

**SPIRITS OF TIME
TIME LORDS
BODIES OF LIGHT FROM THE HEAVENS AND HELL**

On 7 May 2010 (GCAD) – 23 Iyyar 5770 (Hebrew) as given in the account of that Audience at Ulahmon: Summoned by The Most High in the normal order of His Will, and observing all the Protocols of The Great Presence, the Horsemen were bivouacked at Ulahmon in the 316th level above Mashaturna; and in obedience to the Orders given directly out of The Glorious Mouth of The Most High, ALIHA ASUR HIGH (excerpted and repeated here for those who experience these Presents to know in absolute Truth and Knowledge), I script as directed and caution: This information has been and still is forbidden among all the Priests of the whole of the House of Levi, Potentates of Mesopotamia and Egypt, Masters of Islam and all their relevant Temples, Synagogues, Chapels and Lodges. Do not attempt even one word of these Divine Presents unless and until you are a Proven Knower of The Great Testimony and have received The Holy Seal – the Mark of The Most High – in your forehead. This caution applies to all the Children of Abraham, specifically but not limited to: Ishmael and Israel, the Sons of Aaron, all Levites and Jews and any and all Gentiles whatsoever.

For anyone who is not a Proven Knower of The Great Testimony and have received The Holy Seal – the Mark of The Most High – in your forehead to attempt to use any information or direct any Entities, Forces or Energies mentioned herein is totally Forbidden by The Most High. The Entities given herein will not obey any invocation of any other and will, on Direct Orders from The Most High, rend any and all offenders without even consideration of mercy. The Forces and Energies given herein are far more volatile and dangerous than anything mankind has invented, encountered or dreamed of. This is Very Sacred Ground. Either qualify yourself to venture here or avoid these processes and provisions at all costs. Reading them and knowing them will prevent accidental intrusion and abuse, leaving all without excuse.

All have now been warned. Any attempt or intrusion by any not a Proven Knower of The Great Testimony will result in severe punishments in direct proportion to your intentions multiplied by the content of your own evil; and without His Own Holy Seal in your forehead all are of evil in The Sight of The Most High. All have now been warned.

[BEGINNING OF THE EXCERPT]

Double Quotes ("") are the Words of The Most High,
Single Quotes (") are my replies.

""Beloved Son of My Great Vengeance, I set before you a greater task for now is the time appointed. Call forth and reestablish your own Spirits of Time who exist in the future and have held their peace until this hour. Lo! The legends of Time Lords are all in grave error, therefore, protect My Beloved Akurians against all such knowing lies and deliberate misinformation. Send forth your own Spirits of Time and let them access to their assigned stations. Bless your own Spirits of Time that they be filled with My Righteousness which cannot abide error and can only abide accuracy. Send forth your own Spirits of Time: and all they shall reveal unto you shall you bind up in a book until the Day and Hour of My appointment. Then shall the whole world see their inescapable suffering is because they slew not the socialist; nor the priests and advocates of false religion; nor the vile and profane among them, even those of their own house; to put those evils out of Ishmael, out of Israel, and out of the Children of Abraham that even out among the Gentiles and Canaan and Cush, and their suffering shall not diminish from the Great Burden of their own Enslavement.""

"Sir! I have not revealed the existence of my Spirits of Time to any, living or dead. Shall I now teach the Teachers of Righteousness these Divine Secrets?"

""Beloved Son of My Great Understanding, Yes, that those of My Holy Seal should be more prepared against the Days of Holocaust and Years of Tribulation the Demons of Socialism shall inflict upon the whole world.""

"Sir! And shall those Spirits of Time commune with the True and Righteous Akurians, giving them advance warning against the treasons, treacheries and impending murders of the Socialists, That Great Babylonian Harlot at Rome, the demonic psychopaths of Ishmael, the intrigues and deceptions of Levi and Judah, the Masonic and Knights of Columbus lodges and the whole of communist-infested government and government agencies from the Highest Offices to the lowest employee?"

""Beloved Son of My Great Consideration, yes, and to the True and Observant, in time sufficient to pronounce Eternal Damnations, Everlasting Horrors and Never-Ending Destructions upon those same Socialists, That Great Babylonian Harlot at Rome, the demonic psychopaths of Ishmael, the intrigues and deceptions of Levi and Judah, the Masonic and Knights of Columbus lodges and the whole of communist-infested government and government agencies from the Highest Offices to the lowest employee and all their families and fellows and all their generations unto Shiloh!

""And I Direct to that Righteous Company now, even in this hour, and to all the Generations of Akurian unto Shiloh, when the vile and corrupt seek to conspire against you and you shall be informed of the Spirits of Time: "Spare them not!" Spare nothing of harm and hurt and evil in your Eternal Damnations, Everlasting Horrors and Never-Ending Destructions upon those same Socialists, That Great Babylonian Harlot at Rome, the demonic psychopaths of Ishmael, the intrigues and deceptions of Levi and Judah, the Masonic and Knights of Columbus lodges and the whole of communist-infested government and government agencies from the Highest Offices to the lowest employee and all their families and fellows and all their generations unto Shiloh!

""Spare them not, for they are the living essence of evil. Spare them not, for they are the living essence of all that is vile before Me. Spare them not, for there is no Righteousness found anywhere in or among them. Spare them not, for they shall seek to slay you and destroy your souls. Spare them not in their secret chambers; spare them not in their Synagogues and Temples; spare them not in their councils and spare them not in their public forums. Therefore, abide not even one word from them, for every word of them is conceived in evil, in treachery, in treason and in deceit that they may murder you – and all innocents – without restraint. Yea! When their damnations are revealed of the Spirits of Time, in that same hour shall all My True and Righteous avenge themselves.""

"Sir!"

