

**THE MOST HIGH LORD GOD OF ALL CREATION AND ALL SPIRITS
WHOSE HOLY NAME IS ALIHA ASUR HIGH,
WHO IS WITHOUT LIMIT AND WITHOUT END
20 May 2013 AD – 11 Sivan 5773 Hebrew**

Hail and Greetings to All:

From Supreme Lord of All High Lords, Supreme Lord King of Abraham, First Avenger of **The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH**, Supreme Son of Fire upon whom **The Most High Lord God of All Creation** named His Own Name: **ALIHA ASUR HIGH** that I forever be El Aku **ALIHA ASUR HIGH**; from Albuquerque to all Creation and to every Righteous ear:

Be not ignorant of the fact: This is same Most High Lord God of all Creation, who named His Name upon me long after He created all that is, that trained me and sent me to bring His Wrath upon the whole World and the whole Earth and the whole of all the inhabitants hereof.

There shall not be any question: I am he of whom it is written and of whom it is spoken: **Matthew 10:28 And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell.** And: **Luke 12:5 But I will forewarn you whom ye shall fear: Fear him, which after he hath killed hath power to cast into hell; yea, I say unto you, Fear him.**

There shall not be any question: I do not suffer any delusion that because a law, statute, regulation, process, procedure or presentation exists: that it is in any manner whatsoever good, fair, honorable, true or righteous; and my Judgment shall neither be bound nor influenced by such existence nor any precedents or prior practice thereof.

There shall not be any question: I do not suffer any delusion that because one shall have great learning, much wealth, high position or great vested power: that they are in any manner superior in knowledge, authority, honor, truth or righteousness that their determinations of my Judgment is of lesser authority, honor or substance: and I shall neither be bound nor influenced by such persons or even congregations of them. In fact, it is upon such ilk as these that I shall adjudicate the greater of my Judgments.

There shall not be any question: I will Judge, reward, punish or ignore in accordance with Holy Law first, and the Constitution of the United States of America and the Bill of Rights thereafter regardless of any Judgment, reward or punishment before me; any and all other enactments and sovereigns notwithstanding. There will be neither excuses nor exceptions. Of my decision there is neither appeal nor reconsideration except of **The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH, Himself**, who will NOT hear any petition whatsoever of any NOT being a Proven Knower of The Great Testimony or an honest and sincere Seeker of Truth.

There shall not be any question: All brought before me, whether by complaint, revelation or of exposure, shall be Judged at my leisure without exception: and know that offices of power, wealth or lack thereof, publicity or public favoritism are of neither immunity nor exception. False charges and any and all lies and deceptions, including *by omission*, are then and there infallible Blasphemes Against the Holy Spirit of Truth and shall be dealt with accordingly.

To me it is delivered, to me by Earned Right of Duty and True Service, to me and to none else in all Creation: Revelation 6:4 And there went out another horse that was red: and power was given to him that sat thereon to take peace from the earth, and that they should kill one another: and there was given unto him a great sword. In obedience to that requirement of My Great Commission: *to take peace from the Earth:* to scatter death as dust before the wind, to destroy as required by Holy Law in due punishment for deliberate and knowing violations of Holy Law; as is given to me alone to accomplish. Woe upon all that I find in defiance of **The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH**, of Holy Law and True Spiritual Knowledge, specifically but not limited to: That Great Babylonian Harlot at Rome and Constantinople and all her fallout Harlot Christian Daughters; the Harlot Tribes of Israel both Levi and Judah; and all Islam without exception. All will be dealt with in their own time and give full account of their own knowing damnations and perpetual abominations.

