

THUS SAITH THE MOST HIGH!

7831 ""The Fool has said in his own heart, "There is no god." The Prudent has said in his own heart, "Whence came all these marvels save from a Perfect Mind." The Wise has said in their own heart, "All is Majesty that comes with The Testimony of The Most High upon him."

7832 ""Condemned are the Fools, taught are the Prudent, and foreverlasting are the Wise.""

CHAPTER FORTY-THREE THE PROTOCOLS

7833 These scripts are edited down to their ESSENCES for brevity as the full content could not be contained upon the whole of the earth. There are many references in these protocols to That Day, which should be understood to be The Great Final Judgment and not The First Judgment nor the calendar date of the time of the events or the actual Days of Righteous Reign of The Holy Anointed One of Israel and Ishmael, Lord of Lords and King of Kings El Aku ALIHA ASUR HIGH. These protocols are included here that you may have a greater understanding of the true nature of the existence and purposes of The Four Horsemen, The Anointed, The Proven Knowers (Gnostics), and thus of your own.

7834 First, and above everything else: YOU are responsible for your own soul! Not the 'priest', not the 'teacher', not the 'preacher' or any other such liars. YOU! Neither Righteous Abel, the Four Great Judges, nor The Most High are going to ask the 'priest', 'teacher', 'preacher' or other liars concerning your deeds and your soul; THEY ARE GOING TO ASK YOU! And they are going to ask you alone. All your whining, bawling and sniveling about 'what the preacher said' isn't going to buy you one damned twit of consideration. Zero! Nothing! When the 'priests', 'teachers', 'ministers', 'preachers' and other liars come up for their own Judgment they will be tried and burned on conviction for THEIR OWN atrocities, their own knowing damned lies, their own sorceries, and for the resulting lost and destroyed souls. Make no mistake: the likes of Billy Graham, Jessie Jackson, Oral Roberts, Jimmy Swaggart, Al Sharpton, Desmond Tutu, all the Popes, all the Cardinals, Archbishops, Bishops, Monsignors, Fathers, Mothers, and Sisters of That Great Babylonian Harlot at Rome, the Roman Catholic Church, and at Constantinople, the Greek Orthodox Christian Church and all that ilk are destined to burn and nothing is going to save or rescue them from their deserving Eternal Torture! They all KNOW they have no authority of The Most High, yet they persist in all their deceptions, demonisms, sorceries and Blasphemes AGAINST The Holy Spirit of Truth! Primarily selling racemixing, acceptance of homosexuality, and their nonexistent association with "Jesus Christ who is God Incarnate" and who actually NEVER EXISTED, and which would have required The Most High to have sex with his own mother! And He didn't have one of those either! The fact that all the liars you and your ancestors have blindly followed for generations on end will be burning in the hottest Depths of Hell will be scant comfort to you, burning and boiling somewhere nearby for your own damnations! Blessed are all your atheist ancestors who refused all such nonsense, for they probably escaped Hell for these abominations.

7835 You are responsible for your every scheme and your every deed. That means you can't blame prior circumstance, or anyone else, for any of the perpetual situations you are maintaining upon yourself. At some point YOU must wake up to the realities of yourself and what your previous conditions have influenced you to think and to become: and you must change all, everything, no exceptions, that endangers your soul and perpetuates your unwanted state of existence whether physical or spiritual. You have the right and power to THINK! To analyze, to consider, and to determine the Truth regardless of where the information you built your life around originated. You have the right to RECOGNIZE the Truths and the damned lies, and the myths, and the delusions for what they are, regardless of the pain, mental or spiritual, that recognition will surely present. You have the power and the OBLIGATION to be a Righteous and Holy Soul! You have the power and the OBLIGATION to be a Righteous and Holy example to all others, family of birth, near relatives, distant relatives, your own family (spouse and children), friends, associates and all other people you encounter. No exceptions. You have the OBLIGATION and you have the POWER to accomplish that OBLIGATION, and you are without any excuse in The Sight of The Most High and His Holy Law!

7836 You are responsible to KNOW that nobody, 'priest', 'teacher', 'preacher' or other liars whomsoever except the properly sanctified Levite Priests, The Holy Anointed in their own Generation and their Proven Knowers (Disciples) have any authority whatsoever on behalf of The Most High, nor on your behalf either, unless you give it to them! And if you give any 'priest', 'teacher', 'minister', 'preacher' or other liars whomsoever, including Rabbis, any authority to speak or invoke (pray, perform rituals, et cetera) on your behalf, then YOU will burn on THEIR decisions, because

ALL their decisions are in violation of Holy Law! The TRUE and Holy Anointed and their Proven Knowers WILL NOT accept any such authority on anyone else's behalf and therefore cannot be held responsible or liable. The Holy Anointed have ALL authority vested directly by The Most High, and having any authority whatsoever to act and/or invoke on your behalf would only contaminate that Righteous Authority! In short, they have TRUE Authority direct from The Most High, Himself, and they neither need, want, nor will they accept yours. All the Proven Knowers (disciples) of The Holy Anointed are Ordained Priests in the Righteous Tribe of Akuria as a Testimony AGAINST the whole of the House of Levi; and they will not accept your responsibility for yourself either.

7837 You are responsible to KNOW that only the properly sanctified Levite Priests, The Holy Anointed and their faithful Proven Knowers have any right, title, dominion or domain of righteous authority before The Most High whatsoever! Period. Nobody else. Nobody. The long-standing appearance of religion such as the Catholic Church and all those fallout Harlot 'christian' Daughters be damned! Their ages-old lies and demonic sorceries presented as religion have NOTHING to do with eliminating YOUR responsibility for your own soul, YOUR obedience to TRUE Holy Law, and YOUR responsibility to acquire KNOWLEDGE of the Truth! The fact that virtually all the Levite Priests, even Aaron's sons, are burning in Hell for their totally inexcusable FAILURES does not eliminate the Vested Authority of properly sanctified and TRULY OBEDIENT Levite Priests and will NOT eliminate or reduce that Vested Authority until Final Judgment! Neither The Holy Appointment of the Anointed nor Testimony of The Most High to Proven Knowers will eliminate or reduce the Vested Authority of the properly sanctified and obedient Levite Priests. Those Holy Anointings and Testimonies are Vested Authorities to call even those properly sanctified and obedient Levite Priests, including the High Priests, into account for their failures, their lies, their abominations, and to testify AGAINST them in the Judgments! Those Holy Anointed and their Proven Knowers also have Vested Authorities to call all the 'priests', false 'prophets', false 'psychics', 'teachers', 'ministers', 'preachers' and other liars into account and to testify AGAINST them too in the Judgments! And YES! That Righteous Authority of The Holy Anointed and their Proven Knowers extends to all supremacists, socialists, communists, fascists, marxists, politicians, bureaucrats, manipulators, journalists, thieves, murderers, child abusers, extortionists (price gougers) and includes all those who are 'just doing their job' employed by all such!