[END OF THE EXCERPT]

Concerning the many Spirits:

Each and every humanoid is born with FOUR (4) Spirit Guides commissioned to behold The Face of The Father on their behalf until they have passed the Age of Innocence. Woe unimaginable to any who harms or abandons any child, for such are worthy only of the greatest Damnations and The Most High has unalterably spoken their never-ending punishment. Neither punishments of the Courts of Man nor absolutions by any Priest, Shaman, Minister or other High Persons of any church, religion, faith or following – except the Living Anointed and his True and Righteous Proven Knowers of The Great Testimony – hold any validity before The Most High and do not mollify or reduce the Eternal Punishments prescribed by Holy Law. Those four Spirit Guides must speak the Truth in The Great

Presence and their testimony must be Righteous and Absolute, for the Damnations for Offenses are infinite.

These four Spirit Guides are not Angels of the Presence, nor are they of any evil although when they linger beyond the Age of Innocence they can, and often do, become incompetent to the will of the soul to which they have been assigned. Dismiss your own Spirit Guides only when, and if, you are competent to do so and fully comprehend the ramifications of your actions. Do nothing with respect to these Spirit Guides of any doctrine or precept of any church, religion, faith or following, and never in accordance with the dictates or decisions of any Priest, Shaman, Minister or other such High Persons regardless of their experience, education or position in their respective Order. Specifically, anything and everything "in the name of Jesus" is an abomination in The Sight of The Most High, and attempts at Spirit discernment by such vile deception is no exception. That you know, and not 'believe,' each and every manifestation of "Jesus" or His mother "Mary" is Satan posing as an Angel of Light; and each and every testimony and sermon on their behalf and ritual with respect thereto: is Blasphemy Against the Holy Spirit of Truth, regardless of the occasion, trappings or showcase. Therefore, do not attempt against these Spirit Guides regardless of your religion or lack of religion. **[NOTE: If you have violated any child or any reason whatsoever, and want to absolutely repent, you are free to contact any True and Righteous Akurian who is a Proven Knower of The Great Testimony – or the Living Anointed, Himself, while he yet lives – for guidance and restitution. Their decisions are final.]**

Each and every living creature without exception has a Spirit. That Spirit also beholds The Face of The Most High on that creature's behalf, and although many are born to an already decided end, that does not entitle any to abuse them, or alter them, in the process. Animal abusers, including those who defile their bloodlines (hybridization) or needlessly take their environment, are held in the same low esteem by The Most High as child abusers and the punishment is equally severe.

There are Spirits who roam free, Spirits who are perennial pranksters, neither to be confused with souls in their own entrapment whether of church, religion or lifestyle, and many more caught in the ferocity or violence of their death. These are those who populate the hauntings and ghostly manifestations, and only a True Teacher of Righteousness of the Proven Knowers of The Great Testimony can accurately tell the difference, release those who are worthy or cast out those who are demonic. Each and every reputed exorcism by anyone other than a True Teacher of Righteousness of the Proven Knower of The Great Testimony is a sham showcase dramatized by the Greatest Grand Master of Deception: Lucifer, Lord Satan himself. As for the Rank, Authority, Responsibility and Organization of Spirits, all are similar to the structure written in "The Order and Order of Angels" published on the 16th of January 2009 (GCAD) – 20th of Tevet, 5769 (Hebrew).

Then there are also the Spirits of Time. Very little is known and even less published about them as they are an Order structured by and reporting only to The Most High. They exist primarily in the future but can travel backwards and forwards from any given NOW (current time) POINT. They exist to assist the passage of time from the future through the NOW and into the past. Don't waste your time trying to invoke or call upon them for anything. They can't be moved or intimidated. They can, and often do, assist the True and Righteous in handling time-related energies, but they have no requirement to do so. They are a True and Righteous Order of Angels, separate and exclusive to the point there is no given title for their Order! The leadership are all LORDS, an earned Title of Rank. Their muster is HUGE, and from what can be observed of their organization, built and structured as necessary for the job at hand.

They can be VIOLENT when disturbed, so it's good advice to leave them alone. If they want to help you, THEY will initiate the contact; and that is one more reason WHY you need to know how to Discern Spirits if you're ever to amount to anything before The Most High.

The process to secure assistance from any Spirit of Time is first to be absolutely Righteous. That does NOT mean you have to be a butter-soft, weak-kneed, namby-pamby when you SHOULD be a raging fury. It just means your fury/anger MUST BE JUSTIFIED! They will not fight your battles for you, but they will often – not always – expedite the forces and energies involved in your Invocations of Testimony to your advantage.

They are NOT your servants, they are valued colleagues, possessing vast knowledge, residing in very advantageous positions, who can do your some great favors you will never be able to repay. IF you are a True and Righteous Proven Knower of the Great Testimony Akurian, you need only invoke, "True and Righteous Spirits of Time, attend me," and if they are going to hear you, they will reflect a cognizance of their presence. To be able to detect this energy, practice on yourself: place one hand near the other, at the palm, the wrist or your arm, close enough to detect the presence but far enough away as to NOT feel your own body heat. Once you have that bit of expertise down, you will be able to detect the acceptance of a Spirit of Time – generally always on your face! It's almost like feeling a very subtle breeze, very light, very gentle and without temperature.

If you can't get this experience to work to your satisfaction, contact me direct and I'll get a Spirit of Time to demonstrate.

Spirits of Time can be your best friend or your worst enemy, and they won't play games, silly or otherwise. They are DEAD SERIOUS every time, all the time, and without exception. They ensure the smooth passage of matter and energy through the NOW (Present) expression; a very difficult expertise, so they don't have time for humor, soap operas or even personal vendettas without justification.

Spirits of Time need not be banished once they approach. They leave no trails of intent, and are more elusive than gusting wind as to where they came from and where they went and where they will manifest next. Spirits of Time do not hang around – so be ready to accommodate them when and if they send cognizance. They don't visit for the hell of it, they won't dicker or bargain, and they won't wait until you make up your mind. Their show is on the road, and your's had damned well better be if you want their assistance.

