**MULTIPLE BODIES OF LIGHT
EDITABLE BULLET BLASTS
5 December 2010 - 28 Kislev 5771**

Guests, please remain in attendance and join us where you can. Listen intently to EXACTLY WHAT we are saying and doing; it is a near-exacting procedure that can be applied across the board, but will not work if deviated from. The Names are those of REAL SPIRITUAL Planes of Heaven, Depths of Hell, Divine and Demonic Entities, Elements, Winds and applied Forces. 'Belief' is not required. The Akurians deal only in True and Accurate Knowledge, and have all Righteous Power and Holy Authority to do so. We also have the Direct and Personal Testimony of The Most High, Himself, ALIHA ASUR HIGH; and the best all the other churches and religions can do is sing a hymn, ring a bell, and pass a plate to get an absolute zero except for the waste of time and energy.

Intruders and One World Government monitors BEWARE, your Eternal Soul is hereby condemned and without appeal except to the Supreme Lord of all High Lords, EI Aku ALIHA ASUR HIGH, He That is Called by The Name of God.

The opening and closing are in Angelic, the language of the Heavens and the Depths. Each and every Word of The Most High and Angelic Beings in "The ANOINTED, The ELECT, and The DAMNED!" is translated from Angelic into English.

Objectives:

1. Troop training and discipline toward sharper formations, improved abilities and capabilities, particular attention to honing skills of sensory perception through BOLs, including clarification of mental picture;
2. Multidirectional attack to set up energy momentums and clear a path for more precision targeting as we develop the weaponry to do so; and
3. Keep a constantly evolving tactical attack strategy so as never to be predictable, never find ourselves on the defense, or give the enemy a chance to plan a defense. The only certainty to give the enemy is the absolute and with all certainty we will be on the attack! With fearless impunity!

Preliminary instructions:

Make FOUR Belly Balls the color of their respective Quadrant Color, and keep them attached by silver cords, place them in their respective Quadrants, East - Blue, South - Red, West White, and North - Purple; ascend with them up the Planes of Heaven to Hasannah; and there charge each Belly Ball with its respective great element: East with Air, South with Fire, West with Water and North with Earth

Then CALL FORTH the Angel Standing in the Sun, **Sword of Fiery Death**, in all the Names of the Most High, to charge your Belly Balls with all the Energies, Forces, Righteous Powers and Holy Authorities.

Descend to Hathor, down one Plane at a time, bringing your fully charged BBs to spontaneous launching site;

At the launching site, merge all your Belly Balls into ONE Body of Light with FOUR Great Elements as FOUR Entities all present in one place. DO NOT make a Body of Light to contain the Belly Balls, merge them into ONE and they will become a Body of Light of their own Energies, Forces, Righteous Powers and Holy Authorities as charged in Hosannah.

Upon release, either by you or the Firing Officer, each Belly Ball will go forth as with

respect to its given Wind, but acting as ONE infallible unit almost a parallel like the swinging of your arms as you walk in ONE physical body.

Remember, the Belly Balls are fully charged and endowed with Sun Links, Black Fire, Sun Energies, Spirit Forces, Righteous Powers and Holy Authorities in addition to the Great Elements you put there yourself; but you must send them out deprived of all capability to return or contact you in any manner. They are NOT intended as personal Communication Manifestations. They are intended to GO AND DO nothing more. You DO NOT want these Belly Balls returning to you in any form or manner as the Demons and knowing Nefilim will attempt to use them to deceive you; and anyone who is stupid enough to permit them, they will. I hope there are no Akurians in that mind frame.

Strike out of nothing and as deadly as The Hand of The Most High Himself. Withdraw as a shadow in the night, as a wisp of smoke upon the Winds, disappear as a raindrop falling into the oceans, retreat into nothing, undetermined and undetected by anyone that none perceive other than the Authority of ALIHA ASUR HIGH, The Most High Lord God of All Creation and the first I Am.

Hear, all you Seven Swords! For thus shall you serve The Most High Lord God of Creation until the end of all days!
