HR 3962 – PROPHECY FULFILLED!

ALBUQUERQUE, NM (USA) – Forty seven years ago a prophecy began to make the rounds of the few true spiritualists and metaphysicians of the day. HR 3962 passed the US House of Representatives, November 7th, 2009, and fulfilled the beginning of all FORTY-FIVE prophetic references contained in "[The ANOINTED, The ELECT, and The DAMNED!](#)" (AED) (© 1962-2006) – Free Online (theakurians .com) – and available at all book outlets and major libraries world wide. The World's Greatest Book of Answers, in its second printing, the AED is filled with commentaries translated directly out of Angelic, the language of the Heavens and Hell.

The AED contains hundreds of prophecies about the immediate and long-term future of the United States and the world along with ancient and modern Blessings and Curses, who is responsible and how to deal with the sure and certain effects. HR 3962 – legislated enslavement – is but one point of coverage in the 500-page volume.

The two main officers in authority of the AED, Bobby Farrell and D. Chylon Budagher, were involved in a Nostradamus prophecy fulfillment, Century 10, Quadrant 74, 10th April 2007:
"The year the Great Seventh Number is accomplished;
Appearing at the time of the Games of Slaughter;
Not far from the Age of the Great Millennium,
When the dead will come out of their graves."

The pair released uncounted millions of souls, some who had been trapped by demonic ritual since before the ancient Biblical accounts of the Nefilim, later called Watchers in Daniel, Chapter 4. The event happened at Albuquerque, New Mexico, USA, and was fully documented by the Akurians who test everything in direct, two-way, infallible communication with The Most High Lord God of All Creation.
