

# Holy and Righteous Decree

Unto All Who Shall Read These Presents, Greeting:

*Thus Saith The Most High:*

**ALIHA ASUR HIGH:** ""Son of Fire, Son of Fire, I have heard the petition spoken in the Mouths of The Akurians Assembled of their great concern for all that lives upon the Earth in this Generation of Ish and all that shall befall this Generation of Fire should their great concerns not be fully attended. Through your own ears have I heard it.

""I have heard and considered the Petition of Justice upon those suspected as being the perpetrators: the Whole of the House of Levi and all knowing and unknowing associates, assigns and supporters thereof and the Whole of the House of Judah and all knowing and unknowing associates, assigns and supporters thereof; and I have sent My Own Servants of My Own Presence to venture forth and determine if these things are True and to determine those responsible for the Evils thereof; and the Report of My Own Servants of My Own Presence unto Me has confirmed every determination of My Akurians.

""And because I heard and considered the Petition of Justice upon those determined to be the perpetrators thereof: the Whole of the House of Levi and all knowing and unknowing associates, assigns and supporters thereof and the Whole of the House of Judah and all knowing and unknowing associates, assigns and supporters thereof; and because the Report of My Own Servants of My Own Presence unto Me has confirmed every determination of My Akurians; I, Myself, lowered My Own Eye and lowered My Own Ear to the whole of the Earth and each and every living creature thereof to verify in absolute certainty the Holy Truth of the situation presented.

""And I, Myself, having seen with My Own Eye and heard with My Own Ear the concerns and evidences thereof presented, do declare the great concerns of My Akurians to be valid, the Petition of Justice to be worthy of My Direct Consideration, and all the Evils determined to be perpetrated by the Whole of the House of Levi and all knowing and unknowing associates, assigns and supporters thereof and the Whole of the House of Judah and all knowing and unknowing associates, assigns and supporters thereof to be Truth Unquestionable in My Presence.

""And this is the Essence and Nature of what My Own Eye and My Own Ear and My Own Servants of My Own Presence did verify:

""That for scores of decades the Whole of the House of Levi and all knowing and unknowing associates, assigns and supporters thereof and the Whole of the House of Judah and all knowing and unknowing associates, assigns and supporters thereof have knowingly and with greed and lust for unjustified power aforesought and prime intent supported, expounded, expanded, and wheresoever possible, enforced by whatever means at their disposal:

""By any pretext: to deceive all souls in all the lands and all the families of all the tribes of all the peoples of all the nations:

""First, by representing themselves as all Israel, which they are not, but only two Houses thereof of all the Children of My Servant Abraham; that they secure all the wealth thereof unto themselves alone and to deceive unto enslavement all who will abide them;

""Second, by representing themselves as My Righteous people of My Servant Jacob, which they are not, for Levi desecrated My Righteousness in the Tabernacle and before the Temple, squandering My Righteous Access in Sewers of Damnation and sold it for a farthing in the streets as it were an aged whore for worth and value; and all Judah conspires with them that they secure all the

wealth thereof unto themselves alone and to deceive all nations and bring the Demons of Damnation upon all who will abide them;

""Third, by collusion, conspiracy, deceit and murder, and all treasons they deem necessary to secure absolute control of any and all access to Truth and accurate information, that they secure all the wealth thereof unto themselves alone and to deceive all nations and destroy the morality of all who will abide them;

""Fourth, by collusion, conspiracy, deceit and murder, and all treasons they deem necessary to secure absolute control of any and all monetary and financial resources of the nations, that they secure all the wealth thereof unto themselves alone and create poverty upon all who will abide them;

""Fifth, by collusion, conspiracy, deceit and murder, and all treasons they deem necessary to secure absolute control of any and all laws and all controls and enforcements thereof, that they secure all the wealth thereof unto themselves alone to deceive all nations and legislated enslavement upon all who will abide them;

