

BODES OF HADES – POWERS OF HELL
Part, the Twelfth
16 September 2012 - 29 Elul 5772

TARGET: All HAARP Global Installations;

First, *let me remind you again: until the Days of Shiloh you are going to be required to be – and deliver – as a TEAM.* Anyone off on their own idiocies is NOT a member of a dependable TEAM and their destruction will be upon their own head.

Akurians, you will need immediate access to your **FULL BODY SUPER SENSE**. Either access yours now, or make a new one to access while I continue with this Instructional. CHARGE your **FULL BODY SUPER SENSE** with **WHITE SPIRITUAL LIGHT** and AKASHA, AIR, FIRE, WATER and EARTH *from your own energies*.

Your **FULL BODY SUPER SENSE** should be fully functional and adapted to **The Great Awakening**. **REPEAT:** Where we are going and what we are going to do, there isn't any room for, or tolerance of, ignorance or self-agenda stupidities. Do exactly what I instruct. Nothing else. No adding to, no subtracting from. If I don't instruct it, *don't do it*. Simple as that.

Akurians, use your **FULL BODY SUPER SENSE** and do a **FULL BODY DISCERNMENT** of yourself – physical body first, then Spiritual Body – and that includes using your **FULL BODY SUPER SENSE** to **DISCERN** your **FULL BODY SUPER SENSE**!

Why should we also **DISCERN** our own **FULL BODY SUPER SENSE** using our **FULL BODY SUPER SENSE**? Again, the answer is simple: because we are not yet totally proficient in **DISCERNMENT** with our **FULL BODY SUPER SENSE** and the Anunnaki/Nefilim – *and all OWG bastards* – know it! We've already found the evidence that the Anunnaki/Nefilim and OWG bastards have set up information-feeder systems to *FEED INCORRECT DATA* to our **FULL BODY SUPER SENSE**!

Unless we also **DISCERN** the source and intent of the energies our **FULL BODY SUPER SENSE** is reading, we are susceptible to being scammed by our NOT being fully cognizant via **LACK OF PRACTICE**! In short, we are learning the hard way that just because we are getting data via our **FULL BODY SUPER SENSE** is no excuse to act or react as though that data is god-law-and-gospel until it too has been fully **DISCERNED** – a capability our **FULL BODY SUPER SENSE** comes with and we have yet to put to use.

In short, Akurians, as with everything we learn and do, *there are growing pains*; and the full and proper use of our **FULL BODY SUPER SENSE** isn't any exception. So far, there's been no great damage, but the fact we've been hammered should be a massive HEADS UP!

ARE THERE ANY QUESTIONS?

Akurians, make a disc of **WHITE SPIRITUAL LIGHT** above your head to move down through the nerve system of your **BRAIN-SPINAL CORD** and CHARGE IT with AKASHA, AIR, FIRE, WATER and EARTH *of your own energies*; move it down your system inside your *skull, neck* and *backbone* to your *tail bone*.

Your **FULL BODY SUPER SENSE** should be fully operational.

Tonight's Instructional is going to include learning how to use the Lower Depths of Hell. We're going to continue our practices of using both the Planes of Heaven and Depths of Hell as not only places to view, but ENERGIES to be used!

Anyone who hasn't practiced or rehearsed properly is going to have failure problems. I have **DISCERNED** those of you who are having legitimate problems, and I will keep you safe from all harm as long as you do *exactly* as instructed.

Quoting from "The ANOINTED, The ELECT, and The DAMNED!" Paragraph 7380:

7380 The next Depth is Danaka (DA-NAK-KA), and it is from here that the bearded Jesus, Mary, and ectoplasm 'spirits' are formed to be 'seen' and 'communicated with' during seances or Christian 'religious' experiences. This is an ideal Depth for Lucifer to perform such manifestations from, as here his authority isn't questioned, and the material can be taken or sent up to the Earth Level without leaving a trace of its origin and intent in the Higher Heavens, except in the Akashic Records!

And THAT is exactly what we are going to do: take energy from the **Depth of Danaka** and bring it UP to the Earth Plane and send it blazing through the ranks and hideaways of the ExtraTerrestrials, Demons and their puppets!

