

AUDIENCE OF THE NEW MOON
16 December 2009 29 Kislev 5770

Summoned by The Most High in the normal order of His Will, and observing all the Protocols of The Great Presence, I waited to be called to station. When summoned in accordance with the proper order I presented myself, saluted, and The Most High greeted:

""Son of Fire, Lord of War, God of Peace, My Holy and Elect Anointed One of this Generation of Fire, even My Holy Son of Abraham and Pride of My Great Testimony, say now in this Presence and this Audience the nature of this which you do.""

I stated, "Sir, I have selected and raised the Living Spirits of the Souls of six hundred of the kings and queens of the earth, all of the Administration of the Government of the United States including the several members of the Presidential Cabinet and Advisors, the entire United States Senate, the entire United States House of Representatives and the United States Supreme Court accompanied by five who are foreign to the House of Joseph, except one.

"I bring them all into your Presence that You may instruct me as I requested of You at the last Full Moon, 3 December 2009 16 Kislev 5770, concerning whether, or not, that six hundred are guilty of all these things I charge against them.

"And these are the Chapters of the Charges: secrecies having nothing to do with legitimate national security, sorceries, abominations, desecrations, arrogance, abuse of power, treasons, sedition, communisms, fascisms, socialisms, high crimes, misdemeanors, conspiracies, collusions, deceits, graft, corruption, manipulations, hypocrisies, indiscretions, perversions, cover ups, betrayals of public trust, murders, rapes, frauds, thefts, thieveries, larcenies and felonies with full intent to cause chaos, wars, terror, torture, disaster, famines, plagues, infections, inflammations, contaminations, poverties, deprivations, manufactured failures, irretrievable losses, discord, mistrust, misery, shame, disgrace, death, provocations of public anger that they use to claim justification to legislate against the unarmed, the defenseless, the innocent; perpetrating unjust punishment and incarceration upon all who are wise and honest enough to oppose them.

"Note, Sir, there are people held in knowingly illegal and knowingly unjust incarceration who have not committed any crime, but have asked the knowingly legal and knowingly just question, 'Show me the law' concerning knowingly illegal and knowingly unjust taxation and the knowingly illegal and knowingly unjust collections and knowingly illegal and knowingly unjust penalties thereof. I do not know how many there are being held under such abominable pretense nor the reputed nature of all the charges against them. I do know there are more abominations being legislated, ordered and directed to incarcerate, silence, murder and intimidate those who have not the resources to enforce public disclosure, empowering communists, fascists and socialists on government payroll to perpetrate such abominations without accountability of any kind. And I do know such abominations and desecrations of the Constitution of the United States from simple firearms restrictions to wholesale confiscation of the means and maintenance of self defense are being enacted, as they have been, layer by layer, for decades.

"Note also Sir, that I see no difference of any kind between the Communist Democrats, the Communist Republicans and the Communists of any other political disguise.

"Sir, I require of You, are these six hundred and their thousands of fellows, both senior and subordinate, guilty as I have charged them?"

""Son of Fire, Supreme Judge of All Supreme Judges, Supreme Lord of Justice, you have brought before Me those of Great Damnation; those of knowing desecration upon their own land, their own tribes, their own peoples and their own Nation because they are naught but vile, morally bereft and corrupt more than Canaan, more than Cush, and more than Levi and more than Judah even in the ages of old; charging them before Me as to their guilt for many abominations, espionage, treasons and deceits.

""Son of Fire, Supreme Judge of All Supreme Judges, Supreme Lord of Justice, have you not sought to ensure without question those brought before Me are guilty and knowingly guilty of all you have set at their feet? that each and every Mind and Spirit of them is guilty and knowingly guilty of all evil thought of them? that there is neither truth nor righteousness found among them? that they are knowing traitors to the whole of the House of Joseph of My Birthright Promises to Abraham?""

I answered, "Sir, all that and more that I should not err in my adjudications concerning them, both as individuals and as the whole of them in concert and in collusion."

""Son of Fire, Son of Fire, you have acted in True Righteousness toward True Justice, tempering all accusations against the accused with the possibility of the mitigating circumstance of ignorance of the accused, even by perhaps deception by secret parties of disreputable agenda. And I sent forth True and Trusted Messengers of My Own Presence to see if all these things are true, and to bring Me all they have found that would exonerate any, and the extent of all repentance and true remorse that I might justify the consideration of mercy upon any deserving; and there was none. Nay, there was none.