Hear and Listen, every open ear! All you inhabitants of this World, of this Moon, of this Sun, and of this Solar System: whether of Ish to Abraham: whether of Nibiru: whether of the most distant of All Creation including All the Heavens above All the Earths, All the Earths, and All the Depths beneath All the Earths: this location and all about it is mine, and mine alone to do with as I alone shall determine; for I have earned it and it is mine by Divine Right of True and Righteous Service to Him, **The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH.**

Hear and Listen, every open ear! Upon approval of **The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH, Himself**, twenty years ago, I have given this Planet and this Moon and this Sun and this Solar System in their entirety to Command Marshal General Diane Chylon Budagher both as a possession to keep, to have and to hold until she shall pass it to the Grand Council of Gnostics unto Shiloh. As absolute possession by the Anointed in their Generations has been the establishment since Ish of the Adama; so shall it remain of the True and Righteous of **The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH** until Shiloh.

Hear and Listen, every open ear! heed and obey the nature of my words because they are Eternal Damnation on all who ignore, and all who refuse to obey; and the Deaths that will be Died by those who will Die the Death are condemned of their own self. They are their own testimony against themselves from now until Shiloh. There will be neither mercy nor consideration for any found ignorant. Even the many tribes and peoples of all the nations will not be exempt nor excused for ignorance. None will be slain because of lineage except the unrepentant of Accursed Canaan.

Hear and Listen, every open ear! All Anunnaki, Nefilim, and all other servants thereof except the issue of Ish upon this World: cease all activity of whatsoever nature and remove yourself from My Dominions. Permit Nibiru to approach as in ages past and I will destroy it in the Sun along with all Anunnaki, Nefilim, and all other servants thereof except Lord Horus, his Command, Family and Company. Take everything you possess with you; leave neither trash nor residue; leave neither Grey nor physical evidence of your presence except that which you have engraved that they be an ages upon ages reminder of your deliberate damnations and evil upon all the descendants of Ish and Abraham. If you shall choose, of the Anusazi you may take each and every narcotics addict except military veterans, the injured and diseased of not their own preference; each and every racially mixed, for they are without souls; and their parents who have

abandoned their souls to partake in such immorality; each and every accursed Canaanite and all they have contaminated; and each and every adherent of That Great Babylonian Harlot at Rome and Constantinople and all her fallout Harlot Christian Daughters; any and all of Islam and all other such abomination religions; each and every Manipulator, Marxist, Communist, Fascist, Socialist, Progressive, Journalist, Politician, Bureaucrat, Priest, Preacher and other liars without exception.

Therefore, as of this hour: dawn, Albuquerque, 20 May 2013 AD, 11 Sivan 5773 Hebrew, I order all capable of leaving this World and this Solar System to depart immediately and without any delay. To ignore my order to depart and remove yourself from my property is to then and there declare yourself to me and all of mine and **The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH** to be my Mortal Enemy. I shall deal with you accordingly.

Therefore, as of this hour: dawn, Albuquerque, 20 May 2013 AD, 11 Sivan 5773 Hebrew, all who are capable of leaving this World and this Solar System and choose *not* to depart immediately and without any delay: wherever you are found in My Domain you shall then and there be put to death without further consideration. I am not concerned with your continuance other than to put an end and stop to it. I am not concerned with disposal of your remains; any sewer, any trash heap, any burning place will suffice; leaving you to rot and be eaten by the denizens of the deep, air and land is equally acceptable. This KNOW beyond any doubt or question, for it is Ordained and Commissioned upon me and into My Authority by **The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH**, that as sure as I will exterminate you and slaughter all those of and with you: **I will also cast and burn all I destroy in the Deepest FirePits of Perdition from which they shall never return except for the few minutes of Final Judgment.**

While my anger is contained: go through the whole World and retrieve all Anusazi you will accommodate; and know that each and every adherent of That Great Babylonian Harlot at Rome and Constantinople and all her fallout Harlot Christian Daughters; any and all of Islam and all other such abomination religions; each and every Manipulator, Marxist, Communist, Fascist, Socialist, Progressive, Journalist, Politician, Bureaucrat, Priest, Preacher and other liars, are under **The Great Curse of The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH** from which there is never relief nor abandonment of damnation except by True Repentance to me and mine alone.

