

## **Introduction to SPIRITUAL WARFARE -- Deprogramming the Delusions, Part 2**

"God is Love." "God loves all sinners." "I don't want to worship an angry, vengeful God." "The God of the Old Testament is not the same God of the New Testament." And so on, ad Nauseam! BullFS, all of it! The arrogance and ignorance of "believers" sometimes is just appalling. And offensive, if it wasn't just so goddamned pathetic. Did I get enough contempt in that? No? Okay, try this one: AN ATHEIST HAS A BETTER CHANCE OF GETTING INTO HEAVEN THAN ANY CHRISTIAN! It's time to wake up and start thinking for yourself, instead of 'what the preacher said.' The preacher doesn't KNOW, and Holy Law requires that one KNOWS that God exists -- belief is not good enough, by any means. Belief can be shattered, shot to Hell, if you will -- True Knowledge can only be perfected.

So the Truth is that The Most High Lord God of All Creation is Perfect and therefore does not change. The LOVE of The Most High is conditional, based ONLY on OBEDIENCE TO ALL HOLY LAW! The Blessings of The Most High, likewise are contingent upon obedience to all Holy Law. Love, in any amount, has nothing to do with it because love, an emotion, cannot be measured the same from one person to the next. Obedience to an equally applicable set of laws can be measured equally upon everyone -- so there's no favoritism from The Most High -- those who obey Holy Law to the same degree get the same love, blessings and favoritism across the board. Those who are disobedient get the same scorn, contempt, punishment, ignored -- EVERY SINGLE THING FROM THE MOST HIGH IS BY EARNED RIGHT! Based entirely upon obedience! Good or Bad! There should never be any surprises about any of this, because it's all laid out in Holy Law, and it is a Law that every person write his/her own scroll (copy) of Holy Law. That's a handwritten copy of the Pentateuch, from Genesis 1:1 through Deuteronomy 34:12.

The reason for this is simple -- Holy Law is the same for every race, every planet, everywhere, everyone throughout all Creation. IT IS THE STANDARD BY WHICH ALL CREATION IS JUDGED! It's the same for the Anunnaki, the Sirians, the Reptilians -- the inhabitants of any planet, any place, any universe, any peoples -- HOLY LAW IS THE SAME FOR EVERYONE! This is why Immanuel taught that it would be easier for all of Heaven and Earth to fall away than for one jot or tittle of the Law to be changed, which brings us to the delusions and arguments about "Grace," the so-called "New Covenant." Grace is merely a period of time granted to give everyone a chance to pull their heads out of their asses and get back to obedience of the Law. This was necessary because of the failure of the Levites (the priesthood on this planet) when they desecrated and profaned their duties and privileges as the designated priests unto all Israel. (A full third of Holy Law governs the Priesthood, so they have no excuse!) By their violations and cover-ups of those violations, the Levites created an imbalance here on Earth that left it so that only a few of the Levites had access to the Planes of the Heavens, and they denied that access to all others -- nobody else could get "up in the spirit," be able to see for themselves. So Immanuel volunteered himself as a sacrifice to rectify that imbalance, and The Most High considered it to be a worthy sacrifice, as Immanuel was His Firstborn Son. Not His only Son, as the delusions go, but His FIRSTBORN handed through the Great Veil. The fact that that sacrifice has been contorted to signify the "salvation" of all "believers" is just another Luciferian deceit, designed to trap anyone who won't dig for the Truth. Immanuel fixed it so that we can all get up in the spirit (aka astral projection, which is not accurate, because only two of the six Planes of Heaven are astral) and see for ourselves, not so that any sin is forgiven, no matter what, as long as

you're a good little believer that gives up your money and devotion to a corrupt and vile priesthood without question. That's casting your pearls before swine, and The Most High frowns upon that, greatly.

Next thing -- The Holy Sabbath is from Friday sundown to Saturday sundown. It used to be a death penalty offense to violate the Sabbath Laws (still is, but unenforceable because of the failures and damnations of the Levites). All work stops for the rest, the feast, the party. Sabbath is meant to be a day for recreation and enjoyment. It is the duty of the priesthood to perform all necessary work on the Sabbath so that the congregation may relax for that day. "Necessary" duties are such as feeding the livestock, milking the herd, ministering healing to the sick and infirm, and so on. Common sense tells us what necessary is, in up-to-date terms. The travel restrictions on the Sabbath are because travel is wearisome. Either get where you're going before Friday sundown, or wait until after Saturday sundown. It's simple. Since the Levites forsook their duties to maintain Sabbaths, even gone into causing others of ignorance to violate Sabbath Laws by having not-Jews work on Sabbath so they can still reap that penny on the backs of someone else's labor in violation while they don their yamulkas and show up to Temple in their own self-righteous compliance, that penalty for causing someone else to sin is going to be fitting . . . and eternal! Woe, woe, woe unto the whole of the House of Levi . . . Wouldn't wanna beeyah. The whole of the House of Judah is in just as much trouble. . .

