PROPHECY - FACT OR FICTION? - Hosea-Amos

Clearing up more of the mess of hallelujah halfwits, kak jews, priests, preachers and other liars:

First, let's set the stage: The Promises to Abraham and Isaac are renewed to Jacob;

Genesis 35:10 And God said unto him, Thy name is Jacob: thy name shall not be called any more Jacob, but Israel shall be thy name: and he called his name Israel.

Genesis 35:11 And God said unto him, I am God Almighty: be fruitful and multiply; **a nation and a company of nations** shall be of thee, and kings shall come out of thy loins;

Genesis 35:12 And the land which I gave Abraham and Isaac, to thee I will give it, and to thy seed after thee will I give the land.

Now let's add a bit of history concerning the Birthright and a few other points that are beyond question and therefore relevant in any righteous consideration.

The firstborn SON of the first wife was slated to receive a FULL HALF - FIFTY PERCENT (50%) of whatever the father owned. In Abraham's case that INCLUDED the Promises The Most High made for Abraham's OBEDIENCE - in the near-sacrifice of Isaac. Yes, the Akashic Records clearly show it was Isaac and not Ishmael; and Yes, the site was upon the famed Rock inside the Dome of the Rock at Jerusalem; which is NOT the actual location of either of the Temples of Solomon though all three are/were on the Temple Mount platform. The Temples were centered around the small Gazebo of Learning, the actual place where the Ark of the Testimony/Covenant actually sat. The Akashic Records clearly show that too.

Back to the firstborn and the Birthright. Jacob's firstborn of his first wife, Leah, was Ruben; who took another of Jacob's four wives, Bilhah, to bed (**Genesis 35:22**) and DEFILED his right to really receive anything. When Jacob was near death he not only gave the Birthright to the House of Joseph, he divided it between Joseph's two sons, Ephraim - the younger - and Manasseh - the elder - and NAMED HIS OWN NAME upon them along with the names of Abraham and Isaac! **Genesis 48:16** *The Angel who redeemed me from all evil, bless the lads, and let my name be named on them, and the name of my fathers Abraham and Isaac (Saxons = Isaac's Sons), and let them grow into a multitude in the midst of the earth.* Manasseh is England (Brit-ish, "birthright man") and Ephraim is the United States (**a company of nations**). Remember, as stated above, Jacob's HOLY NAME was "ISRAEL." When The Most High CHANGES YOUR NAME, you don't need some crackpot priest or socialist bureaucrat to endorse or verify it as they insist on doing today.

A "company" in Biblical terms is FIFTY (50). Does that ring any bells in the hallowed halls of statehood? It clearly identifies *Ephraim* ... *"a company of nations"* - or didn't you catch that? Nowhere else in history has anyone become a nation with FIFTY-STATES - **a nation and a company of nations shall be of thee** - exactly and exclusively as Promised!

Jacob gave Judah the scepter - the wand of IDENTITY of a House - like the one Kings and Queens carry for official ceremonies and like the batons carried by German Marshal Grade Officers in WWII. The scepter is an object of IDENTITY, not endorsement of 'the chosen people' by The Most High or anybody else. Jacob (ISRAEL) inherited the vast majority of the CHOSEN PEOPLE part of the Birthright of Abraham from his father Isaac; but Abraham's firstborn, Ishmael, also was guaranteed

TWELVE PRINCES of which Muhammad was the last. Therefore Judah is **NOT** all Israel as they present to all fools and hallelujah halfwits who will accept it, nor are they God's 'chosen people' - ISRAEL is! Understand, all Jews are Israelites but all Israelites are NOT Jews.

And now a very clear Prophecy about today - now that you **KNOW** what you're reading. Hosea could NOT have been talking about the imminent Exile of Judah, Levi and half the Tribe of Benjamin, but only about ISRAEL (Jacob) and specifically about Ephraim and Manasseh because Jacob named HIS name, Israel, on them ...

Hosea 12:1 Ephraim feedeth on wind, and followeth after the east wind: he daily, increaseth lies and desolation; and they do make a covenant with the Assyrians, and oil is carried into Egypt.