ARE THERE ANY QUESTIONS AT THIS POINT?

Dealing with Spirits of Time requires some refresher information.

Concerning Bodies of Light:

First, before attempting even one word of this information, read the entire book, "The ANOINTED, The ELECT, and The DAMNED!" (AED) twice as instructed. Then, and only then, will you possess sufficient Spiritual Truth to comprehend the ramifications of what you intend to do and the Righteous Endeavor to accomplish it. The Akurians have, on occasion, taken people not otherwise prepared as just instructed, up into the Planes of Heaven using their own Body of Light. These High Plane excursions are under guidance of fully qualified True and Righteous Akurians who are Proven Knowers of The Great Testimony and who have both the Righteous Power and Holy Authority to conduct such Righteous Endeavors. Attempts by those not properly prepared and authorized to imitate the processes and procedures have all resulted in disaster to the offender. Just as being a passenger on any airline does not instantly qualify one to sit in the Captain's seat and pilot the plane, being an invited guest of the Akurians' Invocations of Testimony does not qualify one to approach The Great Veil of The Most High or converse with Spirits, souls of deceased relatives or friends, angels, demons, Ascended Masters or otherwise. To attempt to do so is your own invitation to disaster upon your own head.

You have been warned.

Making a Body of Light is simple. Using the same process of learning UP IN THE SPIRIT as written in Chapter Forty-One of the AED, just visualize an image of your physical body! In that instant you have created a Body of Light out of the energies and materials of the Planes of Creation. Think! How many times have you already done that? Most of us didn't know, and therefore didn't consider, what we've been doing virtually all our lives. So, hallelujah halfwit delusions to the contrary, making a Body of Light is neither 'evil' nor 'demonic' and it certainly doesn't take any poppycock 'belief' in Jesus, or anybody else, to accomplish. We've all done it hundreds, if not thousands, of times in the normal process of just being alive. When you look in a mirror or even consider clothes, you make a Body of Light of yourself even if it does dissipate as instantly as it formed when you go on about your affairs.

BODIES OF LIGHT DO NOT LAST UNLESS YOU ENDOW THEM WITH CONTINUANCE!

Bodies of Light are not living Spirits unto themselves, they require YOUR consciousness to exist, to go where you send them and do what you want of them; and it's that "where and what" you intend that sets the success and rewards or failure and disasters. Evil is evil regardless of how it's disguised, and trying to do injustice or common evil with a Body of Light is a sure and certain impending disaster. It simply won't work because a Body of Light exists in the Planes of Heaven and The Most High does not tolerate any kind of evil in His High Realms! If you want to make a Body of Light that exists in the Depths of Hell you only have to be willing to accept the Eternal and Horrendous Consequences. And now you know a Great Secret spoken of by Immanuel (whom the Spiritually bereft call "Jesus") in **Matthew 10:28**, "*And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell;*" and **Luke 12:4**, "*And I say unto you my friends, Be not afraid of them that kill the body, and after that have no more that they can do. (12:5) But I will forewarn you whom ye shall fear: Fear him, which after he hath killed hath power to cast into hell; yea, I say unto you, Fear him.*" The Akurians have such Righteous Power and Holy Authority, and we use it! This paragraph is a clue as to how, but attempt this yourself at the peril of your own soul and existence. The Akurians will not even attempt to rescue you from your own stupidity.

The Akashic Records:

Far more information about the Planes of Heaven ABOVE all the Earths and Depths of Hell BENEATH all the Earths is given in the AED. Most of that information with respect to the Akashic Records is repeated immediately herebelow:

Near the Mental Plane there is a long, smoky, blue-gray object like a long tunnel that contains The Holy Scripts of All The Heavens and All The Earths! It's the Akashic Records!

It is known as the Reflecting Ether by the psychic community, and as The Book of Life in the Bible. You can enter it and travel both backwards and forward in time! The past is unchangeable, but the future can be changed simply by changing one's thinking. This absolute Book of Life cannot be changed from within it, but only by direct changes in thought, attitude and action beyond it.

Understand that: the past is recorded in infinite detail and cannot be changed; the future is recorded as past and present thinking will determine it to be if there are no efforts made to change that thinking.

There is a turn-around period for past thinking to run its course, but only as long as it takes one to effect corrective measures and undo past mistakes. Those events that are only a few days or hours in the future usually are not changed; not because they can't be, but because one does not have the knowledge or experience to redirect those forces. The more distant future is easier to handle.

It gives one time to learn which thought pattern produces which result. Why that should take time is a result of 'hallelujah halfwit' programming, filling our minds (and airwaves!) with so much **injected guilt** that we are no longer able to recognize simple truth when we find it. The simple process to changing our thinking to change our future is to: think about what you do want, and don't think about what you don't want. If you find yourself pondering those things you don't want, then take the time to erase those thoughts and replace them with thoughts about what you do want!

However, some future events would require every living human on earth to change! The thought patterns have been directed to these ends for centuries, and it would require a great deal more than wishful thinking to redirect those forces and avoid those events.

Travel along the Reflecting Ether is rather a simple matter, regardless of which direction you wish to venture, and in fact, you already have experience in this respect!

Have you ever experienced a familiar? You were talking to someone, visiting someplace, under exact conditions that you realize you've done this before; yet knowing you haven't! In some instances it would have been impossible to have had this experience prior to the familiar where for a few seconds everything is like an instant replay. These 'familiar' are called Deja Vu (DAY-ZSA VOO), and

regardless of all the psychiatrists' and psychologists' claims to the contrary, they are caused by one of two sets of conditions; both requiring the person experiencing the Deja Vu to have been forward in *time!*

And, most people can only go forward in time along the Reflecting Ether; at least in their natural state while stuck here in the present. Further, since dreams are Spiritual experiences, here's how the process works:

Everybody dreams! Some people don't remember them, but they dream nevertheless. While in a sleep state, the consciousness drifts up and down the awareness state, and about every hour and a half, about every ninety minutes or so, and when aware enough, we have dreams, some of which we remember. Memory can be activated even if we don't always recall it upon awakening.

