

BODES OF HADES – POWERS OF HELL
Part, the Fourteenth
7 October 2012 - 21 Tishrei 5773

TARGET: Democratic National Committee, Barack Hussein Obama, Joseph Robinette Biden, Republican National Committee, Willard Mitt Romney, Harry Mason Reid, Nancy Patricia D'Alesandro Pelosi.

Akurians, you will need immediate access to your **FULL BODY SUPER SENSE**. Either access yours now, or make a new one to access while I continue with this Instructional. CHARGE your **FULL BODY SUPER SENSE** with **WHITE SPIRITUAL LIGHT** and AKASHA, AIR, FIRE, WATER and EARTH *from your own energies*.

Your **FULL BODY SUPER SENSE** should be fully functional and adapted to **The Great Awakening**. Do exactly what I instruct. Nothing else. No adding to, no subtracting from. If I don't instruct it, *don't do it*. Simple as that. Unless you also **DISCERN** the source and intent of the energies your **FULL BODY SUPER SENSE** is reading, you are susceptible to being scammed by your NOT being fully cognizant, primarily by **LACK OF PRACTICE!** In short, there is no excuse to act or react as though your **DISCERNED** data is god-law-and-gospel until it too has been fully **DISCERNED**. As with everything else, *there are growing pains*; and the full and proper use of your **FULL BODY SUPER SENSE** isn't any exception.

Those of us who watched the televised debacle between illegal-President Obama and OWG idiot-Presidential wannabe Romney Tuesday before last, are living testimony of absolute jackass palmed of as 'news' when at best it was little more than disguised drivel. The fact even Romney's haphazard 'proposals' took Obama's actual record apart at the seams really didn't surprise anybody, including Obama & Kommrades. Akurian Hammers were all over the place: including the effects of my letter to Jim Lehrer; and so-called 'coverage' by all networks since are just more of the same 'let-us-Marxists-murder-you-for-your-benefit' without saying so directly. One of the best descriptions of the debacle to date is, "The Obama-Romney debate was like the Titanic discussing icebergs" and about as informative.

We're pounding the bastards and they know it!

Akurians, make a disc of **WHITE SPIRITUAL LIGHT** above your head to move down through the nerve system of your **BRAIN-SPINAL CORD** and CHARGE IT with AKASHA, AIR, FIRE, WATER and EARTH *of your own energies*; move it down your system inside your *skull, neck* and *backbone* to your *tail bone*.

Your **FULL BODY SUPER SENSE** should be fully operational.

Tonight's Instructional we are going back into the Depths of Hell. Anyone who hasn't practiced or rehearsed properly is going to have failure problems. I have **DISCERNED** those of you who are having legitimate problems, and I will keep you safe from all harm as long as you do *exactly* as instructed.

Quoting from "The ANOINTED, The ELECT, and The DAMNED!" Paragraphs 7381 through 7386:

7381 The third Depth is Hadesse (HA-DESS-EE), and is where the actual earned karma is clarified in the minds of those souls that shall suffer only for a short season. It's this Depth where a consciousness is held when embound in a dead body, even if the body has been cremated.

7382 The horrors of that situation are nothing when compared to the next Depth but countless entities and souls are needlessly embound here by being prayed for "in the name of gee-sus" at

their funerals; having the body, coffin or grave sprinkled with 'holy water' or 'holy oil' made by any other process than Mosaic Law; or being buried (which includes disposition of cremated remains!) "in the sure and certain hope of the resurrection" that really won't be so pleasant for those who are only resurrected to stand Final Judgment! This is where all those who 'died in christ' or were duly 'crossed' by That Great Babylonian Harlot at Rome's minions get to spend a very long and agonizing tour; even if they did the 'crossing' themselves! Let us hope that is all they have against them.

7383 Make no mistake about these vile and demonic processes!

7384 They are demonic in origin and therefore cannot produce any other than a demonic result! If you don't think so, then learn to project and go see for yourself.

7385 If you do, you will not ever again tolerate 'christians' or any other pagans!

7386 The sufferings of being trapped in a rotting corpse that your consciousness level is down too far to do anything about is bad enough; but to have your trapped soul burning in the process when you don't deserve to be is unspeakable!

Akurians, prepare to make a new and fully **ENERGIZED BODY OF FIRE** to protect yourself and all your surroundings.

Akurians, on my command:

Keep your **FULL BODY SUPER SENSE** *inside* your body; and make a new **BODY OF LIGHT** to expend in this attack invocation as an **ENERGIZED BODY OF FIRE**:

AKURIANS – CLEAN YOUR HANDS:

AKURIANS – CLEAN YOUR FEET:

Visualize a **SQUARE** of **WHITE SPIRITUAL LIGHT** on the bottom of your big toes – both of them at the same time.

