

THE SOCIALIST EXTERMINATIONS
Part, The Second – Absolute Extermination
18 March 2012 - 24 Adar 5772

The Process of **Absolute Extermination**. Understand that you cannot invoke for someone to Die the Death and still have them alive to suffer. One or the other: NOT BOTH!

Target Media:

I fully intend, before this Lesson is finished, to deliver such Death, personal destruction and Eternal Hell upon the targeted bastards that the Heavens above and Main Gates of Hell beneath will shudder at the slaughter and Eternal Destruction. This Troop of Akurians is going to determine the list of Media Bastards, male and female, for discernment and justification of our Judgment; and those found worthy of Immediate Disaster and Eternal Destruction will be hammered into oblivion in disgrace and dishonor. Then as Holy Law requires, we will further exterminate and burn all their families, whores, studs, associates and supporters. Those who are already deceased will be further adjudicated and sent to Hell for their share of the failures and desecrations against True Righteousness.

First and foremost: to all these Presents, Greeting: *there shall not be any physical weapon of violence whatsoever applied with respect hereto*. We are Akurians, most of whom are **Proven Knowers of The Great Testimony, Commissioned and Empowered by The Most High Lord God of All Creation, Himself**, to discern, Judge, Sentence and Punish any and all offenders of Holy Law. Any and all attacks against us, whether as an Organization or Individually, and whether physically, written or broadcast, are then and there Acts of Blasphemy Against the Holy Spirit of Truth, and shall be then and there be immediately avenged without consideration of mercy.

This Instructional is limited to selecting and killing the correct and guilty socialist bastards. We will begin and end this Instructional targeting media; although the process will perform equally well against any and all other enemies of Akuria.

A word of caution to all Akurians: NEVER just accept anybody else's discernment. NEVER! Verify their findings yourself – because the ultimate responsibility and liability for your actions are upon YOU, and YOU alone. It's not a matter of distrust, it's a Righteous Requirement toward becoming perfect as The Most High requires us to become.

True and Righteous **Proven Knowers of The Great Testimony** and all Akurians throughout all Creation, hear me:

As it was given of The Most High by Supreme Lord Anointed Immanuel ben Joseph ben Nazaratti (Matthew 10:28): **"And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in Hell;"** and confirmed (Luke 12:5): **"But I will forewarn you whom ye shall fear: Fear him, which after he hath killed hath power to cast into Hell; yea, I say unto you, Fear him."** The Most High Lord God of All Creation, ALIHA ASUR HIGH, Himself, has testified to us: Supreme Lord of all High Lords El Aku ALIHA ASUR HIGH has both the Power and the Authority to destroy the body and cast body and soul into Hell at his leisure; and to Commission all his Powers and Authorities upon the True and Righteous until Shiloh; thus do we adjudicate The Damned and Testify against them now and in the Judgment to come.

We are going to put that fear in each and every socialist and those in authority without exception and across the board. Burn the bastards at the slightest provocation. Concede nothing, for anything and everything you concede will be turned against you a thousand fold. Make them cross the street rather than pass you and have you disapprove of their tie or even their shoe shine. Detail them. Look for things

to gut them. Then gut them. Once proper respect for the Fire Power of The Most High and His Holy Law is restored, the Constitution of the United States will again be the highest Law of the Land and there won't be any socialist whining about what it really means in the unwritten details.

Akurians are about to expand our understanding immeasurably beyond our present state. With the POWER, to not only execute, but to also burn BOTH body and soul in Hell, ***our responsibility is equal to our authority!*** We TARGET via discernment and common sense – and hit those deserving. That said, **Proven Knowers of The Great Testimony** are also Judges in due time, and are required to do Justice without any bias whatsoever. Akurians must be and remain ABSOLUTE in The Sight of The Most High without deviation from Holy Law or exception to our required duties; and the public atrocities of all Major Media is both a call to Arms and a clear and present danger.

We cannot attack without true cause ***nor fail to attack in the sight of true cause;*** accuse without absolute evidence; excuse without due discernment and documentation of innocence; nor condemn, sentence, punish or execute without due process that will stand in The Sight of Absolute Truth. We dare not act nor harm without accurate verification and determination of true Justice, and we dare not delay to act when Justice is required. Thus the immediate and total extermination of virtually all Major Media personalities, officers, staff, ***and manipulators,*** is justified and our Righteous Duty.

