

## BODES OF HADES POWERS OF HELL

Part, the Tenth

2 September 2012 - 15 Elul 5772

This Instructional will be as much new Training and Information as it will Directed Practice.

This Nation has had an extreme change in its Political Energies, some of which sit squarely at the feet of some Akurians. Nevertheless, we, The Akurians, are going to repair those damages to the greatest extent possible. Before this Instructional is completed we are going to use some of our advanced Spiritual FirePower and training to hammer Hell itself into the sources and origins of all OWG operations beginning with the Anunnaki, Nefilim, Grays and other ExtraTerrestrials currently operating on, in, under and over this planet and contaminating this Solar System by their very presence.

Those of you who have properly and faithfully rehearsed The Great Awakening, are now fully aware these are NOT easy accomplishments and take a great deal of practice to achieve to any appreciable degree of dependable FirePower. The Great Awakening was delivered to all mankind by Immanuel and any and all rituals other than this hard-given practice are more Blasphemes than Righteous. Since His resurrection, nobody has had to pay any initial spiritual-block penalty for their violations as THAT was what Immanuel paid for in FULL.

That Great Babylonian Harlot at Rome and Constantinople and all her Fallout Harlot Christian Daughters, Catholic Masonic Knights of Columbus (the original organization from antiquity) Masonic Lodge, Knights of Columbus, Temple Israel; the whole of Islam both Sunni and Shiite; Khazars, Ashkenazis, Eastern Tribes of Churches and Religions with the sole exception of Tibetan Buddhism (who first seek the Spirit Planes of Existence), Atheists, Satanists, Marxists, Communists, Fascists, Socialists, Progressives, regardless of their 'for-the-public' disguise: and any and all ExtraTerrestrials, including Grays in all their various shades of White, Blue, Green, Violet, Yellow, Brown (sand color tan), Red (more of a pink), Reptilians, Ikels, Satyrs, Setyrs and Morobi (Bigfoot); and the ancient Maiti Mlaji [ ?????? ??? in Hebrew] known as "corpse eater," Anunnaki, Nefilim and most Anusazi are all grouped together as those who are fanatically dedicated to the destruction of any and all freedom of thought, activity and movement of everybody except themselves. Immanuel, by removing all the actual barriers to all of Creation blew that whole scenario out from under all the above perpetrators ancient and modern and we, the Akurians, are Charged and Commissioned to make damned sure they never forget it!

Always remember: the only differences between the entire lot of the above are physical shape in some cases and levels of technology. Morally, it's impossible to differentiate any one from any other whether singularly or in a mob.

The reason behind all these intrigues and atrocities? The mineral wealth of Planet Earth! And why not space itself where uncounted billions of tons of each and every mineral and compound, including water, in existence is floating around and free for the taking? The answer is AIR! A pressurized atmosphere that doesn't require anything equipment-wise to exist or operate in it. In short, it's cheaper to mine an atmospheric planet, like Earth, than to gather or mine in the vacuum of space. Precious metals like gold, silver, platinum, palladium, copper, zinc, chromium, molybdenum, iron and aluminum can require a lot of HEAT and ELECTRICITY to separate and process. That HEAT and ELECTRICITY requires a lot of OXYGEN to burn the fuel, and in space the cost of reprocessing to recover the OXYGEN alone is enormous while using naturally regenerated OXYGEN via the ecological makeup of the Planet costs nothing.

And what does all this inner/outer space of ExtraTerrestrials have to do with the Spiritual Realms, Angels, Demons and Humanoids?

Everything! (1st) Earth Plane based lifeforms need all the consumables, even those in micro-quantities can be absolutes for life and continued existence. (2nd) Because there IS a Most High Lord God of All Creation, there are also the Spiritual Issues.

Those Spiritual Issues are the fly-in-the-ointment and great chink-in-the-armor of all those living higher lifeforms! There is LAW! Universal Law; Holy Law; Legislated Law, take your choice. That which lives has a right to live until it is consumed in the food-chain or until it wears out and returns to fluid energy as all matter eventually does. That which lives has a right to Spiritual Issues. They also have the opportunity to violate and abuse those Spiritual Issues. But they cannot do so without their own innate making them fully aware, knowledgeable and understand that such violations and abuses come with, and require, penalties. And no amount of programming, even for generations, will change that fact for anyone who will look within their own innate. True Spiritual Law is the most exacting and the most severe in that regard.

Because we, The Akurians, have chosen to be True Spiritual Beings in The Sight of The Most High Lord God of All Creation, the battle lines are drawn. We are a very few, and the full muster of all the above are very many. Even so, The Most High, Himself, has already established and ordained our ultimate victory under the same irrevocable Holy Law that He caused the rescue of all living souls of the Anusazi via Immanuel.

It should come as no surprise that True Practices of True Holy Law and True Spiritual Issues are an EXACTING SCIENCE. Do it correctly and it works the same way every time. Inject the slightest deviation, whether in ignorance or deliberate stupidity, and it's subject NOT to work at all. And it's fully guaranteed to work at a far lesser, if not disastrous, result for even the smallest error.

The Great Awakening requires PRACTICE and REHEARSAL until these processes are the norm and on-demand regardless of any situation or condition. And, we need to PRACTICE and REHEARSE them the way they are taught; paying exact attention; leaving nothing out; adding nothing in: until we are Knowing Masters of WHAT we are doing and the CONSEQUENCES of doing it. Taking on Lord Lucifer in his own Domain of the Depths of Hell is NOT a 'praise-Jesus' pusswilly run; and you are NOT going to get one whit more Knowledge or FirePower than your PRACTICE and REHEARSAL will justify.

Let me remind you again: until the Days of Shiloh you are going to be required to be and deliver as a TEAM. Anyone off on their own idiocies is NOT a member of a dependable TEAM and their destruction will be upon their own head. I have warned you often enough, yet these 'superior-than-Bobby' stupidities continue to exist.

ARE THERE ANY QUESTIONS?

FULL BODY SUPER SENSE  
THE GREAT AWAKENING

You will note we will NOT make or inject any kind of Sun Energies or Forces and specifically Black Fire in the process of creating or charging this new FULL BODY SUPER SENSE!

No. It is not a method to my madness. It's ages of experience. Any and all such Sun Energies, Forces and specifically Black Fire are detriments to your application of FirePower throughout entire Creation! And WHY is that? Because other Galaxies and Solar Systems are made of different balances of energies, forces and physical materials: and to operate freely there you MUST NOT be limited or entangled in energies, forces and physical material balances of ANY PLACE ELSE including here! Add an irretrievable Sun Link to your FULL BODY SUPER SENSE and you are LIMITED there because you are attached to THIS Sun! Light as it exists elsewhere may be different in frequency and reflection, but it's

still LIGHT and can be used to make BODIES OF LIGHT just like we do from here on Earth. Being able to read there with your FULL BODY SUPER SENSE is one thing, having it embound with LIMITING energies and forces is quite another. As long as you're here, you can operate there; but once there, THOSE RULES APPLY.

If you've already made an irretrievable Sun Link to your FULL BODY SUPER SENSE let me know privately and I'll walk you through the process of repairing it. It's not easy, but it can be done. However, note and note it well: in some places a FULL BODY SUPER SENSE is impossible to make/create and either you have it on arrival or you do without as long as you're in that area: and some tours can be millions of years!

Akurians, on my command, and not before: we are going to make a FULL BODY SUPER SENSE and CHARGE and ENERGIZE it.

Listen carefully, and I said LISTEN! DO NOT attempt this process until you are fully informed of this process and can do it together as a part of this TEAM! Each Akurian will add their FirePower to all the others as we proceed. This is WHAT we are going to do, on my command, and not before: when we get to the actual procedure, You'll need both hands free ...

AKURIANS CLEAN YOUR HANDS:

DISCERN your hands.

AKURIANS CLEAN YOUR FEET:

DISCERN your feet.

Visualize a SQUARE of WHITE SPIRITUAL LIGHT on the bottom of your big toes both of them at the same time and balance your BRAIN-ENERGY.

AKURIANS CLEAN YOUR FACE - ENERGIZE YOUR HEAD!

Fill both hands with WHITE SPIRITUAL LIGHT and completely fill your HEAD with those Spiritual Energies.

Deep breath in hold for a count of five exhale and breathe back in, NEVER leaving the lungs empty. You should need no more than FIVE breath procedures. At this stage, you're not building FirePower, you're establishing cognizance to attain and properly handle unlimited FirePower! If done properly you will DISCERN that WHITE SPIRITUAL LIGHT moving from your hands and into your head.

On my command, and not before: make another BODY OF LIGHT as per normal, to leave inside your body, not even extending out as far as your clothes. Now make another disc of WHITE SPIRITUAL LIGHT just above your head; and out of your own energies CHARGE IT with AKASHA, AIR, FIRE, WATER and EARTH; then move it DOWN through your body, head to feet, letting it attach and disburse itself as it will do of its own. Using your own energies is critical as this FULL BODY SUPER SENSE must be yours and yours alone and THAT is why you use your own energies to formulate the CHARGE energies and forces.

