her Harlot and Whore Daughters, and the murdering manipulators of the Great Enslaver! Therefore, prove the manipulators whether they hide as men (and women) of the cloth or behind the money bins of Judah, and when you have proven the manipulators, slay them! And slay them all! For their destruction is Righteous and Holy in My Sight! For I will not hold you guiltless should you come before me branded with The Mark of Damnation inflicted upon you because you did not resist your own Legislated Enslavement!

2800 ""Holy Citizens! There is no provision in My Holy Law for any citizen to be disarmed or defenseless; therefore, arm yourselves – legally if possible, illegally if necessary – for you violate only the laws of vile and evil men! But arm yourselves and your families that you resist the criminal financier: and by force of arms shall you take back all that has been stolen from you, and shall you take back control of your commerce, and control of your markets, and control of your cities, and control of your counties and parishes, and control of your sovereigns, and control of your nation, and control of your governments! And when you have found the manipulator, the cheat and the liar, and all those who take advantage of your ignorance, slay them! And slay them all! And slay them without mercy! For I will not hold you guiltless should you come before me branded with The Mark of Damnation inflicted upon you because you did not resist your own Legislated Enslavement!

2801 ""Holy Citizens! There is no provision in My Holy Law for any citizen to be disarmed or defenseless; therefore, arm yourselves – legally if possible, illegally if necessary – for you violate only the laws of vile and evil men! But arm yourselves and your families that you resist the organized criminal, whether in the businesses of the land or in the offices of the governments! For they could not continue, neither could they succeed, were they not in league with all those sworn and paid with your very blood to defend you against all such! And when you have identified them, slay them! And slay them all! And slay them without mercy! For I will not hold you guiltless should you come before me branded with The Mark of Damnation inflicted upon you because you did not resist your own Legislated Enslavement!

2802 ""Holy Citizens! There is no provision in My Holy Law for any citizen to be disarmed or defenseless; therefore, arm yourselves – legally if possible, illegally if necessary – for you violate only the laws of vile and evil men! But arm yourselves and your families that you resist the criminal pimp and the criminal harlots upon your very streets unto the Very Highest Halls of your sovereign governments! For they are a pollution unto the land and the people, and a desecration unto the sovereign, and a destruction unto all your generations! And when you have identified them, slay them! And slay them all! And slay them without mercy! For I will not hold you guiltless should you come before me branded with The Mark of Damnation inflicted upon you because you did not resist your own Legislated Enslavement!

2803 ""Holy Citizens! There is no provision in My Holy Law for any citizen to be disarmed or defenseless; therefore, arm yourselves – legally if possible, illegally if necessary – for you violate only the laws of vile and evil men! But arm yourselves and your families that you resist the legislating Enslaver: and by force of arms you shall take back all that the legislating Enslavers have taken from you, for there are no intended or pending legislations whereby government shall return unto you all that I have given. Nay! Each bill is fraught with provisions whereby government may enact it to be a worse burden than that which it is supposed to abolish! Therefore, you shall have freedom only by force of arms, for such is the true nature of all government and all legislators! For I will not hold you guiltless should you come before me branded with The Mark of Damnation inflicted upon you because you did not resist your own Legislated Enslavement!

2804 ""Holy Citizens! There is no provision in My Holy Law for any citizen to be disarmed or defenseless; therefore, arm yourselves – legally if possible, illegally if necessary – for you violate only the laws of vile and evil men! But arm yourselves and your families that you resist the legislating Enslaver: and when you witness the Enslavers come against your good neighbor, take up your arms against the Enslaver and defend your good neighbor, that the Enslaver know that there is a God in Israel and that I am the God of Ishmael and that all freedom is unto the people! For I will not hold you guiltless should you come before me branded with The Mark of Damnation inflicted upon you because you did not resist your own Legislated Enslavement!

