

## Sunday Training 2014 02 23

### Akurians Charge Your Supersense

Clean your hands, Clean your feet with a square of white light on your big toes, Fill your head with white light, Create a ball of white light and send it down through your body taking note of areas that catch your attention. ALWAYS keep your Super-Sense INSIDE of you!

We, the Beloved and Faithful Akurians of The Most High Lord God of ALL Creation, gather under the Battle Ensign of The Most High Lord of Spirits: crossed Golden Lightning bolts on a solid scarlet field! We are The Most High's LIVING Judges, sealed with the Holy Mark of Testimony in our foreheads. We Judge in Truth and Righteousness and our Report is True and Righteous, even in our quiet thoughts and in the most secret places. We gather under the Battle Ensign of The Most High as ONE, Dedicated as ONE! Obedient as ONE! United as ONE without Division or Damnation between and among us! We are the LIVING TESTIMONY of The Most High who is ever mindful of us! We act without error, speak without flaw, and present our Testimony and Judgment without deviation of the whole of lifekind!

### SET YOUR MIND, CLEAN YOUR SOUL AND REPEAT AFTER ME:

"Most High Lord God of All Creation, ALIAH ASUR HIGH: This is my True and Righteous Testimony to you as Ordered by You and Commissioned upon me in accordance with Your Holy Anointing and established Chain of Command:

"Consciousness of Consciousness this is the Great Vision: Lucifer and all your minions, Lucifer and all your intentions and all your designs, Lucifer and all your servants, knowing and ignorant: be you now bound in infinite restriction and bound in infinite deprivation that you accomplish nothing, real or imagined, in the Heavens above, in the Earth and in the Depths Beneath; into the deepest pits of Hell you are cast and there you shall remain until one thousand generations have passed in total freedom from you and your damnations! Consciousness of Consciousness, this is the Great Vision."

### Akurian Firepower

We've hammered on Harry Reid for nearly a full 6 months now. Yes we've seen ourselves grow individually and collectively over these months. But, we do not have the success of his death. We have excellence in our skills and tonight we're going to use them to our best advantage and if we all do our parts correctly, he is a dead man like they ALL will be.

Tonight we're going to do things a little bit different. All those in attendance will be given jobs to do. DO YOUR OWN JOB. That you are aware of what everyone else is doing is perfectly ok. But DO YOUR OWN JOB to the best of your ability to get it done. And when you're called to do the 2<sup>nd</sup> job, maintain the first assignment too.

1. Emmanuel – was given a job to do for those who didn't see the email. What I've asked him to do is enjoy the sun and KNOW that he is an Akurian. He's seeing it because of where he is on the planet and we're going to use that energy too – the FULL power of the sun.
2. Ernie and Weldon – hold the energy together for what we've already done. We don't want to let our hard work be wasted. We've invoked a lot of things, truth, frequency, blue swords, a lot of good stuff. Hold the energy for what we've already done and make sure that everyone is steady and certain with what we do NOW and in addition. Remember from the 2009 Audience, we can add to as WE deem fit. Bobby provided for this when he presented before The Most High when he took Peace from the Earth, as he was required to do.
3. Patrique and Dusty - Per the Most High's Instructions, speak the admonitions unto the winds Apelotes, Eurea, Notae, Lipae, Zephyros, Skiron, Boreas, Kaikias. Call upon the Archangels: Raphael to cause all his powers of Air to make life and motion, Michael to cause all his powers of Fire to make cognizance and expansion, Gabriel to cause all his powers of Water to make direction and control, Uriel to cause all powers of Earth to make manifest and permanence, Remiel and the binding, Raguel and the loosening, Zerachiel the Guardian, the guards of Ben Nez, Pruel, Druiel, Albim, Yhodukah, the Swords of Righteousness, Justice, Truth, Honor, Strength, Vengeance, Great Wrath to do our bidding against Harry Reid and take him out..
4. Rosalind – imagine the memory of Harry Reid's death including the smell of it. You know what that smells like and you can smell it anywhere it exists; the memory is one you understand VERY well even unto **PERFECTION!**
5. Kitty – I want you to prepare the EXACT same way you did and you know what I'm talking about. It was A HELL OF A HIT! Kitty knows her job and she will do it very well. Kitty let me know when you're ready for the next step! I just need to know for now.
6. Diane –Take control of ALL the Golemi. Using your **FULL BODY SUPER SENSE** recognize the entire Sun and all its energies and forces. DO NOT send any of your own energies or any Spiritual Creation (**BODY OF LIGHT**, et cetera): use only your discernment capabilities of your **FULL BODY SUPER SENSE**. Nothing else, nothing more. Bring all those Sun Energies and Forces to the earth and engulf the entire GOLEMI within them and FORCE attachment of those Sun Energies and Forces TO the GOLEMI – NOT the GOLEMI to the Sun Energies and Forces!