Knowing involvement in the current election fraud alone is more justification than otherwise required.

We normally do not send forth ***Death and Eternal Extermination*** on the basis of religion whether Catholic, Christian, Muslim, Levite, Jew nor any other; but on the basis and requirement that we be Witnesses, Judges and Executioners of any and all Marxists, Communists, Fascists, Socialists, Progressives, Journalists, Court Judges, Elected and Appointed Officials who in any manner whatsoever do not adhere to, enforce, support, protect, defend ***and obey*** the **Constitution of the United States** regardless of consequences; specifically but not limited to: this current Administration, Congress, Judicial System and Law Enforcement without exception. In this Invocation of Testimony (YES! Required Executions are also Invocations of Testimony) we are going to concentrate on the otherwise most-immune of all involved personnel: ***those in Media;*** To Wit: ***Journalists.*** Within the provisions of our Spiritual Powers and Authorities as endowed upon, and Commissioned to, those Akurians who are, or are associated to become, **Proven Knowers of The Great Testimony:** we are going to select them, execute them, and burn them in Hell for all Eternity. No exceptions.

For those duly Commissioned and Empowered, the process of **Absolute Extermination** is as simple to perform as it is to describe. The limitations are demanding and cannot be ignored without severe, if not the extreme, penalty. Set your mind first to do no harm to any innocent and to spare no destruction upon the guilty: and you will be safe from any and all consequences of error. The limitation within that limitation is ***"by what standards you do act?"*** Outside of Holy Law the options are without limit, inside of Holy Law ***un***justified activity will rebound with devastating results. That said, from either, when properly performed, there is no escape, so beware of your intentions at all times in all instances.

For example, a street punk is outside Holy Law and whether they are a threat to you at all, is not a matter for consideration. The fact they are a street punk is prima facie evidence they are a threat – via potential threat – and an UN-holy example to all other people. Extermination of such elements is the sole and exclusive remedy and cure.

The same applies to the knowing-socialists of media. They cannot be in the position of access to massive amounts of information and historical results, and not be fully aware of those eventual results, when they deliberately perpetuate – quote – 'lies' – unquote – as 'news' regardless of the subject matter! The glorification and public exposure – ***better known as advertising*** – of morally-bereft personalities and legislations are prime examples.

That magnanimous liar and public hypocrite **William James "Bill" O'Reilly** who feigned moral outrage during coverage of Whitney Houston's drug-induced death about the media's responsibility with respect to the massive exposure and glorification of dopers all over the Entertainment Industry to the youth of America. He knows, as does everybody else in media, that ANY publicity is ADVERTISING! Thus the adage, "*say anything you want, just spell my name right*" is as old as publicity itself. O'Reilly runs his hypocrite mouth about coverage, aka glorification, of the narcotics culture of entertainment, but refuses to report – *and thus expose* – anything about the nonexistent U.S. birth certificate of Barack H. Obama; and even less about Obama's use make that MIS-use of the late Jean Paul Ludwig's (1924-1977) Social Security Number.

Thus, said **William James "Bill" O'Reilly, Jr.** is one of those we need to remove ... from his glory position of the air waves and from humanity at large. The same 'journalistic opinion' (I hope I got enough contempt in that) is rampant throughout all Main Stream Media and the Akurians are going to deal with all of them in the only language they all fully understand. And, lest there be questions: NO!, we are going to apply the Process of **Absolute Extermination** across the board upon all the vile and corrupt. We're just going to practice on the Media until we become infinitely proficient.

Currently the only media personnel we need not hammer into oblivion are those on Conservative Talk Radio – which is virtually alone in the industry, as Liberal Talk Radio has gone bust since day one – and those akin to Alex Jones at Prison Planet, one the most-prime internet examples of TRUTH warts and all. Those patriotic conservantives need not – *indeed must not* – be hammered. In fact, we must protect and defend their Conservative Media as it is the last bastion of TRUTH dispensed to the public. We will call them into account when they are in error, and expect immediate correction.

