

**AUDIENCE OF THE NEW MOON
4 JANUARY 2011 – 28 TEVET 5771**

Summoned by The Most High in the normal order of His Will, and observing all the Protocols of The Great Presence, I waited to be called to station. When summoned in accordance with the proper order I presented myself, saluted, and The Most High greeted:

""Son of Fire, Son of Fire, Obedient Son of My Great Pleasure, it has come before Me concerning your discernment and decisions with respect to the Royal House of Anu, Nefilim Creators of the Anusazi, Nefilim Watchers posing as Cherubim and their administration of the Permission to Create Anusazi Decree.

""You have not dealt gently with them, any of them, save the Whole of the House of Lord Horus and those whomsoever would avail themselves of the obligations foisted upon them by the Royal House of Anu and the Government of Nibiru.

""Son of Fire, Son of Fire, though you Reign far from the Chambers and Grand Section Corridors of Nibiru and intercede not into any of their administrations, you are still the Great Witness of the Nefilim even as the Anointed Witness of the Anusazi. Wise and prudent are those who seek your advice and wisdom, and blessed are those who heed your advice and instruction to learn, know and obey My Holy Law. Empowered are those who learn at your feet, and fearless are those who rehearse Truth at your hand.

""Son of Fire, Son of Fire, thus are you become My Obedient Son of My Great Pleasure.

""Son of Fire, Son of Fire, you are become a Great Enemy of the Whole of the Royal House of Anu, a Great Discomfort to the Whole of the Government of Nibiru and the Spiritual Terror by Night, save the Whole of the House of Lord Horus and those gathered unto him. And now you have made the Akurians, Proven Knowers unto the neophytes, most-senior Commanders unto the recruit Sentries, willing readers and hearers of your words: to be as a Great and Incurable Plague in all the Secret Places of the Nefilim; and a sure and certain destruction to all the High Demons and all their minions. Yea! You have ensured irrevocable failure and damnation upon all Mine Enemies, even the Whole of the House of Levi, My Priestly House of Israel, and the Whole of the House of Judah, the House of the Holy Septre of Israel, both of whom are become a desecration of all Righteousness; That Great Babylonian Harlot at Rome and Constantinople and all her Harlot Christian Daughters; That Great Murdering Harlot of Ishmael at Mecca, Medina and Jerusalem, even the Nation of Islam who are become the Unholy Vipers of Perditon.

""Son of Fire, Son of Fire, thus are you become My Obedient Son of My Great Pleasure.

""Son of Fire, Son of Fire, Supreme Lord of all High Lords, El Aku ALIHA ASUR HIGH, You That is Called by My Own Name, the Nefilim and their Fellows and the Demons and their Minions have spoken ill of you in all their councils and in all their judgments. The Whole of the House of Levi, the Whole of the House of Judah, That Great Babylonian Harlot at Rome and Constantinople and all her Harlot Christian Daughters, and That Great Murdering Harlot of Ishmael at Mecca, Medina and Jerusalem, the Nation of Islam have spoken ill of your in all their Secret Councils and Congregations in all their Synagogues, Chapels, Churches, Mosques and Temples; and they spare you not in all their intrigues, desecrations and judgments. Lo! Do not even the Hindus and Buddhists deny your Righteous Powers and Holy Authorities ordained upon you by Earned Right at My Own Hand?

""Son of Fire, Son of Fire, thus are you become My Obedient Son of My Great Pleasure.

""Son of Fire, Son of Fire, you have presented before Me The Irrevocable Curse Of El Aku Upon The Whole Of The House Of Levi and The Irrevocable Curse Of El Aku Upon The Whole Of The House Of Judah as I have commanded. Neither shall be removed even as My Holy Law cannot be removed; and both shall be Honored and Enforced even as My Holy Law shall be Honored and Enforced: and woe shall never cease from upon whomsoever shall endeavor to change one jot or tittle from them! Lo! Those Great and Irrevocable Curses are the Greatest of All Testimonies

Against the Whole of the House of Levi and the Whole of the House of Judah save their own conduct of abominations and desecrations against My Holy Law.

""Son of Fire, Son of Fire, it has come before Me concerning your discernment and decisions with respect to the Royal House of Anu, Nefilim Creators of the Anusazi, Nefilim Watchers posing as Cherubim and their administration of the Permission to Create Anusazi Decree are without any consideration of circumstance or necessity.