Note the damned lies and desolation comments. Can anyone with more brains than a gnat believe so much as one word from anybody at any level of government? or from any candidate running for election? Is there any doubt that thanks to NAFTA, GATT, the Council on Foreign Relations, et cetera, and the impending North American Union (NAU) - Canada, United States and Mexico UNDER ONE GOVERNMENT - that this nation is now in the death throes of total desolation? Where are the jobs with which we once supplied the whole world with virtually everything? Where is the gold we once possessed, like at the end of WWII when we owned SEVENTY FIVE PERCENT (75%) of the world's gold? Where is our educational system - capable now of teaching only debauchery and 'how great' communism is - in the drug infested war zones we call schools? Anybody that doesn't call that "desolation" is too stupid to call themselves by their own right name.

"Oil" is a FOOD (olive oil, nut oil, et cetera) and a major commodity in the Asian diet as well as the rest of the world! Did anybody miss the current FAMINE in Egypt requiring the lands that once were Assyria - Syria, southern Turkey, eastern Iraq, Jordan and northern Saudi Arabia - and Ephraim, the United States, to send (oil) food and (oil) fuel to Egypt? When The Anointed, Himself, was in Egypt in 1978, government-subsidized bread sold for less than a penny a loaf! What happened?! Anybody want to scratch the surface of that to find the manipulators? Guess who ...

Hosea 12:2 The Lord hath also a controversy with Judah, and will punish Jacob according to his ways; according to his doings will he recompense him.

Since the Exile in Babylon, the Priestly Tribe of **LEVI** has hidden behind the greedy skirts of **JUDAH** and been included under the title/name of "Judah/Jew" ever since. However, Levi does not - and never did - have the authority to remove themselves from their RESPONSIBILITY for the proper administration of Holy Law! Therefore, when the Levite/Jews perform their damnables, The Most High punishes them and ALL the rest of ISRAEL (Jacob), especially Ephraim and Manasseh and the other Tribes in their turn.

The Akashic Records show the "**controversy**" with Judah is over the fact that Judah ***sold and resold*** the doves, pigeons, sheep, cattle, et cetera, used for sacrifices required at the Temple! That's right, it was easier to BUY a suitable - blemishless - offering than to attempt to raise it then transport it from the outer lands to the Temple - as required by Holy Law! Cutting the Levites in on the profits, Judah recycled the offerings time and time again. Then, to make sure every penny went through their hands, Judah invented Temple Money and Levi would accept no other - thus the Money Changers still in operation in Immanuel's time. Yes, the Temple Levite Priests were in on that take too, but the Animosity of The Most High was kindled mostly against Judah and the rest of Israel for letting them get away with it!

Hosea 12:3 He took his brother by the heel, in the womb, and by his strength he had power with God:

Hosea 12:4 Yea, he had power over the angel, and prevailed: he wept, and made supplication unto him: he found him in Bethel, and there he spoke with us;

Hosea 12:5 Even the Lord God of Hosts; the Lord is his memorial.

That "us" sounds a bit vague until you understand The Most High is also God of the Nefilim - those who genetically created man to be slaves, Anusazi ("servant of Anu," Anu was the ranking Nefilim), thus the PLURAL reference to the Divines in the Old Testament. Melchizedek was a Nefilim, as was Marduk (Egypt's "Ra") who lived until the days of Alexander. But ISRAEL was the cream of the crop of the Anusazi, and therefor was - and still is - held to a higher standard.

Below is a prime and prophetic example of what The Most High expects of Israel and the result of His Fury when we deliberately fail, disobey or ignore His clearly stated instructions:

Amos 8:1 Thus hath the Lord God showed unto me: and behold a basket of summer fruit.

Amos 8:2 And he said, Amos, what seest thou? And I said, A basket of summer fruit. Then said the Lord unto me, The end is come upon my people of Israel; I will not again pass by them any more.

At this time too, the Ten (10) Tribes of Israel and half the Tribe of Benjamin had been carried off from Assyria and are still referred to as the "lost" Tribes of Israel. Yet, The Most High clearly identifies ALL the twelve Houses and Thirteen Tribes by "**my people of Israel**" in the sentence. Since today Israelites, lost tribes and all, are scattered world wide, He is also including the rest of the planet! But note. "**The end is come upon my people of Israel, I will not pass by them any more.**" - clearly showing the people had done something to cause The Most High to anger ... read on for the punishment He said He would deliver:

Amos 8:3 And the songs of the temple shall be howlings in that day, saith the Lord God: there shall be many dead bodies in every place; they shall cast them forth with silence.

