

BODES OF HADES – POWERS OF HELL
Part, the Eleventh
9 September 2012 - 22 Elul 5772

TARGET: All HAARP Global Installations;
TARGET: OWG Organizations and Personnel;
TARGET: Democratic and Republican Parties.

First, *let me remind you again: until the Days of Shiloh you are going to be required to be – and deliver – as a TEAM.* Anyone off on their own idiocies is NOT a member of a dependable TEAM and their destruction will be upon their own head.

Akurians, you will need immediate access to your **FULL BODY SUPER SENSE**. Either access yours now, or make a new one to access while I continue with this Instructional. CHARGE your **FULL BODY SUPER SENSE** with **WHITE SPIRITUAL LIGHT** and AKASHA, AIR, FIRE, WATER and EARTH *from your own energies*.

Your **FULL BODY SUPER SENSE** should be fully functional and adapted to **The Great Awakening**. Where we are going and what we are going to do, there isn't any room for, or tolerance of, ignorance or self-agenda stupidities. Do exactly what I instruct. Nothing else. No adding to, no subtracting from. If I don't instruct it, *don't do it*. Simple as that.

Akurians, use your **FULL BODY SUPER SENSE** and do a **FULL BODY DISCERNMENT** of yourself – physical body first, then Spiritual Body – and that includes using your **FULL BODY SUPER SENSE** to **DISCERN** your **FULL BODY SUPER SENSE**! If you have practiced and practiced properly **DISCERNING** your own **FULL BODY SUPER SENSE** should not be a problem. Nevertheless, do your best, you're going to need the familiarity of yourself.

Your **FULL BODY SUPER SENSE** can only communicate with or through your **BRAIN-SPINAL CORD** as *that* is where your consciousness is located. Your Soul fills your entire physical body and actually extends outward several inches, but unless you deliberately expand it – such as putting your *personal* peace within a house, sympathy upon a gathering such as a funeral, blessing upon a wedding, graduation, new born, et cetera – it seldom reaches more than two feet, twenty-four inches. Spiritual Energies are *not* the Soul, so don't confuse them. It is Spiritual Energies we expend when we attempt to heal, or destroy, another be it an individual, group, organization, installation or situation. A **BODY OF LIGHT** is a Spiritual Energy.

Akurians, make a disc of **WHITE SPIRITUAL LIGHT** above your head to move down through the nerve system of your **BRAIN-SPINAL CORD** and CHARGE IT with AKASHA, AIR, FIRE, WATER and EARTH *of your own energies*; move it down your system inside your *skull, neck* and *backbone* to your *tail bone*.

Your **FULL BODY SUPER SENSE** should be fully operational.

Tonight's Instructional is going to include learning how to use the Depths of Hell. We're going to START our practices of using both the Planes of Heaven and Depths of Hell as not only places to view, but ENERGIES to be used!

Anyone who hasn't practiced or rehearsed properly is going to have failure problems. I cannot and will not do your practices or rehearsals for you. It is YOUR energies and capabilities I'm trying to teach you to expand and perfect: and THAT means success or failure is up to you. I have **DISCERNED** those of you who are having legitimate problems, and I will keep you safe from all harm as long as you do *exactly* as instructed.

Quoting from "The ANOINTED, The ELECT, and The DAMNED!" Paragraphs 7378 and 7379:

7378 The first Depth of Hell below the Earth is the Deros (DEE-ROS) and is where the consciousness descends at death when influenced by drugs, narcotics, or a soap-opera suicide. Those who give their lives in the attempt to save others' lives, or in defense of God's Holy Laws, go up to Hasannah!

7379 From this Level of Hell come most of the Oui-Ja board communications, but certainly not all of them! The material of both the Etheric Plane and the Deros Depth can be seen easily from the Earth or Physical Plane and are usually the manifestations experienced by those people who return from 'clinical' deaths poo-pooed as near death experiences by the medical community.