7838 You are responsible to KNOW that nobody else has any authority of The Most High whatsoever! Only the properly sanctified and obedient Levite Priests, The Holy Anointed and their Proven Knowers have any authority of The Most High in any Generation in which they live; and ONLY in the Generation in which they live. Levites, Anointed and Proven Knowers, nobody else. Period. The fact is the vast majority of past Levite Priests are burning for neglect of their duties; and the current crop of Levite Priests will also burn for neglect of their duties. The Levite Priests' massive damnations against Holy Law does not absolve any other mind or soul of their own responsibility for themselves.

7839 You are responsible to KNOW that YOU are responsible for your own soul!

7840 You are responsible to KNOW that you cannot escape any part of your own responsibility!

7841 You are responsible to KNOW that you cannot lay any blame on anybody or anything else for YOUR OWN failures and to be responsible for your OWN actions.

7842 You, and you alone, are responsible for YOU!

UNDERSTANDING THE PROTOCOLS TO MANKIND

7843 The first recognition of Truth for every soul is: There is a very real Most High Lord God and a very real Most Evil Satan.

7844 The second recognition of Truth for every soul is: There is both a very real Heaven and a very real Hell.

7845 The third recognition of Truth for every soul is: Both Heaven and Hell are accessible now, and have been since the Very Beginning.

7846 The fourth recognition of Truth for every soul is: There is both a First Judgment immediately following death conducted by Righteous Abel whose decision may be appealed to the Four Great Judges, The Four Horsemen (mentioned in the Biblical Book of Revelation); a Second Judgment immediately following Holocaust and Tribulation; and a Great and Final Judgment (referred throughout history as That Day) conducted by The Most High Lord God of All Creation, Himself! Not everyone shall see Righteous Abel or the Four Great Judges but shall proceed directly into Torment as they will have knowingly condemned themselves within their own soul by doing that which the spirit within them has made them to know is evil. Immediately following death they enter into Hell and all its horrors. Getting access to all the Heavens and the Divine Right to stay there is an entirely different matter and process; and nobody can achieve access to the Planes of Heaven and be able to stay there unless they are Pure and Righteous as

required by Holy Law.

7847 The fifth recognition of Truth for every soul is: There is an infinitely detailed and infinitely accurate record of every thought and action of each and every mind and each and every soul recorded in the Reflecting Ether named The Holy Scripts of all The Heavens and all The Earths (commonly called the Akashic Records) which Righteous Abel, The Four Horsemen Judges and The Most High call up point by point as evidence for or against each and every mind whose soul might be in question and each and every soul standing in Judgment before them.

7848 The sixth recognition of Truth for every soul is: The Most High has Ordained a very few but more than sufficient number to be His Personal Witnesses of each and every act committed everywhere in All Creation. At the bottom of the whole list of who should not be considered as ordained or appointed is the mind or soul itself acting against its own inner-knowing, and is thus a testimony against itself, such as racemixers and self-appointed preachers! Next are the unknowing who become involved and will be recorded as such in The Akashic Records and called to give account (tell the truth) in That Day. Higher are the victims, not always innocent, but caught beyond their ability to escape, whether the gas chambers and ovens of Nazi Germany under Adolf Hitler or the murdering socialist strangleholds of Marx, Engels, Lenin, Stalin, Mao, Rockefellers, Rothchilds, Bilderbergers, Masonic and Knights of Columbus Lodges and Temple Israel, European Parliament, or the coming One World Government of TOTAL Global Enslavement. Then there are the few, some knowing, some unknowing, who are either victims (unknowing) or associates (knowing). The unknowing are not aware they are to be direct Witnesses of Testimony in the Judgments. The knowing are aware of true-right and true-wrong within their own selves and often make that knowledge public. No! There are no elected or appointed officials counted in that number, as they are those who will be testified against! At the very top are the Holy and Anointed Ones, often called both Sons of God and Sons of Man, Prophets and Messiahs – always to the fury and detriment of those who are short of honesty, honor, integrity and righteousness in The Sight of The Most High. It is these one hundred and seventy-four (Elijah and John, The Baptist were the same soul) who are the Chief Witnesses of the whole world in Their Generations, of which Immanuel ben Joseph ben Nazaratti, whom the pagans call 'Jesus Christ', was only one and for only His Own Generation. (Jesus is a polluted version of Zeus!) Beware! Lord Immanuel is the FIRST of the Four Great Horsemen!

7849 The seventh recognition of Truth for every soul is: No one, mind or soul, high or low, rich or poor, wise or ignorant, whole or lame, male or female, can escape even a jot or tittle of Holy Law nor any of the Judgments! Nobody. Yourself included!

7850 [INSERT: If there were to be an eighth recognition, it would be to immediately execute each and every socialist without exception, and put their atrocities and filth out of the land and off the planet forever! That would eliminate all false 'priests', 'teachers', 'ministers', 'preachers' and other liars, including virtually all politicians, bureaucrats, accountants and attorneys at law. The few who would survive would be hard-core adherents to TRUE freedom, liberty and justice, something they all spew to the populace but spare no effort to deprive all mankind of, except themselves.]

7863 ""Second, The Warrior: Destroy all of consciousness who are against My Holy Laws. Slaughter and slay without mercy all who will neither hear nor obey. For into your hand have I given the Great Sword of Righteous Vengeance that you have both Righteous Power and Holy Authority to take peace from all Creation and to know and judge the Truth in My Name.

7864 ""Unto your hand I give charge and all My Mysteries over the South Wind Notae, whose Servant is the Wind Lipae, blowing northward as My Michael shall assist; call upon the South Wind Notae whose Servant is the Wind Lipae, and bind to your bidding; and all you shall require of the South Wind Notae whose Servant is the Wind Lipae, shall be forth in Expansion (Fire) which it is.

7865 ""Command unto the South Wind Notae whose Servant is the Wind Lipae, in your own name, for without hearing your own name the South Wind Notae whose Servant is the Wind Lipae, will not obey; command My Michael that he charge the South Wind Notae whose Servant is the Wind Lipae, for none else can charge the South Wind Notae whose Servant is the Wind Lipae, either to come or go, to raise or lower, and whatsoever you shall have the South Wind Notae whose Servant is the Wind Lipae to do, none but My Michael can so charge the South Wind Notae whose Servant is the Wind Lipae; bind the South Wind Notae whose Servant is the Wind Lipae, that it shall have your direction and loose the South Wind Notae whose Servant is the Wind Lipae, that it go forth at your direction.

7866 ""Unto your hand I give this Key to the Kingdoms of Heaven and to Hell and to Death.

7867 ""Lo! Woe to all upon whom you shall find fault and lay slaughter.

7868 ""Third, The Judge: Weigh all of consciousness who are in obedience of My Holy Laws and who are against My Holy Laws. Judge them in perfect balance against the Truth of All Circumstance. For into your hand have I given the Perfect Scales of Justice that you have both Righteous Power and Holy Authority to establish True Righteousness in My Name.