Akurians are people of Power and Great Authority. And we are going to use both.

For the record: We are going to execute socialists across the board, starting with Major Media personnel whether print, radio or television. These bastards must DIE as disgracefully as possible – even if they choose suicide to escape the consequences for their knowing damned lies and treasons. If they crash in an elevator, die in a house fire, miss a bridge, drive off a hill, sink in a boat or get caught in a rip-tide, death is still death. That said, we must NOT permit them to die via the actions of some manipulated psychopath as THAT opens the doors to more legislated communism. And THAT will not satisfy the Energies we want put back on track. They die in disgrace; all part of the vision when we select the next bastard on the list.

Repeating for the record:

We are not going to execute anybody we don't also burn in Hell!

We CAN do it, we WILL do it, because we MUST do it!

If we dare sit by and permit these socialist bastards to continue to program the masses into becoming communists and reject The Most High and His Holy Laws in their ignorance: The Most High is going to ask US – THE AKURIANS – concerning those millions of lost and doomed souls!

Now comes one example of the ENERGY part.

When I was killing Masons, Knights of Columbus, and other worthless bastards on government payroll, while in Pendleton Prison, Indiana, rather than use my own Essence for the exterminations, I would select a roach and direct it's LIFE ENERGIES to combine them with whoever was up for extermination, and kill it. LIFE IS LIFE and DEATH IS DEATH and the respective energies thereof cannot be escaped. *Think about what I was doing:* taking a LIVING bug, tying its LIFE ENERGIES to the bastard that their energies become one, and executing the bug which then executed the bastard. We were so overrun with Palmetto-sized roaches there was never a shortage of supply. The word got out when I deliberately demonstrated to one of the guards how and what I could do to him personally. He ran his mouth as I knew he would.

I was asked by one of the Civilian Kitchen Staff about the display, so I knew my plan was on track and on schedule. I repeated the process for him of killing a roach, but didn't speak aloud what I put through my mind as the final trigger. The bastard died overnight at home, although the cause of death was never revealed. The next day the Civilian Kitchen Staff put me behind a desk, with no duties to perform, and kept my coffee fresh about every ten to twenty minutes. The next day, we were all on lock-down while a commercial exterminator went through the entire institution, kitchen and food-storage first! Evidently the roaches had outlived their usefulness of spreading disease and discomfort to the prisoners.

And here's the **HOW TO:**

For tonight's lesson you will only need access to yourself. There are no Body of Light or Body of Fire requirements, no Etheric images, no Planes of Heaven or Depths of Hell excursions, and no invocations of either Angelic Entities or Grand Elements of Creation. In fact, the use of any of the above in such exterminations are *detriments* to the required forces as they are all parts and parcels of LIFE. Even the Horrors of Hell are penalties for misconduct in LIFE!

You will need and use only your ability to ENVISION as instructed. The biggest TEAM limitation is your perception being different, even in the slightest, of anyone else's perception on the TEAM. And, in spite of those different perceptions during TEAM Operations, they are of no consequence whatsoever in personal – solitary – Operations.

Sounds a bit crazy doesn't it?

True Spiritual Facts often sound crazy to some people, just like trying to describe a dream that is haphazard by Earthly standards. Dreams – all of which are Spiritual experiences – are almost impossible to explain even in general terms, and totally out of the question in fine details and timing. With the exception of Prophetic Dreams, that have a hard point to the exclusion of much other details, the general rule is distorted, disconnected events and circumstances. That individual perceptions during TEAM efforts are huge limitations against the objective – because each difference pulls energy its own direction and thus off the target – but when done solo there isn't any diversion of the energies involved. Simple as that.

All it takes for **Absolute Extermination** is **(1) justification under Holy Law; and (2) properly directed forces**. Justification of the general media is absolute due to its massive contributions to and toward socialism. Socialism is Demonic. Period. Now as a TEAM effort we need only have the SAME – **AS IN EXACT SAME** – perception of the Death Emblem. There can be no excuse for anybody not having the same view as *the world's greatest Spiritual Death Emblem is the Christian Cross!* To make sure we all have the same perception, on my command and NOT before: everybody will envision a plain, neutral gray – like a gravestone – cross embedded into the targeted entity. You have effectively put DEATH within them. How strong and immediately effective that DEATH will occur depends entirely on the quality of the TEAM **SAME-VISION SAME-TARGET** vision. We'll rehearse that more later in the application of this Instructional.