""Son of Fire, Son of Fire, of all six hundred (600) Living Spirits of Souls brought before Me, I found not one claiming Democrat that was not a socialist of sure damnation, the majority being sure communists wrapped in the Holy Banner (Flag) of the House of Joseph (United States). Of all six hundred (600) Living Spirits of Souls brought before Me, I found not one claiming Republican that was not a closet socialist of sure Fascism, the majority being sure Global (One World) Government agents wrapped in the Holy Banner (Flag) of the House of Joseph (United States). Of all six hundred (600) Living Spirits of Souls brought before Me, I found not one claiming Independent that was not a closet socialist of sure damnation, being sure Global (One World) Government agents wrapped in the Holy Banner (Flag) of the House of Joseph (United States). Lo! There was naught between them in their conspiracies and collusions; all seeking dominion over the minds and souls of all mankind.

""Son of Fire, Son of Fire, of all six hundred (600) Living Spirits of Souls brought before Me, I found no True Righteousness anywhere among them. None. They are bereft of all honor and truth is absent from them by great measure. They are the children

of whom they serve: Lucifer and his great damnations: Marx, Engels, Communism, Fascism, Socialism and Demonism in all manner of disguises and degrees. That Great Babylonian Harlot at Rome and Constantinople and the whole of the House of Levi and the whole of the House of Judah are no less guilty. And I shall not forget the demon-possessed psychopaths of Islam.

""Son of Fire, Son of Fire, spare them not, neither their fellows nor their respective generations after them, for they are vile and the vile can only produce vile. There is a total absence of worthiness to justify continuance of any of them, either in public office or alive anywhere save burning in the Deepest Firepits of Hell Eternal.

""Son of Fire, Son of Fire, know that your Judgment upon them is as shall be your Testimony against them in Final Judgment; that your Judgment and your Testimony against them is true. Yea! I, Myself, have verified all the evidences against them; I, Myself, have weighed them in the Balance and found them wanting: so I found of each of them and so I found of all of them. They are without excuse as they are without repentance, without remorse and without worthiness of even the consideration of mercy. And though I know all their manipulators, they all do these evils not of coercion nor of ignorance, but knowingly, of their own lust for power and greed for wealth, thinking earthly comfort shall entitle them to Eternal Pleasure in My Greater Kingdoms as justification for their portrayed selfless service to the lesser fortunate: but I see them all as ravaging and rabid demons, sucking the life-blood of the whole of mankind. And so they are.""

I questioned, "Sir, knowing You will always protect the Righteous, if there are any among the Vile Six Hundred worthy of honorable consideration, tell me now that I exempt them from the Damnations and Violence I am going to spread among and upon them."

""Son of Fire, Lord of War, God of Peace, My Holy and Elect Anointed One of this Generation of Fire, even My Holy Son of Abraham and Pride of My Great Testimony, there is none; there is none. My True and Faithful Messengers of My Own Presence have verified the souls and conscious minds of all who are fellows, workmen and willing servants of the Great Vile Six Hundred, advancing the count of them into several thousands, and there is none, there is none.

""Son of Fire, Son of Fire, Lord of My Vengeance, know that all the Great Vile Six Hundred and their Masters and their fellows shall spare not to restrict you, to defame you, to silence you, to suppress you and to deny you everything lest you and My Beloved Akurians bring them and all their Demonisms and Damnations into the light where even the most mentally devoid can see their abominations and know them to be totally disreputable. Lo! Even now unpassed legislations are enforced as standing law and the mass (media) say nothing of it; and the courts are in total collusion that the atrocities be perpetuated and never come to public knowledge. Know for a certainty that if that Great Vile Six Hundred, their Masters and their fellows obey not My Holy Law, how much more shall they ignore the puny laws of man even when justice would be accomplished?

""Son of Fire, Son of Fire, spare them not, spare them not, when you take all peace from the Earth! Layer My Damnations upon them layer by layer as they have done their Damnations upon the whole of the House of Joseph and the whole of the land and the

whole of the world. Pile My Wrath in their most secret places and all the agonies thereof shall you bind upon them and all their generations unto Shiloh. Spare them not! Spare them not!"