AKURIANS – CLEAN YOUR FACE and **ENERGIZE YOUR HEAD**:

Deep breath in – hold for a count of five – exhale and breathe back in, NEVER leaving the lungs empty.

Make another disc of **WHITE SPIRITUAL LIGHT** just above your head; and *out of your own energies* CHARGE IT with AKASHA, AIR, FIRE, WATER and EARTH; move it DOWN through your body, head to feet, let it attach and disburse itself as it will.

Project your **ENERGIZED BODY OF LIGHT** into the center of the Sun! Expand your **ENERGIZED BODY OF LIGHT** in all directions to be 800,000 miles in diameter. Attach all Energies and Forces of the Sun and Black Fire you can muster to your **ENERGIZED BODY OF LIGHT** and turn it into an **ENERGIZED BODY OF FIRE**. Take all the available ELEMENTS present in the Sun, AKASHA, AIR, FIRE, WATER and EARTH and BIND them to this **ENERGIZED BODY OF FIRE** as if to make the most powerful Sun Link possible.

DO NOT MAKE OR USE THE SUN LINK! You want the ENERGY and POWER of the Sun – NOT a link to it as Sword of Fiery Death, the Angel Standing In The Sun, can and will put an instant STOP to such abominations – and his displeasure always comes with a PRICE TAG.

Return this **ENERGIZED BODY OF FIRE** to yourself and expand it to encapsulate the entire building you are in – no exceptions – expand it to include all the property, street-to-street, street-to-alley, fence-to-fence, fence-to street, whatever your situation. Do not concern yourself with other people, animals or wildlife, expand this **ENERGIZED BODY OF FIRE** to protect you and yours! That's right, **TO PROTECT YOURSELF, YOU AND YOURS!**

Keep this **ENERGIZED BODY OF FIRE** in place until it dissolves of its own accord, which should be at least a week or ten days. Layer it with as many more like it as you deem necessary; you're better off SAFE than SORRY. This is simply a PROTECTIVE Shield. Nothing more. Your **FULL BODY SUPER SENSE** should be fully operational by now – and this PROTECTIVE is NOT the same thing.

We're going to make **ENERGIZED BODIES OF FIRE** as we've done before; and turn those **ENERGIZED BODIES OF FIRE** into **ENERGIZED BODIES OF LIGHT** as we've done before: and then turn those **ENERGIZED BODIES OF LIGHT** into an entirely different **IMMORTAL GOLEM OF HADESSE!** Then we're going to take that **IMMORTAL GOLEM OF HADESSE** into the Third Depth of Hell and turn it into an incomprehensible servant of Truth and Justice!

When specifically restricted, **GOLEMI OF THE DEPTHS OF HELL** can be made to do any harm or evil, even if you've never imagined such before, and cannot be prevented from eventually destroying any directed target it encounters! That needs a bit more explanation, if and when any **GOLEMI OF THE DEPTHS OF HELL** encounters any targeted entity, it will not spare the perpetrator *nor the source*. For instance, you target Obama, and you hit *all* his support, management and delivery! Strip him of all privacy and secrecy, and everything he attempts is instant exposure and his credibility vanishes regardless of the media spin. **GOLEMI** are not limited to the ink of the Washington Pravda nor the commentary opinion palmed off as 'news' by CNN, Communist Nonsense Network, nor the rest of those blathering and knowing damned liars. In fact, there is only ONE sure and certain defense against a properly created **GOLEMI** - don't give an Akurian a reason to create and direct them.

However, the best way to become your own victim of your own **GOLEMI** and especially those from any **DEPTH OF HELL**, is to attempt a 'fun-nee' with or without your stupid grin intact. **GOLEMI** do not seek justice, they obey the commands and directions of their Creator: YOU! The Most High is NOT going to permit you to DISOBEY Holy Law and walk free and clear whether you do it with a **GOLEMI** or not! If YOUR **GOLEMI** does something, YOU cannot plead ignorance or innocence. That **GOLEMI** exists because YOU created it – any penalties for jackass or personal agenda silliness is upon YOUR head and you cannot hide behind a rampage YOU set in motion.

CAUTION! ONE MORE TIME: do NOT attempt to play any silly games or personal nonsense with any GOLEMI until you have been through, practiced and fully rehearsed, this process though all the Planes of Heaven and all the Depths of Hell; unless I personally contact you with specific instructions. I don't rule such out, but it will be a very rare occurrence. Each Plane of Heaven and Depth of Hell are somewhat different and requires a direct and clarified process. GOLEMI have different rules and they will NOT be ignored or violated.

ARE THERE ANY QUESTIONS?