Know without question: those you abandon I will execute, slaughter and slay to remove them forever from before **The Face of The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH**. And know that I do not seek the reduction of mankind to your determined FIVE HUNDRED MILLION. I seek to save as many alive as the world can permanently support and will not permit the destruction of any wildlife, flora nor fauna. I insist on the total extermination of all vile and corrupt: starting with all Anunnaki, soulless Nefilim and insectoid Greys and other creatures, each and every Manipulator, Marxist, Communist, Fascist, Socialist, Progressive, Journalist, Politician, Bureaucrat, Priest, Preacher and other liars and all their fellows without exception. That this world is populated with 12+Billion humans it cannot feed nor survive the pollution they produce is your Deeds of Damnation as it has been and planned for generations.

Heed my warning: of those you will remove and those you will abandon, do not consider rich or poor, male or female, young or old, free or bond; **but of those with The Holy**

Seal of The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH in their forehead: *do not even approach*. Do not even attempt to commune with them; avoid them with all your damnations, and do not permit even a speck of dust nor a sniff of breath to contaminate their presence. Do not assume that I will excuse any interference or happenstance because 'they were in the way' or other such nonsense! Whatever your activity, YOU avoid MY people, they are NOT required to avoid YOU or the company of your intended victims.

Heed my warning: those you abandon may delude themselves; but their hours are numbered even as the hairs of their eyebrows. That many will deceive themselves in supposition that those few you will remove "have been raptured" is stupidity upon their own head. Those you abandon who are in high places may assume their authority and servitude of your damnations is rewarded. Let them suffer their delusions, for they deserve nothing of safety, immunity or comfort and they shall receive nothing in the hour that I destroy them.

Heed my warning: in testimony against the whole of the House of Levi, the whole of the House of Judah, and in the sight of all Israel: **The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH** has Ordained and Commissioned the Proven Knowers of The Great Testimony, all of whom have His Holy Mark (Seal) in their forehead to keep His Holy Law and instruct all who will hear and obey until Shiloh, whom I have warned you to not even approach.

Heed my warning: permit any harm or discomfort of any nature, whether of akasha, air, fire, water, earth, weather, wind, flood, drought, volcano, earthquake, lightning, accident, plague, pestilence, famine, flora, wildlife, domestics or other, to even approach any of mine and then and there all considerations toward you and all with you shall be Judged against you and I will not spare nor excuse. Each and every atrocity whatsoever shall be adjudicated upon your heads without exception.

Lucifer and all his minions attend you: for his hours are counting against him and all of you shall burn in the same FirePit. But know: when Lucifer is again released for a little season, neither you nor any of yours I have disposed of shall attend him. You shall not have that relief.

To all the Stars of all the Skies of all Creation to forever: Pause and know **The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH, Himself**, is mindful of you; and I am His Great Sword of Destruction and Vengeance and Justice for now and forever.

To all inhabitants of all the Stars of the Skies of all Creation to forever: Pause and know **The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH, Himself**, is mindful of you. And know: whether you are mindful of time or distance is not exemption; whether you are of life or consciousness is not exemption; and there are no exemptions of Holy Law, for the exceptions required of Holy Law are found within Holy Law; and Holy Law is perfect.

To all inhabitants of this World and the Earth hereof including all Anunnaki of Earth Command: I have walked many green fields, many forests and many desolate places. I have drank from many wells, springs, creeks, rivers and rainfall catches. I have waded the surf of every ocean and smelled the stench of every great city. I have blessed many orchards and many gardens, called for rain in due season, considered many rivers and sacred springs, and

disposed of uncounted demons from many of them. I have heard the sounds of nature on every continent and seen the handiwork of **The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH, Himself**, in both the Heavens and the Earth. And there is none like Him nor equal to Him anywhere, either of this World, nor the Earth nor all the far reaches of Creation. Yet He has sent me to breathe the air of every continent and of every ocean of this World and this Earth that I should know of myself and not accept the word of any other concerning anything of them.