Attach the Sun Energies and Forces to the Golemi as if bonding or gluing them together. Remember, they are NOT a part of the GOLEMI as originally created, only irrevocably ATTACHED to the Sun Energies. Once the Sun Energies and Forces have been attached to the GOLEMI, direct all those Sun Energies and Forces IN THE NAME OF AND BY THE POWER AND AUTHORITY OF THE MOST HIGH USING HIS CORRECT NAME ALIHA ASUR HIGH that the mission of the GOLEMI is *infinitely* accomplished and they must cease any and all continuance and RETURN to their creator(s)!

7. Wally – make as many 7 swords as you can control, and don't let anything against Akurian pass through from anywhere around the world in a perfect sphere around the planet. You'll be facing outward. No enemy coming from outside will penetrate your swords and survive because you'll get them all.
8. Rachel – this is a day your revenge starts. Make all the blue swords you can manage in a sphere around the planet opposite of Wally. He's facing out and you're facing in. There's no place on the planet immune from your strikes because anyone and anything that's helping Harry Reid you're going to slaughter them and that includes the Anunnaki. And when they even take a breath to support Harry Reid, strike them all.
9. Doreen – you know which Laws Harry Reid has violated that is our sure and certain measure of why He must die. You've weighed him in the balance and even the essence of him is too damned heavy. Command the Winds of Hell, Black Flames of Hell, Agony of Hell, and Death of Hell to do your bidding.
10. Dusty and Patrique – keep pouring energy into this endeavor with everything Akurian that you can think of to do it with. Support Akurian. Make sure Akurians have all the help of ENERGY they need with everything you both did above.
11. Dave – Take the energy of pain in your back and direct it against all enemy supporters of Harry Reid. Fix it so our Harry Reid's supporters know the kind of pain you do and run like the as the cowards they are away from him. Did you know that in homeopathic medicine, the higher powers have the least amount of substance and it works better (pour energy).
12. Koko – make a BOL out of the energy around Harry Reid and let me know when you've got it done. Now put all those energies that you feel all the time around you into that BOL and stick it everywhere Harry Reid's supporters are. This will confuse our enemies that won't have a clue as to what we're doing especially when Kitty gets to do her part.
13. Patrique, Ernie, Weldon, and Dusty - Kitty fires on Harry Reid, you imagine all the worms rotting and decaying his body with all the appropriate smells so that ALL of our enemies smell them too. It's so offensive that no one want to go near to deal with the funeral, but they have to anyway. It's a smell they'll never forget and you won't let them.
14. Kitty - I know you're ready to strike. Make sure you strike him hard as hard as you know how. I'm going to count down 3, 2, 1 FIRE and when I do, each and every Akurian is going to rejoice at how hard he's hit because ALL their energy too is involved in the strike for his DEATH like a well tuned machine! 3, 2, 1 FIRE!
15. Pete – the smell of Victory ABSOLUTE Akurian Victory. Absolute Akurian Victory.

16. **Akurians – take the time and enjoy the FULL  
POWER OF THE SUN AND KNOW YOU ARE  
AKURIAN!**

**VOAN KESLATA, PZNION BHSAT (As it is spoken, so let it be done.)**

### **Final Notes**

**EXCELLENT JOB EVERYONE! EXCELLENT!**

Kurt – though you weren't in tonight, don't let the story(ies) escape. They're going to do stupid and endeavor to jackass the whole thing, but under your steadfastness, they will not escape you; you'll find them.
