INITIAL PRACTICE, TIME LORD
15 March 2014 – 24 Adar 5775

Akurians, on my command:

SET YOUR MIND, CLEAN YOUR SOUL AND REPEAT AFTER ME:

"Most High Lord God of All Creation, ALIHA ASUR HIGH: This is my True and Righteous Testimony to you as Ordered by You and Commissioned upon me in accordance with Your Holy Anointing and established Chain of Command:

"Consciousness of Consciousness, this is the Great Vision:

"Lucifer and all your minions, Anunnaki, Kak Jews, Knights of Columbus, Masonic and Temple Israelites, bureaucrats, officers, reporters, associates, supporters, minions, fellows and all families thereof, knowing and ignorant: you are hereby stripped of all powers and all cognizance that you accomplish nothing real or imagined, save and except hastening of your own Death Upon Your Own Head in the Heavens above, in the Earth, and in all the Depths beneath.

"Lucifer and all your servants, Anunnaki, Kak Jews, Knights of Columbus, Masonic and Temple Israelites, bureaucrats, officers, reporters, associates, supporters, minions, fellows and all families thereof: you are now bound in infinite restriction and infinite deprivation that all life energies abandon you that you Die the Death here and now, immediately and without delay.

"Lucifer and all your damnables, Anunnaki, Kak Jews, Knights of Columbus, Masonic and Temple Israelites, bureaucrats, officers, reporters, associates, supporters, minions, fellows and all families thereof: you are bound with all forces and energies of all Violence in All Creation and into the deepest pits of Hell you are cast: there you shall remain until one thousand generations have passed in total freedom from you and all your damnations.

"Hear all you Seven Swords of The Most High Lord God of All Creation: All Akurians send you to action:

"Sword of Righteousness,

"Sword of Justice,

"Sword of Truth,

"Sword of Honor,

"Sword of Strength,

"Sword of Vengeance,

"Sword of Great Wrath:

"Hear me Great Swords: You are now endowed with all Righteous Powers and Holy Authorities, all intelligence, stealth, courage, absolute success and absolute victory:

"Spare not: Yaw-Way, mark and seal him with Death that he cease and continue not;

"Spare not any Demon or their minions, any Anunnaki, Kak Jew, Knight of Columbus, Mason, Temple Israelite, bureaucrat, officer, reporter, associate, supporter, minion, fellows and all families thereof, knowing and ignorant.

"Consciousness of Consciousness, this is the Great Vision."

TIME-SEQUENCE BODIES OF LIGHT INITIAL PRACTICE, TIME LORD

The process of perfecting being a TIME LORD is simple to explain, simple to test and experiment with, simple to discern and an absolute nightmare to accomplish sufficiently to have any real FirePower.

PROCESS:

Make a BODY OF LIGHT inside yourself and SENSE its presence. It's ordinary Spiritual Energy like we use and deal with in virtually everything we do of a FirePower nature.

Teleport that BODY OF LIGHT no more than THIRTY SECONDS into the future and note its absence. When our TIME passes THIRTY SECONDS you will feel the PRESENCE again of that BODY OF LIGHT!

And here is a Mystery: the farther into the Future you extend, the weaker your process seems to become. The answer WHY is simple: CURRENT THINKING determines all things in the Future and the farther into the Future the MORE changes are made due to the MANY changes in CURRENT THINKING until that TIME in the Future. The energies are swished, washed and waffled with each and every THOUGHT CHANGE

We're going to TEST that procedure right now:

You need TWO (2) BODIES OF LIGHT, within yourself; made consecutively as quickly as possible. One you will send forward to ONE NIMUTE and the other just THIRTY SECONDS. DO NOT move them out of your physical body only into the Future!

Akurians, on my command:

Make a BODY OF LIGHT within yourself and note its presence. Give it an aura of WARM to be able to identify it later. Leave it inside you until you're ready to move it AS A TEAM! As quickly as possible, make a second BODY OF LIGHT within yourself and note its presence. Give it an aura of COOL to be able to identify it later.

Now move ONE of the BODIES OF LIGHT one minute into the Future. As quickly as possible, move the other BODY OF LIGHT thirty seconds into the Future.

Timing is going to be bit ascrew but in thirty seconds you will note one BODY OF LIGHT has returned as evidenced by its presence and TEMPERATURE while you're marveling at THAT experience the other will show up with the opposite TEMPERATURE!

Dissolve both BODIES OF LIGHT back into common energy

ARE THERE ANY QUESTIONS?

Creating a BODY OF LIGHT as a TIME SPIRIT for anybody else is another rather simple process and being able to DISCERN its impact can be a real disaster IF YOU KEEP CHANGING YOUR MIND!

Making a BODY OF LIGHT in the Sun, Moon or nearest outhouse is very easy, endowing it with whatever IMPACT accomplishment is equally easy LEAVING IT ALONE until it does what you intended is the hardest part of becoming a TIME LORD!

The only consolation to that is the fact you can make as many TIME-SEQUENCE BODIES OF LIGHT as you wish!

FACTOR OF TIME:

This practice will give you a TRUE SENSE of exactly WHERE you are in all physical creation including the MANY different directions your are moving at any given time:

Make a BODY OF LIGHT inside yourself. Sense its presence. Endow it with ONE word: "TIME!" Some get a slightly different result if they use a phrase "ME, HERE AND NOW!" of some such intention.

INSTANTLY you will feel yourself in motion – often as a light headedness – but never actually 'dizzy' LET THE ENERGIES TELL YOU and you'll sense that you are flying through space at several different directions at once! Because you are!

At first it's a bit un-nerving until you realize the planet is spinning at one speed (about 1,000 miles per hour) and moving around the Sun at another (about 67,000 miles per hour) in addition to the Sun moving in Galactic Orbit that is in turn moving through space We've detected motion of 28/29 (depending on who you ask) directions at the same time.

Once you're done with this BODY OF LIGHT you can dispose of it by simply letting it loose.