To all inhabitants of this World and the Earth hereof including all Anunnaki of Earth Command: Cease! Desist! Stop! Be still! And know **The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH, Himself**, is mindful of you; and has sent His Own to witness of you as He did to all your fathers in all their generations before you. His Own, which you despise as did your fathers before you in all their generations – including you of the here and now, of this day and of this age, of this time and of this place: know the Greater Testimony is against you, and that of your own self as it was and remains against all your fathers in all their generations before you.

To all inhabitants of this World and the Earth hereof including all Anunnaki of Earth Command: Where is Truth or True Righteousness found among you? Neither are found anywhere among you. You are not vile in **The Sight of The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH** of deprived knowledge, but of your own will, of your own mind, of your own being, of your own soul to your own Very Innate. Therefore, though all the generations of your fathers before you shall not escape so much as one comma of Judgment against them for their failures and their perpetuated failures after them: you shall not increase their Damnation nor their Eternal Punishment for being the vile you are of your own self. Mercy shall not attend you except you repent: **CEASE, DESIST, STOP, BE STILL:** and know **The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH, Himself**, from whom there is no escape, is mindful of you; and you shall give full account of every idle word, every vile thought and every evil deed.

To all inhabitants of this World and the Earth hereof including all Anunnaki of Earth Command: silence your tongue that you may hear **The Word of The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH** over the never-ending racket of your own ignorances and stupidities. For your ears are full of your own deceptions of which your own destruction is guaranteed. Because you are a constant noise of all nonsense, neither Truth nor True Righteousness is found anywhere near your presence; and the spewing of lies by the greatest of liars, journalists, politicians, priests, preachers and the infinitely unqualified are the foundations of your own destruction. The desecration of your corpse is on your own head at your own hand; and **The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH** will not rescue you from your own self.

To all inhabitants of this World and the Earth hereof including all Anunnaki of Earth Command: Your indictment is clear and fully justified. There are no exceptions to either the Specifications or the Charges. Because of man, the Adama, the Anusazi, the whole World and the whole Earth are found worthy only of War and Death and all pestilences, plagues, famine, deprivations and destruction that War and Death bring in their wake. And that which will happen to all the innocent inhabitants of the deep, the wilds, the soils, the winds and the skies shall be accounted upon each and every man, Adama, Anusazi and Nefilim in infinite determination of their respective guilt.

To all inhabitants of this World and the Earth hereof including all Anunnaki of Earth Command: In your knowing damnations you have spread yourself into every good place, desecrated it with your filth, and require the Holy Ground of all other living entities that you continue your abominations. For THAT reason alone **The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH** is justified in your extermination. That you were manipulated and conditioned into such knowing abominations does not make you innocent, because your own Very Innate testifies against you. That the Anunnaki determined when the Anusazi began to multiply on the Earth to remove them and avoid their own responsibilities in the matter does not absolve you nor any living creature of the responsibility of the perpetuation of their own kind. Perpetuation that is knowingly impossible when you create more filth and desecration than you do cleanliness and Truth among your generations after you. Your destruction and the destruction of all your generations after you until Shiloh are upon your heads to the same degree it is upon the Anunnaki. The horrors are but interest on the loan of your abominations, the greatest of which is blatant stupidity.

To all inhabitants of this World and the Earth hereof including all Anunnaki of Earth Command: Observe all your grand constructions. Build them high, layer them with gold and platinum, encrust them with diamonds and pearls, trim them with alexandrites and rubies; hang them with the finest of silks, vicuna and cashmeres; fill them with the finest of wines and greatest of delicates. Publish their luxury and comforts to the farthest reaches that all may come and see and marvel and enjoy. Note them well, speak of their beauty and greatness and profit of them while you can: for they shall be as rubble in the quarry, as dung in an abandoned trench, and more dangerous to inhabit than a darkest pit of vipers and lair of hungry lions. For they are trash as you are trash in **The Sight of The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH**.