As a head's up, this Instructional is going to select specific targets, some we've hit before; make **ENERGIZED BODIES OF FIRE** as we've done before; and turn those **ENERGIZED BODIES OF FIRE** into **ENERGIZED BODIES OF LIGHT** as we've done before: and then turn those **ENERGIZED BODIES OF LIGHT** into an entirely different **IMMORTAL GOLEM OF DANAKA!** Then we're going to take that **IMMORTAL GOLEM OF DANAKA** into the Depths of Hell and turn it into an incomprehensible nightmare upon the Targeted and the Damned.

CAUTION: do NOT attempt to play any silly games or personal nonsense with any GOLEMI until you have been through, practiced and fully rehearsed, this process though all the Depths of Hell. Each Depth of Hell used in these practices is somewhat different and requires a direct and clarified process.

What we are about to do is extremely dangerous and each subsequent venture will be proportionately moreso. If you get in over your capabilities, simply **STOP** and return to your physical body, and once there just listen to the remainder as a lecture of learning.

ARE THERE ANY QUESTIONS?

Akurians, prepare to make a new and fully **ENERGIZED BODY OF FIRE.**

Akurians, on my command:

Keep your **FULL BODY SUPER SENSE** *inside* your body; and make a new **BODY OF LIGHT** to expend in this attack invocation as an **ENERGIZED BODY OF FIRE:**

AKURIANS – CLEAN YOUR HANDS:

AKURIANS – CLEAN YOUR FEET:

Visualize a **SQUARE** of **WHITE SPIRITUAL LIGHT** on the bottom of your big toes – both of them at the same time.

AKURIANS – CLEAN YOUR FACE and **ENERGIZE YOUR HEAD:**

Deep breath in – hold for a count of five – exhale and breathe back in, **NEVER** leaving the lungs empty.

Make another disc of **WHITE SPIRITUAL LIGHT** just above your head; and *out of your own energies* CHARGE IT with AKASHA, AIR, FIRE, WATER and EARTH; move it DOWN through your body, head to feet, let it attach and disburse itself as it will.

Project your **ENERGIZED BODY OF LIGHT** into the center of the Sun! Expand your **ENERGIZED BODY OF LIGHT** in all directions to be 800,000 miles in diameter. Attach all Energies and Forces of the Sun and Black Fire you can muster to your **ENERGIZED BODY OF LIGHT** and turn it into an **ENERGIZED BODY OF FIRE.** Take all the available **ELEMENTS**

present in the Sun, AKASHA, AIR, FIRE, WATER and EARTH and BIND them to this **ENERGIZED BODY OF FIRE** to make the most powerful Sun Link possible.

DON'T USE THE SUN LINK!

Return this **ENERGIZED BODY OF FIRE** to yourself and expand it to encapsulate the entire building you are in – no exceptions – expand it to include all the property, street-to-street, street-to-alley, fence-to-fence, fence-to street, whatever your situation. Do not concern yourself with other people, animals or wildlife, expand this **ENERGIZED BODY OF FIRE** to protect you and yours! That's right, **TO PROTECT YOURSELF, YOU AND YOURS!**

Keep this **ENERGIZED BODY OF FIRE** in place until it dissolves of its own accord, which should be at least a week or ten days. Layer it with as many more like it as you deem necessary; you're better off SAFE than SORRY.

Take cognizance of your **FULL BODY SUPER SENSE ... Remember, NEVER send this FULL BODY SUPER SENSE out of your body!**

Now, using your **FULL BODY SUPER SENSE** clear everything but INCOMING energies ... specific to your assigned HAARP installation ... whatever is there, let the energies tell you. We intend to deliver Hell-Itself into every operation of whatsoever nature in each and every HAARP installation regardless of where it's located and upon it's every level of command in the HAARP organizations.

Note via your **FULL BODY SUPER SENSE** the extended reaches of the HAARP installation chambers. How far do they go; which are the main corridors ... to main intersections ... to other installations. Who/What are the authorities in charge ... their location ... staff, management, facilities ... let the energies tell you. Use your **FULL BODY SUPER SENSE** to **DISCERN** it in as much detail as you can accomplish.

You have one minute to complete the process.

Now that you have data about the place ... this is your intended target.

Akurians, those of you present in this company are for now and forever FORBIDDEN to even discuss what you are going to learn and do with any other entity not present. DO NOT communicate any of these things in any manner to anyone else not present under any conditions.