2805 ""Holy Citizens! There is no provision in My Holy Law for any citizen to be disarmed or defenseless; therefore, arm yourselves – legally if possible, illegally if necessary – for you violate only the laws of vile and evil men! But arm yourselves and your families that you resist the police-protected narcotics dealer in your very midst: for they are death unto your children and death unto your freedom and death unto all your generations after you! Behold! Were not these vile and corrupt under the protection of the police and assisted by all financial institutions under the protection and assistance of the governments, they could neither merchandise their wares nor enforce so

openly and brazenly! Therefore, know that these are but one diversion and but one element of the Great Enslaver in the Grand Plan of TOTAL Global Enslavement! Therefore, slay them! And slay them all! Slay them in the streets, slay them in the vineyards, slay them in the schools, slay them in the jails, slay them in the highways, slay them in the skies, slay them in the courts, slay them from before My Face wheresoever you shall find them! And slay them without mercy! For I will not hold you guiltless should you come before me branded with The Mark of Damnation inflicted upon you because you did not resist your own Legislated Enslavement!

2806 ""Holy Victims! There is no provision in My Holy Law for any citizen to be disarmed or defenseless; therefore, arm yourselves – legally if possible, illegally if necessary – for you violate only the laws of vile and evil men! But arm yourselves and your families that you resist the criminal in the streets, in your schools, in your government and in all your public offices! Yea! For the criminal abounds where there is no instant resistance, and the corrupt abound where there is no instant retaliation! Slay the crime lords in hot and justifiable justice! Whether they be criminals in the streets, in the darkness of the highways, in the offices of corrupt governments, behind the lying pulpits of the land, or in the hidden chambers of finance and Secret Lodges! For I will not hold you guiltless should you come before me branded with The Mark of Damnation inflicted upon you because you did not resist your own Legislated Enslavement!

2807 ""Holy Citizens! I have required the death of a great many! For they are guilty of the death of a great many more! But know, and understand, be not deceived, and come not before me with this ignorance upon you: all filth and corruption, all profanity and blood pollution, all evil and desecration is of That Great Harlot of Babylon at Rome and enforced by the powers and authorities of all established governments, Yea! with even evil Zion in the shadows thereof! Therefore, it is all paid (financed) with your money, extorted in taxes as blood from your very bones! And I say unto you for an absolute: it shall not cease until you are ground unto the very sewers by the weight of Legislated Enslavement by your corrupt governments, except you take up arms and stand government at a distance even as a servant-in-waiting! And if you are not a watchman unto this, then you are doomed to be the victim thereof by your own hand and upon your own head! For the Enslaver, even socialist Zion, is even now within the gates!

2808 ""By their deeds shall you know them, and when you know (proven) them, slay them! And slay them all! Slay them without warning! Slay them without mercy! And when they know their death is assured, when they understand their slaughter is inescapable, when they recognize their execution is sure and certain and at a time and a place they expect not: their atrocities against the innocent, against the ignorant, and against their own people shall cease! And they shall not commit such ever again! For I will not hold you guiltless should you come before me branded with The Mark of Damnation inflicted upon you because you did not resist your own Legislated Enslavement!

2809 ""Slay them in accordance with all Holy Law until all Holy Law is fulfilled! Slay their spouses, their whores, their whoremongers, their harlots, their harlotmongers, their children, and all their families and fellows who will support and defend them! Slay them without mercy, for they have shown no mercy! Wheresoever you shall find them in your wrath, there shall be the place of their death! For the death and enslavement they have planned and supported upon you and your children is exceedingly grievous and without consideration of mercy! For I will not hold you guiltless should you come before me branded with The Mark of Damnation inflicted upon you because you did not resist your own Legislated Enslavement!

(END OF INDIVIDUAL PENALTIES AND ADMONITIONS)

THE PENALTY UPON THE NATIONS

2810 ""Second, upon the nations:

2811 ""That all nations, especially the United Nations, the United Kingdom, United States, Canada, Japan, Australia, the European Economic Community and Belgium in particular, cease all your intrigues, economic treasons, crimes and terrorisms against your own people and against all the rest of the world!

2812 ""That all the Sons of Ishmael, whether of his lineage or of the teachings of his Twelve Princes, even all of Islam, cease all your intrigues, economic treasons, crimes and terrorisms against all the rest of the world, for as I have instructed, My Holy Sons Ishmael and Israel will Curse those who do such evil in your behalf in this day and will testify against them on your behalf in That Day; and they shall pay the uttermost price for their atrocities against you and against all the rest of the world throughout all the ages! For I say unto you, My Beloved Son of Fire, that there are many demons upon the earth, and many demons in Islam. That you shall know the demons in Islam, I have given you to know the signature of their presence and the emblem of their abominations.