""Sixth, by collusion, conspiracy, deceit and murder, and all treasons they deem necessary to secure absolute control of any and all legislations and enactments into law, that they secure all the wealth thereof unto themselves alone to deceive all nations and control all the resources thereof for their own socialist agenda to enslave the whole world;

""Seventh, by collusion, conspiracy, deceit and murder, and all treasons they deem necessary to secure absolute control of and absolute denial of any and all Freedoms and Liberties of all souls in all the lands and all the families of all the tribes of all the peoples of all the nations, that every thought, every spoken word, every written word, every decision, every action, every perception, every purchase, every exchange, every communication thereof, should be monitored, reviewed, controlled and penalized lest it reveal the Holy and Righteous Truth of the Whole of the House of Levi and all knowing and unknowing associates, assigns and supporters thereof and the Whole of the House of Judah and all knowing and unknowing associates, assigns and supporters thereof, and all their Damns of Socialism and Total Global Enslavement of the whole world.

""By any pretext: the publication of concocted scenarios and events toward the instigation of disputes, conflicts and wars upon the lands and between families, among the tribes, against the peoples and when possible, involving all the nations that the self-appointed of the Whole of the House of Levi and the Whole of the House of Judah should rule all the families and the lands and the tribes, the peoples and the nations by immediate programming of the masses, the eventual force of law, and the persecution of all upon whom the instigation of racism and cultural divisions have been inflicted, and the persecution of all who dare discover and publish, saying the Truth thereof, at the hands of war profiteers and warmongers having the force of law and the courts, that the self-appointed of the Whole of the House of Levi and the Whole of the House of Judah are both instigators and profiteers of all sides of the violence and all sides of the issue, depriving all Citizens all means to resist; and have made, and now possess, the Whole of the United States Government and suppression of the governed into indentured servants for the sole and exclusive accomplishment of the Global Agenda of the self-appointed of the Whole of the House of Levi and the Whole of the House of Judah, and they have deceived the whole world therewith that the self-appointed of the Whole of the House of Levi and the Whole of the House of Judah should require their own to publicize and profit therefrom, and for generations thereafter to administer the repatriations and the victims, knowing sure and certain devastations their instigations and treasons would produce;

""The institution of socialisms upon the lands and the tribes, the peoples and the nations that the self-appointed of the Whole of the House of Levi and the Whole of the House of Judah should rule the lands and the tribes, the peoples and the nations by immediate programming of the masses, the eventual force of

law, and the persecution of all who dare dissent at the hands of both religions having the force of law and governments being indebted to the self-appointed of the Whole of the House of Levi and the Whole of the House of Judah, and deceived the whole world therewith that the self-appointed of the Whole of the House of Levi and the Whole of the House of Judah should require their own to administer the processes and procedures and the knowing sure and certain devastations their socialisms and injustices would produce;

""The institution of hybridization of all foodstuffs, both plant and livestock insofar as possible, and forced those desecrations and the poisons required to produce, sustain and maintain them upon the lands and the tribes, the peoples and the nations that the self-appointed of the Whole of the House of Levi and the Whole of the House of Judah should rule the lands and the tribes, the peoples and the nations by immediate programming of the masses that such were improvement of that which I established pure in The Beginning, and deceived the whole world therewith that the self-appointed of the Whole of the House of Levi and the Whole of the House of Judah should require their own to administer the processes and procedures and the knowing sure and certain devastations their hybridizations and poisonings would produce;

""The institution of economic controls of all energy production, processing and transportation thereof and any and all resources and equipment required to produce, sustain and maintain them upon the lands and the tribes, the peoples and the nations that the self-appointed of the Whole of the House of Levi and the Whole of the House of Judah should rule the lands and the tribes, the peoples and the nations by immediate programming of the masses that such were improvement of that which I established in the Beginning and necessary for the total welfare of the tribes, the peoples and the nations, and deceived the whole world therewith that the self-appointed of the Whole of the House of Levi and the Whole of the House of Judah should require their own to administer the processes and procedures and the knowing sure and certain devastations their controls and administrations would produce;