Give me a moment to clean these lines of all monitors and disrupt all recording devices and systems.

ANCIENT AKURIAN SECRET OF THE DEMONS

That every Akurian is expected to KNOW and not 'believe' isn't anything earth-shattering to the OWG bastards or the Anunnaki and Nefilim bastards who manipulate them. ***But the fact that anybody and everybody sentenced to ANY Depth of Hell will do their absolute and infinite best to attach themselves to any GOLEMI they can manage, in an effort to escape their horrendous punishment even for a few micro-seconds, is something those bastards and all the Demons they serve do NOT want known, understood or publicized!***

Make no mistake, there isn't anything you direct a **GOLEMI** to do that the hitch-hikers won't try their best to help accomplish – even if it's a far greater abomination than they were sent to Hell for – simply because they KNOW that such service at the direction and justification of ANY Akurian, and especially as directed by Proven Knowers, will be accounted as Righteous Service upon them when they are in the next Judgment!

Akurians, WAKE UP and PAY ATTENTION!

I did NOT just give you a blanket license to use, or permit, any Occupants of Hell to be a part of anything we as Akurians must accomplish. **GET OFF THE "USE THEM" KICK RIGHT NOW – AND STAY OFF – UNTIL YOU KNOW WHAT YOU ARE DOING YOURSELF!**

At some point in the future you will learn how to **require**, permit or refuse Infernal hitch-hikers – when and how to use them, for what purposes and the liabilities and responsibilities involved – because it's a critical part of your Mastership as an Akurian! **YES!** I said "require" as that too will become one of your capabilities; and a capability that damned well better NOT be abused or jackassed unless YOU want to take on the **SAME JUDGMENT PENALTIES: WITH INTEREST** as the Infernal Victim(s) you **required** to serve.

ARE THERE ANY QUESTIONS?

For those present: you are going to make another **IMMORTAL GOLEM** bound and dedicated to directed DEATH and DESTRUCTION of all enemies of Akuria, but this one is going to be from a Lower Depth of Hell, DANAKA! DO NOT deviate from my Instructions in any detail whatsoever; add or delete one whit and this monster is going to turn on YOU simply because it exists! It initially knows only YOU and what you CHARGE and ENERGIZE it to do. It serves no other purpose of itself.

The **IMMORTAL GOLEM OF DANAKA** you are going to make will be permanently attached to YOU and your THOUGHT patterns! Anything you determine to be an enemy of Akuria or Akurian Justice, all you need do is command – verbally or mentally – it's name ... That's right ... without a proper name this **IMMORTAL GOLEM OF DANAKA** is powerless. Unlike an unnamed **IMMORTAL GOLEMI OF DEROS** that doesn't have a name, any **IMMORTAL GOLEM OF DANAKA** or any of the Lower Depths of Hell are far more powerful and must be controlled with far more intelligence, cognizance and discipline. That nobody else but YOU, the Creator, has any control or influence over any **GOLEMI** of your making – and because currently YOU are True and Righteous, any **GOLEM** will be True and Righteous – until you target and release it to raise all the havoc you made it to accomplish. **GOLEMI OF DEROS** as we've used the past two weeks didn't have names because we wanted them to do specific duties and never return for any reason from those we infested and infected with them. It takes a LOT of very Special Knowledge to locate, reassemble and disperse any **GOLEMI OF DEROS** – and currently there isn't anyone, but me, on the Planet who can do that! **RIGHT!** I have no intention of removing a damned thing we've spent so much time, effort, energy and personal expense in establishing upon the deserving bastards.

As explained before, *know for a fact*: the main cause Kak Jews lost control over their thousands of **GOLEMI** is because they either did not properly name them, did not create them so control could be passed on – *just like this one and those before cannot* – or they failed to pass on the correct names to whoever they intended to inherit the **GOLEMI**! As I instructed: *Control of this IMMORTAL GOLEM cannot be passed on*, leaving any and all responsibility for idiocies upon your own head to the exclusion of anybody else. As with every other deliberate action, THAT comes with a personal responsibility: FAIL to send your **IMMORTAL GOLEM** to raise proper hell as justified, and that FAILURE is upon your head too. If you're NOT going to use it, DON'T CREATE IT!