Not mentioned in the above specific paragraphs is the fact both the Etheric Plane and Deros Depth overlap each other about eighty percent. In the middle of the Heaven/Hell existence is the entire Earth Plane – all of physical Creation as we know it.

As a head's up, this Instructional is going to select specific targets, some we've hit before; make **ENERGIZED BODIES OF FIRE** as we've done before; and turn those **ENERGIZED BODIES OF FIRE** into **ENERGIZED BODIES OF LIGHT** as we've done before: and then turn those **ENERGIZED BODIES OF LIGHT** into an entirely different **IMMORTAL GOLEM OF DEROS!** Then we're going to take that **IMMORTAL GOLEM OF DEROS** into the Depths of Hell and turn it into a raging spiritual monster from which there is neither escape for the targeted and nor rescue for the Damned.

CAUTION: do NOT attempt to play any silly games or personal nonsense with even this light-weight GOLEMI until you have been through, practiced and fully rehearsed, this process though all the Depths of Hell. Each Depth of Hell used in these practices is somewhat different and requires a direct and clarified process.

This Instructional is NOT for the squeamish nor the unprepared. What we are about to do is extremely dangerous and each subsequent venture will be proportionately moreso. If you get in over your capabilities, simply **STOP** and return to your physical body, and once there just listen to the remainder as a lecture of learning.

HAARP STRIKE

9 September 2012 - 22 Elul 5772

Akurians, be aware, all this falderal about 'climate change' is the end result of HAARP and its OWG manipulators. **DISCERN** it yourself and the whole scam becomes clear: we may very well be 40,000 years over the average due date for the Super Volcano that IS Yellowstone National Park that blows about every 600,000 years ... but Polar Ice melts, earthquake strings and Earth-Axis Shifts are another matter. Somebody is jackassing, and we're going to give those 'somebodys' a bit more to chew on than they expect with no place to hide from it! We'll teach the bastards to NOT jackass our planet nor our weather.

To give some of you an idea of just how corrupt OWG people can be, put this one in your think-it-over-a-few-times box. We've heard and re-heard all the terrible news about Greece going bankrupt and perhaps taking down Europe and the Euro money with it. Nothing new there, it's been in and out of the news for several months. The TRUTH is there isn't any greater financial problem in Greece – especially with the Euro – than there is the rest of socialist Europe. Then why Greece?

Because Greece is home to Santorini, a huge volcano on the Island of Thera about 120 miles from the mainland in the virtual middle of the Aegean Sea, in the northern section of the Mediterranean. It's peak is rising in the center of the caldera; which itself is about seven and a half miles long by a little over four miles wide and 1,300 feet deep; and the peak is sticking up out of it about 330 feet. The whole island is what remains of the HUGE Minoan eruption about 3,600 years ago. And, it's not got more magma

filling up the chamber – and faster – than at any time in recorded history. Put that together a bit. Greece isn't going broke any more than the rest of socialist Europe ... the OWG money-grabbers are stealing every Drachma they can lay their hands on, and getting as far away as possible before Santorini blows via a HAARP instigation!

A Santorini eruption would be one hell of a diversion from the rest of the world's OWG-Created problems and lower a lot of the Mediterranean shore-line population in the process: Greece and all Aegean Islands, Israel, Lebanon, Syria, Western Turkey; and in North Africa: Egypt, Libya and Tunisia immediately, and the rest of the coastline of Italy, France, Spain, Algeria, Northern Morocco and all the Islands. What the tidal waves wouldn't get, the earth-shock of the eruption would. Santorini is NOT going to burp and those in-the-know are fully aware, or the great money-grab wouldn't be resorting to such desperate and time-panic measures. I have discerned that Santorini is hot and heating, but I haven't been able to get a hard time-line as to when she will erupt.

Now that we know at least ONE more point about the OWG bastards, let's get on with our own fireworks.

Locate and **DISCERN** your assigned HAARP Installations. Note they are not the same, the rotation eventually giving each of you the chance to **DISCERN** all the Installations and to continue the destructions inflicted by the previous Akurian.

HAARP Assignments:

I will take = HAARP China

Take cognizance of your **FULL BODY SUPER SENSE** ... *Remember, NEVER send this FULL BODY SUPER SENSE out of your body!*

Now, using your **FULL BODY SUPER SENSE** clear everything but INCOMING energies ... specific to your assigned HAARP installation ... whatever is there, let the energies tell you. We intend to deliver Hell-Itself into every operation of whatsoever nature in each and every HAARP installation regardless of where it's located and upon it's every level of command in the HAARP organizations.

Note via your **FULL BODY SUPER SENSE** the extended reaches of the HAARP installation chambers. How far do they go; which are the main corridors ... to main intersections ... to other installations. Who/What are the authorities in charge ... their location ... staff, management, facilities ... let the energies tell you. Use your **FULL BODY SUPER SENSE** to **DISCERN** it in as much detail as you can accomplish.

You have one minute to complete the process.

Now that you have data about the place ... this is your intended target.

Akurians, prepare to make a new and fully **ENERGIZED BODY OF FIRE**.

Akurians, on my command:

Keep your **FULL BODY SUPER SENSE** *inside* your body; and make a new **BODY OF LIGHT** to expend in this attack invocation as an **ENERGIZED BODY OF FIRE**:

AKURIANS – CLEAN YOUR HANDS:

AKURIANS – CLEAN YOUR FEET:

Visualize a **SQUARE** of **WHITE SPIRITUAL LIGHT** on the bottom of your big toes – both of them at the same time.

AKURIANS – CLEAN YOUR FACE and **ENERGIZE YOUR HEAD:**

Deep breath in – hold for a count of five – exhale and breathe back in, **NEVER** leaving the lungs empty.

Make another disc of **WHITE SPIRITUAL LIGHT** just above your head; and *out of your own energies* **CHARGE IT** with **AKASHA, AIR, FIRE, WATER** and **EARTH**; move it **DOWN** through your body, head to feet, let it attach and disburse itself as it will.

Project your ENERGI**ZED BODY OF LIGHT** into the center of the Sun! **Expand your ENERGI****ZED BODY OF LIGHT** in all directions to be **800,000 miles** in diameter. **Attach all Destructive Powers, Energies and Forces of the Sun and Black Fire** you can muster to your **ENERGI****ZED BODY OF LIGHT** and turn it into an **ENERGIZED BODY OF FIRE**. **Take all the available ELEMENTS** present in the Sun, **AKASHA, AIR, FIRE, WATER** and **EARTH** and **BIND** them to this **ENERGIZED BODY OF FIRE** to make the most powerful Sun Link possible.

Akurians, stand your **CHARGED** and **ENERGIZED BODY OF FIRE** out from you at any close distance. This is the **ENERGIZED BODY OF FIRE** we're going to use in an overt act of **WAR!**

You should have a fully **CHARGED FULL BODY SUPER SENSE** and a fully **CHARGED** and **ENERGIZED BODY OF FIRE**.

Akurians, on my command:

Akurians, take full cognizance of your **ENERGIZED BODY OF FIRE**. It should be standing nearby – in the overlapping Realms of both the Etheric Plane of Heaven and Deros Depth of Hell. Fill and charge this **ENERGIZED BODY OF FIRE** with all the Powers, Forces and Energies of Deros and **BIND** them to this **ENERGIZED BODY OF FIRE** and make it into an **IMMORTAL GOLEM OF DEROS** with no other capabilities than movement, Death, Destruction, Damnation and Perpetual Contact of Deros immediately upon targeted presence. You've all heard of (fill-in-the-blank) from Hell, *this IS one* and only you can control it or remove it. **NEVER** attempt to change or reprogram a **GOLEM** once you have installed it, it's easier to dispose and make new. And note: this **IMMORTAL GOLEM OF DEROS** was not made in the Sun! It was made in free space using your Knowledge and Authority in the very Depth of Deros!