I stated, "Sir, knowing You will always protect the Righteous, it is my intention to ensure that though Lucifer and his Minions, human and demonic, will have their One World Socialist Government with all its terrors, horrors, injustices, murders and desecrations: it shall fall as immediate as expedient, and its fall shall destroy all who have founded and enforced it upon mankind, and its fall shall destroy all who will not stand against it regardless of the cost and conditions.

"The government of the United States is rampant with treason, corruption, extortion and wholesale murder. State, Territorial and local governments are polluted to the core with communists, fascists, socialists and moral degenerates; all having the force of law and the power of armed government against unarmed citizenry to enforce their damnations. The Great Vile Six Hundred are the responsible parties for permitting any of these things to begin with, and for permitting them to continue unabated. I hold them all equally responsible."

""Son of Fire, Son of Fire, spare them not! Lo! I have presented you with a Great Sword, and a Great Fire Lance, and you have earned the Divine Right to take peace from the Earth. Therefore, My Lord of Hosts of Lords of Hosts (General of Generals of Armed Forces), call forth even the Unquenchable Conflagrations of Hell Eternal and set the Fire of Fires upon the Heads and the Houses of all who have offended My Holy Law! Inflict immediately that Great Vile Six Hundred, continue with all their seed of generations after them, proceed with all their fellows and their seed of generations after them; pronounce every pox and damnation upon them; and though they linger for yet a little season, I shall accomplish all you shall Invoke in Testimony against them; for there are none righteous among them anywhere, not one, no, not one.

""Son of Fire, Son of Fire, send forth unto all My Beloved Akurians: say unto them what they shall pronounce, deliver unto them all upon whom is your Curse of Curses and Irrevocable Damnations, and say to them, to one and to all, "spare them not, spare them not, and spare them never" in all their Invocations of Testimony against the Great Vile Six Hundred. Send forth unto all My Beloved Akurians and command them to pronounce My Invocations of Testimony against the Great Vile Six Hundred; command them to pronounce My Invocations of Testimony as they gather among themselves, and to pronounce My Invocations of Testimony in their own times, in their own secret places, and to shout My Invocations of Testimony from the rooftops in their pleasure.

""Son of Fire, Son of Fire, when you have commanded My Beloved Akurians to pronounce My Invocations of Testimony against the Great Vile Six Hundred, know that My Beloved Akurians shall be My Testimony against all the knowing and deliberate lies, secrecies, sorceries, abominations, desecrations, arrogance, abuse of power, treasons, sedition, communisms, fascisms, socialisms, high crimes, misdemeanors, conspiracies, collusions, deceits, graft, corruption, manipulations, hypocrisies, indiscretions, perversions, cover ups, betrayals of public trust, murders, rapes, frauds, thefts, thieveries, larcenies and felonies with full intent to cause chaos, wars, terror, torture, disaster, famines, plagues, infections, inflammations, contaminations, poverties, deprivations,

manufactured failures, irretrievable losses, discord, mistrust, misery, shame, disgrace, death, provocations of public anger that they use to claim justification to legislate against the unarmed, the defenseless, the innocent, perpetrating unjust punishment and incarceration upon all who are wise and honest enough to oppose them. Therefore, I have judged them guilty and found them to be without remorse or repentance. Therefore, all that Great Vile Six Hundred and all their seed of generations after them and all their fellows and all their seed of generations after them, are worthy and deserving of the Curses of Curses and Damnations for their knowing and deliberate damnations against this House of Joseph and all the Children of Abraham."

I asked, "Sir, that there be neither error nor misunderstanding, I pose the question, 'Is there one righteous here among this Great Vile Six Hundred?' that I may spare them."

""Son of Fire, Son of Fire, there is none. None!""

I asked, "Sir, that there be neither error nor misunderstanding, I pose the question, 'Is there either justice or relief for the people or the Nation with the continuance of any of these Great Vile Six Hundred in Public Office?' that I may spare them."

""Son of Fire, Son of Fire, there is none. None!""

I asked, "Sir, that there be neither error nor misunderstanding, I pose the question, 'Is there either honesty or righteousness in any legislations of any of the Great Vile Six Hundred?' that I may spare them."

""Son of Fire, Son of Fire, there is none. None! The whole of their existence and their historical monuments to themselves is dedicated to the destruction of liberty, freedom, justice and the total global enslavement of mankind.""

