NEW RAIN AMERICA

31 August 2011 - 1 Elul 5771

**We need nourishing rain across North America to produce more food than the world can consume. We do NOT need storms or flooding nothing to attract FEMA!**

This is the process.

Work on the EARTH Plane.

We want a constant weather pattern, a Storm Front Wall out of the Pacific moving East from the Canadian Border to the Mexican Border.

It's a **Paws Up** as for Neutrinos; invoke, "**NEW ENERGY-RAIN ACROSS NORTH AMERICA**"

Then we charge it with **AIR, FIRE, WATER, EARTH** until it gels.

**"NEW ENERGY-RAIN ACROSS NORTH AMERICA"**

**"AIR, FIRE, WATER, EARTH"**

**Firing Officer:** Assign a Third Team (1 to ???) to Spin Counter-Clockwise and stabilize the downfall of RAIN!

The Pattern: A Storm Front Wall out of the Pacific moving East from the Canadian Border to the Mexican Border!

Draw all RAIN energies from every place else it exists. There are about 300 rain storms at any given time around the world drain them all.

Link up and form the Blast Circle.

Extend your hands:

Akurians, everybody ready!

Break to disburse Energy into the new weather pattern:

**Akurians, start the Storm Front Wall out of the Pacific moving East from the Canadian Border to the Mexican Border.**

On my command:

**1 "PAWS UP!**

**"NEW ENERGY-RAIN ACROSS NORTH AMERICA**

**"AIR, FIRE, WATER, EARTH**

**"BREAK"**

**2 "PAWS UP!**

**"NEW ENERGY-RAIN ACROSS NORTH AMERICA**

**"AIR, FIRE, WATER, EARTH**

**"BREAK"**

**3 "PAWS UP!  
"NEW ENERGY-RAIN ACROSS NORTH AMERICA  
"AIR, FIRE, WATER, EARTH  
"BREAK"**

**4 "PAWS UP!  
"NEW ENERGY-RAIN ACROSS NORTH AMERICA  
"AIR, FIRE, WATER, EARTH  
"BREAK"**

**5 "PAWS UP!  
"NEW ENERGY-RAIN ACROSS NORTH AMERICA  
"AIR, FIRE, WATER, EARTH  
"BREAK"**

**6 "PAWS UP!  
"NEW ENERGY-RAIN ACROSS NORTH AMERICA  
"AIR, FIRE, WATER, EARTH  
"BREAK"**

Akurians, cease, leaving your Storm Front Wall out of the Pacific moving East from the Canadian Border to the Mexican Border.

Akurians stand down.