Akurians, on my command:

Fly your IMMORTAL GOLEM OF DEROS to your assigned **HAARP** installation and inform it of all the **SUBTERRANEAN** tunnels and chambers you just **DISCERNED**, and release it to be an avenging monster killing and destroying everything there. You have **DISCERNED** its **TARGET BASE** and this **IMMORTAL GOLEM OF DEROS** has no other purpose or capability than infinite and perpetual slaughter and continuous destruction, minute by minute, hour by hour, day in and day out, from now until Shiloh. **Hell-Itself has arrived at HAARP!** Ensure the Sun Link is firmly attached to the **IMMORTAL GOLEM OF DEROS** that it can never tire nor be overwhelmed.

Akurians, bind the Forces you have commanded to remain forever. Release yourself from the **IMMORTAL GOLEM OF DEROS** and all its attached energies and prepare to recharge yourself. It may take some of you a few minutes.
Recharge your FULL BODY SUPER SENSE.
Let me know when you are finished.

Project your ENERGINIZED BODY OF LIGHT into the center of the Sun! Expand your ENERGINIZED BODY OF LIGHT in all directions to be 800,000 miles in diameter. Attach all Destructive Powers, Energies and Forces of the Sun and Black Fire you can muster to your ENERGINIZED BODY OF LIGHT and turn it into an ENERGINIZED BODY OF FIRE. Fill and charge this **ENERGIZED BODY OF FIRE** with all the Powers, Forces and Energies of Deros and **BIND** them to this **ENERGIZED BODY OF FIRE** and make it into an **IMMORTAL GOLEM OF DEROS** with the capability of leaving a part of itself immersed, complete with Sun Link, in each and every target, each part having no other capabilities than movement, Death, Destruction, Damnation and Perpetual Contact of Deros immediately upon targeted presence. This **IMMORTAL GOLEM OF DEROS** is the worst kind, as each and every particle must be gathered to be destroyed at the same time or the whole of it will continue to exist! The **WHO** and **WHAT** we are going to target deserve no less; and this **IMMORTAL GOLEM OF DEROS** will continue to accomplish all its horrors for howsoever long the abominations it is targeted against exist.

Take cognizance of your **FULL BODY SUPER SENSE** ... clear everything but INCOMING energies ... specific to all political manipulators and organizations. Read the entire Nation's political manipulators and their organizations: Masonic, Knights Of Columbus and Temple Israel Lodges, Illuminati, Skull and Bones and all Secret Societies of the One World Government. *Do not project, just read the energies ... let the energies tell you* ... those behind the scenes that actually denigrate, pollute, contaminate and create all the social and economic disasters of this Nation ... those who create and control the world's economies, wars, drought, crop failures, plagues, pestilence and their own places of safety ... note specifically their many other organizations, like an invisible pyramid with only a few bricks showing here and there. For the moment do not concentrate on the main political parties – we'll get them all as we progress through their energies and sources of supply – just note the energies they transmit. We are going to TARGET via those energies.

You have one minute to complete the process.

Now, fly your IMMORTAL GOLEM OF DEROS to find and attach itself, to infest, infect, and contaminate all those individuals and the energies of those organizations: Masonic, Knights Of Columbus and Temple Israel Lodges, Illuminati, Skull and Bones and all Secret Societies of the One World Government you just **DISCERNED**, and release it to be an avenging monster killing, destroying and disrupting everything. You have **DISCERNED** its TARGET BASE and empowered it and this IMMORTAL GOLEM OF DEROS has no other purpose or capability than infinite and perpetual slaughter and continuous destruction, minute by minute, hour by hour, day in and day out, from now until Shiloh.

Hell-Itself has arrived at ONE WORLD GOVERNMENT!

Akurians, bind the Forces you have commanded to remain forever. Release yourself from the IMMORTAL GOLEM OF DEROS and all its attached energies and prepare to recharge yourself.

It may take some of you a few minutes.

Recharge your FULL BODY SUPER SENSE.

Let me know when you are finished.
