

## PELOSI DEMON

Brigadier Malone, set the stage and target: Nancy Pelosi and California US Congressional District 8.

Nancy Pelosi is a demon.

Every Human in the Hell Area sees Nancy Pelosi as the demon they despise and fear most.

**VOAN KESLATA, PZNION BHSAT (As it is spoken, so let it be done.)**

Akurians, make a Body of Light – ascend it into the Planes of Heaven on my Command;  
Hathor ... Hasterah ... Hesterah ... Ideah ... Hakarmah ... Hasannah ...

Charge your Body of Light with the Great Elements on my Command;  
AKASHA ... AIR ... FIRE ... WATER ... EARTH.

Akurians, now descend, TAKING CONTROL of each Plane's energies, on my Command;  
Hasannah ... Hakarmah ... Ideah ... Hesterah ... Hasterah ... Hathor.

Akurians, now send your Body of Light as an Angel Standing in the Sun and charge it with all Sun energies, burning off any remaining negatives.  
Akurians, return and attach your Body of Light to your Physical Body by tensing.

### To re-cap:
