Akasha require the Great Element of Air to move only clockwise, undoing all the motion of their storm.

Akasha require the Great Element of Fire to remove all heat and leave it a frozen weather system that wind cannot move!

Akasha require the Great Element of Water to control everything the storm is, natural organization, precipitation, temperature, high altitude steering winds and adjacent pressure systems and reduce it to zero.

Akasha require the Great Element of Earth to eliminate all room to exist, motion and control into a manifestation to zero; permit neither the storm nor conditions creating or permitting a storm to exist.

Now send your Spirit Manifestations into this storm merge it with the storm to become the storm, and Command it:

Storm Hurricane (Irene), cease, stop, peace, be still; dissolve, dissipate, be no more a violence. Turn you now the opposite direction, raise your pressure, cease to blow, stop your rain, peace throughout you, be still and rage no more.