Dead bodies everywhere and people ignoring them to go about their business without any consideration because their situation was - and will be - hopeless! Watch the surviving film from the Jewish Ghettos under Hitler's Nazi Germany. Kak Jews are even now forcing the United States and the world into another global disaster: **legislated socialist enslavement** - NAFTA, GATT, the Patriot Act, Military Commissions Act, et cetera, and soon the NAU (North American Union); and the fact they are going to cause the slaughter of millions of their own, *again*, to possess a stranglehold on the economy, just like they did in Germany prior to (and the cause of) Hitler's rise to power, doesn't deter them one damned iota. The tactic of stranglehold is simple ... "ephah (**0.6th of a bushel**) small, and the shekel (**generally 0.4^{ths} of an ounce of silver**) great" means "shorting the sold weight because money is everything."

Amos 8:4 Hear this, O ye that swallow up the needy, even to make the poor of the land to fail,

Amos 8:5 Saying, When will the new moon be gone, that we may sell corn? and the sabbath, that we may set forth wheat, making the ephah small, and the shekel great, and falsifying the balances by deceit?

Amos 8:6 That we may buy the poor for silver, and the needy for a pair of shoes; yea, and sell the refuse of the wheat?

Amos 8:7 The Lord hath sworn by the excellency of Jacob, Surely I will never forget any of their works.

And there it is. Kak Jew to Kak Jew to Kak Jew as we live under it today, and spelled out more than 2,500 years ago by The Most High, Himself! "Who" do you think had, and still has, the ability - and the immunity - to arbitrarily raise gasoline prices overnight? Kak Jews, that's who! "Who" do you think runs the world economies without question of authority or concern about legal ramifications? Kak Jews, that's who! And HOW do they do this? Any complaints or threats of legal action would have to be presented to a fellow Kak Jew - who can make any decision they want and answer only to another Kak Jew - who is

also layered by Kak Jew to Kak Jew to Kak Jew - ad infinitus - regardless of where anyone turns for justice.

And "*falsifying the balances by deceit?*" would take a HUGE book by itself! From the non-government Federal Reserve, paper money through deliberately contrived 'shortages' the book would be massive.

"And sell the refuse of the wheat?" Wheat refuse is made into bulk gluten, and mixed back into food as "filler" along with other deliberately known poisons such as artificial MSG, Hydrogenated-anything, high fructose-everything, aspartame, fluoride, ethylene and growth hormones; and especially when attempting to 'fortify' nutrient-bereft hybrid food. A disastrous example was the melamine-loaded gluten from China that killed millions of pets and 'never-got-into-the-human-food-supplies' lies that were exposed within hours. With the Kak Jew to Kak Jew to Kak Jew circle of circumstance in place, nobody was even slapped on the wrist with a wet noodle for the damages or the deceptions.

Is it any wonder The Most High has a **"controversy"** with the Whole of The House of Judah - which includes the Whole of the House of Levi whose responsibility it was - and is - to *prevent* all these atrocities by Judah and all Israel? It also isn't any wonder why The Most High, Himself, tried and convicted the Whole of the House of Levi and the Whole of the House of Judah and **CURSED THEM** via His Anointed Servant **El Aku ALIHA ASUR HIGH** and the Daughters of Akuria. The full texts of both the Righteous Decree and the Curse Invocation itself are online at <http://www.theakurians.com>. It is said, and is now a statement of fact, **"Anti-Semitism is a disease. You catch it from Jews!"** But The Most High isn't finished yet ...

Amos 8:8 Shall not the land tremble for this, and every one mourn that dwelleth therein? and it shall rise up wholly as a flood; and it shall be cast out and drowned, as by the flood of Egypt.