7869 ""Unto your hand I give charge and all My Mysteries over the West Wind, Zephyros, whose Servant is the Wind Skiron, blowing eastward as My Gabriel shall assist; call upon the West Wind Zephyros whose Servant is the Wind Skiron, and bind to your bidding; and all you shall require of the West Wind Zephyros whose Servant is the Wind Skiron, shall be forth in Control (Water) which it is.

7870 ""Command unto the West Wind Zephyros whose Servant is the Wind Skiron, in your own name, for without hearing your own name the West Wind Zephyros whose Servant is the Wind Skiron, will not obey; command My Gabriel that he charge the West Wind Zephyros whose Servant is the Wind Skiron, for none else can charge the West Wind Zephyros whose Servant is the Wind Skiron, either to come or go, to raise or lower, and whatsoever you shall have the West Wind Zephyros to do, none but My Gabriel can so charge the West Wind Zephyros; bind the West Wind Zephyros whose Servant is the Wind Skiron, that it shall have your direction and loose the West Wind Zephyros whose Servant is the Wind Skiron, that it go forth at your direction.

7871 ""Unto your hand I give this Key to the Kingdoms of Heaven and to Hell and to Death.

7872 ""Lo! Woe to all upon whom you shall judge guilty of any unrighteousness.

7873 ""Fourth, The Teacher: Know the deeds and doings of all consciousness and all to which they are subject, and bring that which they profane upon their heads unto everlasting. Reveal My Great Mysteries and pour out My Great Wrath upon the vile. For into your hand I have given the Reaper of Time, even the Herald of Death that you have both Righteous Power and Holy Authority to remove and abolish and exterminate in My Name.

7874 ""Unto your hand I give charge and all My Mysteries over the North Wind, Boreas, whose Servant is the Wind Kaikias, blowing southward as My Uriel shall assist; call upon the North Wind Boreas whose Servant is the Wind Kaikias, and bind to your bidding; and all you shall require of the North Wind Boreas whose Servant is the Wind Kaikias, shall be forth in Manifestation (Earth) which it is.

7875 ""Command unto the North Wind Boreas whose Servant is the Wind Kaikias, in your own name, for without

hearing your own name the North Wind Boreas whose Servant is the Wind Kaikias, will not obey; command My Uriel that he charge the North Wind Boreas whose Servant is the Wind Kaikias, for none else can charge the North Wind Boreas whose Servant is the Wind Kaikias, either to come or go, to raise or lower, and whatsoever you shall have the North Wind Boreas whose Servant is the Wind Kaikias to do, none but My Uriel can so charge the North Wind Boreas whose Servant is the Wind Kaikias; bind the North Wind Boreas, whose Servant is the Wind Kaikias, that it shall have your direction and loose the North Wind Boreas whose Servant is the Wind Kaikias, that it go forth at your direction.

7876 ""Unto your hand I give this Key to the Kingdoms of Heaven and to Hell and to Death.

7877 ""Lo! Woe to all upon whom you shall judge guilty of any pollutions (deliberate contaminations).

7878 ""These are the beginning of Powers and the firsts of Authorities vested in you and you alone; spare not the pretender whether priest by birth or demon of calling, spare not the warmonger whether fool or dragon, spare not the usurper spirit whether fallen from me or bathed in its own filth, spare not the corrupter (including corrupter of minds) whether of men or angels; ride to the Command of My Akurians, deliver as they will require of you, and spare not unto everlasting.

7879 ""For thus shall you go forth!

7880 ""And thus shall you be a Great Terror and a Great Comfort to All Creation!

7881 ""For many shall say much of the Mighty Four of you, but they know nothing. Priests, Teachers, Ministers, Preachers and other liars shall speak and publish much, but indeed they know nothing. And many shall inscribe their putrid nonsense to deceive the whole world, and in all their great orating and many compositions none shall venture even a mention that you are the Judges of My First Judgment for they know it not. Indeed they know nothing, neither do they understand!

7882 ""Yea! You are My Chosen Four!

7883 ""Nay! The loud and the profane, the High and the Mighty, the vile and corrupt in bright places of great riches and great powers of authorities vested by men know nothing. For their Grand Secrets they share not with the meek and righteous that all may have comfort and wisdom and peace, but they profane all good things to their own gluttony that they have fleeting power and twisted authority and vain glory; things the wise would not do. Therefore I say unto you, they know nothing.

7884 ""Therefore, as it was in the Great Ages before the World began, before the Masteri (MAS-TEER-E, a race of Super-Wise and Multi-Galactic beings who came out of the Ninetieth [90th] Creation), and before the Tobkaasui (TOB-KA-SUE-E, the race of Super-High Technical Researchers and Scientists who came out of the One Hundred Eightieth [180th] Creation), and before the Nefilim (NEF-IL-EEM, the race of long-lived beings from the planet Nibiru who came out of the Three Hundredth [300] Creation and created man as workers upon the earth, Anusazi, Servant of Anu) that I should have a First Court of a First Judgment of All that I might effect a repentance of all and save them unto forever.""

7885 [INSERT: A Creation is a time of great birthing, when many new spirits are given life, and lasts for many ages until those newborns have achieved some degree of growth and experience, followed by many more ages for all those newborns to become capable and sufficient unto themselves. We are now in the Three Hundred and Sixtieth (360th) Creation, and the last before Final Judgment.]

7886 ""Therefore, as I have preferred it, there have come the qualified, trained and tested of themselves, proven unto all things wheresoever I have sent them, to sit in the Judgment Seats of My First Court of First Judgment, a Testimony of Truth and of Righteousness and a Testimony of Fire against all who profane My Holy Name and My Holy Spirit of Truth and My Holy Law.

7887 ""Therefore, unto the End of This World and all the Heavens above around about it and all the Great Depths beneath it, you: My Four Great Horsemen, are Commissioned and ordained with all Powers and all Authorities to sit in the Judgment Seats of My First Court of First Judgment.

7888 ""Woe to all whomsoever you shall judge against, for your Judgment against them shall be evidence and testimony against them also in My Own Great Final Judgment, and their burning shall never cease.

7889 ""Go where I send you.""

7890 [INSERT: There are subtle forces normally known as earth, water, wind, fire, mind, motion and spirit whose essences can be made manifest in the Earth Plane over time. Properly invoked, they are absolute and infallible. Invoked improperly and they are either dangerous or worthless.

7891 The names of the Four Horsemen, in order, are:

7892 Immanuel, The Priest, with a bow (slaying weapon) and a crown (Righteous Power and Holy Authority) to conquer;
7893 El Aku, The Warrior, with the Great Sword (another slaying weapon) and all ability to take peace from the earth (anywhere at anytime from anyone or anything);
7894 Horus, The Judge, with the balances (scales) who weighs all things in context and judges accordingly; and
7895 Hammerlin, The Teacher, who knows how to kill with anything and everything (disease, famine and even otherwise good food) and who is given authority over a fourth (quarter) of earth (as given directly above, the North Wind and Earth Quarter) to bring final burning hell down upon the souls who are found wanting by the other Three Horsemen.]

