

INVOCATION OF ARCH ANGELS
28 September 2009 - 10 Tishrei 5770
Day of Atonement
CAUTION!

Akurian invocations are not parlor games!

They are elements of extreme and irrevocable Forces and Energies. Invocations of Testimony are everlasting and without appeal. Authorized and Empowered Akurians use them sparingly, the wise and prudent study them diligently but do not use them at all, and fools destroy themselves and all those round them in their stupidity. There is nothing humorous or exciting about bringing an encroaching Hell of the First Magnitude down on your own head at your own hand. You have been warned.

Do not EVER attempt to call upon the Four Great Horsemen at any time for any reason. They are an Elite Strike Unit Command with Direct Orders from The Most High, and will not heed any other. If they are called upon or invoked by anyone else, they are commanded to destroy all forces and energies relevant to that invocation whether blessing or curse, and to judge whosoever has invoked them as an abomination in The Sight of The Most High.

Do not EVER attempt to call upon Akasha, Air, Fire, Water, Earth, Archangel Raphael, East Wind Apelotes, Servant Wind Eureka, Angel Bahaliel, Angel Sarabotes, Archangel Michael, South Wind Notae, Servant Wind Lipae, Angel Nafriel, Angel Jehuel, Archangel Gabriel, West Wind Zephyros, Servant Wind Skiron, Angel Aniel, Angel Hamal, Archangel Uriel, North Wind Boreas, Servant Wind Kaikias, Angel Beli, Angel Forlok, Archangel Remiel, Archangel Raguel, Archangel Zerachiel, Angel Ben Nez, Angel Pruel, Angel Druiel, or Angel Albim; nor attempt to invoke anything whatsoever until you are fully versed and practiced in associating with such Entities and handling such Powers, Forces and Energies. Once set in motion, all are extremely dangerous, especially to the uninitiated and to all fools.

There are no exotics necessary, facing this or that direction, church, temple or graveyard locations, et cetera. And no trappings, robes, regalia, flags, table cloths, napkins, talismans, candles, oils, waters, incense, foods, meats, breads, wines, beers, liquors, salt, ladles, forks, knives, swords, staffs, rods, fires or opening or closing rituals, chants or prayers of any kind required. Except for those required by the True and Righteous Levite Priests – until their fall from grace – such implements and sacrifices were, and still are, requirements of Satanism and Evil. Combined, and the best there is of all such, have less than one-millionth of one billionth of one trillionth of the firepower of any True and Righteous, who need nothing but themselves. Killing, boiling, burning, burying, hanging or harming any form of life – symbolically or otherwise – is totally worthless, success being only a delusion in the minds of fools. High Voodoo by a trained Shaman is quite another situation.

To all who will encounter these presents, study them until you have acquired full Righteous Power, due Holy Authority and practiced understanding of these Invocations of Testimony BEFORE attempting to use them – in whole or in part – in any manner. Only True and Righteous Akurians who are Proven Knowers of The Great Testimony possess the Righteous Power and Holy Authority as required for all Invocations of Testimony. This invocation is no exception. Attempt to use this invocation – in whole or in part – without due qualification and authority will bring even Blessings, Curses and Damnations intended upon your own head and upon all the innocent heads of those who are under your hand or support or abide you in any manner. You have been warned, again.