""The institution of administrative and economic controls of all medical research, and the production, processing and transportation of any and all products and equipment thereof, and any and all resources and equipment required to produce, sustain and maintain such upon the lands and the tribes, the peoples and the nations that the self-appointed of the Whole of the House of Levi and the Whole of the House of Judah should rule the lands and the tribes, the peoples and the nations by immediate programming of the masses that such were improvement of that which I established in the Beginning and necessary for the total welfare of the tribes, the peoples and the nations, and deceived the whole world therewith that the self-appointed of the Whole of the House of Levi and the Whole of the House of Judah should require their own to administer the medicines, processes and procedures and the knowing sure and certain devastations their controls, deliberate suppressions, and chemical poisons would produce;

""And I, Myself, shall Testify to all the Righteous that the Whole of the House of Levi and the Whole of the House of Judah are the uppermost Prime Conspirators of all these Evils and Damnations, and that the Whole of the House of Levi and any and all knowing and unknowing associates, assigns and/or other supporters thereof, and the Whole of the House of Judah and any and all knowing and unknowing associates, assigns and/or other supporters thereof shall not escape responsibility therefor nor my Absolute Wrath upon them for all these Evils and Damnations in My Sight either in this World nor Eternity to come.

""Therefore, Son of Fire: knowing that I, Myself, will protect the Righteous, and though the Whole of the House of Levi and all knowing and unknowing associates, assigns and supporters thereof and the Whole of the House of Judah and all knowing and unknowing associates, assigns and supporters thereof, and all the governmental Offices and Powers under their

hand, shall rage in Great Blasphemy against you, FEAR THEM NOT, for they are a Greater Blasphemy in My Sight and are a Greater Blasphemy before My Face and are a Greater Blasphemy before My Presence; speak unto all My Akurians that I have heard them and all they have considered Before Me and found their considerations to be True, and publish unto the whole world that I, Myself, have considered all these things and found all these considerations to be True. And unto all the Righteous will I, Myself, Testify to the Holy Truth thereof.

""Therefore, whosoever shall read these Presents and know them to be true are of Righteousness before Me. And unto all those Righteous will I, Myself, Testify to the Holy Truth hereof, save the socialist, both communist and the fascist, the Levite and all their knowing minions and the Judean and all their knowing minions who know these things are Truth because they are the Perpetrators of All the Evils thereof and know by these Presents their time is short, and My Wrath shall be without mercy upon them.

""Therefore, whosoever shall read these Presents and be offended of them are of their Father, Satan, and love the Damnations of Socialism above the Peace and Security of My Holy Law, save the socialist, both communist and the fascist, the Levite and all their knowing minions and the Judean and all their knowing minions who know these things are Truth because they are the Perpetrators of All the Evils thereof and know by these Presents their time is short, and My Wrath shall be without mercy upon them.

""And against all who shall read these Presents and be offended of them, the socialist, the communist, the fascist, the Levite and all their knowing minions and the Judean and all their knowing minions; and on behalf of all who will know these things are True shall you publish this Righteous Decree, and I, Myself, shall accomplish it in the sight of all that none shall gainsay one jot or tittle in That Day.

""And know that upon publication hereof, every resource of government shall be brought against you and My Beloved Akurians by the Levite and all their knowing minions and the Judean and all their knowing minions, for every resource of government serves no other purpose than the One World Government Socialist agenda of the Whole of the House of Levi and the Whole of the House of Judah.

""Son of Fire, Son of Fire, the Whole of the House of Levi and all knowing and unknowing associates, assigns and supporters thereof and the Whole of the House of Judah and all knowing and unknowing associates, assigns and supporters thereof are a Damned People in My Sight. Therefore, whatsoever My Beloved Akurians under Your Wings shall pronounce upon them I, Myself, shall multiply upon all their generations after them until Shiloh and I, Myself, close and lock the Gates of Hell behind them.""