Now that we know that everyone *projects* naturally during sleep, and if a person doesn't dream then they will first suffer DTs (delirium tremens), dreaming while wide awake.

The astral (Spiritual) bodies travel all over the place in our sleep states, in the process of recharging themselves. And since those astral bodies are always in the Planes of Heaven, they are quite familiar with all the strange things that happen there. Traveling along the Reflecting Ether is common since we all wonder of what the future holds for us.

While forward in time the consciousness sees or experiences something concerning itself that raises the awareness to the point of memory.

When the Deja Vu happens on the Earth Plane it lasts only for a few seconds, a minute at most, because of one of the two causes mentioned previously:

Either those few seconds were all the experience in an awareness state sufficient to cause memory, or: those few seconds were all that was left of the experience that was unchanged by subsequent thinking!

And that's a simple Law of God!

Here's how to do it deliberately and under full conscious control. It is simple, safe, and when combined with The Proof of The Anointing gives one tremendous inner-security and a total absence of the fear of death.

The process of traveling in either direction while in the Reflecting Ether is simply to float along whichever direction you choose! Should you want to review a given event again, simply reverse yourself and watch it again as you 'glide' by. You can stop by simply stopping!

In both the Past, Present and Future you can even walk around and through the images. Those in the Present and Future may change while you are looking at it since it changes instantly to changes in thought! Those in the Past cannot change as they are forever frozen in the time-frame. You will find that you can't change so much as one iota of anything you see there, but you can sure see all the details!

Here are a few suggestions to look for:

Where AIDS really came from and who paid the bills to have it spread;

The reputed 'economic summit' just before we were sucked into Operation Desert Storm in Iraq;

The Robert Kennedy murder and especially the cover-up;

The Martin Luther King execution and the railroading of James Earl Ray;

The President John F. Kennedy execution in Dallas, Lyndon Banes Johnson heavily involved in the conspiracy to murder the President and the subsequent cover-up that is still going on;

The Marilyn Monroe murder and cover-up;

The White House sellout of the nation and especially at Pearl Harbor;

The actual battle and Lincoln's address at the famed Civil War Battleground at Gettysburg;

The Big Three meeting at Yalta;

The formation of our own jackass Federal Reserve System and who really owns it;

The Council of Nicea in 325 A.D. that formulated the plan to create the Dark Ages so the Roman Empire could eventually emerge as 'the Catholic Church;'

The actual 'trials' and execution of Immanuel ben Joseph ben Nazaratti, better known as, the Crucifixion of Christ;

What Jeremiah and fellows actually did with the Ark of the Covenant before the fall of Jerusalem to the Babylonians;

The many direct two-way conversations between The Most High and the Priests of the Temple and Tabernacle;

The Dedications of the Ark, Temple and Tabernacle;

The actual receiving of the Ten Commandments and what actually happened;

The several Plagues in Egypt prior to the Exodus and how long that really took;

The actual conversations between The Most High and our Great Patriarch Abraham;

The actual conversations between The Most High and our Great Patriarch Abraham's grandson, Jacob, even though communicated through Gabriel;

The Great Deluge in Mesopotamia and what the Ark of Noah really looked like and where it really rests;

The building of the Great Pyramid of Cheops at Gizeh, Egypt, when and how it was actually built and by whom;

The Ruby Ridge slaughter by government agents, the subsequent public cover-up by Congress via their so-called 'hearings' where not one relevant question was asked of the murdering bastards, and the pre-hearing briefings of those on the committee;

The Waco Branch Davidian slaughter by government agents, the subsequent public cover-up by Congress via their so-called 'hearings' where not one relevant question was asked of the murdering bastards, and the pre-hearing briefings of those on the committee (No! This is not a mis-print from above nor a broken record!);

The bombing of the Alfred P. Murrah building in Oklahoma City by government agents, and all the 'terrorism' legislation as a result, and then compare it to the burning of the Reichstag by Nazis to 'legislate' total government control over the populace to eliminate any and all opposition! (Yes! This atrocity, known as the American Reichstag, is a broken record attempt by this government to duplicate the success by the Nazi government to force one more layer of Legislated Enslavement on behalf of the New World Order of One World Government! In short, they legislate jackass laws to persecute, silence, imprison and murder anyone and everyone who dares disagree with even the slightest element of government!);

The actual location of O. J. Simpson when he called Paula Barbieri at 10:05 P.M., June 12th, 1994, the night of the murders – and the infinite collusion and conspiracy between Levite and Judean-controlled organized crime elements (Myth is: Italians. Truth is: Italians controlled and manipulated by Jews!) and police departments then layered by the courts (not only in Los Angeles but everywhere else too!);

And countless other Great Events in Mankind's History: none of which were by natural means as each were the result of someone's manipulations!

It's all there in the unchangeable Holy Scriptures of All The Heavens and All The Earths for all to view.

The short course of the Akashic Records:

Everything is recorded as it happens in the Akashic Records. Once recorded and past the NOW in time, the images, emotions, truth, lies, and all are forever there for all to view. You can immerse yourself in any image and READ it in infinite detail, whether past, present or future, although the present is a bit of a hardening as it goes into the past and the future is subject to change constantly.

The Akashic Records are absolute and unchangeable in the Past, and will be reviewed in their entirety in the Great and Final Judgment. Nobody: Catholic, Christian, Muslim, Hindu, Buddhist, Marxist, Communist, Fascist, Socialist, Progressive, Thief, Murderer, Traitor, Manipulator, Usurer, Politician, Priest, Preacher or other Liar, racemixer nor racemixed are going to escape the full review in each and every infinite detail. The FUTURE is as mutable and changeable as soft clay and fluid water; all that's required is a CHANGE IN THINKING. Nothing more.

