

A Curse be upon Deutch Bank!
And all her affiliates, subsidiaries, holdings,
owners, stockholders, investors and employees,
of all or even any association therewith,
and all their wives, their husbands, their
whores, their harlots, their harlotmongers,
their spoiled & rancid harlot daughters &
harlotmonger sons unto all generations
until their wombs become barren & their
seed infertile & they shall be no more!

For they are an abomination in the
sight of the Most High Lord God of all
Creation!

A Curse be upon Deutch Bank! And
all those of even any association, for they
have willfully cheated and abused even
one True Proven Knower, disciple of Lord King
of Kings El Aku Aliah Asur High, Beloved Son
of Fire of The Most High God of Abraham & Isaac;
Therefore shall they become cheated and abused
by all who would otherwise serve them and
all whom they would serve, even unto such
demonic spirits at their hand or guiding their
yoke!

A Curse be upon Deutch Bank! And all those of
even any association, for their lies are a putrid
stench to all those who hear them, even the
Most High Lord God of Spirits! And thus shall they
know betrayal, and only lies from the filth-
ridden mouths of all whom they trust!

A Curse be upon Deutch Bank! And all those of even any association, for their atrocities great and small that even one innocent ~~has~~ ^{has} suffered even one moment from the effects thereof; and thus shall they, even like the unwitting insect, become hopelessly ensnared and tangled by the very web of their own intrigues, paralyzed by the very venom they would ~~speak~~ ^{to become} as even poisonous food for any ~~who~~ ^{has likened unto the spider} ~~who would~~ ^{and putrid} even think to feast upon such helpless remains!

A Curse be upon Deutch Bank! And all those of even any association, for all the unjust usuries creating bleeding financial burdens upon the populace from which there is no escape, all to feed their ever-ravenous appetite of greed and lust for money! Therefore shall they know the pain of hunger for even a mouthful of rancid meat, $\frac{3}{4}$ the hopelessness of abject poverty, $\frac{3}{4}$ the struggle to keep even the most meager $\frac{3}{4}$ insufficient shelter overhead! Yea! Even the very necessities for miserable life shall be taken from them, as they are shunned by all for their want, stricken by all manner of pestilence, disease $\frac{3}{4}$ ill health in their inability to buy even the smallest measure of curative relief $\frac{3}{4}$ abandoned by all who might help them!