ESSENCE OF THE PROTOCOLS TO THE ANOINTEDS

7896 ""In Company before me stands the Qualified.
7897 ""You have This Holy Office by earned right because of your absolute obedience and unquestionable service unto Me and My Holy Law.
7898 ""Go where I send you.
7899 ""Pure in your soul I made you in the beginning of you, and pure in your soul shall I require you in That Day;
7900 ""Pure in your mind I made you in the beginning of you, and pure in your mind shall I require you in That Day;
7901 ""Pure in your generations I made you in the beginning of you, and pure in your generations shall I require you in That Day;
7902 ""For neither the polluted nor the profane shall stand before me in That Day. Yea! I have established and ordained purity, in My Own Very Presence and in all whereof I am Master. I have established and ordained the sanctity thereof, and neither the polluted nor the profane shall Enter into My Presence nor shall they desecrate My Holy Offices without penalty. And whosoever shall attempt to obviate My Decrees, even those at the Hand of Mine Own Anointed, shall have declared themselves to be against me and are thus forever after a polluted and profaned soul in My Sight.
7903 ""Eternity unto Everlasting, I shall not change and My Holy Law shall stand.
7904 ""I have established My Holy Law, and it shall not change for any cause or reason, nor shall it be profaned without ensuring My Wrath.
7905 ""Where I have established My Holy Law, there shall you go and ensure the understanding of My Wrath.
7906 ""Where I have promised testimony, there shall you go and be witness of me.
7907 ""Where I have promised testimony, there shall you go and be witness unto me of all you experience.
7908 ""Where I have promised in purity, there shall you go and ensure that purity, for the promise is mine.
7909 ""Where I have promised in purity, there shall you go and witness of that purity, and against all who have profaned that purity (including the House of Levi, the Priest Tribe who were and still are responsible for Spiritual Truth in all instances), for the promise is mine.
7910 ""Unto you is given all Power and all Authority under My Hand and in My Name, even to forgive all manner of forgivable transgressions (sins) against me and My Holy Law and to judge both the body and the soul into Eternal Hell (and that includes the whole planet starting with the House of Levi who sold Israel and the whole world down the drain with their own perversions); and wheresoever you shall go shall there be none of greater Power or Authority over you; nor office of superiority, nor station to whom you must give account (especially the House of Levi and the Council of High Priests), even those of many Realms and multiple worlds around and about, even those of the Heavens Above, and even those of the Depths Beneath; for you shall account only unto me, and unto me alone.
7911 ""For though you be born of their spirit and of their flesh, even of the lowest of their stations; you are of me and I am not under (below, lesser than) any, thus you shall cause them all to account to you but you shall not account unto any of them.
7912 ""I shall teach you all I will have you know out of My Own Mouth (as confirmed in the Zadokite Document) and wheresoever I shall send you shall none other even approach My Great Veil, nor learn My Wisdom from me, nor shall but a very few approve of your presence because of your Office and Authority before me.
7913 ""And whosoever shall attempt to disprove you shall attempt to disprove me, and the Blaspheme of it shall stain that soul even unto its everlasting burning! For if you are at fault, or have any failure it is a matter betwixt (between) you and me, and none in either All the Heavens Above the Earth, nor in All the Earths, nor in All the Depths Beneath the Earth, nor in any Realms of Creation whatsoever wheresoever shall have any authority or voice in

the matter save you and me.

7914 ""Unto your hand I give all the Keys to All the Kingdoms of Heaven and the Keys to All the Kingdoms of Earth and the Keys to All the Kingdoms of All the Depths Beneath the Earth and All the Keys to All the Realms of All Creation wheresoever they exist, and All the Keys to Hell and All the Keys to Death. For the Righteous Powers and Holy Authorities I vest upon you are unto forever, and the Days of Your Reign their only limitation. And as you pass from your Generation you shall bestow the Holy Mantel as I alone shall command, until El Aku who shall have none after him to Witness of those Generations; though all My Proven Knowers shall Judge, Curse and Bless in his stead; for they shall all be in Tribulation in accordance with their Iniquities and none shall save them from their own damnations upon their own heads.

7915 ""For thus shall you go forth!

7916 ""And thus shall you be a Great Terror and a Great Discomfort and a Great Agony to all the vile and to all the polluted and to all the profane, and a Great Comfort to all who will be of good Righteousness!

7917 ""Go where I send you.""

ESSENCE OF THE PROTOCOLS TO THE SEVEN SWORDS

7918 The Most High has made provision for each and every soul and each and every circumstance in all of Creation. Those men and women who suffer from Post Traumatic Stress Disorder (PTSD) – whether from military action, rescue and emergency service, or being a victim of child abuse, comprise a large number of people who cannot function well in society – from the homeless to motorcycle gangs and their ilk to those who are under 'professional' treatment for mental and/or emotional 'instability' (everybody is 'bi-polar') to those 'problem' children in socialist-created 'problem' homes.

7919 That all these victims are victims by design and not by happenstance is a real eye-opener to those with the intelligence to see the deliberately manipulated situation for what it really is! The manipulators and warmongers carry the greater part of the responsibility – and blame – for all these now-'dysfunctional' people, their economic status, their 'mental' status, et cetera. They have been victimized by the manipulators and warmongers for the damnable purposes of lining their own pockets with as much money as possible, and gaining as much control over these victims as these victims will permit.

7920 The disastrous state of those who now have a 'mental history' does not have to be maintained, nor does the crime of it have to remain unpunished! The Most High has made provision to remedy both with these Protocols to all Warriors.

7921 According to what we can clearly see in the Protocols (and virtually all the rest of this book), The Most High accuses all the manipulators and all the warmongers, regardless of their tribe, people or nation, and charges them with the same crimes against His Holy Law! With these Protocols to all Warriors, The Most High has also provided a skilled and capable force to break the bonds of manipulation, restore justice, and establish an Everlasting Testimony against all the accused. The very existence of a Warrior, or other victim, is a Testimony against all the manipulators and against all the warmongers! That the Warriors and other victims are called to stand up and stop all further atrocities and treasons, beginning with The Anointed and all True Proven Knowers, and by whatever means shall become necessary, is Righteous Justice in its purest form.

7922 Never before in all of mankind's history has The Most High issued Protocols to all Warriors of all tribes, peoples and nations! All of them! Warriors are warriors, yesterday, today and all tomorrows. Former or current enemies, comrades in arms, or not. They speak and understand the same language, the same way. And that language is force and violence as necessary! The Most High has called all the warriors: former warriors (or anybody else included in these Protocols) and those to become warriors to be His Sword to apply as much force, which can be direct contact, letters, public exposure, et cetera; and failing those civilized attempts, as much violence as necessary against all perpetrators and offenders as it takes to get the required relief! And that "relief" does not mean government satisfaction, it means JUSTICE for the victims of the situation at hand!

