

BINDINGS AND LOOSENING

22 May 2011 - 18 Iyyar 5771

General Budagher, you will need your instrumentation.

Just so everybody will know, those of you who have done your practices, even a little, will have some dramatic results with this Session's Inclusions; and those of you who haven't done your practices are going to have very little results. You can't expand as a Spiritualist without practicing the instructions.

For True and Righteous Akurians who are Proven Knowers, making either a Body of Light for most uses or a BODY OF SPIRIT for Command uses, is the Identity of a Master Metaphysician. Today we are going to make a BODY OF SPIRIT, charge it in the Highest Plane, Hasannah, and tear every unrighteous Nefilim and their supporting Spirits and Demons a brand new rectum.

Even Akurians can't do all the damage we'd like using Bodies of Light, but with BODIES OF SPIRIT, we open up a whole new Realm of Personal Power and capabilities. As always, it will take private practice, but in this endeavor, it will be VERY CAREFUL practice, as if you're working with liquid nitro-glycerin – only more volatile.

A BODY OF SPIRIT contains far more of YOU than a Body of Light, is far more flexible and capable than your own Physical Body, and carries far more of your Conscious Presence and Personality than your Physical Body. All Akurians want the bastards we avenge ourselves against to KNOW who did it! Our very INTENT seals our identity into each and every Force, Energy and obeying Entity – except the Great Angels, Archangels, Cherubim and Seraphim who do not and cannot 'obey' anybody other than as Directed by The Most High. With a BODY OF SPIRIT, their knowing who did it is a foregone conclusion and inescapable.

With a BODY OF SPIRIT you can learn to operate in it just like you can your own Physical Body but with all the Spiritual Realm capabilities. And right here I warn you: DO NOT GO JACKASSING in your BODY OF SPIRIT! There are Entities out there that can and will take you apart in more ways than you know exists, and against which, to the ignorant, there is virtually no defense. The only REAL protection you will have is your Holy Seal – those who are not yet Proven Knowers can learn, practice and operate during these Sessions under My Personal Power and Authority – or the Personal Power and Authority of any Proven Knower in your own sessions. And, I add this restriction: until you are a True and Righteous Proven Knower, and in compliance with Holy Law, to practice you are hereby limited to your own property, and I don't mean even a view into your neighbor's privacy.

Eventually a BODY OF SPIRIT will give you that famed X-Ray Vision attributed to Superman and Supergirl, but its going to take a bit of practice. Once we make a BODY OF SPIRIT the first practice will be to rehearse that ability to see both through solid objects and what is going on at a distance. It will also OPEN YOUR SPIRITUAL EAR – you only have one eye and one ear in the Spiritual Realms – and with practice you will become both Clairvoyant and Clairaudient. When in proper tune with your BODY OF SPIRIT, you will see and hear what's going on as much as you will sense the presence of wherever you are or any Entity in proximity. You already have some experience in all this IF you have done your practices, especially discernment.

Hear this Instruction to know its contents and DO NOT proceed until I give you the command to do so. These are the instructions you will need BEFORE you attempt to make a BODY OF SPIRIT, so hear them, question them and DO NOT proceed to obey them until I command you to do so!

ARE THERE ANY QUESTIONS?

Do not defile this BODY OF SPIRIT in any way, nor use it in any frivolous manner, for it is the Supreme YOU! It was this recognition when King David recounted:

Psalm 110:1 The Lord said unto my Lord, Sit thou at my right hand, until I make thine enemies thy footstool.

Psalm 110:2 The Lord shall send the rod of thy strength out of Zion: rule thou in the midst of thine enemies.

Psalm 110:3 Thy people shall be willing in the Day of thy Power, in the beauties of Holiness from the womb of the morning: thou hast the dew of thy youth.

Psalm 110:4 The Lord hath sworn, and will not repent, Thou art a Priest for ever after the Order of Melchizedek.

Psalm 110:5 The Lord at thy right hand shall strike through Kings in the Day of his Wrath.

Psalm 110:6 He shall judge among the heathen, he shall fill the places with the dead bodies; he shall wound the heads over many countries.

Psalm 110:7 He shall drink of the brook in the way: therefore shall he lift up the head.

This is NOT 'the Lord within you' as the hallelujah halfwits claim. This BODY OF SPIRIT is The Lord, as if a direct manifestation of The Most High, Himself; and it is! And everything in that Psalm is exactly what we are going to do!

To make a BODY OF SPIRIT – take full cognizance of yourself, visualize yourself from head-to-toe, arms and all; and within yourself invoke the words, "BODY OF SPIRIT" and you will instantly feel yourself as TWO separate entities; a Physical Body and a Spirit Body – for you are a Body with a Soul, and NOT the other way around. Some of you will recognize the feeling from making Bodies of Light as it is somewhat similar – but NOT, repeat NOT, the same thing. Then take a minute or two and become familiar with your BODY OF SPIRIT, making sure everything is there, and where it should be. Stay IN your Physical Body for the time being, and do not emerge until I tell you to do so. There are preparations you need to make before exiting the first time. Do not venture further, until you have sufficient experience with a BODY OF SPIRIT as you do with a Body of Light. These are two separate entities of manifestation.

Hear me, you will make a BODY OF SPIRIT and I will walk you through the instructions I just gave you.

