

SUN-ENERGIZED PERDITION INFECTED MOON-GOONS
Damnation of The Senators of The 113th Congress
August 15th, 2013

Blue Swords, man your stations.

Akurians, on my command:

SET YOUR MIND AND REPEAT AFTER ME:

"Consciousness of Consciousness, this is the Great Vision: All Creation without a living Anunnaki, without a living Nefilim, without a living Grey, without a living Jesuit, without a living Jew, without a living Levite, without a living Illuminati; be they all dead and disposed of that they no more contaminate Creation; Consciousness of Consciousness, this is the Great Vision."

Firing Officer:

Guests, please remain in attendance and join us where you can.

Intruders and One World Government monitors BEWARE, your Eternal Soul is hereby condemned and without appeal except to the Supreme Lord of all High Lords El Aku ALIHA ASUR HIGH, He That is Called by The Name of God.

YESHAMA DELIAH! (yeh-sha-ma de-lie-ah – On my/our Authority)

ASUM DE AL HMONGA! (as-um de al who-Mon-Ga – All energies hear me/us)

Akurians, make a BODY OF LIGHT out of the Dark Matter and Dark Energies of Creation and separate it from yourself.

Akurians, now charge your BODY OF LIGHT out of the Dark Matter and Dark Energies of Creation, ... AKASHA ... AIR ... FIRE ... WATER ... EARTH ... and Charge it:

Akurians, repeat after me:

"BODY OF LIGHT you are now a Spirit of a Vile, a Spirit of Destruction, a Spirit of Damnation, the essence of immorality, selfishness, hate, jealousy, paranoia, insanity, injustice, revenge, degeneracy, deprivation unto death; the Eternal Enemy of your own best interests whereof self-destruction is the greatest reward.

Akurians, now send your BODY OF LIGHT into the center of the Sun, expand it to 800,000 miles in all directions, and charge it with all Sun energies including as much Black Fire as possible.

Akurians, now send your BODY OF LIGHT down into the deepest Depths of Perdition, fill and charge it with all the strongest Energies and Forces of Perdition's greatest damnations.

Akurians, with your BODY OF LIGHT still in the Perdition, DISCERN THE MOON.

Akurians, send **your BODY OF LIGHT** to the Moon and compress it lengthwise locating its head at the northern pole, its feet at the southern pole. You want the polar energies to come IN through the head and OUT through the feet of your **BODY OF LIGHT**. Now charge your **BODY OF LIGHT** with the polar-axis energies of the Moon, test it by trying to make your **BODY OF LIGHT** spin on that axis either direction and can't do it!

Akurians, expand **your BODY OF LIGHT** and fill the entire Moon. Absorb all the Moon energies your **BODY OF LIGHT** can hold. Your **BODY OF LIGHT** should be the same size as the Moon; no larger, no smaller. What you have done is made a **SUN-ENERGIZED PERDITION INFECTED MOON-GOON**. Pay close attention here, and you'll find out that these energies do not like each other and your Moon-Goon seems to act like it has a will of its own and is a lot harder to control.

WARNING: NEVER put a BELLY BALL of any description into a **SUN-ENERGIZED PERDITION INFECTED MOON-GOON**. NEVER!

There is a HUGE difference between a normal Moon-Goon (if there really is such a thing), a Sun-Energized Moon-Goon and a **SUN-ENERGIZED PERDITION INFECTED MOON-GOON**. The main difference is, this Moon-Goon cannot be left in the Moon nor recharged as needed. It can expand almost indefinitely, infest and infect with similar Forces and Energies but cannot be duplicated on demand.

Akurians, name your **SUN-ENERGIZED PERDITION INFECTED MOON-GOON** "Embodied Hell" before you endow it with any endeavor.

Akurians, endow Embodied Hell as if creating it from the beginning:

"Embodied Hell you are now a Spirit of a Vile, a Spirit of Destruction, a Spirit of Damnation, the essence of immorality, selfishness, hate, jealousy, paranoia, insanity, injustice, revenge, degeneracy, deprivation unto death; making the innate the Eternal Enemy of it's own best interests whereof self-destruction is the greatest reward.

SUN-ENERGIZED PERDITION INFECTED MOON-GOONS do not take anything back to the Moon – they infest and re-infest, infect and re-infect; they cannot be controlled or removed by anybody else who didn't make it or altered at all under any conditions. Now understand that so your **SUN-ENERGIZED PERDITION INFECTED MOON-GOON** can do what you command because it is actually a conglomeration of the worst of the forces and energies of Moon and for all intents and purposes IS the Moon in presence. The better you have programmed your **SUN-ENERGIZED PERDITION INFECTED MOON-GOON** the sooner the target will suffer whatever you have dedicated.

"Embodied Hell, **enter now the innate of these I direct; infest and infect each with all manner of Vile, destruction, self-Destruction, Damnation, immorality, selfishness, hate, jealousy, paranoia, insanity, injustice, revenge, degeneracy, deprivation unto death; making the innate the Eternal Enemy of it's own best interests whereof self-destruction is the greatest reward:**
