

Troops,

How can anything as short and simple as the 3D Image Bullet Blast take 7-10 minutes EACH to invoke? Mentally, that many SECONDS should be the norm!

We SHOULD NOT have to read the entire Instructions & Invocations listings to perform this short, but very powerful, ritual. The words backgrounded in ---- below are ALL we need to recite: **AFTER – REPEAT, AFTER – we have agreed on the who/what we're targeting.**

Akurians, construct the specified 3D Image inside our Spirit Circle;

If you're on the East, THEN HOLD THE EASTERN VIEW just as you would see any other object when looking at it from the EAST! The same process is true of the other Quadrants.

At The very bottom is a simple example of this Bullet Blast:

**3D IMAGE BULLET BLAST
1 December 2011 - 5 Kislev 5772
Brigadier Kathryn A. Malone**

This is a Corps Process requiring all Members to envision according to their assigned Station. With respect to the centered image:

EAST visualizing face front - in **BLUE**;

SOUTH visualizing right profile – in **RED**;

WEST visualizing the back view – in **WHITE**;

NORTH visualizing left profile – in **PURPLE**.

You are looking IN toward the image!

Akurians, on My Command:

Akurians, charge your minds!

Ascend in your own Spirit up the Planes of Heaven: **HATHOR, HASTERAH, HESTERAH, IDEAH, HAKARMAH, HASANNAH.**

Akurians, from your assigned Quadrant, construct our Spirit Manifestation in the center of our Blasting Circle.

(Target) (Name – Object) to

(Center Point) (Sun – Earth – Moon) forever binding

(Bullet Blast) (How long – Terms, Conditions) .

(Example, "Eric Holder in prison" to go in the blank. The object is to bottom-line it and don't write a book! General Rule: TEN (10) words or less.)

Akurians, on My Command:

Akurians, construct the specified 3D Image inside our Spirit Circle;

Disconnect yourselves from the centered Spirit Manifestation, command and charge it thus: EAST, Apelotes, present **AIR**, color is **BLUE!**

SOUTH, Notae, present **FIRE**, color is **RED!**
WEST, Zephyros, present **WATER**, color is **WHITE!**
NORTH, Boreas, present **EARTH**, color is **PURPLE!**

Akurians, hold and sustain our Spirit Manifestation that it may be filled with Black Fire from a permanent Sun Link;

Lead Chanter, here retrieves a permanent Black Fire Sun Link, everyone else holding the image. All other Akurians should be able to see the centered image brighten when the Black Fire Sun Link is attached.

Akurians, invoke Bullet Blast, repeating as many times as necessary to harden the image.

Akurians, on my command: 1 – 2 – 3:

(Target) (Name – Object) to

(Center Point) (Sun – Earth – Moon) forever binding

(Bullet Blast) (How long – Terms, Conditions) .

(Example, "Eric Holder in prison" to go in the blank. The object is to bottom-line it and don't write a book! General Rule: TEN (10) words or less.)

ONCE THE COMPLETE LIST HAS BEEN INVOKED AND HARDENED:

Akurians, prepare to descend the Planes of Heaven, bringing our Spirit Manifestation with us, and bringing all the controlling energies of each Plane as we descend: **HASANNAH, HAKARMAH, IDEAH, HESTERAH, HASTERAH, HATHOR.**

Akurians, locate our Spirit Manifestation to designated Center Point (creation, universe, galaxy, sun, earth, moon, planet, etcetera) expanding it to cover the desired area of influence. Now, lock the Spirit Manifestation into place. (This may later become the simple command of "Ground the Spirit Manifestation.")

Akurians, now bind our Spirit Manifestation 3D Image to this Grounded Position forever:

"We, the True and Righteous Servants of The Most High, Sons and Daughters of Akuria, here and now bind

(Target) (Name – Object) to

(Center Point) (Sun – Earth – Moon) forever binding

(Bullet Blast) (How long – Terms, Conditions) .until the Attending Angels of The Most High alone retrieve him/her/it ...

(Example, "Eric Holder in prison" to go in the blank.)

Akurians, in Earth, finish with, "As it is spoken, so it is done!"

Ready to ascend for the next one.

THE EXACT HOW TO

Invoke Bullet Blast, repeating in unison as necessary to harden the image.

Akurians, on my command: 1 – 2 – 3:

EXAMPLE: Barack Hussein Obama to EARTH forever bound into prison!

Simple as that!

ONCE THE COMPLETE LIST HAS BEEN INVOKED AND HARDENED: requiring the formation of a list PRIOR to beginning the Group Invocation – or your own when operating individually – and upon completion:

Locate the Spirit Manifestation to designated Center Point as given in it **EARTH** expanding it to cover the desired area **EARTH** of influence. Now, lock the Spirit Manifestation into place. (This may later become the simple command of "Ground the Spirit Manifestation.")

Bind the Spirit Manifestation 3D Image to this Grounded Position forever:

"We, the True and Righteous Servants of The Most High, Sons and Daughters of Akuria, here and now bind

"Ground the Spirit Manifestation."

"As it is spoken, so it is done!"

Takes 90 seconds – one and one half minutes – to read this Invocation as written. All THREE BULLETS – approximately 30 SECONDS each including ascending and descending the Planes.

It should take no more than another 30 SECONDS for the Firing Officer to retrieve and attach a Black Fire Sun Link to each in their turn upon ascension to Hasannah.

Pauses and all: **TWO MINUTES TOPS** to hammer Hell Itself into any THREE deserving targets!

Government, governmental department, bastards whether in Public Office or Private Business, anything and everything can be hammered into Hell with this very short and very powerful Invocation of Truth.

In your own time and place, choose your own private targets, but during Corp Blasts STAY WITH OUR DIRECTED LISTS! **DO NOT** inject your own puppydoo into our main Blasts! Do your worst to any target you want ON YOUR OWN TIME and IN YOUR OWN PLACE: but during Corps Blasts: KEEP YOUR JACKASS TO YOURSELF and hammer the selected targets. Period. No exceptions.

Each and every True and Righteous Akurian CAN and WILL join you whenever possible to kick the Hell out of any target you deem necessary and may need a bit of help or additional firepower. Contact them direct. We do NOT spare any of the bastards or their organizations as a matter of Corps Policy, and you shouldn't spare any of the bastards either when you have to handle your own housekeeping affairs.

As an Akurian, you are either a True and Righteous, Called and Chosen, Proven Knower or in the process of becoming such. That puts you in a very select league and opens all the doors to tremendous firepower, making you into someone even the High Demons approach with due respect and great caution. That doesn't mean you can't blunder, and it certainly doesn't totally protect you from your own ignorance; but it does mean you have both the FirePower and Authority to use it when offended by any entity regardless of the reason.

The Chief.