For those who want to practice alone, the view of the targeted bastard IN a casket, open or closed, is equally effective as long as you've done your preparation properly: **(1) justification under Holy Law; and (2) properly directed forces**. Two people attempting to envision a coffin – and not seeing the exact same coffin – is a detriment, different energies pulling different directions as just explained.

In this practice of **Absolute Extermination**, when done properly, we need not exterminate anything other than the targeted bastards, and *that* one at a time. As a TEAM, we only need to see the same thing the same way and the same target. The same target need not be in a photograph, although photos do help.

We're after Major Media Socialists, moderators and perpetual guests of network news and columnists of all major publications. If you're not familiar with the intended victims, take the time to search the net and download their current photos: **AND DO IT WITHIN THE NEXT FEW DAYS, THIS WEEK IS POSSIBLE. YOU ARE GOING TO NEED THOSE PHOTOS** – so get them and share them!

Save them somewhere IN ADDITION TO your emails – on a disc if possible – as the bastards are going to spare nothing to crash and destroy our systems and access as soon as they find out and confirm from their handlers that the Akurians have put this hard and merciless hammer in their respective asses.

The Absolute Extermination procedure:

Discern and locate the living body of: XXXXXXXXXXXX;

Envision a plain, neutral gray cross, the Emblem of Eternal Death, embedded in XXXXXXXXXXXX's *head!* That's right, HEAD, where the consciousness is. There is no need to insert a ping-pong ball of any kind, as the target will KNOW instantly, then and there, they have been adjudicated to immediate Death.

Hold the vision until you physically feel the Emblem of Eternal Death merge with the living forces of XXXXXXXXXXXX. The instant you feel the energies merge, that's the same instant the target will have their own revelation about their immediate impending death. Every time they are hit, their own thought forces will bring their death closer – AND THEY WILL KNOW IT – without knowing a damned thing to do about it. There isn't any defense nor any escape. Period.

Once a victim has been exterminated, then discern their soul (or remaining consciousness) and deliver them to Perdition to remain there forever.

This process of **Absolute Extermination** is an exacting requirement and any other attachments or diversions whatsoever will nullify even the best of Invocations. Strange as it may seem, the more simple a Spiritual Process seems to be, the more exacting that Spiritual Process becomes.

Tonight, we begin that process of **Absolute Extermination**, starting with the Media; and the magic number is SIX. We want only SIX known journalists; all of national and international renown.

The exact requirements one more time:

(1) Justification under Holy Law; and (2) properly directed forces.

Once we select the list, we will discern them with respect to their socialism, whether favored or coerced. Do not attempt to discern beyond the targeted personality as to layers or job requirements, if they smell of socialism, they are socialists! Period. And we shall deliver destruction and Hell upon them accordingly.

Name One: **William James "Bill" O'Reilly, Jr.**

Name Two: **Sean Hannity**

Name Three: **Wolf Isaac Blitzer**

Name Four: **Christopher John "Chris" Matthews**

Name Five: **Gerald Michael Riviera**

Name Six: **Lila Diane Sawyer**

On my command:

Discern and locate the living body of: XXXXXXXXXXXX;

Now envision a plain, neutral gray cross, the Emblem of Eternal Death, embedded in XXXXXXXXXXXX's head!

Hold the vision until you physically feel the Emblem of Eternal Death merge with the living forces of XXXXXXXXXXXX.

Once those energies have jelled into one, just let them both go.

Now that everybody has the resources and the Knowledge, I order each of you to perform this Invocation of Testimony against at least one Media Personality – your choice – in addition to Jail Bars against Barack Hussein Obama every day. No exceptions. This Vision, this Invocation of Testimony, every day – and as often as possible.

Put your photos where you can easily access them. If you can't get the damned things to print – like we couldn't get them to email – let me know and we'll send you printed color copies.

ARE THERE ANY QUESTIONS?