Sunday is the Luciferian sabbath. Lucifer translates from Angelic to English as "Son of the Sun." Also called "Star of the Morning." Sunday is the first day of the week, as every calendar tells us every day. So Sunday worship is just deliberately stupid. Period. It's obvious to any third grader, even. And every christian, if he/she is honest at all, has questioned that one, and either a preacher or a parent has answered with the same unsatisfactory nonsense: "That's just the way it's done." Something done wrong for a thousand years or more is still wrong! Think!!!

Next on the list to deprogram is the filthy, disgusting, revolting abomination that the Babylonian Harlot at Rome and Constantinople and all the fallout Harlot Daughters have made of the Sacrament. Think about it. Eating the body and drinking the blood of Christ? That is pure, plain and simple CANNIBALISM! Symbolic or otherwise! It's vile and damnable! Wretched to the core! And it is not in any fashion what Immanuel taught! So I'm going to teach that process the exact way that Immanuel taught it, the way that every Anointed has taught it. It is not a once-a-month deal, once a quarter, however it is done in the churches of vile. It is a process to be done as needed for one's own spiritual awakening. And it is a three-week endeavor to become aware of one's own I AM CONSCIOUSNESS; in other words, realizing and reconnecting with one's own innate consciousness. Here's how it's supposed to go:

Choose a 3-week block of time when you can devote a few minutes each morning upon awakening to your own enlightenment. You will need a loaf of good crusty bread (or several) that won't mold on you; you'll need some oil (such as olive, or grapeseed -- something you like the taste of), some bitter herbs, like salt, onion, garlic, black pepper, oregano, rosemary -- dried or dehydrated is okay, and there's no specific formula or amount for the bitter herbs -- that's up to you. Then you will need a bottle of red wine. Pour a little oil into a plate and add your herbs -- this is known as your sop. Now break off a piece of the bread, dip it in the sop, and eat it slowly as you repeat to yourself, "IN REMEMBRANCE OF MY OWN I AM CONSCIOUS." Where the body comes in: between the bread and the sop, this is all your own body needs to maintain itself. Contemplate the health of your own body as you remember that you are a spirit with a body, not the other way around. Then you take a drink of the wine, repeating the same thing: "IN REMEMBRANCE OF MY OWN I AM CONSCIOUS." The wine has everything you need for healthy blood.

Continue your contemplation of the difference between your body, mind and spirit, and really begin to be able to separate the three. Do this every day for a week -- all 7 days.

Then on the second week, the process is the same except what you repeat to yourself is, "IN RECOGNITION OF MY OWN I AM CONSCIOUS." Dipping the chunk of bread in the sop, feeding your own body, again with the swallow of wine, feeding your blood, "IN RECOGNITION OF MY OWN I AM CONSCIOUS." By now you should be able to easily distinguish between the three -- body, mind and spirit. As you contemplate the differences and the feelings that indicate them, you are setting the energies for the day. Do this one every day for a week also.

For the third week, again, the process is the same, except now the phrase is, "I AM CONSCIOUS." Bread and sop, you will have begun to notice that the mind and spirit are more and more prominent in your sense of self, and if you're already psychic sensitive, you will find yourself much more aware of the spirit in other things and people as well. Have the swallow of wine, pondering "I AM CONSCIOUS." You will notice not only your own consciousness elevating, but you will also develop an awareness of the levels of those around you -- that's a beginning of consciousness. Those who have latent skills that they have programmed themselves out of but have legitimately earned in this or in previous incarnations may find those skills surfacing without too much effort -- telepathy, clairvoyance, clairaudience, precognition, empathy, prescience, telekinesis, psychometry, and so on.

So for every halfwit who thinks he/she knows what The Most High is, in His Own Words:

**THUS SAITH THE MOST HIGH: ""I AM All Great Mysteries; I AM All Infinite Knowledge, and I AM All Infallible Power!""**

Next post, I have two more delusions to deprogram -- tithes and offerings, and empty, futile prayers. Then we can get to learning the Planes and Depths, where we can go, where to avoid -- in essence, what Creation looks like . . .

Since these posts are a Testimony and duly reported back to The Most High, the formality must be in order:

YESHAMA DELIAH! (On My Authority!)

ASUM DE AL HMONGA! (All Energies Hear Me!)

VOAN! (I Have Spoken Before The Lord and He Has Heard!)

KESLATA! (That Which The Lord Hears Must Be Truth and Righteous!)

PZNIONA! (All Is Of The Lord As Is Inscribed!)

BHSAT! (Completed In The Forever!)

SALUMNIAH! (It is finished!)
