

INVOCATION OF THE AIR
20 October 2009 – 2 Cheshvan 5770

CAUTION!

Akurian invocations are not parlor games!

They are elements of extreme and irrevocable Forces and Energies. Invocations of Testimony are everlasting and without appeal. Authorized and Empowered Akurians use them sparingly, the wise and prudent study them diligently but do not use them at all, and fools destroy themselves and all those round them in their stupidity. There is nothing humorous or exciting about bringing an encroaching Hell of the First Magnitude down on your own head at your own hand. You have been warned.

Do not EVER attempt to call upon the Four Great Horsemen at any time for any reason. They are an Elite Strike Unit Command with Direct Orders from The Most High, and will not heed any other. If they are called upon or invoked by anyone else, they are commanded to destroy all forces and energies relevant to that invocation whether blessing or curse, and to judge whosoever has invoked them as an abomination in The Sight of The Most High.

Do not EVER attempt to call upon Air, Spirit of Life nor attempt to invoke its Essence of Motion until you are fully versed and practiced in handling such Powers, Forces and Energies. Once set in motion, Air, Spirit of Life is a raging fury that cannot be harnessed and never easily quelled. Its Quality is Motion and the Essence of Motion, and it can move in all directions at the same time, turning as it so desires and determines its own speed. Air, Spirit of Life is extremely dangerous to all fools and the gentlest of breaths to the wise and prudent. The quote, "Stupidity has its price," is never truer than Air, Spirit of Life being mishandled by a fool.

To all who will encounter these presents, study them until you have acquired full Righteous Power, due Holy Authority and practiced understanding of these Invocations of Testimony BEFORE attempting to use them – in whole or in part – in any manner. Only True and Righteous Akurians who are Proven Knowers of The Great Testimony possess the Righteous Power and Holy Authority as required for all Invocations of Testimony. This invocation is no exception. Attempt to use this invocation – in whole or in part – without due qualification and authority will bring the Curses and Damnations therein upon your own head and upon all the innocent heads of those who are under your hand or support or abide you in any manner. You have been warned, again.

As I am commanded, **""Speak unto the Air and I will remove all pretense of Spirit from them,""** of The Most High (Audience of the New Moon, 20 August 2009 – 1 Elul 5769):

I, El Aku ALIHA ASUR HIGH, Lord of Lords and Second of the Great Four Horsemen; by the Righteous Powers and Holy Authorities of My Holy Office of Anointed Messiah of this Generation of Ish, I command my own Akurians: To the front, clear the area, and spare nothing or anyone. I summon Lord Immanuel Joshua ben Joseph ben Nazaratti, the First Horseman, and I command: To the rear, clear the area, spare nothing or anyone to protect that flank. I summon Lord Ra Amon Horus El Kayops, the Third Horseman, and I command: To my right, clear the area, spare nothing or anyone to protect that flank. I summon Lord Ammeliet Hammerlin, the Fourth Horseman, and I command: To my left, clear the area, spare nothing or anyone to protect that flank. Take charge of your areas and declare it a battle zone. There will be neither insurgents nor spectators and there are no excuses.