If you even suspect you're in over your head at any time anywhere in this Practice, STOP and return to your physical body and listen to the remainder of this Instructional as training.

Take cognizance of your **FULL BODY SUPER SENSE** ... Now, using your **FULL BODY SUPER SENSE** clear everything but INCOMING energies ... specific to the current Global Socialist endeavors ... **Democratic National Committee, Barack Hussein Obama, Joseph Robinette Biden, Republican National Committee, Willard Mitt Romney, Harry Mason Reid, Nancy Patricia D'Alesandro Pelosi**, whatever-whomever is there, let the energies tell you. We intend to deliver Hell-Itself into each and every operation of whatsoever nature in each and every Global Socialist Institution regardless of WHAT it does, WHERE it's located, WHO it's financed and managed by, and upon its every level of command all the way down to local politicians, bureaucrats, police, courts and business interests.

Note via your **FULL BODY SUPER SENSE** the extended reaches – like a HUGE spider web – of the WHO and WHAT authorities are in charge ... their location ... staff, management, facilities ... let the energies tell you. Use your **FULL BODY SUPER SENSE** to **DISCERN** as much detail as you can accomplish. Do NOT instantly condemn everybody in sight, there ARE those caught up in this mess who are NOT willing participants but at the moment have little, if any, choice. THOSE we simply isolate,

because THOSE are the energy-links we're going to anchor to in bringing this whole House of Socialist Harlots down to Hell where it belongs FROM THE INSIDE.

Take a couple of minutes to complete the process.

Now that you have data about them ... they are your intended PRE-EMPTIVE target.

Akurians, those of you present in this company are for now and forever FORBIDDEN to even discuss what you are going to learn and do with any other entity not present. DO NOT communicate any of these things in any manner to anyone else not present under any conditions.

Give me a moment to clean these lines of all monitors and disrupt all recording devices and systems.

ANCIENT AKURIAN SECRET OF HADESSE

HADESSE: This is the Third Depth of Hell and the First Depth of the Keys to Hell and Death. When Immanuel spoke those words, **Revelation 1:18 I am he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the Keys of Hell and of Death,**" this is the where and the what He was referring to as having full Authority and Dominion over it.

REMINDER: *The fact that anybody and everybody sentenced to ANY Depth of Hell will do their absolute and infinite best to attach themselves to any GOLEMI they can manage.* Make no mistake, as each DEPTH OF HELL gets more horrendous, those sentenced there are equally more desperate to escape! DO NOT permit anyone or anything to attach to your **GOLEMI** until you know what you are doing.

Akurians, WAKE UP and PAY ATTENTION! Some of you are still in the mental state of programmed-christianity – and nothing there ever did work and still can't.

ARE THERE ANY QUESTIONS?

Prepare to make another **BODY OF LIGHT** and CHARGE and ENERGIZE it.

CLEAN your hands;

CLEAN your feet;

CLEAN and ENERGIZE your head;

*Make a new **BODY OF LIGHT** inside your physical body;*

Make a disc of **WHITE SPIRITUAL LIGHT**, CHARGE and ENERGIZE it with **AKASHA, AIR, FIRE, WATER and EARTH** of your own energies;

Move your CHARGED and ENERGIZED disc of **WHITE SPIRITUAL LIGHT** down through your **BODY OF LIGHT** and CHARGE to ENERGIZE yourself from head to toe. Take special notice of those points that LIGHT UP as you move the disc, and take a minute to **DISCERN** what that Energy Point is about: It's a signal of the **STRENGTH** of this given **BODY OF LIGHT** you are going to turn into an **IMMORTAL GOLEM OF HADESSE!**

This additional notice of the **STRENGTH** of this given **BODY OF LIGHT** will become critical in time as you will learn to make all points the same strength *because you are going to need it!*

Akurians, fly your **BODY OF LIGHT into the Sun and expand it to 800,000 miles in diameter in all directions.**

Akurians, CLEAN and RESTRICT your **BODY OF LIGHT to your sole and exclusive possession and control; prohibiting it's ability to be attached to or otherwise invaded.**

Akurians, CHARGE and ENERGIZE your **BODY OF LIGHT with every deadly force and energy found in the Sun but in this order and on my command: **AKASHA, FISSION, AIR,****

MOTION, BREATH, FIRE, EXPANSION, BLACK FIRE, DESTRUCTION, WATER, CONTRACTION, FUSION, CONTAMINATION, EARTH, STRENGTH, DISCOVERY, POSSESSION, MOON, COGNIZANCE, DEATH, RECOGNITION ... and infuse as much Sun Energies and Forces into it as you can manage ... now BIND these qualities to this **BODY OF LIGHT and you will turn it into an IMMORTAL GOLEMI with all those energies to be manifest in EARTH!**