THAT will be a new, reworked and much-improved FULL BODY SUPER SENSE! Never permit it to leave your physical body. It's sole and exclusive purpose is to READ any and all energies from wherever they are or originate in all Creation and to inform you! It cannot do that outside of you and cannot prevent doing that while inside of you. YOU will still need practice reading what it's telling you all it will need from now until Shiloh is a bit of WHITE SPIRITUAL LIGHT and a RE-CHARGE of AKASHA, AIR, FIRE, WATER and EARTH from your own energies.

NEVER confuse or mingle this FULL BODY SUPER SENSE with any other BODY OF LIGHT or any other spiritual entity you may make and use at any time for any reason. And when DISCERNING even for the purposes of healing, NEVER permit anyone or anything to attach themselves to your FULL BODY SUPER SENSE!

ARE THERE ANY QUESTIONS?

Rehearsal Drill:

AKURIANS CLEAN YOUR HANDS:

DISCERN your hands.

AKURIANS CLEAN YOUR FEET:

DISCERN your feet.

Visualize a SQUARE of WHITE SPIRITUAL LIGHT on the bottom of your big toes both of them at the same time.

AKURIANS CLEAN YOUR FACE and ENERGIZE YOUR HEAD! :

Deep breath in hold for a count of five exhale and breathe back in, NEVER leaving the lungs empty. If done properly you will DISCERN that WHITE SPIRITUAL LIGHT moving from your hands and into your head.

Make another BODY OF LIGHT and leave it inside your body.

Now make another disc of WHITE SPIRITUAL LIGHT just above your head; and out of your own energies CHARGE IT with AKASHA, AIR, FIRE, WATER and EARTH; move it DOWN through your body, head to feet, let it attach and disburse itself as it will. If done properly you will DISCERN that WHITE SPIRITUAL LIGHT locating and noting every Energy Point in your body.

Akurians, on my command:

Put down your phones if necessary and use both hands as required.

Proceed to make yourself a new FULL BODY SUPER SENSE!

You have one minute to complete the process.

THAT is your new and much-improved FULL BODY SUPER SENSE! It's sole and exclusive purpose is to READ any and all energies from wherever they are or originate in all Creation and to inform you! It cannot do that outside of you and cannot prevent doing that while inside of you. YOU will need practice reading what it's telling you all it will need from now until Shiloh is a RE-CHARGE of WHITE SPIRITUAL LIGHT and a RE-CHARGE of AKASHA, AIR, FIRE, WATER and EARTH from your own energies.

ARE THERE ANY QUESTIONS?

Now we get to FULL BODY DISCERNMENT.

Akurians, when I command, and not before: we are going to do a skull, neck and backbone DETECTION and DISCERNMENT; which are TWO different things. In order to achieve a FULL BODY DISCERNMENT one must also include the Spirit Brain functions and their connections to the nerve systems in the skull, neck and backbone. And THAT is what we are going to do again - next.

The Great Awakening: each and every True and Righteous Akurian has full and unfettered access to This Sacred Ground. It can be lost, especially by NOT practicing, incompetence or just plain stupidity. The Powers and Abilities of the True and Righteous Akurians cannot be faked, and cannot be mocked or denigrated even in ignorance without severe and extreme penalties. If we can't play jackass among ourselves and we can't make no mistake we can cram Hell Itself into anybody or anything else that even hints at jackass toward us!

Pay close attention and do not interrupt until given permission to ask questions.

What you are going to experience again is really a DISCERNMENT nightmare. Everything about you and all experiences bad, good or indifferent are recorded in your skull, neck and backbone nervous system: your BRAIN and SPINAL CORD. With practice, you can detect each of them individually, determine which and/or what caused any to be and/or act the way it does and correct as may be

necessary. There are very few physical limits, even fewer of mind, and none with respect to Spirit or the accumulation of Knowledge and Understanding except the time in this life to achieve it. One of the physical limits is: in accordance with natural law, the materials of our bodies wear out. They become weak with age and eventually just won't work anymore.

Akurians, on my command, and not before: you will make a disc of WHITE SPIRITUAL LIGHT above your head to move down through the nerve system of your BRAIN-SPINAL CORD ignoring all the bone and other structure. Nowhere else! Nothing else. CHARGE IT with AKASHA, AIR, FIRE, WATER and EARTH of your own energies.

