THE SOCIALIST EXTERMINATIONS
Part, The Second Absolute Extermination
SECOND EFFORT
15 April 2012 - 23 Nisan 5772

First and foremost: to all these Presents, Greeting: *there shall not be any physical weapon of violence whatsoever applied with respect hereto.* We are Akurians, most of whom are **Proven Knowers of The Great Testimony, Commissioned and Empowered by The Most High Lord God of All Creation, Himself**, to discern, Judge, Sentence and Punish any and all offenders of Holy Law. Any and all attacks against us, whether as an Organization or Individually, and whether physically, written or broadcast, are then and there Acts of Blasphemy Against the Holy Spirit of Truth, and shall be then and there be immediately avenged without consideration of mercy.

A word of caution to all Akurians: NEVER just accept anybody else's discernment. NEVER! Verify the findings yourself because the ultimate responsibility and liability for your actions are upon YOU, and YOU alone. It's not a matter of distrust, it's a Righteous Requirement toward becoming perfect as The Most High requires of us.

The Process of **Absolute Extermination**. Understand that you cannot invoke for someone to Die the Death and still have them alive to suffer. One or the other: **NOT BOTH!**

The Process of **Absolute Extermination**. Understand that you cannot mix a Team Invocation with any other endeavor and make it work. One or the other: **NOT BOTH!**

The Process of **Absolute Extermination**. Understand that when a Team is attempting to visualize ANY given point or object, any **DEVIATIONS** will cause that Invocation to fail to a direct and proportionate degree.

A few years ago I was teaching Command Marshal Budagher, then-Colonel Jean Marie Bridge and now-Brigadier Meinke in a Circle-Invocation against Hillary Rodham Clinton. Colonel Bridge went off on some cracked pot scenario of her own in direct violation of my instructions and Hillary Rodham Clinton became US Secretary of State rather than being exposed and jailed for the Traitor she is. The entire Invocation effort FAILED because I was giving one set of instructions and Colonel Bridge was performing another! I've taught the event several times in an effort to get the **NEVER-DEVIATE** point across; but obviously to damned little result.

If we dare sit by and permit these **socialist** bastards continue to program the masses into becoming communists and reject The Most High and His Holy Laws in their ignorance: The Most High is going to ask **US THE AKURIANS** concerning those millions of lost and doomed souls!

And for the edification of those few who perpetually jackass, doing your own

thing under the **DELUSION** it is superior to my Instruction: He is going to ask ME first; and when I tell Him what and how I taught you the He will confirm via the Akashic Records that cannot be altered; He is going to ask YOU in turn. **THEN YOU CAN EXPLAIN YOUR DAMNABLE VARIANCE AND ITS END RESULT, TO SEE IF YOU CAN SAVE YOUR OWN ASS FOR YOUR DISOBEDIENCE, AND THE LOSS OF ALL THOSE WHO WILL DIE WITHOUT REDEMPTION BECAUSE OF IT!** And there will be MILLIONS of dead bodies and lost souls to account for.

When invoking on your own, you can pretty much use anything you want as there isn't any other deviating energies involved. The instant you involve a second mind **that** rule is null and void: either the intention and visions are as identical as possible or the Invocation will fail. Simple as that. Never inject your own stupidity into a set-and-prescribed process under the DELUSION you'll make it work better. All you will have accomplished is to have **GUARANTEED THE FAILURE!**

We've had enough of those in such abject stupidity **and I am ordering it to stop!** Either you are going to operate as True and Righteous Akurians or you're going straight to Hell with the Heathen. There is no middle ground on that issue. If you have a personal agenda of any kind, and regardless of the reason, you can use these tactics in your own **solitary** Invocation as often as you wish. You can make up your own process, visions and all, and raise as much Hell as you want; but when you're part of a Team even during personal training and study do **EXACTLY** as instructed; **nothing more, nothing less**, and leave all your nonsense somewhere else.

I have very little time left, and I need you to be as trained and expert as possible. I do not need any jackass and neither do the other Akurians.

ARE THERE ANY QUESTIONS?

