

INVOCATION AGAINST ALL SOCIALISM AND SOCIALISTS
OF THE UNITED STATES DEMOCRAT PARTY - 3RD

WARNING!

Unless you are a Proven Knower of the Great Testimony of The Most High, DO NOT attempt to invoke or use any part of this Invocation of Truth. Any and all Catholic, Christian, Muslim and Kak Jew (as opposed to Hebrew) involvements will result in severe consequences due to their Demonic origins.

In this Invocation of Truth you will send Black Fire into Hell. NEVER descend into Hell with Black Fire attached to your presence! NEVER! You will make a SPECIFIC Body of Light for yourself – and ANOTHER SPECIFIC Body of Damnation, *which can be any shape you want*, to send into Hell loaded with Black Fire and the bastards of your intent.

As clearly indicated above, there are TWO (2) Bodies of Light in this process, not One (1), not Fifty (50), just TWO (2). The First Body of Light you will make and secure into yourself as a protection; the Second Body of Light you will charge and change into a Body of Damnation, fill it with Black Fire and the bastards of your intent and send it and them into the Deepest Depths of Hell with your Testimony against them. The Second Body – the Body of Damnation, REPEAT: *which can be any shape you want* – should NOT have any attachments to you whatsoever. It is SENT into Hell unescorted, it is bound with all its contents to STAY there forever.

1.

BLAST INSTRUCTIONS!

The Senior present shall maintain overall Command of the Assembly; call the Assembly to Order; SPEAK or designate a member to SPEAK the Opening Invocation; designate a member to SPEAK the Invocation; designate a member to SPEAK the Closing Invocation – (normally, a Senior to Open, a Junior to Close) – and if necessary, designate a Firing Officer.

The Firing Officer shall conduct the Invocation and SPEAK the necessary instructions.

The Senior shall hear requests from the gathered to SPEAK the Invocation or designate one in presence who is willing and capable. The Senior or Firing Officer may select one Designee for each SECTION, or a single Designee to SPEAK the entire Invocation (see above), but shall not break up any SECTION except in case of falter (see above).

Should the initial Designee falter for any reason, the Firing Officer may then and there resume the Invocation to complete that SECTION, or designate a second Designee to resume the Invocation, or to complete that SECTION.

The Senior Present shall open the Invocation by announcing the following; or by designating anyone else to speak it. Angelic, English, or both makes no difference as it has NOTHING to add to or subtract from the Invocation, only setting those gathered to order.

**SECTION ONE
INITIAL PREPARATION**

[**INS>** is an **INSTRUCTION** line ... **not to be spoken** unless guiding a Congregation ...]
[**LIBRARY:** background information ... **not to be spoken** ---]
[**SPK>** is an **INVOCATION** line ... **to be spoken** ---]

SPK> VOAN KESLATA, PZNION BHSAT (As it is spoken, so let it be done.)

Firing Officer:

INS> Akurians, prepare yourself a Body of Light and stand it before you.
INS> Akurians, charge your Body of Light.
INS> Akurians, now ascend up the Planes of Heaven, pausing at each to stabilize:

Designee:

SPK> ...Hathor ... Hasterah ... Hesterah ... Ideah ... Hakarmah ... Hasannah ...
[LIBRARY: The Planes of Heaven from lowest to highest in their Angelic Names. All True and Righteous Akurians should understand them sufficient to any Invocation of Testimony.]

Firing Officer:

INS> Akurians, now charge your Body of Light, pausing at each Great Element to stabilize and experience the Great Essences. You are charging your Body of Light with ENERGIES of the High Plane of Hasannah, and they are more powerful and feel different in their essence than when charging in the Earth or Hathor levels.

Designee:

SPK> AKASHA ... AIR ... FIRE ... WATER ... EARTH.
[LIBRARY: These are the SAME Great Elements found everywhere in Creation. They are just more EFFECTIVE when charged from the Higher or Lower Realms – a subject for future instruction when we get to Eternal Blessings and Curses. Nothing new or mysterious here IF you have practiced your study and recognition as instructed.]

Firing Officer:

INS> Akurians, now descend, pausing to TAKE CONTROL of each Plane's energies:

Designee:

SPK> ... Hasannah ... Hakarmah ... Ideah ... Hesterah ... Hasterah ... Hathor.
[LIBRARY: The Planes of Heaven from highest to lowest in their Angelic Names. There is no need to pause and experience during descent for this Invocation of Truth. It is permissible and suggested to pause and experience during descent when practicing your study and recognition.]

Firing Officer:

INS> Akurians, now send your Body of Light as an Angel Standing in the Sun and charge it with all Sun energies, burning off any remaining negatives.
INS> Akurians, now send your Body of Light to the center of the Sun and with either hand, squeeze a handful of Black Fire, taking as little as a hard clinched fist will contain. Retain your

grip on this Black Fire until you insert it into the Body of Damnation – *which can be any shape you want* – you will make later.

INS> Akurians, now with the smallest amount of Black Fire you can hold, return trailing a Sun Link that fills your whole Body of Light and attach it to your Physical Body. Keep this Body of Light within you. Akurians, attach your Body of Light by tensing your physical body.

INS> You will make another Body of Light, turn it into a Body of Damnation – *which can be any shape you want* – and send into Hell with its contents to remain forever.