Amos 8:9 And it shall come to pass in that day, saith the Lord God, that I will cause the sun to go down at noon, and I will darken the earth in the clear day:

Does that sound like an earthquake followed by a tsunami to you, especially **KNOWING** in that time the Nile River in Egypt *flooded every year* and did so until the construction of the Low Aswan Dam in 1889 through the finishing of the High Aswan Dam in 1970 - the eventual cause of the famine prophesied in the earlier verse. Now factor in the events in verse 9 - and that has to be a global "earth" for the sun to go down and noon - and darken the earth in the clear day! **An earth-axis shift!** You'll note He didn't say WHICH DIRECTION the sun would go down, and somewhere on the earth it will be NOON.

And The Most High we're talking about can do that with impunity.

Amos 8:10 And I will turn your feasts into mourning, and all your songs into lamentation; and I will bring up sackcloth upon all loins, and baldness upon every head; and I will make it as the mourning of an only son, and the end thereof as a bitter day.

Amos 8:11 Behold, the days come, saith the Lord God, that I will send a famine in the land, not a famine of bread, nor a thirst for water, but, of hearing the words of the Lord:

And how many true **"words of the Lord"** do you get from 'praise Jesus' and the passing of a plate - with or without the hymns? And THAT done on Lucifer's Sabbath, Sunday, and in the name of "Jesus" who never existed (Immanuel did, but the letter "J" didn't exist either until 1349!); and in direct violation of the Commandments (no other Gods before Me, which includes sons!); rather than in accordance with the Sabbaths established by Holy Law - which like its Creator, The Most High - cannot and does not change! Doctrines of Death there, but certainly no true **"words of the Lord"** to be found.

The Akurians know for a fact that **8:11** above, is true, it's real, it's here, it's now, and at every attempt we make, because we experience it every day. The Kak Jew to Kak Jew to Kak Jew circle of circumstance in media and government spare no effort - nor taxpayer's money - to block, prohibit, harass,

and suppress our every effort to deliver and expose the **TRUE WORDS OF THE MOST HIGH!** Our telephones, email are constantly monitored and internet activities are blocked - and nobody else has the resources to do that, let alone any reason. That is why we have posted and maintain the entire contents of **"The ANOINTED, The ELECT, and The DAMNED!"** (AED) free-to-read on line for all those who want to KNOW rather than 'believe' and understand Holy Law. In the AED each and every comment of The Most High is translated out of the original Angelic, the language of the Heavens, and double quoted ("") for the convenience of true searchers.

Amos 8:12 And they shall wander from sea, to sea, and from the north, even to the east, they shall run to and fro to seek the word of the Lord, and shall not find it.

Amos 8:13 In that day shall the fair virgins and young men faint for thirst.

Running all over the place, whining in desperation, looking everywhere the truth isn't, and ignoring these very pages and sources because they 'never-heard-anything-like-this' and 'the-preacher-said' stupidities. Of course they 'never-heard-anything-like-this' because hallelujah halfwits don't have a clue about it - **EVEN THOUGH THE MOST HIGH, HIMSELF, TESTIFIES TO THE TRUTH OF IT!** And 'what-the-preacher-said' is not only a Doctrine of Death, it's a self-locking key to the Main Gates of Eternal Hell! And The Most High, Himself, said so. Read **"and shall not find it."** Again just to make sure you understand what we've written above.

"Virgins" simply means "unmarried women" - and the Akashic Records show them to be the kind we see whoring all over the place today, and not all are imitating the Sluts of Hollywood.

Amos 8:14 They that swear by the sin of Samaria, and say, Thy god, O Dan, liveth; and, The manner of Beer-sheba liveth; even they shall fall, and never rise up again.

The "sin of Samaria" is given as being the original fault of Solomon and became a years-on-end abomination of the Ten Tribes of Israel and half-Tribe of Benjamin when The Most High's WORD came due on Solomon. It's a bit long, and begins in 1st Kings and continues into 2nd Kings to the point stated by Amos, above.

The reference to "Dan" is "from Dan to Beer-sheba" the northern-most and southern-most cities of Israel that otherwise marked the frontiers of the land of Israel. They are just as doomed as all the other kak jews, fools, hallelujah halfwits, priests, preachers and other liars, because they perform only lip service and do not do a damned thing according to their 'oath' as they "swear."

Two Prophecies that are clearly intended for these days because they would not apply to any other time in history.