7923 Never before in all of mankind's history has The Most High issued Protocols to all Warriors and those who serve, who will serve, or who have served in any uniformed organization, military, police, rescue, et cetera. These Protocols include all those who serve, who will serve, or who have served even in medicine and welfare services, and experienced those horrendous events and circumstances that induce PTSD with all its long-term effects.

7924 Never before in all of mankind's history has The Most High issued Protocols to all Warriors to deliver against all those who disrupt, defame, restrict, blaspheme, et cetera, The Anointed, The True Proven Knowers (which includes all Gnostics in Training) or their Teachings of Righteousness!

7925 The Most High and all His True Servants know for a fact that any and all governments, especially socialist and those owned and operated by any religion or convert-the-world-with-a-broadsword agenda, will commit any act of atrocity and treason against anyone who exposes even the slightest twit of impropriety from their professed norm! In these Protocols, The Most High has made provision to deliver justice upon those perpetrators, immediately and without mercy, in whatsoever form or manner becomes necessary to restore The Anointed, any and all True Proven Knowers and Gnostics in Training to relief, release and safety; and to set such an example of retaliation that such atrocities and treasons shall never again be perpetrated against them! Ever! By anybody! In or out of governments, religions, political and social cliques, or roaming idiots! The restoration of the Constitution of the United States is a lost cause as it's already been legislated into oblivion for the common citizen and remains only to railroad the innocent and for corrupt bastards with enough money or government influence to hide behind. That said, The Seven Swords of these Protocols may avenge the loss or abuse of the Constitution upon the perpetrating bastards as the need or occasion arises.

7926 Because governments and bureaucracies, and specifically all manipulators and warmongers who can hide behind the force and firepower of government, only understand force and violence when applied to their own treasonous and worthless asses, it is incumbent upon The Most High to speak that language as fluently as necessary by delivery by His Seven Swords upon the perpetrators and their fellows and their families. Once the manipulating bastards are on the receiving end of Hell Unimaginable, the atrocities and the treasons will stop! But not until! We assure you, The Most High's Seven Swords are more than capable.

7927 Now read carefully what The Most High has Pronounced in His Protocols to His Seven Swords:

7928 ""Before me stand those who have borne the battle and those who have stood the line (which includes all those who will become warriors in their time)! All those who will Know My Truth; who will understand My Holy Law; who will go wheresoever I shall send them; and who will do My Will without fear of any man or vile spirit set to oppose them!

7929 ""Respecting all Warriors, those who have borne the battle and those who have stood the line: all that you have learned, all that you have accomplished, and all that you have endured shall you reserve unto My Service that you be My Sword of Righteousness, My Sword of Justice, My Sword of Truth, My Sword of Honor, My Sword of Strength, My Sword of Vengeance and My Sword of Great Wrath; and all who are come unto My Service are become My Seven Swords of The True Most High!

7930 ""Respecting all Warriors, those who have borne the battle and those who have stood the line: I am a calling unto you, I am a calling unto you unto My Service!

7931 ""Respecting all Warriors, those who have borne the battle and those who have stood the line: I am a calling unto you, I am a calling unto you unto My Service! Lift neither word nor finger nor hand against any innocent; and spare not any perpetrator against the innocent, for the perpetration thereof is all evidence of guilt, and all those in the company of the perpetrator and all the fellows of the perpetrator are all of equal guilt as the perpetrator.

7932 ""Hear Me and lift your spirit unto Me, and you are become My Seven Swords! Yea! I have already considered, and you are not among the Harmed by great peace, but you are among the Harmed by violence! And neither the cause nor the execution thereof was by your desire nor by your authority; but by the desire and by the authority of the manipulators and the warmongers.

7933 ""Hear Me, all you who are become My Seven Swords: know that I have heard your cries unto me, and I am your Great and Eternal Answer!

7934 ""Hear Me, all you who are become My Seven Swords when you are in agony: for there is injustice that must be tended.

7935 ""Hear Me, all you who are become My Seven Swords: know that I know all the manipulators and all the warmongers, and you are My Sword upon them even as My Anointed and True Proven Knowers are My Testimony against them!

7936 ""Respecting all Warriors, those who have borne the battle and those who have stood the line: I am a calling unto you, I am a calling unto you unto My Service! Hear Me and lift your spirit unto Me, and you are become My Seven Swords!

7937 ""Hear Me, all you who are become My Seven Swords: fear not My Wrath of Eternal Vengeance upon you, for you are injured within your body, within your mind, within your soul and within your spirit and are become as though you were created such, and you have no power over the effects thereof (like the color of your eyes at birth); therefore though I forever stand austere, I shall account all your agonies and all your failures upon the heads of all those who caused these afflictions upon you, and I shall not account any agonies nor any failures upon the repentant

and the faithful among you; and I shall never excuse them upon the manipulators nor upon the warmongers!

7938 ""Hear Me, all you who are become My Seven Swords: know that I know your agonies, and I know your queries ("why me?, why not me?"), and I know the terrors and scenes of horrors still within the deepest depths of your soul; and the terrors and scenes of horrors shall only be mollified at My Own Very Hand!

7939 ""Respecting all Warriors, those who have borne the battle and those who have stood the line: I am a calling unto you, I am a calling unto you unto My Service! Hear Me and lift your spirit unto Me, and you are become My Seven Swords!

7940 ""Hear Me, all you who are become My Seven Swords: know that your true enemy is my enemy, even all those who hate and revile My Holy Son of Fire and all those who hate and revile My True Proven Knowers alive among you: because the enemies hate me and all My Holy Ways! And My Holy Order of The Seven Swords shall be My Hand of Iron upon the manipulators, upon the warmongers, and upon the Damned!

7941 ""Hear Me, all you who are become My Seven Swords: many and of all manners shall be against My Holy Son of Fire, He That Is Called By The Name Of God, for I have named My Own Name upon him; and against My True Proven Knowers. And among the fools, mockers, bullies, cowards, highwaymen (criminals, street punks) and freeloaders you shall find: all Rhodes Scholars, manipulators, warmongers, traitors, socialists, sociologists, liberals, communists, fascists, marxists, murderers, journalists, educators and other deceivers; attorneys, accountants, judges, police, courts, officers of the courts, employees of the courts, governments, politicians, bureaucrats, functionaries, councils, commissions and other traitors; the whole of the Masonic Lodge, the whole of the Knights of Columbus, the whole of Temple Israel and other enslavers; and among those: blasphemers, sorcerers, demons, demon possessed, child murderers, child rapists, christians and their Doctrines of Death, racemixers, braying spiritualists, false prophets, phony psychics, pagans, self-appointed religions, theologians, priests, teachers, ministers, preachers and other liars; for none shall spare themselves against My Holy Son of Fire who is Named of My Name and My True Proven Knowers! That they are against My Holy Son of Fire and against My True Proven Knowers – even as they are and have always been against you – shall be the identity of the enemy unto you.