ONE MORE TIME:

Target Media:

This Troop of Akurians is going to LIMIT itself to One Media Bastard, **William James "Bill" O'Reilly, Jr.** for discernment and justification of our Judgment. He has already proven himself worthy of Immediate Disaster and Eternal Destruction and will be hammered into oblivion in disgrace and dishonor. Then as Holy Law requires, we will further exterminate and burn all his family, whores, associates and supporters. Those who are already deceased will be further adjudicated and sent to Hell for their share of the failures and desecrations against True Righteousness.

This Instructional is limited to selecting and killing the correct and guilty **socialist** bastards. We will begin and end this Instructional Session targeting one media entity: **William James "Bill" O'Reilly, Jr.**; although the process will perform equally well against any and all other enemies of Akuria. We will get to all of them in due time.

Command Marshal General Budagher, read the Establishment of Power and Authority:

True and Righteous **Proven Knowers of The Great Testimony** and all Akurians throughout all Creation, hear me:

As it was given of The Most High by Supreme Lord Anointed Immanuel ben

Joseph ben Nazaratti (Matthew 10:28): **"And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in Hell;"** and confirmed (Luke 12:5): **"But I will forewarn you whom ye shall fear: Fear him, which after he hath killed hath power to cast into Hell; yea, I say unto you, Fear him."** The Most High Lord God of All Creation, ALIHA ASUR HIGH, Himself, has testified to us: Supreme Lord of all High Lords El Aku ALIHA ASUR HIGH has both the Power and the Authority to destroy the body and cast body and soul into Hell at his leisure; and to Commission all his Powers and Authorities upon the True and Righteous until Shiloh; thus do we adjudicate The Damned and Testify against them now and in the Judgment to come.

We are going to put that fear in each and every *socialist* and those in authority without exception and across the board. Burn the bastards at the slightest provocation. Concede nothing, for anything and everything you concede will be turned against you a thousand fold. Make them cross the street rather than pass you and have you disapprove of their tie or even their shoe shine. Detail them. Look for things to gut them: Then gut them. Once proper respect for the Fire Power of The Most High and His Holy Law is restored, the Constitution of the United States will again be the highest Law of the Land and there won't be any *socialist* whining about what it really means in the unwritten details.

With the POWER, to not only execute, but to also burn BOTH body and soul in Hell, ***our responsibility is equal to our authority!*** We TARGET via discernment and common sense and hit those deserving. That said, **Proven Knowers of The Great Testimony** are also Judges in due time, and are required to do Justice without any bias whatsoever. Akurians must be and remain **ABSOLUTE** in The Sight of The Most High without deviation from Holy Law or exception to our required duties; and the public atrocities of all Major Media is both a call to Arms and a clear and present danger.

We cannot attack without true cause ***nor fail to attack in the sight of true cause;*** accuse without absolute evidence; excuse without due discernment ***and*** documentation of innocence; nor condemn, sentence, punish or execute without due process that will stand in The Sight of Absolute Truth. We dare not act nor harm without accurate verification and determination of true Justice, ***and we dare not delay to act when Justice is required.*** Thus the immediate and total extermination of virtually all Major Media personalities, officers, staff, ***and manipulators,*** is justified and our Righteous Duty.

Knowing involvement in the current election fraud alone is more justification than otherwise required.

We normally do not send forth ***Death and Eternal Extermination*** on the basis of religion whether Catholic, Christian, Muslim, Levite, Jew nor any other; but on the basis and requirement that we be Witnesses, Judges and Executioners of any and all Marxists, Communists, Fascists, **Socialists**, Progressives, Journalists, Court Judges, Elected and Appointed Officials who in any manner whatsoever do not adhere to, enforce, support, protect, defend ***and obey*** that Holy Document, the **Constitution of the United States**, regardless of consequences; specifically but not limited to: this

current Administration, Congress, Judicial System, Law Enforcement, State and Local government without exception.

In this Invocation of Testimony we are going to concentrate on the otherwise most-immune of all involved personnel: **those in Media**; To Wit: **Journalists**. Within the provisions of our Spiritual Powers and Authorities as endowed upon, and Commissioned to, those Akurians who are, or are associated to become, **Proven Knowers of The Great Testimony**: we are going to select them, execute them, and burn them in Hell for all Eternity. No exceptions.