Language is NEVER a problem in the Akashic Records as each and every particle is instantly transcribed into your own language from the original Angelic in which all is recorded. Angelic is the language of all the Planes of Heaven and Depths of Hell and is instantly translatable into all other tongues

and languages throughout all Creation. For all intents and purposes you can consider Angelic the first language of the mind/brain consciousness, since it's also the actual language in all your dreams!

The Spirits of Time are usually found in the future where they assist the passage of time through the NOW – this current instant. In some cases they will assist True and Righteous Proven Knowers of the Great Testimony, but nobody else under any conditions. They roam the Akashic Records at will and are NOT subject to anybody's opinions or invocations as they answer only to The Most High and nobody else.

It is here the full transcripts of The Great Curse of Noah Upon Canaan and The Great Curse of The Most High Upon Cush are recorded WHEN and exactly AS they happened; and from where the translations in the AED are taken.

If it EVER happened, it's there in the Akashic Records in infinite detail; and if it NEVER happened, it's conspicuous by its absence. Every thought, word and deed is there in all its pure essence in the Immutable Past. That which is to come – in accordance with current thinking – is there in the Mutable Future. Everything the Akurians – and every other organization – are about, individually and as True and Righteous or Vile and Evil, is presented there in those beautiful Akashic Records.

The Akurians are the ONLY order that provides absolute verification of each and every word, statement and claim we advocate and/or publish – including the WHERE and HOW to access all that information. Don't 'believe' us? Then go and check the facts for yourself! The Akurians have given the EXACT instructions and information to prove every jot and tittle, so nobody has to 'believe' a damned thing: THEY CAN KNOW, firsthand and for themselves.

All the information is there in the Akashic Records for anybody who wants to KNOW rather than blunder along in never-did-work 'belief' stupidity. YES! That includes the Audiences Before The Most High by anyone and everyone who has been there!

Now, you've all been told and the Testimony is OF you and upon your own head.

Discerning your own thoughts:

Shock of shocks the Akurians have been exonerated! The human brain is both a transmitter and a receiver – in addition to a whole-body communications center and infinite library. Such information even being discussed in questioning the priesthood for Spiritual guidance often as not came with a death sentence. Both the Catholic and Muslim 'holy men' slaughtered without restraint to suppress such ideas lest those ideas become revelations as to how jackass both religions really were – and still are.

Now that the Akurian position on the subject is a proven scientific fact, suppression is still a factor from all quarters, religion, medicine and government, as to HOW to make the mind/brain combo receive or transmit on demand. Make no mistake, the socialists cannot have anyone being able to think at all, let alone thinking clearly, or reading their demonisms in the clear light of truth. That's right, once you learn how: you can read other people's minds and their deepest and most-hidden thoughts and intentions; and be infinitely accurate and correct ONCE YOU KNOW HOW!

Before you can read anyone else's mind you have to know WHICH thoughts going through your own are YOURS! Depending on which scientific community's data you consider, the human mind/brain processes between sixty and ninety thousand conscious mental processes in any given twenty-four hour period. That's a lot of traffic, most of which does not originate within the mind/brain processing the data!

That's right too, most of the thoughts you process each and every day are NOT yours! We'll get to the original sources in due time.

Obviously everyone needs to know WHICH thoughts are their own and WHICH thoughts they're reading out of the ethers since initially all mind/brain traffic is 'heard' in your own voice. And THERE is a door that will be of immense value as your progress. The separation will be automatic in time, and to the point you will know EXACTLY 'who' originated any given thought, and eventually the cause(s) and reason(s) behind it.

The process:

To learn which thoughts are yours, you need to determine the WHAT you think without cluttering the process with all the 'whys' and soap operas that go with it. The process is extremely simple UNLESS you contaminate it with jackass and nonsense. And be informed: you will NEVER improve yourself or your circumstance, Spiritually, intellectually, economically or physically as long as you insist on clinging to all the never-did-work 'belief' stupidities: you will NEVER learn to discern Spirits – or anything else – including your own thought/thinking processes without absolute adherence to Holy Law of which NONE of the 'praise Jesus' poppycock qualifies. To determine WHAT you think is an ongoing habit you need to get and stay into. It's an easy habit to acquire, and priceless to the point of being worth more than all the King's/Queen's Ransoms combined!

Each and every OBJECT in your circumstance must be considered with respect as to HOW you think/feel about it. REPEAT: EACH AND EVERY OBJECT! In order to give EACH AND EVERY OBJECT a due classification you must set a STANDARD RULE. The best is a scale of 1 to 100, it is goes in BOTH directions of "LIKE" and "DON'T LIKE" regardless of what it is.

Get that: a scale of 1 to 100, it is goes in BOTH directions of "LIKE" and "DON'T LIKE" regardless of what it is.

Example: the blue pepper shaker (as opposed to the salt shaker) you have from somewhere. The source, and any and all attachments thereto (your saintly grandmother got them from her mother and gave them to your mother who gave them to you, ad infinitum). Emotional attachments such as this example are the absolute Kiss of Total Failure for these purposes. DO you LIKE the pepper shaker?; DON'T you LIKE the pepper shaker?; and if so/not, on a scale of 1 to 100: HOW MUCH? Simple as that. You can set an entirely different SCALE for the salt shaker – the choice is yours with only one absolute and irrevocable requirement: YOU MUST BE ABSOLUTELY HONEST WITH YOURSELF! Currently nobody else knows – or has any right to know – HOW you actually feel about anything. The biggest detriment to this HABIT is the soap opera of GUILT. Your opposite 'other' buys new clothes, shoes, hat, something ... and your HABIT takes one look and you KNOW you despise it ninety percent. You don't have to buy and ad, or even be the slightest bit rude, especially if they ask, "how do you like my (fill in the blank)" as you can always say, "It's charming," "it's you!," or some other polite and let-them-down-easy comment. The fact you think it's a disaster is YOUR business, so no GUILT trips if you want to succeed. And that NO GUILT TRIPS factor applies to EACH AND EVERY OBJECT forever and always without exception. Unless you want to fail.