7942 ""Respecting all Warriors, those who have borne the battle and those who have stood the line: I am a calling unto you, I am a calling unto you unto My Service! Hear Me and lift your spirit unto Me, and you are become My Seven Swords!

7943 ""Hear Me, all you who are become My Seven Swords: for I call you to a Greater Duty and a Greater Testimony than I have ever called unto any other save (except) My Holy Anointed and My True Proven Knowers in their generations! Yea! I call you to a Great Duty and a Greater Testimony in this time and in this place, for you are of the Generation of Fire and into your hand have I given My Seven Swords for I am The Most High!

7944 ""Hear Me, all you who are become My Seven Swords: for this Generation of Fire is a vile and evil generation, and there are many who shall seek to harm, and to restrain, and to defame, and to nullify, and to slay My Holy Son of Fire who is Named of My Name and My True Proven Knowers, for they are My Own Voice of Truth and My Own Word of All Righteousness against them! And upon all whomsoever you shall find thus against My Holy Son of Fire who is Named of My Name and against My True Proven Knowers shall you deliver My Sword of Righteousness upon them, that My Holy Son of Fire who is Named of My Name and My True Proven Knowers be not profaned in My Sight! And when you deliver My Sword of Righteousness upon the violators: Spare them not! Neither shall you spare any of their holdings, nor their seed, nor anything that is theirs; neither their domiciles nor their storehouses (which includes their Banks!); neither their cattle nor their kine; neither their tools nor their toys; spare nothing of them in anything that you shall be required to bring upon them for their abominations and injustices!

7945 ""Hear Me, all you who are become My Seven Swords: for the whole of the fools, mockers, bullies, cowards, highwaymen (criminals, street punks) and freeloaders who shall seek to dishonor, defame, distort and desecrate My Holy Son of Fire who is Named of My Name and My True Proven Knowers, for they are My Own Voice of Truth and My Own Word of All Righteousness against them! And upon all whomsoever you shall find thus against My Holy Son of Fire who is Named of My Name and My True Proven Knowers shall you deliver My Sword of Justice upon them, that My Holy Son of Fire who is Named of My Name and My True Proven Knowers be not profaned in My Sight!

7946 ""Hear Me, all you who are become My Seven Swords: for the whole of the manipulators, warmongers, traitors, socialists, sociologists, communists, fascists, marxists, murderers, liberals, journalists, educators and other deceivers of the whole of the House of Levi and the whole of the House of Judah shall seek to deny credibility unto My Holy Son of Fire who is Named of My Name and My True Proven Knowers, for they are My Own Voice of Truth and My Own Word of All Righteousness against them! And upon all whomsoever you shall find thus against My Holy Son of Fire who is Named of My Name and My True Proven Knowers shall you deliver My Sword of Truth

upon them, that My Holy Son of Fire who is Named of My Name and My True Proven Knowers be not profaned in My Sight!

7947 ""Hear Me, all you who are become My Seven Swords: for there shall be many attorneys, accountants, judges, police, courts, officers of the courts, employees of the courts, governments, politicians, bureaucrats, functionaries, councils, commissions and other traitors who shall conspire and manufacture false evidences, create false charges, perpetuate lies, persecute with all powers under their hand and seek to restrain, to murder and to discredit, defame and dishonor My Holy Son of Fire who is Named of My Name and My True Proven Knowers, for they are My Own Voice of Truth and My Own Word of All Righteousness against them! And upon all whomsoever you shall find thus against My Holy Son of Fire who is Named of My Name and My True Proven Knowers shall you deliver My Sword of Honor upon them, that My Holy Son of Fire who is Named of My Name and My True Proven Knowers be not profaned in My Sight!

7948 ""Hear Me, all you who are become My Seven Swords: the whole of the Masonic Lodge, the whole of the Knights of Columbus, the whole of Temple Israel and other enslavers shall spare no effort in their conspiracies and in their collusions to deprive and weaken My Holy Son of Fire who is Named of My Name and My True Proven Knowers, for they are My Own Voice of Truth and My Own Word of All Righteousness against them! And upon all whomsoever you shall find thus against My Holy Son of Fire who is Named of My Name and My True Proven Knowers shall you deliver My Sword of Strength upon them, that My Holy Son of Fire who is Named of My Name and My True Proven Knowers be not profaned in My Sight!

7949 ""Hear Me, all you who are become My Seven Swords: for there shall be many blasphemers, sorcerers, demons, demon possessed, child murderers, child rapists, christians and their Doctrines of Death, racemixers, braying spiritualists, false prophets, phony psychics, ministers, pagans, sidewalk religions, theologians, priests, teachers, ministers, preachers and other liars who shall spew much filth and all manner of blasphemy against My Holy Son of Fire who is Named of My Name and My True Proven Knowers, for they are My Own Voice of Truth and My Own Word of All Righteousness against them! And upon all whomsoever you shall find thus against My Holy Son of Fire who is Named of My Name and My True Proven Knowers shall you deliver My Sword of Vengeance upon them, that My Holy Son of Fire who is Named of My Name and My True Proven Knowers be not profaned in My Sight!

7950 ""Hear Me, all you who are become My Seven Swords: for there are many, close and afar distant, that shall seek the life and liberty of My Holy Son of Fire who is Named of My Name and My True Proven Knowers, for they are My Own Voice of Truth and My Own Word of All Righteousness against them! Yea! And they shall not cease against him either in all his days nor in all the days after I have gathered him unto me! And whosoever is against My Holy Son of Fire who is Named of My Name and My True Proven Knowers is against Me also; and upon all those you shall deliver My Great Sword of Wrath, upon their heads and upon the heads of all of their spouses and upon the heads of all who have come forth of their loins, and upon the heads of all their fellows and all their supporters; day by day and hour by hour until all those who are against My Holy Son of Fire who is Named of My Name and My True Proven Knowers are wrought with fear and trembling and racked with agonies as those you have suffered; and they shout from the rooftops that My Holy Son of Fire who is Named of My Name is of Me and that I am The First Lord of Spirits and the Most High Lord of All Creation! And spare them not until My Holy Son of Fire who is Named of My Name and My True Proven Knowers are removed from all their hands and immune from all their atrocities and secure from all their blasphemes! Yea! Upon all whomsoever you shall find against My Holy Son of Fire who is Named of My Name and My True Proven Knowers shall you deliver My Sword of Wrath upon them, that My Holy Son of Fire who is Named of My Name and My True Proven Knowers be not profaned in My Sight!