For those duly Commissioned and Empowered, the process of **Absolute Extermination** is as simple to perform as it is to describe **unless somebody decides to jackass**. The limitations are demanding and cannot be ignored without severe, if not extreme, penalty. **Set your mind first to do no harm to any innocent and to spare no destruction upon any guilty: and you will be safe from any and all consequences of error**. The limitation within that limitation is **"by what standards you do act?"** Outside of Holy Law the options are without limit, inside of Holy Law **UN** justified activity will rebound with devastating results. That said, from either when properly performed, there is no escape, so be aware of your intentions at all times in all instances.

For example, a street punk is outside Holy Law and whether they are an immediate threat to you, or at all, is not a matter for consideration. The fact they are a street punk is prima facie evidence they are a threat via potential threat and an UN-holy example to all other people. Total extermination of such elements and culture is the sole and exclusive remedy and cure.

The same applies to the knowing- **socialists** of media. They cannot be in the position of access to massive amounts of information and historical data, and not be fully aware of those eventual results, when they deliberately perpetuate **knowing lies** as 'news' regardless of the subject matter! Their glorification and public exposure **better known as advertising** of morally-bereft personalities and legislations are prime examples.

That magnanimous liar and public hypocrite **William James "Bill" O'Reilly** who feigned moral outrage during coverage of Whitney Houston's drug-induced death about the media's responsibility with respect to the massive exposure and glorification of dopers all over the Entertainment Industry to the youth of America. He knows, as does everybody else in media, that ANY publicity is ADVERTISING! Thus the adage, **"say anything you want, just spell my name right"** is as old as publicity itself. O'Reilly runs his hypocrite mouth about coverage, aka glorification of the narcotics culture of entertainment, but refuses to report **and thus expose** anything about the **nonexistent** U.S. birth certificate of Barack H. Obama; and even less about Obama's criminal use of the late Jean Paul Ludwig's (1924-1977) Social Security Number.

Thus, said **William James "Bill" O'Reilly, Jr.** is one of those we need to remove from his glory position of the air waves and from humanity at large. The same 'journalistic opinion' (I hope I got enough contempt in that) is rampant throughout all Main Stream Media and the Akurians are going to deal with all of them in the only language they all fully understand. And, lest there be questions: NO!, we are going to apply the Process of **Absolute Extermination** across the board upon **all** the vile and

corrupt. We're just going to practice on the Media until we become infinitely proficient. And after the last jackassing that resulted in total failure **by doing exactly what I said NOT to do** we're going to target **William James "Bill" O'Reilly, Jr.** again; and we're going to STAY on **William James "Bill" O'Reilly, Jr.** until this Holy Order takes him down to Hell where he belongs.

The only media personnel we need not hammer into oblivion are those on Conservative Talk Radio which is virtually alone in the industry like those akin to Alex Jones at Prison Planet, one of the most-prime internet examples of TRUTH warts and all. Those patriotic conservatives need not **indeed must not** be hammered. In fact, we must protect and defend the Conservative Media as it is the last bastion of TRUTH dispensed to the public. We will call them into account when they are in error, and expect immediate correction. Liberal Talk Radio has gone bust of its own asinities since day one, so we need not waste any energies there.

Akurians are people of Power and Great Authority. And we are going to use both.

For the record: We are going to execute **socialists** across the board, starting with Major Media personnel whether print, radio or television. These bastards must DIE as disgracefully as possible even if they choose suicide to escape the consequences for their knowing damned lies and treasons. If they crash in an elevator, die in a house fire, miss a bridge, drive off a hill, sink in a boat or get caught in a rip-tide, death is still death. That said, we must NOT permit them to die via the actions of some manipulated psychopath, as THAT opens the doors to more legislated communism and will not satisfy the Energies we want put back on track. They must die in disgrace of their own energies; all part of the vision when we select the next bastard on the list.

Repeating for the record:

We are not going to execute anybody we don't also burn in Hell! We CAN do it, we WILL do it, because we MUST do it!

Now comes one example of the ENERGY part.