""Son of Fire, Son of Fire, I, Myself, have seen the whole of it in infinite detail from the very instant of conception and I find neither error nor misjudgment in your discernment or decisions. Yea! Your Judgment is true and without blemish.

""Son of Fire, Son of Fire, your Judgment has found the Royal House of Anu, Nefilim Creators of the Anusazi, Nefilim Watchers posing as Cherubim and their administration of the Permission to Create Anusazi Decree to be devoid of any consideration other than expediency in each and every application and in each and every instance, and therefore guilty of all charges of neglect, intrigue and conspiracy to cause the Anusazi to destroy themselves. That you have accounted the whole of any and all responsibility therefor upon the whole of the Generations of Anunnaki is right and just. The violations of the Permission to Create Anusazi Decree are absolute: the Anunnaki are guilty as charged.

""Son of Fire, Son of Fire, your Judgment has found the Royal House of Anu, Nefilim Creators of the Anusazi, Nefilim Watchers posing as Cherubim and their administration of the Permission to Create Anusazi Decree adjunct to enforcement of the dictates of the Whole of the House of Levi, the Whole of the House of Judah, That Great Babylonian Harlot at Rome and Constantinople and all her Harlot Christian Daughters, That Great Murdering Harlot of the Nation of Islam, and all they have enacted into law by the governments. They have spared neither writ nor rote in their desecrations of Justice and their instigations of wars and impediments. You have judged them on the merits of the evidences and have adjudicated them guilty even of the socialisms. That you have accounted the whole of any and all responsibility therefor upon the whole of the Generations of Anunnaki is right and just. That you have excused not any of the accused is right and just.

""Son of Fire, Son of Fire, as you declared before Me in the presence of Lord High Emissary AnZu and Lord High Emissary XutEl, High Priests and Spirit Communicators of Nibiru and the Royal House of Anu, the Ruling Monarch of Nibiru and all Nefilim of wyte: so have you done although it is not yet finished.

""Son of Fire, Son of Fire, I and you between us know your next and inevitable attack, and both the Nefilim and the High Demons will be sore offended. So be it. I am sore offended in them and what you do against them both in irrevocable Testimony and direct violence against which there is neither defense nor escape, shall be as if from My Own Eye and at My Own Hand. Lo! The Demons of Socialism are rampant upon the whole world because they know their time is short and their infinite failure is sure and certain. Spare them not. Neither shall you spare any who shall be of any gentleness or accommodating toward the proponents of socialism in any form or manner. Your battle plan is sound, unpredictable, destructive, and none can stand against it.

""Son of Fire, Son of Fire, this is the Day of the Great Opening of the Ancient Secrets of which I ordered to be sealed until the time appointed. Select from among the Akurians, those being True and Righteous Proven Knowers of My Great Testimony, and reveal unto them as you shall deem appropriate. And teach them first and always: failure is of their own doing, seek the innate for cause and reason; delay is the Law in action, removing barriers set long ago that must be overcome with force and applied energies. Have you not already taught them beyond the capability and understanding of the Ancient Priests and Mystery Schools? Yea! Ptah, himself, is envious of your Akurians, and those in the Days of Joseph were not so able. Were they in the Generation of Abraham, Ishmael, Isaac and Jacob, neither Ishmael, Esau nor Dinah would have went whoring. Were they Sons and Daughters of Aaron, there would have been nothing of evil sufficient to dissuade them. And yet, you have suffered losses of those who without excuse have of themselves

fallen from grace and righteousness. So how can I say both? Because those who hear your words and do them, fail not; and those who hear your words and abandon them, fail without exception.

""Son of Fire, Son of Fire, teach My True and Righteous Proven Knowers of My Great Testimony what they request of you. Know that all other eyes of the Nefilim, Demons and Government Socialists will see and all other ears of the Nefilim, Demons and Government Socialists will hear: and it shall be an Eternally Fatal Testimony against them! Woe that cannot be measured by any other than Me shall be the reward of Nefilim, Demons, Government Socialists and all whomsoever not of My Great Testimony that shall attempt your instruction; for these are the Great Truths and Knowledges reserved for the True and Righteous, and the swine shall neither possess nor enjoy them.