EVERYTHING gets the LIKE/DON'T LIKE procedure. No exceptions – people, especially politicians, priests, preachers and other liars – as well as wall colors, lamp shades, pictures, performances, music, automobiles, furniture, eventually including circumstances and legal/political stances and proposals. It will take a while to cover each and everything as assign them a number of your 1 to 100 scale, but it is absolutely critical that you do so; thus making the process into a never-ending habit as quickly as possible.

Why?

Because once you KNOW whether you like or don't like any 'something' and how much: any thought that comes through your mind/brain that doesn't match perfectly IS SOMEBODY ELSE'S! You LIKE something at 35, even a 34 or 36 IS SOMEBODY ELSE'S THOUGHT! You will automatically KNOW the LIKE/DISLIKE and the DEGREE because of your own experience ONCE YOU HAVE THE HABIT OF SETTING YOUR OWN SCALE. Think about that: it's somebody else's thought and you KNOW their opinion and the degree whether they do or not! The thought-source may be in close proximity or ten thousand miles away – neither the time nor distance matter – but you KNOW that thought wasn't yours, leaving the only other alternative that it was somebody else's.

You can turn-off other people's thoughts, but you can't turn-off your own innate ability to READ thoughts from the ethers anytime you want to. Once you get some practice, you'll note your mind/brain is already a lot quieter, and for once you can permit your mind/brain to be absolutely BLANK of conscious thought and thinking; a King's/Queen's Ransom possession when you WANT to think through a problem or situation. Imagine, YOUR ideas without any contamination whatsoever – and still having the

Universal Mind/Oversoul at your disposal and at your command. That's a bit advanced, but it's also where you are going and it will come, seemingly of its own accord, with establishing your LIKE/DON'T LIKE habit and PAYING attention to all your mind/brain traffic.

In time, you'll read a thought you know for a fact isn't yours, and with a bit of practice AT JUST READING IT, the source will reveal itself. Initially, since you endure a lot of traffic, they'll all be in your own voice. As you progress and READ the nature of the traffic you know isn't yours, that traffic will come though in the originator's voice and/or personality. I've met people passing by and going about their own affairs that I absolutely KNEW had originated some previous thought; no question about it, and it's a very common situation.

Shock! You've always been able to READ OTHER PEOPLE'S MINDS since you've been doing it since day one of CONCEPTION! No wonder 'religions' and 'socialists' have to conspire – and enforce with wholesale murder to keep people occupied with nonsense or survival – whichever will work with whomever is to be suppressed. Without YOUR money/production and your IGNORANCE to support their REAL agenda, none of them would last longer than a snowflake in hell.

Shock! Everybody else can read other people's minds the same as you can: but are IGNORANT of the fact, how to develop the ability to a usable form, and all because they 'believe' rather than KNOW. We call them "hallelujah halfwits" and "programmed stupid" depending on the nature of their self-inflicted ignorance and stupidity.

Now the process in short form:

YOU must decide whether you LIKE/DISLIKE anything and everything and to what degree – 1 to 100 – on your scale. Within a very short time you'll have a thought come through your mind/brain with an entirely different, regardless of how close, LIKE/DISLIKE and/or NUMBER. Either one is all that's required, both are nice but not necessary. THAT thought is somebody else's. You KNOW what you think, especially if you've ignored all the emotional entrapments and falderal explained above, so if any thought in your mind/brain disagrees, even in the slightest detail, that thought isn't yours. If not yours, it has to be somebody else's. Period. Thoughts and thoughtforms are NOT self-generating, they must come from some mind/brain/thought source. That "source" cannot avoid leaving its own stamp of personality on that thoughtform/energy, leaving a sure and certain identification capability.

You need to have SOME mind/brain capability just to be alive – although all hallelujah halfwits and programmed stupid are brain-dead for all intents and purposes – and it's the same ability Akurians use in handling the forces and energies of Invocations of Testimony and Spirit Communications. And THAT is why you MUST learn to Discern Spirits unless you intend to jackass yourself into an Eternal Burning in Everlasting Hell. If so, the responsibility is upon your own head and at your own hand.

Discerning of Spirits:

To blast into True Spirit Matters with either your ignorance or stupidity intact is the absolute of knowing abuse and intrusion. You cannot and you will not escape the penalties.

To understand the True Nature of all Spirit Matters you must first learn and abide by the Holy Laws, Statutes and Ordinances that perfect human nature to the point of acceptability by and accountability to the Entities in Charge of the relevant Forces and Energies. Without that acceptance and accountability one can only deal with and in demonics regardless of how well intentioned. The Holy Laws, Statutes and Ordinances required are contained in the First Five Books of the Holy Bible – mixed with some very relevant history – and verified throughout the remainder. However, The Most High will only Testify to the validity of NINE (9) Books in the entire King James Version of the Holy Bible: Genesis, Exodus, Leviticus, Numbers and Deuteronomy; the Prophets Isaiah, Ezekiel and Daniel in the Old Testament; and Revelation, the sole New Testament inclusions. All the rest, without exception, have either been altered, added to or deleted from to the point of falsehood. As of this date, The Most High will not Testify to the validity of so much as one word in the Qu'ran (Koran) due to the Beelzebub domination of the entire Nation of Islam; and that is a tragedy of global and eternal proportions. There is one book, "The ANOINTED, The ELECT, and The DAMNED!" (AED) mentioned above of which The

Most High will Testify that each and every word, statement and claim is absolute, irrevocable, consistently verifiable Truth. It is free-to-read on line and will remain so as long as possible.