Any LIFE ENERGY can produce as much death as it can LIFE! The Sun is an excellent example; giving LIFE to the entire Planet wherever LIFE is found. Remove the protective layer of AIR the Sun has also provided, and it's more deadly than anything else in this System. Since the Sun is primarily a LIFE source we will not use the Sun in this instance.

And here's the **HOW TO:**

For tonight's lesson you will only need access to yourself. There are no Body of Light or Body of Fire requirements, no Planes of Heaven or Depths of Hell excursions, and no invocations of either Angelic Entities or Grand Elements of Creation. In fact, the use of any of the above in such exterminations are **detriments** to the required forces as they are all parts and parcels of LIFE. Even the Horrors of Hell are penalties for misconduct in LIFE!

You will need and use only your ability to discern and Invoke as instructed. Simple

as that.

All it takes for **Absolute Extermination** is **(1) justification under Holy Law; and (2) properly directed forces**. Justification of the general media is absolute due to its massive contributions to and toward **socialism**.

Socialism is Demonic. Period. Now as a TEAM effort we need only have the SAME **AS IN EXACT SAME** perception of the Death Emblem. There can be no excuse for anybody not having the same view as ***the world's greatest Spiritual Death Emblem is the Christian Cross*** and everyone knows what they look like. To make sure we all have the same perception, on my command and NOT before: everybody will envision a plain, neutral gray like a gravestone cross embedded into the targeted entity. Now get that: I said "neutral gray like, as in the color of a gravestone I did NOT say made of gravestone! When I give the command, you should visualize ENERGY, not rock: ENERGY the color of gray gravestone rock, in the shape of a Christian Cross the Emblem of Death!

Inserting that image into anybody's head and consciousness, you have effectively put DEATH within them. How strong and immediately effective that DEATH will occur depends entirely on the quality of the TEAM **SAME-VISION SAME-TARGET** process. We'll rehearse that more later in the application of this Instructional.

For those who want to practice alone, the view of the targeted bastard IN a casket, open or closed, is equally effective as long as you've done your preparation properly: **(1) justification under Holy Law; and (2) properly directed forces**. Two people attempting to envision a coffin and not seeing the exact same coffin ***is a detriment***, different energies pulling different directions as just explained.

In this practice of **Absolute Extermination**, when done properly, we need not exterminate anything other than the targeted bastards, and **those** one at a time. As a TEAM, we only need to see the same thing the same way and the same target. The same target need not be in a photograph, although photos do help. That's why I emailed everybody a copy.

We're after **socialists**, Major Media moderators and perpetual guests of network news and columnists of all major publications. If you're not familiar with the intended victims, take the time to search the net and download their current photos: ***AND DO IT WITHIN THE NEXT FEW DAYS, THIS WEEK IS POSSIBLE. YOU ARE GOING TO NEED THOSE PHOTOS*** so get them and share them! Save them somewhere IN ADDITION TO your emails on a disc if possible as the bastards are going to spare nothing to crash and destroy our systems and access as soon as they find out and confirm from their handlers that the Akurians have put this hard and merciless hammer in their respective asses.

This process of **Absolute Extermination** is an exacting requirement and any other attachments or diversions whatsoever will nullify even the best of Invocations. Strange as it may seem, the more simple a Spiritual Process seems to be, the more exacting that Spiritual Process becomes. You do not need to leave your body, make or use a Body of Light or Body of Fire. You need only discern the target, as it actually exists within your Sphere of Existence, and discern its energies. Nothing more.

This is WHAT we're going to do WHEN we get to doing it. Until I give the order,

DO NOTHING of this preparation and LEARN what we're going to do and the sequence we're going to do it. DO NOT start your sequence until I give the Order; otherwise you're going to jackass this whole lesson **AGAIN!**

The Absolute Extermination procedure:

You will discern and locate the living body of: **William James "Bill" O'Reilly, Jr.** You will not use a Body of Light or Body of Fire, you will just discern the bastard from wherever you are as he exists within your Sphere of Existence and thus in your Sphere of Cognizance.

