Subject: Dhimmitude - WHAT DOES THIS WORD MEAN ?

Citizens,

WHAT IS THIS WORLD COMING TO?

No wonder they didn't want anybody to read the health care bill before it was signed!

Dhimmitude -- What does it mean?

Obama used it in the health care bill.

Now isn't this interesting? It is used in the health care law.

Dhimmitude -- Type it into Google and start reading. Pretty interesting. It's on page 107 of the healthcare bill. Look it up on Google and yep, it exists.. It is a REAL word.

Word of the Day: **Dhimmitude**

Dhimmitude is the Muslim system of controlling non-Muslim populations conquered through jihad. Specifically, it is the TAXING of non-Muslims in exchange for tolerating their presence AND as a coercive means of converting conquered remnants to Islam.

ObamaCare allows the establishment of **Dhimmitude** and Sharia Muslim diktat in the United States Muslims are specifically exempted from the government mandate to purchase insurance, and also from the penalty tax for being uninsured. Islam considers insurance to be "gambling", "risk-taking", and "usury" and is thus banned. Muslims are specifically granted exemption.

How convenient. So you and I, not being Muslims, will have crippling IRS liens placed against all of our assets, including real estate, cattle, and even accounts receivables, and will face hard prison time because we refuse to buy insurance or pay the penalty tax. Meanwhile, Louis Farrakhan will have no such penalty and will have 100% of his health needs paid for by the de facto government insurance. Non-Muslims will be paying a tax to subsidize Muslims. This is **Dhimmitude**.

Send this on to your contacts. American citizens need to know about it.