7951 ""Hear me, all you Seven Swords! First, unto the House of Ephraim: I have sworn you to a Sacred and Holy Oath, even unto the Order of Law of the land of your birth and the land or your allegiance, even the Constitution of the United States; therefore, you shall protect and defend My Holy Document and the Offices of President and Vice President against all who would do them harm at the cost of your very lives! That you should know: the whole of all the manipulators, warmongers, traitors, socialists, sociologists, communists, fascists, marxists, murderers, liberals, journalists, educators and other deceivers of the whole of the land are want to harm and destroy the Constitution of the United States! Yea! And when you shall be required to deliver My Seven Swords upon all who shall so offend: lift up your hand and spare them not; day by day and hour by hour until all those who are want to harm and destroy the Constitution of the United States are wrought with fear and trembling and racked with agonies as those you have suffered; and they shout from the rooftops that My Document is of Me and that I am The First Lord of Spirits and the Most High Lord of All Creation; and My Holy Son of Fire who is Named of My Name and all My True Proven Knowers are free and safe Before Me!

7952 ""Hear me, all you Seven Swords of all the Tribes, of all the Peoples and of all the Nations: if there be peace

Therefore, when there are atrocities and blasphemes against My Holy Son of Fire and My True Proven Knowers alive among you, there are atrocities and blasphemes against me; and because you are My Sword, I shall deliver you upon them without mercy!

The Most High does not need – nor will He accept – any 'converts' to Him on the basis of force or violence! Period. Therefore, there cannot be any justifications whatsoever for force or violence on the basis of religious grounds. None. And The Most High will burn all who attempt such 'conversions' and 'justifications'. The only exception with respect to race is slaying because of racemixing. Racemixing is a blaspheme that shall neither be done nor tolerated among any tribes, peoples or nations. Slaying those who engage in it, advocate it or tolerate it is equally justified under Holy Law. 7973 ""Before me stands those who will Know My Truth, who will understand My Holy Law and who will go wheresoever I shall send them!

7974 ""For I, Myself, have Testified within your own soul that all these things are True; that you should not believe anything, but that you should Know All Things for whatsoever they are.

7975 ""For My Testimony unto you was not in the High Realms before you were in your mother's womb, but in this life, in this day, and in this time, and in this place.

7976 ""For you have sought Truth, truth as it was in the instant of its creation and not infected nor infilted with the deceptions of Satan nor the deliberate contaminations of any mind or spirit. Because you have sought Truth, whether it be harsh or gentle, whether it be heavy or light, whether it be soft as a morning wisp or agonizing as the sharp points of all Burning Hell, I have drawn unto you and delivered into your own soul these miraculous Knowledges of Me, My Holy Anointed Ones, and My Holy Law.

7977 ""For My Holy Anointed One alive among you is in accordance with My Holy Law, and My Holy Anointed One being alive among you is in accordance with My Holy Law, My Own Testimony unto you of My Holy Anointed One alive among you is in accordance with My Holy Law, a part of My Holy Law and one fulfillment of My Unalterable Promises! Therefore, profane not My Holy Anointed One nor My Holy Appointment upon him! And do not profane My Holy Law which he shall teach you! Yea! Therefore, be diligent unto all My Holy Son of Fire and My True Proven Knowers shall teach you, and discipline yourselves well that you know and obey without error, for you are Priests and Witnesses against the whole of the House of Judah. For I have not sent you to be above Mine Own Holy Anointed, but to serve at his

feet, to understand all spiritual things, to know My Holy Law, and to judge rightly, as he shall teach you.

7978 ""Lo! My Holy Anointed One alive among you is My Own Supreme Lord of All Supreme Lords, My Own Supreme High Priest of All Supreme High Priests, My Own Supreme Judge of All Supreme Judges, My Own Supreme Commander of All Supreme Commanders, My Supreme Chief of Supreme Chiefs, My Own Supreme King of all Supreme Kings, My Own General of Generals, and My Own Supreme Lord of Fire! Yea! My Living Testimony of all within His Vast and far-reaching Realm!

For whatsoever he shall require of you is needs be of Me, and I will not be refused or ignored without great penalty! Go where he sends you; accomplish that which he shall direct you; learn his disciplines, learn his intelligence, learn his wisdom, and you will earn great satisfaction and great peace within your own soul, and all the Great Treasures of All the Heavens Above the Earth. Beware! For if you disobey him, revile him or in any manner seek to defame him before me, I shall destroy you in That Day and you shall never again come forth from That Great Eternal Burning! For in the very instant you rebel against My Holy Son of Fire you have rebelled against all My Holy Law and Blasphemed against The Holy Spirit of Truth (the unforgivable sin!) that I, Myself, have delivered unto your very soul.

7980 ""Lo! That you should know and understand that you be not deceived, for in the Days of My Own Lord of Lords El Aku ALIHA ASUR HIGH's Reign, you shall see and witness against the Desecration of Purity and the forced Pollution of Souls (racemixing) which is the greatest form of Blasphemy Against My Holy Spirit of Truth! Be not deceived. For the soul that pollutes their generations after them is a soul that I will destroy! Yea! And I will also destroy their polluted generations after them, save they repent and restore themselves to purity!

7981 ""Did I not choose Noe because he was pure in his generations?

7982 ""Yea! And I have not changed.

7983 ""For I demand purity in all things, and the polluted generations shall deliver unto me purity in their bodies, unto purity in their generations after them, purity in their souls, purity in their minds, purity in their deeds, and purity in their morals, and all that they do. And they shall rage against My Own Lord of Lords El Aku ALIHA ASUR HIGH's condemnation of them, for My Own Lord of Lords El Aku ALIHA ASUR HIGH's witness is true!

7984 ""Lo! That you should know and understand that you be not deceived, for in the Days of My Own Lord of Lords El Aku ALIHA ASUR HIGH's Reign, you shall see and witness against the Desecration of Purity and the forced Pollution of Souls as the consequence of the agenda of the House of Levi and the House of Judah! Be not deceived. For yet a little season I will abide the Vile of the House of Levi and the Vile of the House of Judah until the iniquity thereof is full. Then I shall destroy the vile of them from before my face forever!

7985 ""Yea! And My Fury shall wax hot against all who have given the House of Levi or the House of Judah even a mite or measure of succor in all the vile and evil deeds they do;

7986 ""And My Fury shall wax hot against all who have eaten at their table and gorged the feast in the presence of those starving, whose due was taken to provide that feast;

7987 ""And My Fury shall wax hot against all who have witnessed on behalf of the House of Levi and the House of Judah against My Own Lord of Lords El Aku ALIHA ASUR HIGH's condemnation of them, for My Own Lord of Lords El Aku ALIHA ASUR HIGH's witness is true!