When I command it, you will envision a plain, neutral gray cross, the Emblem of Eternal Death, embedded in **William James "Bill" O'Reilly, Jr.'s** head! That's right, **HEAD**, where the consciousness is, the cross bar embedded ear-to-ear; the pinnacle reaching the top of his head, the post reaching down into his throat area. Since all of us are using the same photograph there SHOULD NOT be any size difference to distract energy. DO NOT insert a ping-pong ball or anything else, as the target will KNOW instantly, then and there, they have been adjudicated to immediate Death.

You will hold the vision until you physically feel the Emblem of Eternal Death merge with the living forces of **William James "Bill" O'Reilly, Jr.** The instant you feel the energies merge, that's the same instant the target will have their own revelation about their immediate impending death. Every time they are hit, their own thought forces will bring their death closer AND THEY WILL KNOW IT without knowing one damned thing they can do about it. There is neither defense nor escape. Period.

Once a victim has been exterminated, then discern their soul (or remaining consciousness) and deliver and bind them to Perdition to remain there forever.

Tonight, we begin that process of **Absolute Extermination**, starting with **William James "Bill" O'Reilly, Jr.**

The exact requirements one more time:

(1) Justification under Holy Law; and (2) properly directed forces.

We will select **William James "Bill" O'Reilly, Jr.**, discern him again with respect to his **socialism**, whether favored or coerced. Do not attempt to discern beyond the targeted personality as to layers or job requirements, if they smell of **socialism**, they are **socialists!** Period. And we shall deliver destruction and Hell upon them accordingly.

Akurians, on my command:

Discern **William James "Bill" O'Reilly, Jr.** and let the ENERGIES of **William James "Bill" O'Reilly, Jr.** tell you the nature of **William James "Bill" O'Reilly, Jr.** Read him and read him well. When you are finished, return to yourself and let me know: GUILTY or NOT GUILTY according to your discernment.

Roll Call:

NOW, LEST WE JACKASS LIKE THE LAST TIME:

We will all envision a plain, neutral gray cross. GET THAT: a plain, neutral gray

cross; NOT wood, NOT gold, NOT plastic, NOT stone: plain, neutral gray the color of a tombstone cross. NEVER use Gold to execute as Gold is an Eternal. For those of you who don't know, all the gold spoken of in history is still in existence! Most of it melted down into treasury bars, and some lost at sea or buried; but all of it is still in existence because gold does NOT rust, tarnish, corrode or deteriorate. And THAT is what makes it Eternal. NOT wood as no two of you can imagine the same wood grain; and THAT is the exact detriment and diversion of energy that jackassed the last effort. Nevertheless, the emblem for this Invocation of Testimony is a plain, neutral gray cross made out of energy. NO exceptions and NO deviations.

Now let's kill the bastard!

Akurians, on my command:

Locate the living body of: **William James "Bill" O'Reilly, Jr.**; he is still in your Sphere of Existence.

Now envision a plain, neutral gray cross, *the Emblem of Eternal Death*, and embed it in **William James "Bill" O'Reilly, Jr.'s** head; the cross bar embedded ear-to-ear; the pinnacle reaching the top of his head, the post reaching down into his throat area.

Hold the vision and bind the Death Energies until you physically feel the Emblem of Eternal Death merge with the living forces of **William James "Bill" O'Reilly, Jr.**

Once those energies have jelled into one, just let them both go.

Immediately upon report that **William James "Bill" O'Reilly, Jr.** has departed his earthly body, gather him and cast him into Perdition. Each of you, as some will fail and others will find he is already in Perdition, showing somebody here didn't fail! Bind him to Perdition until Shiloh and let Righteous Justice take its course. The way Akurians do things, layer upon layer until Hell freezes over.

The same process and procedure works to exterminate *as we deem necessary*.

Now that everybody has the resources and the Knowledge, I order each of you to perform this Invocation of Testimony against at least one Media Personality your choice in addition to Jail Bars against Barack Hussein Obama every day. No exceptions. This Vision, this Invocation of Testimony, every day and as often as possible.

Put your photos where you can easily access them. If you can't get the damned things to print like we couldn't get them to email let me know and we'll send you printed color copies.

ARE THERE ANY QUESTIONS?