On my Command:

Akurians, make a BODY OF SPIRIT within your own self.

Take full cognizance of yourself, visualize yourself from head-to-toe, arms and all; and within yourself invoke the words, "BODY OF SPIRIT" – you will instantly feel yourself as TWO separate entities; a Physical Body and a Spirit Body. Some of you will recognize this feeling from making Bodies of Light as it is very similar. There is a difference and you must detect it, these two processes are not the same thing. If you are seeing your BODY OF SPIRIT as any other color than pure white, like clean snow, you have made a Body of Light and NOT a BODY OF SPIRIT. Clean it out and do the process again. Take a minute or two and become familiar with your BODY OF SPIRIT, making sure everything is there, and where it should be. Stay IN your Physical Body for the time being, and do not emerge until I tell you to do so. There are preparations you need to make before exiting the first time. Do not venture further, until you have sufficient experience with a BODY OF SPIRIT as you do with a Body of Light. That you are these two separate entities of manifestation is a pleasant shock and surprise. There's a whole lot more to you than any hallelujah halfwits even suspect.

Before we continue:

ARE THERE ANY QUESTIONS?

Now, without leaving your body at all, do not make a Body of Light or any other manifestation, call upon the Plane of Hasannah by repeating after me:

"Hasannah, Hasannah, charge me now, Hasannah, Hasannah."

And you will instantly feel what by now should be the familiar Forces and Energies of the High Heavenly Plane of Hasannah filling your BODY OF SPIRIT! It is not filling your Physical Body, because it cannot! It's now a Proven Knower fact: that which is flesh IS flesh and that which is Spirit IS Spirit! Immanuel also taught that, and it's polluted all over the New Testament in one distorted form or another. Nevertheless, the Akurians not only KNOW these things to be True, we're about to apply some of them.

Now stand your BODY OF LIGHT out from you a couple of feet. Not the far side of the moon, just a couple of feet. Now, DISCERN IT, just like you would any other Entity or object. For those of you on a search of self-discovery, a properly made and charged BODY OF SPIRIT has more information about you than can be imagined. It's all stored here, even past lives if you've had any. The one thing that is constant – and cannot be altered – about your BODY OF SPIRIT is that it is and will remain as white as clean snow. Therefore, when you see a PURE WHITE SPIRIT, pay close attention; if it's NOT as pure white as you KNOW your own BODY OF SPIRIT to be – it's a deception, someone is trying to deceive you – and this KNOWLEDGE of your own BODY OF SPIRIT is a perfect defense.

I'll give all of you a few minutes to study and discern your BODY OF SPIRIT. Learn as much as you can – and the Forces and Energies of Hasannah with which you charged it – and maneuver it around within your own property or area. You'll note its one hell of a lot easier to move and faster than your own thought processes of your Physical Body. Having a properly authorized, made and charged BODY OF SPIRIT is a power to be reckoned with, whether in the Planes of Heaven, Physical Earth, or the Depths of Hell. It doesn't make you infallible and it isn't indestructible; but the very fact it exists and you exist in it reveals to all observers that YOU are a cut above. They may not know "above what" but they will damned sure know "above something!"

ARE THERE ANY QUESTIONS?

Now hear me:

Akurians, stand your BODY OF SPIRIT a couple of feet out and facing away from you. This is critical, facing away from you.

Akurians, without leaving your body, do not make a Body of Light or any other manifestation, call upon the Plane of Hasannah by repeating after me:

"Hasannah, Hasannah, charge this BODY OF SPIRIT now, Hasannah, Hasannah."

Akurians, discern your BODY OF SPIRIT again. You will note is far more intense than it was; far more powerful than it was; and far more obedient that it was. Direct it to face any other direction and see how easy it is to control. It was easy before, but now it's as if it were oiled with a very fine oil and tuned to an infinite degree. Except for the perception of grease, that's just about what has happened. Your BODY OF SPIRIT is virtually the same as if it were made out of the nonliving Forces, Energies and Powers of Hasannah – but it is LIVING BODY OF SPIRIT made out of you! This BODY OF SPIRIT is a manifestation of YOU in pure Spirit form. Be sure to keep your BODY OF SPIRIT in a constant state of DISCERNMENT – and especially when you practice and study it.

Now your BODY OF SPIRIT is ready for use. It won't go anywhere. It's going to stay right there where it is now, only face it away from you. Now, choose any place in all Creation THIS side of The

Great Veil, command your BODY OF SPIRIT to show it to you – and you should see it as if through a small telescope. Now tell your BODY OF SPIRIT to show you the whole view, and the picture will expand in your mind. No other effort is necessary. Note, your BODY OF SPIRIT didn't have to move, turn or anything else, regardless of the direction of wherever you chose to view. If the image isn't clear, or is in blacks, grays and white, you simply need more practice. Do that in your own time.

Just let the vision go, and it will fade. No command to your BODY OF SPIRIT is necessary.

Hear me, we're going to play hell with the Nefilim and the Demons; and then we're going to raise more hell with the socialists and traitorous bastards closer to home. Everything I command you to do, you command your BODY OF SPIRIT to do – and do not do it yourself – command your BODY OF SPIRIT to do it. Do not do it through your BODY OF SPIRIT, make it and it alone do as I command when I command it.