I asked, "Sir, that there be neither error nor misunderstanding, I pose the question, 'Is there any true greater purpose for the benefit of mankind found anywhere among the Great Vile Six Hundred?' that I may spare them."

""Son of Fire, Son of Fire, there is none. None! There is but the destruction of all things of the common individual and the establishment of all things in their own few hands to control the mind of man. There is naught but evil and death in their outcome.""

I asked, "Sir, that there be neither error nor misunderstanding, I pose the question, 'I have seen a great display about the Republican Party's supposed 180 degree Turn Around campaign, claiming they have learned their lesson. Obviously, being without a power base and great income does have its disadvantages. That said, I have carefully watched the people involved and their rhetoric. All I have witnessed is the same collection of socialists spewing the same Republican-version socialism. Nothing else! Communists do not change their hammer and sickle any more than leopards change their spots; am I in any error?' that I may stand corrected."

""Son of Fire, Son of Fire, the only correction necessary is for those Republicans to stop thinking they can deceive you. You see them as they actually are, socialists, vile and corrupt.""

I asked, "Sir, that there be neither error nor misunderstanding, I pose the question, 'I have searched the intentions of the current series of legislations from reputed health care reform that has nothing to do with health care to ways and means legislations that are nothing more than the wholesale disarmament of honest and patriotic citizens; have I missed anything in my discernment?' that I may stand corrected."

""Son of Fire, Son of Fire, the vile, the socialist and the demonic will claim your are in abject error, but I confirm your discernment, save you did not mention the impossible expenses involved.""

I asked, "Sir, that there be neither error nor misunderstanding, I pose the question, 'I have informed all Akurians that though the One World Government shall come and enslave all mankind, except those very few like the Akurians who will never surrender, that One World Government shall Die a Great Death of extreme agonies and mass murder on a scale not seen even in the Great Deluge; have I misled myself and my people?' that I may stand corrected and while I yet live to inform the others."

""Son of Fire, Son of Fire, the One World Government shall come, and be welcomed by those doomed to die in its inescapable clutches, for it is an insatiable gluttonous demon of the worst dregs of Hell and Damnation. The only justice found anywhere in the Marxist, Communist, Fascist and Socialist tenants is that people will die solely because they live! Yea! They have pulled this blanket of vipers up over their heads and wrapped their generations in its all consuming coils. So be it upon them!

""Son of Fire, Son of Fire, the eyes of the fool have always been closed to obvious danger and their ears deaf to common intelligence and wisdom. Therefore they Die the Death of their own design and slaughter their generations by their own Damnations.

""Son of Fire, Son of Fire, speak before Me while My Ear is yet open to the cries of the distressed and the shoutings of the Damned, even that Great Vile Six Hundred. For soon you shall again ride the High Winds and horror shall run free upon the whole world, and I shall have closed My Ear to the cries of the distressed and even the remnant of the Marxists, Communists, Fascists and Socialists and all whom they have enslaved and desecrated. Yea! In those Days of Tribulation and Enslavement I shall hear not but My Beloved Akurians.""

I asked, "Sir, that there be neither error nor misunderstanding, I pose the question, 'All the Akurians are hard pressed for sustenance and wherewithal, the markets are dead to the common man, and yet the Akurians are not recipient of sufficient to meet all our needs; is the fault upon me that I teach and promise that which will not be delivered? that I may correct my instructions to the Akurians while I yet live.'"

""Son of Fire, Son of Fire, I know you ask nothing for yourself. And the distressed Akurians do not take your gentle advice, but set their own ways according the wiles of

the times before they came into Righteousness. I do not advance with light risk and gambling, both are for momentary pleasure, and nothing more. I have given you treasure beyond silver, beyond gold, even beyond price; and I would that the Akurians should profit from it. Go then to the labor and consider not but your excellence, and you shall have sufficient even unto the ends of the earth.""

I replied, "Sir, permit me to ask this last petition, shall the Heathen then prevail over me and the Akurians?"

""Son of Fire, Son of Fire, I know you ask this not for yourself. Nay! None shall prevail over My Beloved Akurians! The Great and Final Battle is already won and the vanquished are even now at your feet, each and every one claiming innocence and helplessness against the Marxist, Communist, Fascist and Socialist. But you are not deceived, you and My Beloved Akurians are Living Testimony against them for they heeded not your soundings of the alarms. Yea! Though Shiloh be yet a distance, the True and Final Victory over the Demons and the Damned is already established and irrevocable.""