Even with a Holy Seal in your forehead you can be deceived if you are ignorant or self-righteous enough to think yourself infallible. Therefore, even the Akurians must learn the exacting process of True Discernment of Spirits. The first rule of discernment is to rid yourself of any and all 'praise Jesus' poppycock followed hard with an equal ridding of any and all Catholic, Christian, Islamic, Wiccan and other such Demonisms that all the above have degenerated into. The world is not dripping with honey, it never did and it never will, even after the Restoration. All the 'white,' lights and 'good' Spirits nonsense is just that, nonsense. None of them will produce a damned thing of a Spiritual Nature except Eternal Hell as a consequence. If you're a Satan Worshiper, any of the above will serve you far better than most of the chanting idiocies of the Satanic Churches. We know, Wicca is a 'nature' philosophy ... great, then go out on the lawn and graze and see what kind of 'Spirit' your stomach recognizes. It will only take a few minutes.

The paragraph above should be a very solid clue as to True Discernment.

If you're idiotic enough to accept whatever you're told by any Spirit – or your own mind because that's where your personal agenda is – then you're also idiotic enough to accept a near miss as sufficient; and for all such there is no effective discernment. But there is hope. Since the Divines will not tolerate a lie, and the Demons will not tolerate the Truth, discernment shouldn't be all that much of a problem once you know the information going through your head isn't YOU as given above. Waiting until the proof is delivered BEFORE accepting or acting on so much as one word of their information is the key. Did you get that? If not, read it again, because you have to discern EACH AND EVERY such communiqué! You can't discern a Divinity once and then blindly accept anything and everything that comes from – or posed as – that Divinity. You will NEVER 'know them well enough' to bypass the necessary proof until you are a Spirit Master yourself, and that will take a few centuries at the very minimum.

The next problem is their Immaculate Deception. They'll sneak into your mind, let you think they are Divine, and give you information that is absolutely accurate – but for a Demonic and Infernal Purpose! They're not telling you to Truth for a Truthful end, but to suck you in to thinking that is the case; and then sending you off on some 'more righteous' endeavor, away from the Akurians. That is the exact trap that caught David H. Lewis looking as spelled out in the AED, and it ultimately cost David his life. Had he stayed the course where I told him, and not disobeyed a second time, he might very well be alive today. He got a 'communication' ... it proved absolutely accurate, but he DID NOT DISCERN the source ... and he went off on 'his own thing' to his ultimate doom. Each and every such communiqué must be discerned – without exception. Even I discern each and every Spirit and attempted Spirit communiqué, no exceptions at any time for any reason. And the reasons are legion.

There are Righteous Spirits, Spirits of The Presence, Infernal Spirits and Spirits of the Damned among the many uncounted other categories, and you have to know how to tell which-is-which in exacting detail – or you're going to get a royal desecration as an end result. Since all Spirits, good and bad, were created and brought to consciousness by The Most High, they all have one thing in common: they must tell the Truth when properly approached and bound (see "binding" and "loosening" references in the KJV Bible, the AED, and our writings on the subject) in the absolute manner. Those Spirits who approach you are much easier to discern, as they asked for it and by the Law of Immunity, they cannot refuse but may lie if you don't know what you're doing.

Let's take those who approach you, first. DO NOT give them any test of anything you KNOW as if you know it, so do they! Spirit Communication is a MENTAL process and anything in your mind is a wide open book, so THAT is a process that won't work. But let's say you've got Guru Q. Gobbledespoock knocking on your forehead want to 'give' you information. They're damned good at deception, playing your ignorance against you (that's where the police get the tactic from), and making promises like a ruptured gold mine (that's where Barack H. Obama and his cronies get their 'promises' from). They'll tell you anything you want to hear, only they'll make it far more desirable than you ever imagined.

That said, Guru Q. Gobblespook has a problem: he can't deal with the Truth. Properly bind him with Truth and that will be the last you see of him, at least consciously. BEFORE you accept so much as one word of his 'commentary' make him tell you something in absolute accuracy that NEITHER of you know because it hasn't happened yet! Forget the Lotteries, winning horses and dogs, nobody plays in that league, nobody. The HEADLINE of tomorrow's newspaper is an excellent example – and it must be ABSOLUTELY ACCURATE ... not a near miss. If you're intelligent about these things, you'll make notes as Guru Q. Gobblespook spews, so make a note of the EXACT headline of the next day's edition of your local – or any national – newspaper. And be explicit, even the slightest detail amiss and you're talking to a DEMON!

Your first clue, is that any such 'spook' that approaches you is probably a Demon of some sort. The Angels and Divinities DO NOT POSSESS anybody, at any time, for any reason; and they will not come to you unless you call them. When you call a Divinity the Demons are equally aware, so make sure you BIND them away from you BEFORE you call any for Divinity. When, and if, a Divinity approaches in answer to your call, you STILL need to discern them, and they take no offense.

Ask what you will, set your EXACTING terms of proof, and then GET OFF THE SUBJECT! Leave the entire subject alone UNTIL you view the required headline – no exceptions. Any and all rambling on, even to yourself, about the subject or information will be contaminated by the also-attending Demons. The rules WILL NOT be changed once you make or set your deal. There will be no additions to, deletions from, nor changes about the 'ask' or the information.

When, and if, you gain sufficient True Spiritual experience and standing in your own right, you'll be able to discern by sensing. Spirits cannot long disguise themselves to True and Righteous Akurians who are Proven Knowers of The Great Testimony and have received The Holy Seal – the Mark of The Most High – in their forehead. True and Righteous Akurians who are Proven Knowers are always under attack from the Demons, and we neither tolerate nor excuse them. We can and we do demolish them in no uncertain terms. Our Spiritual Firepower is such that should we ever be in error, or effect collateral damage to any innocent, The Most High, Himself, takes it upon Himself to protect and preserve those innocent in Judgment. And THAT is why we fire on their asses at the slightest provocation. Since Immanuel made access to and return from the Planes of Heaven available to everybody, the True and Righteous Akurians have never been in error of discernment, nor have we harmed anyone in collateral damage. If you follow our EXACTING process as given and without any embellishments, you won't either.