2813 ""For My Holy Son of Fire has spoken, "The unalterable promises to my father Abraham, that The Most High

Lord of Spirits would give all the lands as far as he could see to him and his children after him as an everlasting possession, is also fulfilled in the sons and daughters of Ishmael. For Ishmael is also a son and a seed of Abraham even as Jacob and all the Children of Israel are sons and seed of Abraham! And even though it has been given to me to take peace from the earth, I would that all the sons and seed of Abraham should know peace! Peace to themselves and peace between themselves and all their brothers."

2814 ""And that which My Holy Son of Fire has spoken is Truth Unalterable even as my Promises are Unalterable! Therefore, Ishmael: arise! Take up your sword against all the enemies of My Beloved Son in your midst, for he is also the Hope of Ishmael whom I have not forgotten and whom I will never forget!

2815 ""That all the Tribes of all the Peoples and all the Nations of Man should cast from them all socialisms, all communisms, all fascisms, all marxisms, all intrigues, all treasons, all crimes and all terrorisms against their own people and against all the rest of the world!

2816 ""And hear me in all these things:

2817 ""There shall be no law of taxation whatsoever upon My Anointed Holy Son of Fire, his establishments, or his peoples! Neither shall any nation deny access to him or any of his appointed representatives, giving them complete immunity in all matters whatsoever! Nor shall My Anointed or any of his people be denied anything they shall require of whomsoever they shall require it: the host nation thereof shall provide it and pay the due thereof.

2818 ""Lo! My Anointed asks much of himself, yet he asks little of My People of The Elect, and asks nothing of the damned!

And whatsoever My Holy Son of Fire and Righteousness shall judge from this place, that shall you establish in your heart as truth: for he will not spare the evil, nor the Mason, nor the Knight, nor the Accursed Canaanite, nor the Accursed Cushite, nor the Levite, nor the Jew, nor the Christian, nor the Muslim, nor the Hindu, nor the Buddhist, nor the corrupter, nor the liar, nor the socialist, nor the bureaucrat, nor the politician!

2934 ""And as for those who will merchandise this Holy Place: license therefor upon the grounds shall be granted only by My Holy Son of Fire, but for those near unto this place, none shall be closer than two miles from the outermost property line, and shall not be above three levels in height not to exceed twelve meters of any upward extension, and not to exceed thirty meters in width nor more than ninety meters in length; and shall not be less than one hundred and twenty meters in any direction from any other structure! Nor shall there be any towers for observation within view of the uppermost levels of the security towers upon the walls above the gates of My Holy Place!

2935 ""As My Holy Son of Fire may determine: communications systems may be emplaced wheresoever he shall desire! And concerning all such matters, his word shall be final law!

2936 ""For I require all this of you in restitution for all the injustices you have established upon the innocent and the ignorant throughout the ages! Yea, even as a restitution for The Very Presence of that vilest of harlots: That Great Harlot of Babylon at Vatican City at Rome, whose atrocities and abominations shall not be removed from you until all the iniquities thereof be fulfilled!

2937 ""Therefore, fail this and there is no fury like that which I will bring upon you and your generations after you until you are no more before My Face forever; for you will have shown All the Heavens and All the Earths and All the Depths Beneath the All the Earths that you prefer lies and injustice and are truly worthy of My Wrath upon you and your generations after you!

But few know the meaning and the practice of that vile city Gomorrah!

3082 ""Therefore, be my birthright people and Sons of Isaac, and put from you all the pollutions, and degeneracies, and Blasphemes, and be Holy in My Sight! Never again can you claim that you are ignorant, for I, Myself, have informed you and sent among you My Holy Son of Fire that your spirit be neither weak nor fearful! For should you fail in any of these Holy Requirements, I shall not cease to make Violence a spirit in your own household that you cannot remove!

3083 ""United States: my Tribe of Ephraim! Joint heir of Abraham according to My Promises, joint birthright of Israel! Joint heir of Abraham with Manasseh; this do I require of you: an ounce of finest silver for each citizen among you as the sun enters Aries! 3085 ""You shall recognize My Holy Son of Fire as King of Kings and his Kingdom, even My Holy Kingdom of Akuria! Even before it is established on the soil of earth! Even this day shall you recognize his monarchy, all the immunities of diplomacy shall you establish with him and his chosen as he shall inform you; but none of the rights of citizenry shall you deprive either him or his people! For this thing is of me and I will not be offended and then not take full offense against you!