To all inhabitants of this World and the Earth hereof including all Anunnaki of Earth Command: Count all the tribes and peoples of all the nations and their many deceptions. Eat, drink and be merry at acceptance of demonic authority, for one hour given. Rejoice in ignorance, revel in illusions, for to the disreputable enslavement is preferable to death and prison to self-reliance and responsibility as the hour passes. Dissuade from all truth, knowledge and understanding; deprive all means to resist or retaliate; instill lies of greatness, for the minutes grow few. Establish the victims between the Great Flood of Horrors to be expended that existence of the Dammed continue, for the minutes are gone and only seconds remain: and all repentance is unheard, the screams of the dying are as a sweet song of birds in spring in **The Ear of The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH**. The hour is fulfilled.

To all inhabitants of this World and the Earth hereof including all Anunnaki of Earth Command: I have abided your many unjustified abuses; I have personally endured your many treasons, lies, schemes and exposed your many deceptions. You know my name without exception, for you defile it in all your Secret Gatherings – to none effect and to no avail. You know my many damnations upon you and all your generations for all the poxes upon your houses are of me – and of me alone. Read every letter, every word, every sentence of every Curse and every Damnation I have pronounced upon you. And note, even the commas, quotations and periods are justified in **The Sight of The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH**. I have seen you, I have heard you, I have understood you, and I have Judged you in accordance with the results of all you have done. You are as condemned as your deliberate treasons, lies, schemes and deceptions. You are without

excuse. I have guaranteed the Great Judgment against you; and you shall never cease to burn in the Deepest Depths beyond the Gates of Hell I shall personally close and lock behind you.

To all inhabitants of this World and the Earth hereof including all Anunnaki of Earth Command: Know that My Hand of War you so profoundly inflict on all others is now upon you and all your generations after you: that My Great Sword of Vengeance and Fire is unsheathed against you and shall neither be restrained, cleaned nor sheathed until the last remaining fragments of your most vile innards are scattered and dried upon your altars of Treason, Injustice, Greed, Death and Destruction of the helpless and innocent. There will be neither mercy nor consideration of mercy: at any, and each and every, encounter you shall be put to Death without exception and without appeal.

Be comforted in the fact: The Most High Lord God of All Creation and All Spirits whose Holy Name is ALIHA ASUR HIGH, Himself, will not excuse either the Anunnaki, the Nefilim, nor any other ExtraTerrestrial anywhere in proximity of this World and this Earth regardless of when were the days of their visitation; nor That Great Babylonian Harlot at Rome and Constantinople and all her fallout Harlot Christian Daughters; nor any and all of Islam and all other such abomination religions; nor any and all Manipulators, Marxists, Communists, Fascists, Socialists, Progressives, Journalists, Politicians, Bureaucrats, Priests, Preachers and other liars without exception.

To all Akurians, Proven Knowers and True Seekers of Truth: Assume the responsibilities of the Holy Offices accorded you and conduct yourself accordingly. Cease all intrigues among yourselves, hear and obey the Orders given by the Established Authorities. Spare nothing to train and instruct all True Seekers of Truth – *preserve the instructions for future generations* – as you should spare nothing against the knowing and deliberate Enemies of The Most High and His Holy Law. They are all easily identified by their knowing and deliberate violations and destructions of that Holy Document: The Constitution of the United States of America and its Bill of Rights. Assume the responsibilities of the Holy Offices accorded you or resign them effective immediately.

To all Akurians, Proven Knowers and True Seekers of Truth: Beyond that of your own necessary support, assume no other agenda than the War upon us. For these are the Days of Devastation and when all government lies are enforced as truth and all individual truths are punished as lies. Accept nothing you have not discerned. A wholesome Truth cannot contain any falsehood nor incomplete presence. A wholesome lie cannot accord even its own grain of Truth upon which it created in abject distortion: its true intent is its whole embodiment. The agenda of War and the Days of Devastation are not illusions and only Pure Truth can expose them and only Pure Truth can defeat them.