Before we continue:

ARE THERE ANY QUESTIONS?

From this point, do not interrupt. If you even suspect you're in over your head, STOP and return to your physical body and listen to the remainder of this Instructional as training.

Clear all other considerations from yourself; do exactly WHAT I tell you, WHEN I tell you without any deviations or interruptions whatsoever: you are going to make an **IMMORTAL GOLEM OF DANAKA!** Remember, any **GOLEMI** is permanently attached to its Creator – *in this case YOU* – for as long as it exists; and a properly created **GOLEMI** can travel faster than the speed of light without moving backward in time: just like your thoughts from which it was Created. Unlike **GOLEMI OF DEROS**, they do not need a Sun Link of any kind. Sun Links restrict these types of **GOLEMI** ... *always remember that.*

Locate and **DISCERN** your assigned HAARP Installations. Note they are not the same, the rotation eventually giving each of you the chance to **DISCERN** all the Installations and to continue the destructions inflicted by the previous Akurian.

HAARP Assignments:

Command Marshal Budagher = HAARP Area 51 – Nevada

Command Marshal Shams-Avari = HAARP Long Island – New York

Supreme General Schipul = HAARP Puerto Rico

Staff General Clark = HAARP Gakona – Alaska

Brigadier Meinke = HAARP Peru

Brigadier Malone = HAARP Brazil

Brigadier Siler = HAARP Australia

Colonel Davis = Eiscat HAARP Norway

Colonel Riggs = HAARP Japan

Major Martin = HAARP India

Major Kilpatrick = HAARP Russia

Weldon Brinson = Australia Defense Radar

Doreen McCaul = HAARP China

I will take = HAARP United Kingdom

Akurians, on my command:

Prepare to make another **BODY OF LIGHT** and CHARGE and ENERGIZE it.

CLEAN your hands;

CLEAN your feet;

CLEAN and ENERGIZE your head;

*Make a new **BODY OF LIGHT** inside your physical body;*

Make a disc of **WHITE SPIRITUAL LIGHT**, CHARGE and ENERGIZE it with AKASHA, AIR, FIRE, WATER and EARTH of your own energies;

Move your CHARGED and ENERGIZED disc of **WHITE SPIRITUAL LIGHT** down through your **BODY OF LIGHT** and CHARGE to ENERGIZE yourself from head to toe. Take special notice of those points that LIGHT UP as you move the disc, and take a minute to DISCERN what that Energy Point is about: It's a signal of the STRENGTH of this given **BODY OF LIGHT** you are going to turn into an IMMORTAL GOLEM OF DANAKA!

This additional notice of the STRENGTH of this given **BODY OF LIGHT** will become critical in time as you will learn to make all points the same strength *because you are going to need it!*

Akurians, CLEAN and RESTRICT your IMMORTAL GOLEM OF DANAKA to your sole and exclusive possession and control; prohibiting it's ability to be attached to or otherwise invaded.

Akurians, CHARGE and ENERGIZE your IMMORTAL GOLEM OF DANAKA with every deadly force and energy found in the Sun but in this order and on my command:

Fly it to the Sun: AKASHA, FISSION, FIRE, BLACK FIRE, WATER, FUSION, AIR, EARTH, MOON, DEATH, DESTRUCTION ... and infuse as much Sun Forces into it as you can manage ... now BIND this IMMORTAL GOLEM OF DANAKA and all those energies to be manifest in EARTH!

Keep this IMMORTAL GOLEM OF DANAKA in the Sun where it's under your infinite control until I instruct you to move it. *This IMMORTAL GOLEM OF DANAKA is different than anything you've encountered before, and must be handled accordingly!*

Now even before we name this Entity, here is a hard part: on my command, and not before, while you and it are BOTH still in the Sun, you are going to SINK this IMMORTAL GOLEM OF DANAKA into the DEPTH OF DANAKA and WITHOUT sinking yourself in the process! You're going to SEND your IMMORTAL GOLEM OF DANAKA into the DEPTH OF DANAKA – not TAKE it down – REPEAT: you're going to send it. It's not going to disappear if you do exactly WHAT I tell you WHEN I tell you and only AS I tell you.