The HIGHER in Rank a Spiritual Entity is, the easier it is for a Spirit to impersonate any other, especially to the gullible, ignorant and the stupid. Lucifer has been posing as 'god-in-christ' for ages and has a HUGE following. He is equally adept at posing as 'god,' 'jesus,' a 'saint,' or 'good Spirit' to any and all who are idiotic enough to follow such deceptions. Since he is both incubus and succubus, he is the real Entity behind all the 'visions' of the 'virgin' Mary/Mother, and note how many of those are in the published records. He is also the mind-behind all those so-called 'miracles' and 'exorcisms' we hear about from time to time. The fact the participants, victims, priests, preachers and other liars, neither know how nor take the time to discern the realities of such events – let alone the 'Spirits' involved – is beside the point. Demons are masters of disguise and deception, thus the NEED for True Discernment.

All Spirits have personalities, and those personalities can be detected. Just like closely watching any human; honest people show themselves to be honest, and liars show themselves to be liars; simple as that. Given the test, Spirits reveal themselves to be either Divine or Demonic, and the more exacting the test, the better. Even Lucifer can't get around a properly prepared and DEMANDED test.

Of Angels and Divines:

One need never concern themselves with being possessed by any True Divine, regardless of how the encounter comes about. Divines DO NOT possess nor 'enter into' anyone at any time for any reason. And THAT gives the abject lie to any and all who claim to have or to have found 'christ within' themselves. There well may be some entity besides themselves dwelling in such a fool, but whatever or

whoever that entity is: it damned sure isn't 'christ' (by and name or title) intended to be Immanuel son of Joseph of Nazareth; or any other Divine what/whomsoever.

These 'holy' possessions are the easiest to discern, but are not necessarily the easiest to dispossess. To discern the entity, first remember it's supposed to be 'christ' the Crucified One of about 2,000 years ago as of this time. Immanuel was fluent in Hebrew, Aramaic, Arabic, Latin, Greek, Akkadian, Persian and Egyptian that we historically know of. Then simply ask that 'entity' for the correct translation of any word or phrase in any of those languages into English! The idiot within whom this 'christ' is duly embedded will probably reply, "I don't know what you mean," and THAT is your first clue! Tell the idiot you weren't talking to them, but to the 'christ within' who suddenly became totally illiterate upon 'entering' the idiot. It blows their disguise and deception every time. The demons who do virtually all such possessions have NEVER had a physical/human incarnation and are totally ignorant of the various tongues and languages. Not so of the Higher Demons, but Lucifer will never waste and High Demon when a low-ranking minion will suffice for all but about one out of one hundred million times. Then before you jump into any such mess – especially with respect to any FUTURE information that 'christ within' might deliver – check out and verify the translation.

When that translation bounces, and it will, the next issue on the agenda is getting the demon out of the possessed, and YOU can't do that without the possessed's permission and assistance! Most are going to claim YOU are of the devil and cling to their nonexistent 'Jesus' at all costs. Let them, and put your Testimony against them. It's their decision and their soul.

Casting out demons and devils is an entirely different capability and should be left to only those True and Righteous Akurians who are Proven Knowers of The Great Testimony. All demons, including Lucifer, do not like to mess with such Akurians as they and he always lose – and they all know it. The Holy Seal in the forehead is one absolute deterrent to all such, and when a demon challenges one who is a Sword of El Aku or Blue Sword Daughter of Akuria or Elisha, they know they have entered into the Eternal Death Arena from which there is neither escape nor mercy. Demons can and often do put up one hell of a fight, but they always lose to the Akurians.

When beginning to Discern Spirits it's always advisable to READ without further tampering. Everything that lives has a Spirit of some kind. READ a blade of grass, you don't have to pick it or take on the whole yard or field, just READ the life-force of a blade of grass: AND LET THE ENERGY TELL YOU!

LETTING THE ENERGY TELL YOU is sound advice in any Spiritual practice or endeavor, and it's absolutely critical if you intend to achieve any worthwhile degree of accuracy.

READING things you KNOW have some kind of Spirit doesn't mean you're going to get absolute accuracy the first time, or the first several times, but each READING is an experience and practice will prove itself. READING a pet will often give you and insight to their personalities and their habits as well as their preferences. With a little practice you'll be able to tell if they're feeling well or not, and some indication of what, if anything, is wrong.

Babies are the easiest to READ of all. They are honest, innocent and open. And for those who think that is an advantage in your favor, remember their Spirits forever behold The Face of The Most High on their behalf. Since everyone isn't a deviate, parents can use this Holy and Righteous ability and knowledge to make the right decisions on behalf of their child's welfare, education and upbringing. Good parents are hard to come by these days, and such True Spiritual abilities are well worth the time and effort to achieve on your child's behalf.

A nonmetaphysical point here, when babies get cranky or cry a lot, they can't tell you what's wrong or where the problem is: BUT THE ENERGIES CAN!

It's a simple practice to put your hand near a light bulb and feel the heat – then move your hand away from the bulb and see how far away you can still feel that heat. It's subtle, but I've seen blind people enter a room and not only know if the lights are on or off, but also discern the colors! Most people can discern the heat of a common light bulb across the room; and that's about the same heat you'll detect if you move your hand – palm flat to the body, close but not touching – the length of the baby or pet.

Simply move your hand over the length of the body, head to toe in either direction, and detect the heat. Now you know WHERE the problem is, and if you let the ENERGY TELL YOU, you can also discern WHAT the problem is. It will take some practice, but every child and every pet is worth the time and effort: as is your own Spiritual Development.

Eventually you'll be able to discern Spirits instantly and infallibly.