""Son of Fire, Son of Fire, My Beloved Chief Teacher of Righteousness, teach My True and Righteous Proven Knowers of My Great Testimony what they request of you, even the Secrets and Ancient Mysteries of the Great Schools of Shumer and Egypt, Nahuatl and the En Ki Anti (Andes Mountain Chain meaning "High Places") that have been long hidden by the vile and the corrupt of the Learned Elders of Zion and That Great Babylonian Harlot at Rome and Constantinople. And even the Demon-Possessed who shall humble themselves and heed your Instruction shall divest themselves of the Demons of Levi, the Demons of Judah, the Demons of Rome and Catholicism, the Demons of Christianity and Jesus, the Demons of Islam and the historical Demons of Hinduism! Yea! Many there are that teach in My Name and are without Authority before Me nor do they possess any Truth or Knowledge of My Mouth; teaching their own vain perceptions and nothing of My Holy Law lest they offend the self-ignorant, the Levites, the Jews, the Followers and Fellows of That Great Babylonian Harlot at Rome and Constantinople and all her Harlot Christian Daughters, the Socialists and all their Damnables. Lo! Are not the demon-possessed psychopaths of Islam enraged even as the heathen?; and they have ought to sit before Me in True Righteousness? Therefore, Beloved Chief Teacher of My Righteousness, teach My True and Righteous Proven Knowers of My Great Testimony what they request of you.

""Son of Fire, Son of Fire, My Beloved Teacher of Truth and Knowledge:

""Spare not that all Akurians discern and know that all Mysteries are common fare at the Teaching Tables of My Beloved Akurians and all who will become as they are;

""Spare not that all Akurians discern and know the Grand Essences of Mind, of Consciousness, of Spirit, of Soul and of Temple (body) and the Great Creations and Great Destructions of them;

""Spare not that all Akurians discern and know the Essences of Fires and the Essences of Water and the Essences of Wind that the Moon follow the Sun and the Earth follow the Spirit;

""Spare not that all Akurians discern and know that all Places of the Demons are now inhabited by Levites, Jews, Catholics, Christians, Muslims and Socialists: all of whom are bound unto Hell because there is no discernable Righteousness in them; and of all the desecrations that have been and will be because of them;

""Spare not that all Akurians discern and know that all the Secret Chambers of all the Great and Grand Lodges are now inhabited with the vile, the corrupt, the immoral, the liars, the thieves, the murderers, the traitors, the sorcerers and compounders of all evil;

""Spare not that all Akurians discern and know that all Secrets of the Ages are still extant and are the Property of the Birthright of the Akurians;

""Spare not that all Akurians discern and know the Truth and the Deception, and all those thereof;

""Spare not that all Akurians discern and know the Essences of the Light and the Essences of the Dark and how to use them in True Righteousness and how to avoid them in True Desecration;

""Spare not that all Akurians discern and know that both Divines and Demonics be determined, and then must hear and obey The Voice of Righteousness;

""Spare not that all Akurians discern and know that every grave is accessible and every soul that suffers is subject to the Knowing True and Righteous, and are abominations to the ignorant

and the vile. Yea! Show mercy upon all the fallen in the line of duty but spare not My Wrath upon the Priest, the Preacher, the Imam and all those who teach the Doctrines of Death and all those who hear and heed them;

""Spare not that all Akurians discern and know the most distant Spirit Quark await to obey the True and Righteous and rush to obey those with My Holy Mark in their forehead;

""Spare not that all Akurians discern and know the Far Chambers and the Eternal Wisdom therein where stars are not to light the way and light as the Light of the Moon is as iron;

""Spare not that all Akurians discern and know that their Golems are living entities and capable;

""Spare not that all Akurians discern and know the Essences of the Dark and the Powers of Shadows and the Ferocity of Light that they be a Pleasure to My Beloved Akurians and a Grand Horror to all Mine Enemies;

""Spare not that all Akurians discern and know that neither Living or Dead nor the unborn can escape the Truth of the Ages;

""Spare not that all Akurians discern and know that all elementals in the Highest and elementals of the darkest shadows must hear and must obey;

""Spare not that all Akurians discern and know that they may seethe and retrieve or instill any essence;

""Spare not that all Akurians discern and know that My Akurians should know and rehearse these mighty things that they be not vulnerable and without defense and without capability of infinite and Eternal retaliation in the Days of Tribulation that now are and the Days of My Tribulation yet to come. Yea! And even unto Shiloh;

""Spare not that all Akurians discern and know that My Akurians should know and rehearse these mighty things which they have not seen nor heard, that they be a True and Righteous Sword of Aku in the vitals of all Mine Enemies by taking a thought, saying a word, pointing a finger, directing an eye – as they shall choose – and even the Gates of Hell cannot prevent them;

""Spare not that all Akurians discern and know that all children comprehend before their first breath, and should not be taught to forget nor to not understand. Yea! The wise and prudent will retrieve of themselves and be comforted in the Truth and the Knowledge;

