

CIRCLE OF FIRE

To: Brigadier General Kathryn A. Malone
Firing Officer, Circle of Fire

There is an immediate need to inform all Members of the Grand Council of Gnostics of the current Circle of Fire Invocations of Testimony – the full list – and to update the Grand Council of Gnostics of the Priority Lists once the following has been implemented.

There is an immediate need to establish the Wish Lists for Fire Teams as can be accommodated. Time Zones, work schedules and personal obligations must be considered. Please advise me via open email of your preferences.

There is an immediate need to establish which Invocations of Testimony are to be applied by the respective Fire Team. As a suggestion, limit Invocations of Testimony lists to not more than ten lines for the time being, with the five below being the Priority for all Blasts.

There will be a future need of documentation of our Invocations of Testimony and results obtained. Date each invocation, regardless of repeats, and make dated notes of handprint results, if possible, on the same sheet. Do not concern that the Monitors on Government Payroll will know both the Invocation content prior to Circle, or successes: we're sending our warnings to them too.

There is another Advertising/Publicity Campaign being prepared by AuthorHouse for the AED inclusive of videos and 1,000,000 support emails. This should be accomplished before the 1st of November with all editing and corrections, and released during the First Week thereafter – in time for the Christmas season. Support for the success of this Campaign is critical.

To: All Personnel

There is open warfare coming! Most True Patriotic attempts, even at the ballot box, being denigrated by government *provocateur* episodes to justify more-Communist legislation. With the government of the United States hell bent on enslaving its own Citizens and THREE psychopath nuclear triggers, North Korea, Iran and Pakistan ready to tirade at any moment, we must be about the serious business of hammering all such elements with the hottest hell imaginable – for the end results if we fail are UNimaginable.

Await Brigadier General Malone's updated instructions – to be implemented BEFORE the New Moon next. Continue with your current schedule and lists until notified of the changes.

Therefore, **Associate Justice Sonia Sotomayor** must be targeted above all the other Justices until her Communist ass regrets ever being born.