When you are properly DISCERNING you will experience the changes in your disc of WHITE SPIRITUAL LIGHT and the small flashes of light in your nerve system BRAIN-SPINAL CORD of your skull, neck and backbone down to your tail bone. The disc of WHITE SPIRITUAL LIGHT will be virtually gone by the time you reach your tail bone: and that is ideal! It's as much a physical/health recharge as is it a Spiritual Recognition. It is a great strengthener of all your nerve systems that operate, maintain and repair your body. By doing this just once, you will note an instant improvement in your senses of SIGHT, HEARING, TASTE, TOUCH and SMELL, a cognizance which in turn will enhance your abilities to DISCERN and READ your new FULL BODY SUPER SENSE.

Because you are DISCERNING inside yourself does NOT preclude using your FULL BODY SUPER SENSE to do it. Be prepared for a Great Awakening of yourself such as you have never dreamed of before. And the more often you exercise the practice, the better.

Akurians, on my command:

Make a disc of WHITE SPIRITUAL LIGHT above your head, CHARGE IT with AKASHA, AIR, FIRE, WATER and EARTH of your own energies, move it down through the nerve system filling your entire area and of your BRAIN-SPINAL CORD; ignoring all bone and other structure.

Observe the changes in your disc of WHITE SPIRITUAL LIGHT and the small flashes of light in your head, BRAIN-SPINAL CORD all the way down to your tail bone. Now you should notice an immediate increased sense of your abilities: SIGHT, HEARING, TASTE, TOUCH and SMELL, which in turn will enhance your abilities to DISCERN and READ your new FULL BODY SUPER SENSE.

Now using only your FULL BODY SUPER SENSE do the same thing with your BRAIN-SPINAL CORD! It will take a few minutes for you to adapt to DISCERNING and READING yourself in such manner. This is the only living process to attain The Great Awakening!

Let me know when you are finished.

You are now able to DISCERN and READ all other life forces and energies including the lack or absence of life should that be the case. With practice you will be able to DISCERN and READ a water source and know if there was ever a life-form in it; if there's any in it at the time; what they are; where they are; how many there are; and how to retrieve them should you need to eat! As I instructed last week, at your next opportunity, put both hands around a leaf of any kind; a flower or even a blade of grass. Don't pick it, just put both hands around it and DISCERN it. You're in for a shock as to what it's own life energies are about as IT understands them! And especially the fact that wildlife, plant or animal, have neither knowledge nor concern for The Great Awakening!

Akurians, orders for next Sunday Training:

Have your FULL BODY SUPER SENSE fully functional and be as adapted to The Great Awakening as you can possibly be. Where we are going next, there isn't any room for, or tolerance of, ignorance or inexperience. Each following week's Instructions are going to get more dangerous and more exacting in process and procedure.

HAARP MOON BASE ANU  
PREPARATION & STRIKE  
2 September 2012 - 15 Elul 5772

Locate Assigned HAARP Installations.  
Locate Moon Base Anu.

TARGET: Assigned HAARP Installations;  
TARGET: Moon Base Anu.

Akurians, on my command:

Keep your FULL BODY SUPER SENSE inside your body; and make a new BODY OF LIGHT to expend in this attack invocation as an ENERGIZED BODY OF FIRE:

AKURIANS CLEAN YOUR HANDS:

AKURIANS CLEAN YOUR FEET:

Visualize a SQUARE of WHITE SPIRITUAL LIGHT on the bottom of your big toes both of them at the same time.

AKURIANS CLEAN YOUR FACE and ENERGIZE YOUR HEAD:

Deep breath in hold for a count of five exhale and breathe back in, NEVER leaving the lungs empty.

Make another disc of WHITE SPIRITUAL LIGHT just above your head; and out of your own energies CHARGE IT with AKASHA, AIR, FIRE, WATER and EARTH; move it DOWN through your body, head to feet, let it attach and disburse itself as it will.

Project your ENERGIZED BODY OF LIGHT into the center of the Sun! Expand your ENERGIZED BODY OF LIGHT in all directions to be 800,000 miles in diameter. Attach all Destructive Powers, Energies and Forces of the Sun and Black Fire you can muster to your ENERGIZED BODY OF LIGHT and turn it into an ENERGIZED BODY OF FIRE. Take all the available ELEMENTS present in the Sun, AKASHA, AIR, FIRE, WATER and EARTH and BIND them to this ENERGIZED BODY OF FIRE to make the most powerful Sun Link possible.

Akurians, stand your CHARGED and ENERGIZED BODY OF FIRE out from you at any close distance. This is the ENERGIZED BODY OF FIRE we're going to use in an overt act of WAR!

You should have a fully CHARGED FULL BODY SUPER SENSE and a fully CHARGED and ENERGIZED BODY OF FIRE. If not, let me know immediately.

Take cognizance of your FULL BODY SUPER SENSE ... Remember, NEVER send this FULL BODY SUPER SENSE out of your body!