""Spare not that all Akurians discern and know that all which was and is no more is neither lost nor forgotten; neither lives nor sins nor evils nor great accomplishments. Of mysteries, of secrets, of spirits, of demons, of truth and of lies shall you make known that the Realms of Akasha be hard pressed to contain them; and nothing My Beloved Akurians seek to know and to understand should be denied them of any ignorance;

""Son of Fire, Son of Fire, My Beloved Teacher of Truth and Knowledge, into your Hands of Righteous Power and Holy Authority have I vested and ordained the whole Truth of Righteousness and Knowledge of all the Spirits. Speak against any and they shall neither escape nor avoid your Judgment upon them. So shall it be also upon all the True and Righteous Akurians of My Great Testimony unto Shiloh.

""Son of Fire, Son of Fire, Supreme King My Beloved Akurians: prepare now all who has ears to hear and prepare now all who has eyes to see that they be strong in the imminent Days of Tribulation now on time's horizon even as the rising Sun. For this Great Tribulation is not of Me, but of the Demons of the Whole of the House of Levi and the Demons of the Whole of the House of Judah and the Demons of That Great Babylonian Harlot at Rome and Constantinople and the Demons of all her Harlot Daughters and the Demons of the Whole of the Nation of Islam who slay the innocent of whom I fully account the loss thereof against the Whole of the Nation of Islam and all the Demons of the Marxists and the Demons of the Communists and the Demons of the Fascists and the Demons of the Socialists and the Demons of the Publicans and the Demons of the Manipulators, both great and small.

""Son of Fire, Son of Fire, Supreme Lord of all High Lords, prepare now all who will heed wisdom: the Nefilim are sore offended at all the True and Righteous and moreso against all who

know and understand the Truth of them from the earliest ages. Thus, they consider all My Beloved Akurians at arm's length lest I burn Nibiru from the core unto its outermost reaches! Lo! Not even the High Demons of Lucifer hold such fury against you and My True and Righteous Akurians; no, not even the dregs of Lucifer are so despised as you and My True and Righteous in the eyes and hearts of the Nefilim! The Nefilim have not seen My Wrath in generations, and they must consider you and My Beloved Akurians at arm's length lest your bring My Wrath down upon the Whole of Nibiru and all the Anusazi scattered in the Realms.

""Son of Fire, Son of Fire, prepare all who will hear, prepare all who will see, prepare all who will heed; and pronounce My Unending Wrath upon all the remainder.

""Son of Fire, Son of Fire, of those things most concerning you:

""Son of Fire, Son of Fire, I have forbidden the prevention of any who seek to enter into My Great Planes of Heaven and My Horrendous Depths of Hell! Therefore, spare not any that deny nor any that dissuade, whether High Divinities before this Great Veil or High Demons of the Eternal Depths or any of their subordinates or those of ignorance. Yea! Even the possessed of That Great Babylonian Harlot at Rome and Constantinople and her Harlot Christian Daughters and the Children of Ishmael who pollute My Presence with all their pretense of truth and righteousness. Are they not all possessed of Beelzebub as evidenced by their ages of psychopathic murders of innocents?

""Son of Fire, Son of Fire, the sword has been temporarily sheathed of That Great Babylonian Harlot at Rome and Constantinople but is still fresh with innocent blood in the hands of the Murdering Harlots of Islam. Therefore, have I called into Presence the High Demon Beelzebub and Lord Muhammad ibn 'Abdullāh to say before Me of this they have done in My Name. For I sent Lord Muhammad ibn 'Abdullāh to the House of Ishmael, to turn them toward My Holy Law, and raised them to rule many dominions in learning, science, medicine, architecture, art and husbandry. And they profaned My Holy Law in the worship of Muhammad and desecrated their Portions of the Birthright of Abraham.

""High Lord Beelzebub, how say you of your administrations toward Lord ibn 'Abdullāh Muhammad""

LB: "Lord Most High, am I here to suffer before the time?"

""High Lord Beelzebub, do not attempt such falsity before Me! You know full well this is not the Great Judgment but I can be easily minded to make it so upon you!""

LB: "Lord Most High, it was I who deceived Lord ibn 'Abdullāh Muhammad here before you. When he sought to accept the Holy Mantle I went forth myself and pretended whomsoever he would accept; and occupied his mind that he could not determine between the evils you sent him to expose in Abraham and the excesses I imposed upon him. It was I, Lord Most High, it was I and my minions."