And then I replied, "Sir, this is your last opportunity to stay my hand."

The Most High remained silent.

"Sir, at this time and in this Holy Presence and by Righteous Power and Holy Authority vested in me by earned right, I pronounce in this Company:

"By the Righteous Powers and Holy Authorities of my own I AM CONSCIOUS I, Supreme Lord of all High Lords El Aku ALIHA ASUR HIGH, He That Is Called By The Name of The Most High, call forth and summon all the energies, forces, powers, authorities, frequencies and momentums of All The Elements of Akasha, Air, Fire, Water and Earth in All Creation, from All The Holy Realms of All The Heavens Above All The Earths, from All The Realms of All The Earths, and from All The Depths Beneath All The Earths, and All Eight Divine Winds thereof: HERE AND NOW, COME FORTH INTO MY PRESENCE AND DO MY BIDDING!

"And you shall know that I destroy you in Righteous Punishment for your knowing and deliberate desecrations of justice; for your knowing and deliberate wholesale murders to accomplish your own ends without consideration of mercy or justice; for your knowing and deliberate deceptions and manipulations to enslave the whole world, entrapping the minds of all men to serve your abominations. Know that I destroy you with the same judgment you have judged and with the increase of horror and unending agonies you sought to inflict upon the people. Know for a fact, I spare you not!

"Upon you now, and upon you all: You have been called into account before The Most High and have been found wanting.

"Therefore, because of your knowing and deliberate lies, abominations, desecrations, arrogance, abuse of power, treasons, sedition, communisms, fascisms, socialisms, high crimes, misdemeanors, conspiracies, collusions, deceits, graft, corruption, manipulations, hypocrisies, indiscretions, perversions, cover ups, betrayals of

public trust, murders, rapes, frauds, thefts, thieveries, larcenies and felonies with full intent to cause chaos, wars, terror, torture, disaster, famines, plagues, infections, inflammations, contaminations, poverties, deprivations, manufactured failures, irretrievable losses, discord, mistrust, misery, shame, disgrace, death, provocations of public anger that you claim justification to legislate against them, unjust punishment and incarceration of the innocent of which The Most High has judged you guilty and without repentance: these are the Curses of Curses and Damnations worthy of your deliberate damnations against this House of Joseph and all the Children of Abraham.

"Because you have neither repentance nor regret nor any intent whatsoever of restitution for your abominations, The Most High has rejected and refused any consideration of mercy upon you and on your behalf. Neither shall there be any mercy or consideration of relief upon any of your supporters, fellows and seeds of your loins in all their respective generations until Shiloh.

"Therefore, upon you and the Living Soul of your Spirit within you and all your supporters, fellows and all generations thereof after you shall come all manner of abominations and damnations of worthy punishment for all your abominations and damnations against the House of Joseph and the Children of Abraham. That which you have sown against your constituents you shall reap in unmeasured floods of unending agonies, diseases, misfortunes, horrors, terrors, torture, famines, poverties, deprivations, manufactured failures, irretrievable losses, discord, mistrust, misery, shame, disgrace, death, provocations of public anger that shall ignore your unending legislations against them and suffer fully justified punishment and incarcerations for your deliberate crimes and abominations. There shall be no seed of your loins that shall not be an abomination and a desecration in The Sight of The Most High until Shiloh.

"You shall suffer all the penalties, blame, responsibilities, liabilities, public exposure and immediate defamation for all your knowing and deliberate lies, abominations, desecrations, arrogance, abuse of power, treasons, sedition, communisms, fascisms, socialisms, high crimes, misdemeanors, conspiracies, collusions, deceits, graft, corruption, manipulations, hypocrisies, indiscretions, perversions, cover ups, betrayals of public trust, murders, rapes, frauds, thefts, thieveries, larcenies and felonies with full intent to cause chaos, wars, terror, torture, disaster, famines, plagues, infections, inflammations, contaminations, poverties, deprivations, manufactured failures, irretrievable losses, discord, mistrust, misery, shame, disgrace, death, provocations of public anger that you claim justification to legislate against them, unjust punishment and incarceration of the innocent. You shall not escape nor long delay these deserved Hells upon yourself nor shall you long deny them even from your privy.

"This testimony is against you, and so shall it remain until the Gates of Hell are closed and locked behind you.