3086 ""Lo! Upon you for your ceaseless squanderings of your resources upon your enemies, even your casting of my pearls before the swine of the earth, shall I place upon you all these things, hoping you will not do them that I can destroy you from before My Face forever and be justified!

3087 ""Of ships, sitting unused in your squanderings: even of the latest and largest, shall you restore and equip one hundred (100) Liberty class, one hundred (100) Victory class, and one hundred (100) Medium Landing Ships, Tank class: that My People may gain entrance to My Holy Places and my preparations be delivered! Of good merchantmen, loyal to My Holy One of Israel, even Mine Own Anointed Witness alive among you, shall you man them until sufficient are trained of Mine Elect to relieve them! Fuel and maintenance shall you provide without ceasing or measure lest I consume you for your corruption in all your places of power!

3089 ""For all these weapons and more shall be used against My Holy One of Israel, My Promised Elect Remnant under his hand, and My Holy Places of Refuge! I shall not hold you guiltless concerning all these things, for this is the final and personal honor which I shall require of My Holy Elect Remnant in their preparations and trying in the fire against that Hour of Horrors!

3090 ""Aircraft shall you provide him: those being stored away unused shall you restore as needed or build unto him new and provide unto him as he shall require of you! And light aircraft shall you provide him! Those light aircraft that he shall require shall you deliver!

3091 ""And know: that whatsoever you shall have disposed of that there be naught for My Holy Son of Fire among you, you shall provide new and tested! For I will not forget so much as one second of time squandered by you of him, nor one twit denied by you concerning him!

3092 ""Expert personnel loyal to My Holy One of Israel, facilities and logistics shall you also provide him, until they can be relieved by properly trained members of My Holy Elect Remnant! Facilities for fuel and maintenance shall you provide him as he shall require of you!

3093 ""Generators and turbines and such equipment as Mine Anointed shall require shall you provide him! For in the hour of horror I will avenge exceedingly the discomfort of Mine Elect!

3096 ""Whatsoever he shall require of you: that shall you immediately deliver into his hand! Whatsoever he shall desire of you: that shall you in no wise refuse! Of all he shall wish of you: that shall you give most haste and highest priority! For the hour of horror shall come quickly, and in that hour shall I see all that has been done and all that has been left undone, and I shall act accordingly! Oh, fools! How long shall you tolerate such a lying and murderous Government?

3110 ""Ephraim, Oh, Ephraim: what shall I do unto you that you shall open your eyes and see? What shall I perform upon you that shall open your ears to hear? What shall I perform upon you that you should open your hearts and know Mine Anointed that I should keep the wrath from your unholy and polluted generations? How many of you shall lie slain upon the landscape before you call to me in Holiness and in Truth, and turn from your empty rituals, useless hymns and nonsensical invocations?

3111 ""Ephraim, Oh, Ephraim: how long shall I suffer you to call upon one unable? How long shall I permit you to profane My Holy Sabbaths? How long shall I endure your racemixings, your degeneracies, your permissiveness, your grafts, your corruptions, your collusions, your conspiracies, your treasons, and your defamations against the citizens, and your spoiling of the land? Ephraim, Oh, Ephraim, I have sent My Own Holy Son of Fire into your midst that I might save you from yourself; and you heed him not save (except) to profane his Presence!

3112 ""Hear me: Oh, Israel! Know my word: Oh, Earth! The day is set and the time appointed! I will visit wrath without mercy upon you, in fire for days and pestilence for years! This will I soon accomplish as I have promised! I will do it! I am able! And I am angry! And in That Day I will not have pity, neither will Mine Eye spare; and your all blood-polluted multitudes shall be a part of the vision with all those in high places!

But in that hour of disaster his name shall be of none effect to any without My Holy Seal in their forehead: even My Own Holy Seal and not the seal of the Great Enslaver! Neither will I hear any of the disobedient! For those who will not prove the things and perform my laws need not ask for my mercy from the horrors and the unspeakable terrors to come: for my mercy shall not come nigh them!