""High Lord Beelzebub, and the method of your success of all these Days of Evil?""

LB: "Lord Most High, the simplest of all deceptions: tempting Lord ibn 'Abdullāh Muhammad to supposed himself to be holy and of true righteousness and without flaw, and thus having no requirement of discerning. And he did not discern even one word and earned all the blame upon his own head. I tempted him, but I did not compel him. Therefore all fault and blame are upon his head and at his hand and upon all who follow him and discern not that which he left to them.

"Not me, Lord Most High, not me, but upon Lord ibn 'Abdullāh Muhammad and all those who follow his paths and desecrate in Your Name. Not me, Lord Most High, not me."

""High Lord Beelzebub, remove yourself from My Presence; and go with this warning: approach My True and Righteous with great care; approach the Children of Harlot Islam with great caution; and approach My Beloved Akurians – Proven Knowers of My Great Testimony – not at all without their invitation, for they carry Eternal Death in their hands, Eternal Destruction in their souls and Eternal Judgment in their determinations.

""Lord Muhammad ibn 'Abdullāh, say you now whether these things spoken by High Lord Beelzebub concerning you are truth. ""

MiA: "Lord Most High, Lord Most High, all is truth, all is truth. Though taught by Angels and deceived by Demons, I was not instructed out of Your Mouth, but by Angels and Demons which I did not discern. Thus the truth and righteousness became more corrupt and more evil, because I did not discern. And the whole of the Children of Ishmael are of evil because of it.

"That I was sent to do evil in the sight of the Children of Ishmael of Abraham, of my own vanity did I not discern and of my own unrighteousness did I much evil in excess. And those, those who have inherited my example, do all manner of evil in Your Name.

"Lord Most High, Lord Most High, upon me, Lord. Upon me."

""Lord Muhammad ibn 'Abdullāh, go now from My Presence. And know, you did not fail in your Commission, but you failed all the souls I sent you to return to My Holy Law. Even as the Whole of the House of Levi failed My Priesthood and as the Whole of the House of Judah failed My Holy Sceptre, so have you failed the Children of Ishmael of the Children of Abraham. And that failure shall be upon you and you alone; but the atrocities and abominations of Islam shall be upon the heads of the instigators and upon the heads of the perpetrators. Even as That Great Babylonian Harlot at Rome and Constantinople and her many Harlot Daughters are as putrid as Sodom and as sour as Gomorrah; Lo, the Whole of the Nation of Islam are worse than vipers in My Sight.

""Son of Fire, Son of Fire, have no concern, you have not failed Me in anything. Yet I see your concern of the impending Great Slaughter by the Nefilim of the accursed, the vile, the degenerate, the impure in their generations, and those who have not My Holy Mark in their foreheads, that must come. Your planet cannot much longer sustain the world upon it; Nay, nor was it ever so intended. The Nefilim planned well to cause the Anusazi to be the cause and the source of their own extermination; and with the Great Desecration of My Holy Law by the Whole of the House of Levi and the Great Putrifaction of My Holy Septre by the Whole of the House of Judah, they have instigated socialism into every space between even the dust of the earth and infected it into the minds of even the most ignorant and the most educated of all mankind. Therefore, the Great Slaughter must come.

""Son of Fire, Son of Fire, you have My Own Unalterable Word that all shall not be lost of the Anusazi, for of My Holy Anointed and their Knowing Ones in their Generations have some few souls been found worthy of continuance. Yea! Only a few, but a few of Truth and Righteousness and of sure and certain Knowledge. Yea! These will I preserve and restore, but all the impure and unrighteous, even of the Children of Abraham, will I remove from before My Face forever.

""Son of Fire, Son of Fire, there is provision for all to achieve My Righteousness; it is of Ages and Unchanged, even My Holy Law! But what of the whole world because of its desecrations of My Holy Law? Shall I recant one jot or tittle? Nay! My Holy Law shall remain forever! For My Holy Law is perfect and the Way of Perfection; but the desecration of My Holy Law by the Whole of the House of Levi and the Whole of the House of Judah and all their Fellows and That Great Babylonian Harlot at Rome and Constantinople and her many Harlot Daughter Churches even from the Days of the Watchers has sought to make My Holy Law to none effect and of no consequence. Lo! And even the Nation of Islam who are Unholy Vipers of Perdition have spared not against Me and My Holy Law and against all My Holy Ones in their Generations. Therefore, it is such of the whole world that absolute obedience to My Holy Law is the exclusive acceptable act of

repentance of the Anusazi and the restoration thereof; but such will not be and thus the Great Slaughter must come to cleanse My House of the Harlots and the Vipers.