"Because your abominations are requested, supported and condoned by the vile, ignorant and deceived at your behest, they shall suffer the same Curses of Curses and Damnations until the very genes of their existence continues only in the extreme agonies of every vile affliction, famine, plague, infection, inflammation, contamination, poverty, deprivation, disaster and every vile disease they have brought upon themselves, upon their own doorsteps and upon their own children in all their generations after them unto Shiloh.

I answered, "Sir!

"First, that I see immediate legislation at all levels of government abolishing all these past enacted socialisms! The total denial of welfare, license and Social Security to all illegal aliens; and the phasing out of Social Security in a time frame to avoid destitution of the current and near-future recipients.

"Second, that I see immediate legislation to restore the entire Constitution, starting with the Bill of Rights.

"Third, that I see immediate legislation abolishing the Federal Reserve System and all its false and illegal debts, making all government spending completely accountable to the Citizens. And the prosecution and incarceration of those in and out of government who have perpetrated this massive monetary extortion and swindle of the Nation's resources.

"Fourth, that I see immediate legislation abolishing the Internal Revenue Service and all its false and illegal determinations, stripping any and all powers and authorities of relevant Internal Revenue Service statutes, legislations and determinations from the all the books of law of the land.

"Fifth, that I see immediate legislation abolishing the Department of Homeland Security and all its intrusive damnations along with the elimination of all other such governmental departments until and operational minimum has been achieved.

"Sixth, that I see immediate legislation abolishing the Central Intelligence Agency and all reputed information-gathering organizations attached thereto along with the outlawing of private sector contracting of intelligence gathering, specifically against

lawful citizens; and immediate elimination of illegal narcotics manufacture, importing and money laundering for which the CIA has become famous throughout the world.

"Seventh, that I see immediate legislation abolishing the Food and Drug Administration and deprivation of all its secret powers and collusions against the general health of the Nation which must include the elimination of any and all water poisoning via fluoridation, excess and non-removed chlorine, hybrid and genetically engineered food, livestock, grain, fruit, produce, seasoning, deliberately poisoned produce and livestock via insecticides, growth hormones, aspartame, fructose and high fructose syrup, all artificial sweeteners, hydrogenated and partially hydrogenated oils, monosodium glutamate; methyl and wood alcohols, ethylenes in all categories, propyls and isopropyls used in mouthwashes, perfumes and cosmetics.

"Eighth, that I see immediate legislation abolishing the Center for Disease Control and all its perpetuations of epidemics and pandemics upon the Nation and the world. Between the Center for Disease Control and the National Science Foundation, it's virtually impossible to determine which is the biggest liar and governmental scam office.

"Ninth, that I see immediate legislation abolishing any and all foreign aid regardless of its disguise. In instances of natural disasters, we can provide any and all available assistance, but we do not need to take entire countries and their welfare-dependent populations to raise. Taxing the our own poor to finance the foreign rich is not only an abomination, it is economic espionage against our own people.

"Tenth, that I see immediate legislation abolishing the assignment of US Military Forces to any country other than required Embassy and Consulate Security and Attache' duties except in times of duly and Constitutionally Declared War; and an immediate end to private sector contracting of any and all food and logistics services, returning both to the military direct.

"Eleventh, that I see immediate legislation abolishing the socialist dumbing down agenda in all educational institutions. Children can't read, write or count because they are not taught to read, write or count; and become harlots, whoremongers and dope-addicts because they are taught to become harlots, whoremongers and dope-addicts by our current educational systems.

"Twelfth, that I see immediate legislation abolishing perpetual excuses and exemptions for personal irresponsibility. And that includes any and all 'special' laws for homosexuals, deviates, illegal aliens and any and all so-called 'hate' crimes whatsoever.

"I want them all, and I want them all now!

"Father, my list is much more extensive, but these will suffice for the beginning signs of repentance and restitution, when and if I see them."

""Son of Fire, Son of Fire, My Beloved Avenger in all the Earth, you have not required unreasonably. Thus you have required Before Me, and thus shall I require Before Me.

""Son of Fire, Son of Fire, My Beloved Avenger in all the Earth, you are dismissed. Go in peace.""

And my part of the Audience was over. I saluted and returned to my station and left the Audience when we were all dismissed.

El Aku ALIHA ASUR HIGH.