Now, using your FULL BODY SUPER SENSE clear everything but INCOMING energies ... specific to your assigned HAARP installation ... whatever is there, let the energies tell you. You will note some degree of mis-operation, but certainly not enough. We intend to cure that. We intend to disrupt every operation of whatsoever nature in each and every HAARP installation regardless of where it's located or it's level of command in the HAARP organizations.

Note via your FULL BODY SUPER SENSE the extended reaches of the HAARP installation chambers. How far do they go; which are the main corridors ... to main intersections ... to other installations. Who/What are the authorities in charge ... their location ... staff, management, facilities ... let the

energies tell you. When you are given your HAARP Installation assignment, use your FULL BODY SUPER SENSE to DISCERN it in as much detail as you can accomplish.

HAARP Assignments:

Command Marshal Budagher = HAARP China  
Command Marshal Shams-Avari = HAARP United Kingdom  
Supreme General Schipul = HAARP Area 51 Nevada  
Staff General Clark = HAARP Long Island New York  
Brigadier Meinke = HAARP Puerto Rico  
Brigadier Malone = HAARP Gakona Alaska  
Brigadier Siler = HAARP Peru  
Colonel Davis = HAARP Brazil  
Colonel Riggs = HAARP Australia  
Major Martin = Eiscat HAARP Norway  
Major Kilpatrick = HAARP Japan  
Weldon Brinson = HAARP India  
Doreen McCaul = HAARP Russia

I will take = Australia Defense Radar

You have one minute to complete the process.

Now that you have data about the place ... this is your intended target.

Akurians, on my command:

Fly your ENERGIZED BODY OF FIRE to your assigned HAARP installation and all its SUBTERRANEAN tunnels and chambers you just DISCERNED, and release it to be an avenging monster killing and destroying everything there. All you have DISCERNED is its TARGET BASE and it has no other purpose than to slaughter and destroy continuously, minute by minute, hour by hour, day in and day out, from now until Shiloh.

It may take some of you a few minutes, but make sure you do it as I instructed. Add nothing, omit nothing.

Let me know when you are finished.

Akurians, on my command:

Keep your FULL BODY SUPER SENSE inside your body; and make a new BODY OF LIGHT to expend in this attack invocation as an ENERGIZED BODY OF FIRE:

AKURIANS CLEAN YOUR HANDS:

AKURIANS CLEAN YOUR FEET:

Visualize a SQUARE of WHITE SPIRITUAL LIGHT on the bottom of your big toes both of them at the same time.

AKURIANS CLEAN YOUR FACE and ENERGIZE YOUR HEAD:

Deep breath in hold for a count of five exhale and breathe back in, NEVER leaving the lungs empty.

Make another disc of WHITE SPIRITUAL LIGHT just above your head; and out of your own energies CHARGE IT with AKASHA, AIR, FIRE, WATER and EARTH; move it DOWN through your body, head to feet, let it attach and disburse itself as it will.

ENERGIZED BODY OF FIRE. Take all the available ELEMENTS present in the Sun, AKASHA, AIR, FIRE, WATER and EARTH and BIND them to this ENERGIZED BODY OF FIRE to make the most powerful Sun Link possible.

Akurians, stand your CHARGED and ENERGIZED BODY OF FIRE out from you at any close distance. This is the ENERGIZED BODY OF FIRE we're going to use in an overt act of WAR!

You should have a fully CHARGED FULL BODY SUPER SENSE and a fully CHARGED and ENERGIZED BODY OF FIRE. If not, let me know immediately.

DISCERN the Moon Base Anu with your FULL BODY SUPER SENSE.

Akurians, move this new ENERGIZED BODY OF FIRE to Moon Base Anu.

Merge your ENERGIZED BODY OF FIRE with that of the nearest Akurian and compact them into the 50-mile by 50-mile by 50-mile area. Now send your combined ENERGIZED BODIES OF FIRE into the underground passageways and chambers beneath the installation: burning and destroying all systems and equipment, everyone and everything. If it is anywhere inside the Moon Base Anu structure load it with unquenchable FireEnergies of the Sun and destroy it. Infect it with the most-Destructive Powers, FireEnergies and Forces of the Sun including Black Fire and bind your ENERGIZED BODY OF FIRE to forever remain and to forever destroy until you, alone, remove it.

Akurians, bind the Forces you have commanded to remain forever. Release yourself from the total Destructive Powers, Energies and Forces at Moon Base Anu and prepare to recharge yourself.

Let me know when you are finished.

Recharge your FULL BODY SUPER SENSE.