That you should know and understand that you be not deceived, for in the Days of My Own Lord of Lords El Aku ALIHA ASUR HIGH's Reign, you shall see and witness against the Desecration of Learning and the Forced Ignorances of all Common Recognitions! Be not deceived. For the acceptance of all ignorance is a judgment upon the heads of the planners and creators of ignorance, and upon the heads of the enforcers of ignorance, and upon the heads of the teachers of ignorance, and upon the heads of the acceptors of ignorance and upon the heads of all who are in charge of those who must accept. Yea! And I am adamant against such abuses of the children, and I shall burn the perpetrators without mercy in That Day;

7989 ""For all the perpetrators know they do this to prepare the world for enslavement, knowing the ignorant will not think above that which is forced upon them; Yea, they are all of the House of Levi and the House of Judah;

7992 ""Lo! That you should know and understand that you be not deceived, for in the Days of My Own Lord of

Lords El Aku ALIHA ASUR HIGH's Reign, you shall see and witness against the massive and ignominious lies of the churches: from That Great Babylonian Harlot at Rome, the Roman Catholic Church, and at Constantinople, the Greek Orthodox Christian Church, unto the street-blowers who have neither authority before me nor any truth anywhere in all their decrees nor in all their much speaking! For they are liars! And they are knowing liars! They rage much against all ado, and commit worse in their secret hours. Yea! They are as much hypocrites as they are liars, and neither My Truth nor My Spirit is anywhere even nigh unto them! Therefore, as you see them come to be exposed for the practitioners of damnation they shall all prove to be: you are a Witness and a Testimony against them even as their own deeds are a Witness and a Testimony against themselves; and whosoever shall continue with them in anything, shall you witness against even as a demon exposed! For they shall have proven:

Lo! I give you signs that you cannot be deceived:

8004 ""When you shall see the desecration of morality in the Offices of the Land, know that you are a Witness and a Testimony against them, for the exposed are but the stench of the sewer over which the vile and corrupt congregate;

8006 ""When you shall see the courts of the land limited to lawyers (only attorneys at law may sit as court judges), know that a third of all burdens of a vile and corrupt generation have been irretrievably delivered unto the Socialist Demons and Satan rejoices, for he knows that total global enslavement is nigh unto all who are not My Proven Knowers and who are not honorably numbered among My Holy Akurians;

8007 ""When you see the wholesale slaughter of innocent citizens by government, know that all the publicity sent forth by that government are lies of the first magnitude formulated by the Demons of Power and the Demonic of Socialism and that all the violence and forces of violence against the innocent are tactics of intimidation, Yea, a warning unto all others who shall dare to stand for themselves and the freedom to own their own minds;

8008 ""When you see the public slaughter of publicans and the wholesale murder of the witnesses of those slaughters, the lies and distortions of facts by those in authority, the defamation and coercion of common citizens who say against the government's preferred versions (forcing them to change their reports and testimony), know that whatsoever is published (presented, given) by that government is a lie jot by jot and tittle by tittle;

8009 ""When you see publicans claim protection by force of law to escape exposure of their corruptions and treasons, know that the whole of the land is polluted, for any souring does not begin at the bottom, but at the very top.

Yea, even at the very surface do all good things begin to spoil; for My Truth is not in them anywhere, and thus they are profaned and a profanity in My Sight;

8010 ""When you see knowing lies presented as unquestioned (as opposed to unquestionable!) truth to enact statutes to deprive the citizens of any previous freedom or liberty, know that enslavement by the Socialist Demons is at the very gates, Yea, indeed already within the walls, and all mankind is doomed to their damnations and My Truth is not found in them anywhere;

8011 ""And when you see the rich excused for their thieveries, and exonerated for their many murders they have had committed by the governments they control, and all trade is limited to those of the House of Levi and the House of Judah (either being a Jew or Jewish controlled); know that My Wrath is also at the very gates and all Hell and all the Demons thereof shall not prevail against me!

8013 ""That man's courts may exact punishment for violation of man's laws but man's courts cannot exact any punishment whatsoever for violation of My Holy Law, for such is My Domain alone; and whatsoever man shall do in punishment for violation of My Holy Law shall have none effect upon the penalties I shall also require;

8014 ""That man's justice is not justice, but the vile practice of infinitely corrupt and unjust law; where the rich and powerful are excused and the poor and powerless are overwhelmed; even at the very publishing of the "equal justice under the law" lies;

8015 ""That the fools and cowards have surrendered even the thoughts of their own minds and the spirit of their own souls unto the socialists who are the Grand Demons of All Damnation;

8016 ""That the fools and cowards have surrendered even their own children unto damnation of their souls unto the socialists who are the Grand Demons of All Damnation;

8017 ""That the fools and cowards have surrendered even their own houses unto damnation and enslavement unto the socialists who are the Grand Demons of All Damnation;

For those among them of the House of Levi and the House of Judah who are in all the Offices of Power and are not in the High Offices of Authority and Manipulation shall obey the collusions of the manipulators and the corrupters even unto their own enslavement and their own destruction. And communism and fascism shall fail not because they seek to void their debts to the House of Levi and the House of Judah by mass murder on a grander scale than all the slaughters before, but because the iniquity of the House of Levi and the House of Judah, That Great Babylonian Harlot at Rome, the Roman Catholic Church, and at Constantinople, the Greek Orthodox Christian Church, Accursed Canaan (the Black races), and the moral degenerates among the people whom I, Myself, have condemned in all ages is not yet full! (Too stupid to see their enslavement by their own endorsement!) First, they shall expound their intent to improve upon My Own Creation (nature) and degenerate the learning manuals to a lesser quality, time and again until they contain only historical lies and useless nonsense. Second, they shall begin to expound the greatness of all their accomplishments unto those who shall not understand the eventual detriments thereof. And the ignorance thereof shall be darker (greater) than all the darkness of the very Depths of Perdition! And all those ignorances shall be expounded as knowledge and wisdom even in the face of all evidences of the completeness of its stupidities. And in the beginning of the Days of This Revelation shall I expose all these treasons, collusions and desecrations at the hands of the House of Levi and the House of Judah under the disguise of the progress of socialism; and when you witness against all these things in your own days, know they are irrefutable evidence that your Testimony is of me.

Woe to whomsoever shall profane anything I have made pure, whether peoples, or kine, or fish, or fowl of the air, or beasts of the wild, or livestock, or seed or root of the field, or fruit of the tree and the vine, whereof I have given for sustenance or for food and whereof I have given as food and shelter for the wild. Woe! Woe! Woe! For My Fury is not a wisp in a violent wind, but more raging than the uttermost Depths of Hell! And though I have made provision for the innocent born to achieve a soul, no mongrel shall stand righteous before me unrepentant nor disobedient, nor enter into My Holy Places, unto the tenth generation of their purification unto pure blood of their fathers as I established them in the Very Beginning.""

After four (4) generations of purification back to the bloodlines of Accursed Canaan or Accursed Cush, the children will again have souls at conception. That's right! AT CONCEPTION! ANY forced-rape pregnancy, except between husbands and wives (Yes, that does happen!), can be aborted WITHOUT penalty upon the WIFE! And their treacheries, and their conspiracies, and their lies, and their deceptions, and their murders, and their sorceries are all written and recorded as evidence against them in The Holy Scripts of all The Heavens and all The Earths! Yea: Roosevelt and Wilson and Roosevelt and Truman and Eisenhower and Chamberlain and Churchill and Lenin and Stalin and Hitler and Mussolini and Tojo and Mao and Chiang and many others. Yea! For if they are a traitor in one, they are a traitor in all; and whosoever shall abide them or support them in any manner is also a traitor within their soul.