To all Akurians, Proven Knowers and True Seekers of Truth: Know and understand neither the enemy Anunnaki, Lords of Lucifer nor any of their minions – regardless of their Public or Private Office – will give warning or indication of their impending intent toward your destruction; but True and Righteous Discernment will not permit them the element of surprise. Only your own neglect and self-agenda beyond your own necessary support will disguise their intent. Discern each and every day as you experience it to know the enemies and their intentions against you: *destroy them while they are yet far off*. First, that they quickly learn from the smell of their rotting fellows that you are a True and Righteous Akurian with Powers and Authorities then cannot attain, cannot defend against, cannot hide from and cannot escape.

Second, that The Most High will not be ignored, mocked, blasphemed nor considered lightly; and His Holy Law will prevail even in the smallest nook and tiniest cranny of the farthest reaches. Third, that the True and Righteous Judgments of the True and Righteous Akurians can only be rescinded by the final Anointed of the Generations of Ish who cannot be approached for any presentation by any not a True and Righteous Akurian.

To all Akurians, Proven Knowers and True Seekers of Truth: Be quiet and still in all your ways and in all your doings. Pound no drum nor sound any trumpet, neither present nor permit any acclamation that you are a True and Righteous Akurian of The Great Testimony until you are called upon. At each and every opportunity put forth only the Truth of The Most High; *and in such manner the lost and ignorant will consider it, and try it and prove it within the privacy of their own dominion.* You are NOT holier-than-thou and the True Seeker of Truth is NOT holier-than-you. Never forget you and all you represent will be judged in exacting accordance of your conduct. Neither speak nor compose without forethought in consideration of the lost and ignorant; because it is of these the Akurians shall remain until Shiloh.

Therefore, I have taken Peace from the Earth. Neither Peace nor trappings of Peace shall attend this Earth until Shiloh. For these are the times of the Great Agenda of War and the Days of Devastation that shall not cease nor diminish until Shiloh. The Anunnaki have determined the End of the Anusazi and the Anunnaki are unconcerned with the horrors upon all life that cannot escape the many applications of their destructions. As vested in me and verified by Immanuel, given above, **Matthew 10:28** and **Luke 12:5:** long before I am finished, all involved will have an entirely different and far greater knowledge and understanding of fear!

Therefore, I have taken Peace from the Earth. And I have opened the floodgates and loosened all the forces of injustice, war, violence, plague, pestilence, famine, deceit of and by the demonically-possessed in King's Houses who spew deliberate and knowing lies and deceptions; that my condemnations shall not bypass nor be concealed from those in the streets who shall suffer the greater portion of the horrors. Again, as vested in me and verified by Immanuel, given above, **Matthew 10:28** and **Luke 12:5:** long before I am finished, all involved will have an entirely different and far greater knowledge and understanding of fear!

Therefore, I have taken Peace from the Earth. And Peace shall not return to either the Earth nor the Heavens above the Earth nor to any inhabitants thereof until all Holy Law is established in all the Heavens above the Earth and in all the Earth; and all the vile and corrupt are burned to Eternal Damnation that they no more contaminate Creation. In closing, as vested in me and verified by Immanuel, given above, **Matthew 10:28** and **Luke 12:5:** long before I am finished, all involved will have an entirely different and far greater knowledge and understanding of fear! Until Shiloh I bid all True and Righteous Akurians and True Seekers of Truth all Knowledge, Understanding, Wisdom, Courage, Strength and Truth.

To all the Powers, Forces, Energies, Orders, Dominions and Domains of All the Heavens and All the Earths and All the Depths Beneath All the Earths: Peace, be gone! Do not return until every knee is bowed and every tongue confesses all Truth and Obedience in The Sight of The Most High, ALIHA ASUR HIGH, Himself.

ARE THERE ANY QUESTIONS?