""Son of Fire, Son of Fire, that you would that all should repent and return to My Holy Law and by the Great Obedience thereof, all should be restored; this I give unto you: such shall not occur, because of the Great Desecrations of My Holy Law, and because of all the lies and liars of the Demons of Socialism in all its disguises and all its damnations. Therefore, Son of Fire, how many consecutive generations are parent to child ignorance, parent to child immorality, parent to child dependency as sucking leaches because they have not responsibility, even for themselves? And, Son of Fire, where is there repentance; where is there even consideration of repentance that those generations be returned to My Holy Law and to Me? Son of Fire, Son of Fire, there is neither, no, nor shall there ever be, until Great Slaughter sends them scrambling into the sewers where an even worse horrors and death still awaits them.

""Son of Fire, Son of Fire, I know the sorrow in your soul, but there is nothing of the Anusazi, save a few, that they will return to Me. The few may redeem themselves, by repentance, but shall that few remove all the impure and the desecrators from the whole world? Nay! They shall not, for the Great Desecrations of My Holy Law and the Great Demons of Socialism shall restrain them by force. For it is fact: the few True and Righteous should require that all the consecutive generations of sucking leaches must suffer remedy and cease their perpetual abominations. Lo! For it is also fact: those consecutive generations of sucking leaches must be made impotent, both mother and child and abandoning father, and at the first birth given of the unmarried, until the generations have restored themselves to responsibility of themselves and their generations after them.

""Son of Fire, Son of Fire, speak this truth to the spiritually and morally bereft and you shall see the heathen rage! Yea! In their demonic self-righteousness shall they scream that their lungs should burst and rage until they are want for the very stones to cry out. And because of their endorsement of the perpetual abominations, the Great Slaughter must come.

""Son of Fire, Son of Fire, hear you much of the tribulations of the world, and know most of it are lies by the Great Deceivers, even the Harlots and the Vipers. Lo! Their great voice bellows above the din and the clatter that the seasons of the world are bereft at the existence of the Anusazi; but they are knowing liars and knowing deceivers. For neither the seasons of the world nor the existence of the Anusazi are the cause of the many extinctions, nor the great strength and numbers of disasters; but the impurities and the poisons and the sacred desecrations of all I established in the Very Beginning: for pure I made all things in the Very Beginning and pure I will require all things in the Absolute Ending. Lo! The processed filths: enforced by law and forbidden by law to expose and avoid; that the Whole of the House of Levi and the Whole of the House of Judah and the whole of their Fellows profit at the lingering destructions and deaths even of the children and of the many extinctions!

""Son of Fire, Son of Fire, spare not those in knowing and deliberate collusion and conspiracy: speak and testify against the Whole of the House of Levi, the Whole of the House of Judah, That Great Babylonian Harlot at Rome and Constantinople, her many Harlot Daughters, and the Nation of Islam, the Unholy Vipers of Perdition; and all their Fellows: and I shall visit them with all their own agonies and deprivations and more also because your testimony against them is true.

""Son of Fire, Son of Fire, only the two of us know the burden you carry, and have carried for much of your life and all of your Reign. And I say to you, Beloved Son of Fire, your burden shall not have been in vain; neither shall the burden of those who walk in your footsteps be in vain. Yea! The choice of the Anusazi are but two, repent and return to My Holy Law, or continue with the Demons of the Religions and Socialism and suffer the Great Slaughter; for I will have your Earth clean and righteous before Me. Though your burden is of the Anusazi, Ishmael, Israel, Canaan, Cush and the Gentiles in equal consideration, your duty is to Me and My Holy Law.

""Son of Fire, Son of Fire, spare not those in knowing and deliberate violation, even the Whole of the House of Levi, the Whole of the House of Judah, That Great Babylonian Harlot at

Rome and Constantinople; all her Harlot Christian Daughters; That Great Murdering Harlot of Ishmael at Mecca, Medina and Jerusalem, the Nation of Islam who are the Unholy Vipers of Perdition and all the tribes, peoples and nations. Testify against them, Teacher of My True Righteousness, and the Invocations of Testimony against them shall never cease from before My Face.

""Son of Fire, Son of Fire, you are dismissed. Go in peace.""

I replied, "Sir!" I saluted and returned to my station and left The Holy Presence in proper order when we were all dismissed.
