

## **TELEKINESIS! - MIND OVER MATTER!**

### **HOW TO DO IT!**

**2 April 1996 - 13 Nisan 5756**

**Rescued & Restored = 2 May 2012**

**The Most High, Himself, will Testify to YOU Personally:  
*this NOT a matter of 'belief'* as each and every word,  
statement and claim in this Instructional is infinite,  
absolute, irrevocable, consistently verifiable TRUTH!**

### **WARNING!**

Any and all unrighteous use and abuse of Telekinesis, as with any and all other Holy and Righteous Powers and Abilities, is then and there a **BLASPHEMY AGAINST THE HOLY SPIRIT OF TRUTH**, the unforgivable sin. The most severe form of BLASPHEMY AGAINST THE HOLY SPIRIT OF TRUTH is Race Mixing regardless of the Races. The children of such vile activity are born without souls to Stand before The Most High and the Parents are in grave danger of the Eternal Judgment.

-----  
**NOTE:**

Uncounted thousands of books, articles, recordings and letters still in existence by so-called 'experts' claim **MIND OVER MATTER – TELEKINESIS** – is impossible. This Instruction, HOW TO DO IT – **TELEKINESIS**, better known as **MIND OVER MATTER**, in one minute or less is one of many PROOFS that Supreme Commandant, Grand Marshal General Bobby Farrell aka **EI AKU ALIHA ASUR HIGH**, is the Anointed Witness of The Most High, Himself, of THIS Generation of Fire. This information is not available from any other source than The Most High Lord God of All Creation.

-----  
Performing **TELEKINESIS** is a matter of Righteous Procedure and doing it correctly. There are no 'belief' requirements; no magic 'names' or 'secret' words, no trappings or regalia of any kind and no 'special' preparations. The process requires YOU – just as you are at any given time or place – and correctly performing the Righteous Procedure. Nothing more. This is a Righteous Procedure and any injection of falsehood, regardless of how much you 'believe' it or Demonism in any guise is a sure and certain block; thus 'praising Jesus' or 'Allahu Akbar' nonsense and **YOU WILL FAIL!**

The process can be done using either a natural or mechanical object. We recommend using both as a check against and verification of each other as absolute proof of this Righteous Procedure.

Here is the mechanical procedure: Locate a clock with a SMOOTH SWEEP second hand. The jerking/click kind will work but are harder to read and determine the instant results. Digital clocks will suffice but have the same hard-to-determine characteristics. Thus a clock with a SMOOTH SWEEP second hand is ideal for determining your results. Look at the face of the clock as if you were going to remember it, close your eyes and envision it until you can recall the clock face to any degree of competence. This should not take more than 15 to 20 seconds, 30 at most. Now that you know as exactly as possible WHAT the clock face looks like and its SPEED of operation. Now, looking at the clock with your eyes open, on the image of the clock face in your mind make the second hand run BACKWARDS! Watch the second hand – preferably at the tip – and you'll note small but significant PAUSES! With practice you will produce momentary dead-stops! With jerking/click and digital clocks you will note the TIME of the PAUSE of the second hand or second count number is longer, and the jerking/click or second-count time-change is not as regular. Refresh your mental image of the clock, just as before, and this time make the second hand or numbers run FORWARD! You'll note a speeding up of either that will be directly proportionate to the CLARITY of the picture in your mind.

The natural procedure: You may have to wait for weather. The ideal is a cloudy day with puffy clouds as opposed to an overcast. Any scattering of clouds will suffice. Select TWO clouds in proximity and then choose the larger of the two. Look at THAT cloud as if you were going to remember it, close your eyes and envision it until you can recall THAT cloud to any degree of competence. This should not take more than 15 to 20 seconds, 30 at most. Now that you know as exactly as possible what THAT cloud looks like, look at THAT cloud with your eyes open, make THAT cloud in your mind vaporize like steam out of an exhaust disappears. Keep your attention focused on THAT cloud and your mental picture of it. Within a few seconds THAT cloud in the sky will begin to change, disappearing exactly as you commanded it – while the other cloud in its proximity stays pristine – even though they may be several thousand feet high or several miles in the distance! Continuing that process will make THAT cloud completely disappear.

If this Righteous Procedure doesn't work *exactly* as presented, then you are *not* performing it *exactly* as presented: or you are contaminated with what Akurians term "hallelujah halfwit idiocy" which includes any and all manners and denominations of Catholicism/Christianity, Islam/Moslem, Buddhism, Hindu, Satanic or other 'belief' religion. This Righteous Procedure will work for abject atheists as a *Testimony Against* all those aforesaid religions because atheism is not as Spiritually Corrupt as all those aforesaid religions. And The Most High Lord God of All Creation, Himself, will Testify to it.