Keep this **IMMORTAL GOLEM OF HADESSE** in the Sun where it's under your infinite control until I instruct you to move it. *This IMMORTAL GOLEM OF HADESSE is different than anything you've encountered before, and must be handled accordingly!*

Now even before we name this Entity, on my command, and not before, while you and it are BOTH still in the Sun, you are going to SINK this **IMMORTAL GOLEM OF HADESSE** into the DEPTH OF HADESSE and WITHOUT sinking yourself in the process! You're going to SEND your **IMMORTAL GOLEM OF HADESSE** into the DEPTH OF HADESSE – not TAKE it down – REPEAT: you're going to send it. It's not going to disappear if you do exactly WHAT I tell you WHEN I tell you and only AS I tell you.

This **IMMORTAL GOLEM OF HADESSE** is currently under your control and still inside the Sun, WITHOUT moving it from the Sun, you're going to sink it down into the DEPTH OF HADESSE.

Detach yourself from this **IMMORTAL GOLEM OF HADESSE**. It's very hot but still under your complete control. **DISCERN** any and all energies and forces in the presence of your **IMMORTAL GOLEM OF HADESSE**. **CLEAN and RESTRICT** all other entities and spirits by BINDING them to any great distance from you and your **IMMORTAL GOLEM OF HADESSE**.

Now verbally command this **IMMORTAL GOLEM OF HADESSE** to turn solid black by depriving it of all Light and CHARGE IT WITH ALL FREQUENCIES, AGONIES AND ENERGIES OF HADESSE and strengthen them with all the Forces, Energies and Powers of the Sun with as much Black Fire as you can muster; and verbally command this **IMMORTAL GOLEMI OF HADESSE** to remain in the Sun but also to sink into the DEPTH OF HADESSE!

And for the time being, THAT is exactly where you want it. Stand it still and at that distance.

This **IMMORTAL GOLEM OF HADESSE** *and all others from all lower Depths of Hell must be named!* Name your **GOLEMI** while it is still under your immediate control, visualize the essence and energies of these four words: **AKURIAN HELL OF HADESSE!** with an exclamation mark on the end. Fuse those energies and the words **AKURIAN HELL OF HADESSE!** into your **IMMORTAL GOLEM OF HADESSE!** **Keep this IMMORTAL GOLEM OF HADESSE in the Sun until I instruct you to move it.**

Akurians, on my command:

Endow your IMMORTAL GOLEM OF HADESSE with Truth and Justice!

Endow your IMMORTAL GOLEM OF HADESSE to recognize any and all energies, forces and powers!

Endow your IMMORTAL GOLEM OF HADESSE with the strength and infinite energies, forces and powers of the Sun that it cannot be resisted or defeated!

Clean your IMMORTAL GOLEM OF HADESSE of any and all other entities, spirit or otherwise!

Akurians, prepare; on my command and not before:

You will name your IMMORTAL GOLEM OF HADESSE again - AKURIAN HELL OF HADESSE! – in earth and command it to find and Spiritually Possess the entire Staff, Officers, Membership and Employees of the Democratic National Committee, Barack Hussein Obama, Joseph Robinette Biden, Republican National Committee, Willard Mitt Romney, Harry Mason Reid, Nancy Patricia D'Alesandro Pelosi; to cause them to expose and reveal all the TRUTH of themselves into each and every consciousness, mind, soul, eye and ear that none can deny and none can ignore and that all others must despise, reject and refuse.

Akurians, on my command, repeat and accomplish with me:

Name your IMMORTAL GOLEM OD HADESSE again - AKURIAN HELL OF HADESSE! – in this earth;

"AKURIAN HELL OF HADESSE! I, your Creator, command you to search the whole earth and find and Spiritually Possess by physically entering into and BINDING yourself as a permanent attachment to any and all Staff, Officers, Membership and Employees of the Democratic National Committee, Barack Hussein Obama, Joseph Robinette Biden, Republican National Committee, Willard Mitt Romney, Harry Mason Reid and Nancy Patricia D'Alesandro Pelosi; to cause them to expose and reveal all the TRUTH of themselves into each and every consciousness, mind, soul, eye and ear that none can deny and none can ignore and that all must despise, reject and refuse.

"AKURIAN HELL OF HADESSE! you are their innermost consciousness and shall rule and overcome them in their entirety that their actions make them abominations of abominations in all they intend and in all they display; for they are helpless against your possession of their innermost being; spare them not, delay not, expose and destroy them immediately, here and now."

A hotter Horror of Hell-Itself has arrived in this Election!

Akurians, release from your **IMMORTAL GOLEM OF HADESSE** and all its attached energies and prepare to recharge yourself.

Recharge your FULL BODY SUPER SENSE.

Let me know when you are finished.