This IMMORTAL GOLEM OF DANAKA is currently under your control and inside the Sun, WITHOUT moving it from the Sun, you're going to sink it down into the DEPTH OF DANAKA.

First, detach yourself from this IMMORTAL GOLEM OF DANAKA. It's a very hot Spirit Entity and under your complete control and guard and protect it from any other entity, spirit or otherwise.

Second, visualize this IMMORTAL GOLEM OF DANAKA turning solid black by depriving it of all Light – only LIGHT *not everything in existence* – and it will begin to darken into a shadow to a solid. Once it is as solid black as you can make it, CHARGE IT WITH ALL THE FREQUENCIES, AGONIES AND ENERGIES OF DANAKA and strengthen them with all the Forces, Energies and Powers of the Sun with as much Black Fire as you can muster. This IMMORTAL GOLEMI OF DANAKA will remain in the Sun but also in the DEPTH OF DANAKA! And for the time being, THAT is exactly where you want it.

Unlike the IMMORTAL GOLEMI OF DEROS we made for permanent aggravation and general disruption, this IMMORTAL GOLEM OF DANAKA *and all others from all lower Depths of Hell must be named!* Name your GOLEMI while it is still under your immediate control, visualize the essence and energies of these four words: **AKURIAN HELL OF DANAKA!** with an exclamation mark on the end. Fuse those energies and the words **AKURIAN HELL OF DANAKA!** into your IMMORTAL GOLEM OF DANAKA!

Akurians, on my command:

Endow your IMMORTAL GOLEM OF DANAKA with Truth and Justice!

Endow your IMMORTAL GOLEM OF DANAKA to recognize any and all energies, forces and powers!

Endow your IMMORTAL GOLEM OF DANAKA with the strength and infinite energies, forces and powers of the Sun that it cannot be resisted or defeated!

Clean your IMMORTAL GOLEM OF DANAKA of any and all other entities, spirit or otherwise: BURN THEM IF YOU FIND THEM! You're operating in one of the most-deadly destructive sources in this part of Creation, the Sun, so don't be shy about using it to CLEAN!

Return your IMMORTAL GOLEM OF DANAKA to this earth and stand it a short distance from you!

Name it again - AKURIAN HELL OF DANAKA! – in this earth!

In your thoughts, inform it to roam this planet wherever there is passage and living entities to slaughter, slay, denigrate, disrupt and destroy all Demonic, ExtraTerrestrials, HAARP Installations, facilities and personnel including all energy-connected Manipulators and systems!

Akurians, on my command:

Fly your IMMORTAL GOLEM OF DANAKA to your assigned HAARP installation and inform it of all the SUBTERRANEAN tunnels and chambers you just DISCERNED, and release it to be an avenging monster killing and destroying everything there. You have DISCERNED its TARGET BASE and this IMMORTAL GOLEM OF DANAKA has no other purpose or capability than infinite and perpetual slaughter and continuous destruction, minute by minute, hour by hour, day in and day out, from now until Shiloh.

A hotter Horror of Hell-Itself has arrived at HAARP!

Now issue your FINAL COMMAND to your IMMORTAL GOLEM OF DANAKA with these words:

"AKURIAN HELL OF DANAKA! AKURIAN HELL OF DANAKA! Slaughter and slay all enemies of your Creator, and spare them not! Go where I send you: into this HAARP Installation; into its farthest reaches, into its every nook and cranny! Immediately find and target all enemies of Akuria; if they know not Akuria they are also an enemy! Without any mercy or consideration of mercy whatsoever: slaughter, slay, denigrate, disrupt and destroy all Demonic, ExtraTerrestrials, facilities and personnel including all energy-connected Manipulators – as their own energies identify them – possess them, destroy them and spare them not!

"AKURIAN HELL OF DANAKA! AKURIAN HELL OF DANAKA! Go now, go where I send you: into this HAARP Installation and all the equipment and facilities thereof and chambers therein. AKURIAN HELL OF DANAKA remain here until you alone exist in this place."

Akurians, release your IMMORTAL GOLEM OF DANAKA;

Release yourself from the IMMORTAL GOLEM OF DANAKA and all its attached energies and prepare to recharge yourself.

It may take some of you a few minutes.

Recharge your FULL BODY SUPER SENSE.

Let me know when you are finished.
