

SUN-ENERGIZED MOON-GOONS

16 January 2013 – 2 Sh'vat 5773

Supreme Court Justices

Sun-Energized Moon-Goons are made in the exact order of **BODY OF LIGHT** made out of Dark Matter and Dark Energies first, SUN ENERGIES second, MOON ENERGIES third. Make the **BODY OF LIGHT** out of Dark Matter and Dark Energy, NOT out of yourself!

A **Sun-Energized Moon-Goon** can be left in the Moon and when recharged with the same procedure from time to time – as needed – can be Spirit Duplicated by simply taking or commanding a full and energized copy as often as you need. Each copy is endowed exactly as the original. They are one-track, one-item, entities. Write down the specifics for each, name or number them, as these things have a habit of attaching themselves to their creators – YOU! When the assignment is over they RETURN to YOU. To dispose of them, simply return them to the Moon, expand them as you did when you created it, and put the remaining energies back into the Moon. Simple as that. Make that determination to do this at the outset. We'll demonstrate the procedure as we proceed.

Sun-Energized Moon-Goons can be layered. Ordinary **Moon-Goons** cannot. That said, **Sun-Energized Moon-Goons** cannot be layered to accomplish anything other than the intent of their original purpose. They are one-track, one-item, entities just like all other **Moon-Goons**. The target cannot continue without those energies, forces and powers your Moon Goon is going to remove. The better you have programmed your **Moon-Goon One** the sooner the target will die. They can be layered to become more powerful; and THAT is exactly what we are going to do again. Those who missed last night's session at layering **Moon-Goon One** need to catch up, and we're going to do that too.

We've already had some DIRECT HITS and HANDPRINTS from our previous Invocations and the use of **Sun-Energized Moon-Goons** is going to deliver layer upon layer of hell, death, deprivation and destruction upon the Targets BEFORE they can deliver the same thing upon us. Each time we layer a **Sun-Energized Moon-Goon** it has more power, usually better than doubling with each layer. But each layer makes them more difficult to control; so don't get stupid and make a monster that will certainly turn on you.

Firing Officer:

Guests, please remain in attendance and join us where you can.

Intruders and One World Government monitors BEWARE, your Eternal Soul is hereby condemned and without appeal except to the Supreme Lord of all High Lords El Aku ALIHA ASUR HIGH, He That is Called by The Name of God.

YESHAMA DELIAH! (yeh-sha-ma de-lie-ah – On my/our Authority)

ASUM DE AL HMONGA! (as-um de al who-Mon-Ga – All energies hear me/us)

Akurians, make a **BODY OF LIGHT** out of the Dark Matter and Dark Energies of Creation and separate it from yourself.

Akurians, now charge your **BODY OF LIGHT** out of the Dark Matter and Dark Energies of Creation, ... **AKASHA ... AIR ... FIRE ... WATER ... EARTH ...** and Charge it:

Akurians, repeat after me:

"BODY OF LIGHT you are now a Spirit of a Vile, a Spirit of Destruction, a Spirit of Damnation, the essence of filth, failure, poverty, degeneracy, deprivation, death and destruction; the Eternal Enemy of Continuance. Wheresoever you exist shall experience only thoughts and activity that they immediately destroy themselves."

Send your **BODY OF LIGHT** into the center of the Sun, expand it to 800,000 miles in diameter, and charge it with all Sun energies including as much Black Fire as possible.

With your **BODY OF LIGHT** still in the Sun, **DISCERN THE MOON** to locate it from wherever it is from wherever you are. Its location, nothing more.

Now send your **BODY OF LIGHT** to the Moon and compress it lengthwise locating its head at the northern pole, its feet at the southern pole. You want the polar energies to come IN through the head and OUT through the feet of your **BODY OF LIGHT**. Charge your **BODY OF LIGHT** with the polar-axis energies of the Moon, test it by trying to make your **BODY OF LIGHT** spin on that axis either direction and can't do it!

Expand your **BODY OF LIGHT** and fill the entire Moon. Absorb all the Moon energies your **BODY OF LIGHT** can hold. Your **BODY OF LIGHT** should be the same size as the Moon; no larger, no smaller, and you have made a **Sun-Energized Moon-Goon**. Pay close attention here, a **Sun-Energized Moon-Goon** is a lot harder to control.

WARNING: NEVER put a BELLY BALL of any description into a **Sun-Energized Moon-Goon**. **NEVER!**

Akurians, again name your **Sun-Energized Moon-Goon** "**Moon-Goon One**" before you endow it with any endeavor.

Akurians, again endow **Moon-Goon One** with absorption of all life energies, forces, powers, sucking them back to the Moon. Its sole and exclusive capability is to remove all life energies, forces and powers – which includes common sense and intelligence – out of the target to the Moon where they will disburse, destroying the target.

Endow your **Moon-Goon One** - repeat with me:

"Moon-Goon One, Moon-Goon One: Be now and forever of greater strength and power, the greatest danger and destroyer; remove all energies, forces and powers of both the innate and life of the designated target to the Moon that the designated target live not and die immediately."

Now for Stage Two:

Here's the process to CALL A COPY of **Moon-Goon One** without reducing any powers or capabilities whatsoever regardless of how many layers of strengthening you've put in it. Done properly there isn't any limit to how many **Sun-Energized Moon-Goons** you can make layers of the same determination you can put into them, nor how many copies you can pull from them.

"Moon-Goon One, Moon-Goon One: You are now a duplicate of yourself, Moon-Goon One, I send you now into FILL IN THE BLANK as the greatest of dangers and destroyers; remove all energies, forces and powers of both the innate and life to the Moon that they live not and die immediately."

VOAN KESLATA, PZNIION BHSAT! (vone kes-la-at piz-now-on beh-shat – **As it is spoken, so it is done**)

You have already disconnected yourself from your **Moon-Goons**, so all you have to do now is return to your own body. Clean and recharge yourself with a Sun Link if necessary.
